I.B. INTENT

3. It is the intent of the parties signatory hereto that the provisions of this Agreement shall not become binding until adopted or accepted by the Board of Supervisors by appropriate action. Moreover, it is the intent of the Mayor acting on behalf of the City to agree to wages, hours, and other terms and conditions of employment as are within the Mayor's jurisdiction, powers, and authority to act as defined by the Charter, state law, California Constitution and other applicable bodies of the law. The Mayor does not intend nor attempt to bind any board, commission or officer to any provisions of this agreement over which the Mayor has no jurisdiction.

I.C. NO STRIKE PROVISION

4. It is mutually agreed and understood that during the period this Agreement is in force and effect the Union and represented employees will not engage in any work stoppage as defined in Charter Section A8.346.

I.D. OBJECTIVE OF THE CITY

5. It is agreed that the delivery of municipal services in the most efficient, effective, and courteous manner is of paramount importance to the City and its employees. Such achievement is recognized to be a mutual obligation of the parties to this Agreement within their respective roles and responsibilities.
6. The Union recognizes the City's right to establish and/or revise performance standards or norms notwithstanding the existence of prior performance levels, norms or standards. Such standards, developed by usual work measurement procedures, may be used to determine acceptable performance levels, prepare work schedules, and to measure the performance of each employee or group of employees.
7. Employees who work at less than acceptable levels of performance may be subject to disciplinary measures.

I.E. MANAGEMENT RIGHTS

8. The Union agrees that the City has complete authority for the policies and administration of all City departments which it shall exercise under the provisions of law and in fulfilling its responsibilities under this Agreement. Said authority shall include the establishment of work rules and regulations not inconsistent with the terms of this Agreement. Any matter involving the management of governmental operations vested by law in the City and not covered by this Agreement is in the jurisdiction of the City. Nothing herein is intended to abridge the meet and confer obligations of the City pursuant to the Meyer-Milias-Brown Act.

ARTICLE I – REPRESENTATION

I.F. EMPLOYEE REPRESENTATIVES

9. The Business Representatives of the Union shall have reasonable access to the job site during working hours for the purpose of conferring with members of the Union regarding the manner in which compliance with the terms of the Agreement are being met. The Union agrees that such contact will in no way interfere with the work of the Department.

I.G. SHOP STEWARDS

10. The Union shall furnish the City with an accurate list of shop stewards. The Union may submit amendments to this list at any time. If a shop steward is not officially designated in writing by the Union, none will be recognized for that area or shift.
11. The Union recognizes that it is the responsibility of the shop steward to assist in the resolution of grievances at the lowest possible level as authorized by the Union.
12. If, in the judgment of the supervisor, permission cannot be granted immediately to the shop steward to present an informal grievance during on-duty time, such permission shall be granted by the supervisor no later than the next working day from the date the shop steward was denied permission.
13. In emergency situations, where immediate disciplinary action must be taken because of violation of law or a City or departmental rule (intoxication, theft, etc.) the shop steward shall, if possible, be granted immediate permission to leave her/his post of duty to assist in the grievance procedure as authorized by the Union.
14. Shop stewards shall not interfere with the work of any employee.

I.H. JOINT ADVISORY COMMITTEE

15. U.A. Local 38 and the signatories to the Consolidated Crafts Agreement (collectively "the Unions") may, at their option, cause the establishment of a Joint Advisory Committee (Joint Committee) consisting of one member appointed by U.A. Local 38, one member appointed by the signatories to the Consolidated Crafts Agreement, and two members appointed by the City's Employee Relations Director, which shall review and attempt to resolve grievances and other matters of concern including, but not limited to, the uniformity of interpretation of this Agreement. The Joint Committee may issue unanimous advisory non-binding opinions; however, nothing in this section shall authorize the Joint Committee to take any action that would bind either the Unions or the City. Any unanimous advisory non-binding opinion issued by the Joint Committee shall not be used by either party in any arbitration proceeding conducted under this Agreement or in any other adversary proceeding. No written opinions may be issued by the Joint Committee without the unanimous support of all four members.

ARTICLE I – REPRESENTATION

The Joint Committee shall calendar no less than four meetings per year on a quarterly basis.

