31308 - 13/14	JUVENILE PROBATION	\$150,000.00	The Juvenile Probation Department (JPD) seeks vendors to provide recreational services to youth at JPD facilities. The Contractor shall provide recreational services on site at Juvenile Hall and/or Log Cabin Ranch. The vendor will play an integral role in creating a recreational setting that is in a safe and secure therapeutic environment. JPD seeks recreational activities, that offer diversity to youth and contributes to the total education of the youth while in detention, these services will provide youth the opportunity to engage in productive and artistic behavior. The vendor will play an important role and will assist JPD in a multifaceted approach to rehabilitate youth.	November 1, 2014	October 31, 2017
41338 - 13/14	PUBLIC HEALTH	\$21,000,000.00	Services will include Third Party Pharmacy Adjudication (TPA) of claims and 340B Drug Pricing Program services for the Department of Public Health's (DPH's) integrated service delivery division, the San Francisco Health Network (SFHN). The SFHN provides health care services to San Francisco residents who are not eligible for and/or do not have third party coverage for outpatient medication such as Medi-Cal or private insurance, including members of the San Francisco Health Plan (SFHP). TPA services will include verifying patient and provider eligibility status and adjudicate online claims 24/7. The 340B Drug Pricing Program requires drug manufacturers to provide outpatient drugs to eligible health care organizations at significantly reduced prices. 340B Program services will include inventory management, outpatient prescription claims adjudication services, and 340B contract pharmacy network management.	July 1, 2014	June 30, 2019
44408 - 13/14	PUBLIC UTILITIES COMMISSION	\$14,000,000.00	Provide planning and engineering support for a new 250 million gallons per day (MGD) Headworks facility at the Southeast Water Pollution Control Plant (SEP). The Headworks is the first treatment process in the liquid wastewater stream and contains the critical solids removal equipment such as the fine screens, grit removal, and odor control systems. Upgrading these systems with new Headworks will improve the downstream treatment process and protect the new biosolids equipment from damaging debris such as rags, sand, and abrasive grit.	January 1, 2015	May 1, 2021
46535 - 13/14	PUBLIC HEALTH	\$15,000,000.00	The new San Francisco General and Hospital Trauma Center will have a state of the art integrated data and utility network to provide secure access to patient clinical records, radiology systems, voice, video, patient tracking systems, patient experience systems and building monitoring systems. The entire network comprised of equipment and applications needs to be designed and installed in the new hospital through the purchase of new items or existing items transitioned from the current hospital then tested and inspected by the various regulators. This must occur by dates that the construction manager has set. The amount of this PSC is the Department's best estimate of the value of the professional services portion of the contracts, excluding license and maintenance fees.	June 1, 2014	December 31, 2018
47589 - 13/14	MAYOR	\$625,000.00	The Contractor shall provide & maintain an end-to-end web-based grants management system as a Commercial Off-The-Shelf solution or customized SaaS/PaaS/Cloud hosted subscription-based platform to provide the functionalities described below for at least 1,000 Users with varying levels of access, as well as a wide variety of experience in the use of online tools. The System must provide Mayor's Office of Housing & Community Development (MOHCD) staff & potential and awarded Grantees with the ability to initiate, manage and monitor the entire granting process, including Grantee Project proposal set-up, submission, review and negotiations, grant award, reporting and reimbursement, & Agency & User setup and administration. Services provided shall include System planning & management, including but not limited to, requirements & design, integration, testing, acceptance, deployment, data migration (if applicable),	October 15, 2014	October 15, 2017
