SUBJECT: Take Your Daughters and Sons to Work Day, April 27, 2006

This year we will again be celebrating Take Your Daughters and Sons to Work Day on Thursday, April 27th. The theme of the day is “Shaping the Future.” This event provides departments an opportunity to spend some time engaging, (and hopefully recruiting) the next generation of San Francisco’s workforce, our daughters and sons. I encourage each department to create a program that is welcoming, educational and entertaining. A great source of ideas for organizing the event can be found at <http://www.daughtersandsonstowork.org>.