I.I. GRIEVANCE PROCEDURE

16. The following procedures are adopted by the Parties to provide for the orderly and efficient disposition of grievances and are the sole and exclusive procedures for resolving grievances as defined herein.

Definition - A grievance is defined as an allegation by an employee, a group of employees or the Union that the City has violated, misapplied or misinterpreted a term or condition of employment provided in this Agreement, or divisional, departmental or City rules, policies or procedures subject to the scope of bargaining and arbitration as set forth in this Agreement pursuant to Charter Section A8.409 et seq.

The appended rebuttal shall be included in the employee's official personnel file. Employees are required to submit written rebuttals within fifteen (15) calendar days from the date of the reprimand.

25. b. Step 1: An employee shall discuss the grievance informally with his/her immediate supervisor as soon as possible but in no case later than twenty (20) working days from the date of the occurrence of the act or the date the grievant might reasonably have been expected to have learned of the alleged violation being grieved. The grievant may have a Union representative present.
26. If the grievance is not resolved within five (5) working days after contact with the immediate supervisor, the grievant will submit the grievance in writing to the immediate supervisor on a mutually agreeable grievance form. The grievance will set forth the facts of the grievance, the terms and conditions of employment claimed to have been violated, misapplied or misinterpreted, and the remedy or solution being sought by the grievant.
27. The immediate supervisor shall respond in writing within seven (7) working days following receipt of the written grievance.
28. c. The Appointing Officer shall respond in writing within fifteen (15) working days of the hearing or receipt of the grievance, whichever is later.

The Director may convene a grievance meeting within ten (10) working days with the grievant and/or the grievant's Union. The Director shall respond to the grievance in writing within ten (10) working days of the meeting or, if none is held, within ten (10) working days of receipt of the appeal.

4. Selection of the Arbitrator
31. When a matter is appealed to arbitration, the parties shall first attempt to mutually agree on an arbitrator. In the event no agreement is reached within five (5) working days, the arbitrator shall be selected from a panel obtained

ARTICLE I – REPRESENTATION

through the State Mediation and Conciliation Services.

32. The parties shall make every effort to select a mutually agreeable arbitrator and schedule a hearing date within twenty (20) working days. In the event the parties fail to agree, the arbitrator will be selected by alternate striking from the list supplied by the State Mediation and Conciliation Service.

33. The decision of the arbitrator shall be final and binding on all parties; however, the arbitrator shall have no authority to add to, subtract from, or modify the terms of this agreement.

34. The costs of the arbitrator and any court reporter and arbitration transcript, shall be split between the parties, costs of the parties transcripts and representation shall be borne by each party.

5. Discipline/Discharge Grievances

The City shall have the right to discipline any non-probationary permanent, temporary civil service, or provisional employee who has served the equivalent of a probationary period for just cause. As used herein "discipline" shall be defined as discharge, suspensions and disciplinary demotion.

36. b. Suspensions, disciplinary demotions and discharges of non-probationary permanent, temporary civil service and provisional employees who have served the equivalent of a probationary period shall be subject to the following procedure:

37. (1) The employee shall receive written notice of the recommended disciplinary action, including the reasons and supporting documentation, if any, for the recommendation.

38. (2) The employee and any representative shall be afforded a reasonable amount of time to respond orally or in writing to the management official designated by the City to consider the reply.

39. (3) The employee shall be notified in writing of the decision based upon the information contained in the written notification, the employee's statements, and any further investigation occasioned by the employee's statements. The employee's representative shall receive a copy of this decision.

40. Disciplinary action, as defined herein, may be appealed to the Employee Relations Director. An appeal will be timely if received or postmarked

ARTICLE I – REPRESENTATION

within fifteen (15) working days of the issuance of the Departmental decision. The Director, ERD, shall review the appeal and issue a final City decision no later than fifteen (15) days following receipt of the appeal.

41. If the decision of the Director, ERD, is unsatisfactory only the Union may file a written appeal to arbitration with the ERD no later than fifteen (15) working days following issuance of the final City decision.
42. c. Selection of the Arbitrator - Disciplinary/Discharge Grievances - Disciplinary or discharge grievances will be heard by an arbitrator selected in accordance with the procedure in Section I.I.4.
- d. Expedited Arbitration
43. Grievances of disciplinary suspensions of not greater than fifteen (15) days, and grievances of contract interpretation where the remedy requested would not require approval by the Board of Supervisors shall be resolved through an expedited arbitration process; however, by mutual agreement, the parties may move such matters out of the expedited process to regular arbitration procedures provided herein.
44. The expedited arbitration shall be conducted before an arbitrator, to be mutually selected by the parties, and who shall serve until the parties agree to remove him/her or for twelve months, whichever comes first. A standing quarterly expedited arbitration schedule will be established for this process. The parties agree not to utilize court reporters or electronic transcription. The parties further agree not to utilize post-hearing briefs.
45. Each party shall bear its own expenses in connection therewith. All fees and expenses of the arbitrator shall be borne and paid in full and shared equally by the parties.
46. In the event that an expedited arbitration hearing is canceled resulting in a cancellation fee, the party initiating the request or causing the cancellation shall bear the full cost of the cancellation fee, unless a mutually agreed upon alternative is established.
47. For Fiscal Year 2014-2015, the City agrees to schedule two arbitrators per month available to conduct expedited arbitrations. The City may, at its sole discretion, cancel any expedited arbitration sessions in time to avoid a cancellation fee if there are no expedited arbitrations calendared for that month. Additional arbitrators may be scheduled for Fiscal Years 2015-2017 if the City and the Union agree that there is sufficient demand to do so.

ARTICLE I – REPRESENTATION

- 48. 6. Claims - Any claim for monetary relief shall not extend more than thirty (30) working days prior to the filing of a grievance, unless considerations of equity or bad faith justify a greater entitlement.
- 49. 7. Dismissal - In the event a grievance is not filed or appealed in a timely manner it shall be dismissed. Failure of the City to timely reply to a grievance shall authorize appeal to the next grievance step.
- 50. 8. During the term of this Agreement, the City's Department of Human Resources (DHR) will keep track of Union grievances as follows. For each grievance at each step of the grievance process, the Union shall be responsible for mailing (or emailing) a copy of the grievance, as well as notification that the grievance is being moved to the next step, to a person designated by the City's Employee Relations Director. The Union shall also be responsible for notifying DHR's designee in writing that the grievance is being moved to arbitration and identifying who the grievance was handed to at Step 1. For each grievance, where the Union has notified DHR as described above, DHR shall record: (a) when the grievance was filed; (b) when the grievance was moved to each successive step; (c) when the arbitration was calendared for arbitration; (d) when the arbitration took place; and (e) when the arbitration decision was issued or, in the alternative, whether the grievance was resolved in another manner; provided, however, that DHR shall only be responsible for recording the cited information if the union provides it.

I.J. DUES DEDUCTION

- 51. The Union may exercise the privilege of dues deductions and voluntary political action committee deductions and shall pay the reasonable costs of this service. The Controller of the City and County of San Francisco shall establish the costs and the procedures for initiating and maintaining this service. 55. a. The Qualified Charitable Contribution shall be the payment of a sum equal to the initiation fee, agency fee and general assessments and shall be paid in the amounts and at the times said fees and/or assessments would otherwise be due and payable if the employee were not exempt under this paragraph.

56. b. The Qualified Charitable Contribution shall be paid to any qualified charity so long as such charity remains exempt from taxation under Section 501(c)(3) of the Internal Revenue Code.

57. c. Payment of Qualified Charitable Contributions by persons and at the times and manner described in this paragraph shall be a condition to continued employment. The employee shall supply the City and Union with an acknowledgement of receipt from the qualified charity or other satisfactory evidence on a monthly basis that the Qualified Charitable Contribution has been paid in a timely fashion.

58. d. Any dispute between the Union and an employee as to whether an employee meets the eligibility requirements for payment of Qualified

The Employee Relations Director shall give the Union no less than ten working days’ notice of any such proposed designation. Disputes regarding such designations shall promptly be resolved pursuant to Section 16.208(b) of the ordinance.

61. The City agrees to discuss with the Union the designation of represented employees who have been previously designated as management, confidential, or supervisory. The City will provide available information on positions so previously designated. Following such discussion, if it is determined that the Union was not properly notified in the past of such designations, any disputes regarding such designations will be submitted to an Administrative Law Judge in accordance with the Employee Relations Ordinance within 120 days of the effective date of this Agreement.

In the event an employee fails to make payments as required by this agreement, the Union may give written notice of such fact to the City and the employee. In the event such notice is given, a representative of the Union, a representative of the City and the affected employee shall, within three (3) work days of such notice (excluding Saturdays, Sundays, and holidays), meet for the purpose of hearing the employee's position regarding non-payment, thoroughly explaining the circumstances to the employee and to work out a solution to any existing problems, satisfactory to the Union. If the employee has not paid the required dues or fees (including general assessments) or initiation fee and the matter is not resolved to the satisfaction of the Union, the Union may request in writing that the employee's employment be terminated. Upon receipt of such request, the City shall commence the termination process of said employee.

67. 7. Revocation of Agency Shop

The Agency Shop provisions herein covering the aforementioned bargaining unit or subunit may be rescinded as provided by state law. The Employee Relations Director shall consult with the Union and promulgate rules necessary for the conduct of said rescission elections.

68. 8. Financial Reporting

Annually, the Union will provide an explanation of the fee and sufficient financial information to enable the service fee payer to gauge the appropriateness of the fee. The Union will provide a reasonably prompt opportunity to challenge the amount of the fee before an impartial decision maker not chosen by the Union and will make provision for an escrow account to hold amounts reasonably in dispute while challenges are pending.

1) MEDICALLY SINGLE EMPLOYEES

248. Effective January 1, 2014 through December 31, 2014, for “medically single employees” (Employee Only) enrolled in any plan other than the highest cost plan, the City shall contribute ninety percent (90%) of the “medically single employee” (Employee Only) premium for the plan in which the employee is enrolled; provided, however, that the City’s premium contribution will not fall below the lesser of: (a) the "average contribution" as determined by the Health Service Board pursuant to Charter Sections A8.423 and A8.428(b)(2); or (b), if the premium is less than the "average contribution", one hundred percent (100%) of the premium.

249. For the period January 1, 2014 through December 31, 2014 only, for “medically single employees” (Employee Only) who elect to enroll in the highest cost plan, the City shall contribute ninety percent (90%) of the premium for the second highest cost plan, plus fifty percent (50%) of the difference between: (a) ninety percent (90%) of the premium for the

ARTICLE III – PAY, HOURS AND BENEFITS

second highest cost plan; and (b) one hundred percent (100%) of the premium for the highest cost plan.

2) DEPENDENT HEALTH CARE BENEFITS- Amount of Employee Contribution to be paid by the City.

250. From January 1, 2014 through December 31, 2014 for Dependent Coverage (Employee Plus One; Employee Plus Two More), the City shall contribute \$225 per month per employee to provide for dependent coverage for employees with one or more dependents. However, in the event that the cost of dependent care exceeds \$225 per month, the City will adjust its pick-up level up to 75% of the cost of Kaiser’s dependent health care medical premium charged to the employee plus two or more dependents category.

b. Health Coverage Effective January 1, 2015

251. Effective January 1, 2015, the contribution model for employee health insurance premiums will be based on the City’s contribution of a percentage of those premiums and the employee’s payment of the balance (Percentage-Based Contribution Model), as described below:

1) Employee Only:

252. For medically single employees (Employee Only) who enroll in any health plan offered through the Health Services System, the City shall contribute ninety-three percent (93%) of the total health insurance premium, provided however, that the City’s contribution shall be capped at ninety-three percent (93%) of the Employee Only premium of the second-highest-cost plan.

4) Contribution Cap

255. In the event HSS eliminates access to the current highest cost plan for active employees, the City contribution under this agreement for the remaining two plans shall not be affected.

5) Average Contribution Amount

256. For purposes of this agreement, and any resulting agreements under paragraph 253, to ensure that all employees enrolled in health insurance through the City’s Health Services System (HSS) are making premium contributions under the Percentage-Based Contribution Model, and therefore have a stake in controlling the long term growth in health insurance costs, it is agreed that, to the extent the City’s health insurance premium contribution under the Percentage-Based Contribution Model is less than the “average contribution,” as established under Charter section A8.428(b), then, in addition to the City’s contribution, payments toward the balance of the health insurance premium under the Percentage-Based Contribution Model shall be deemed to apply to the annual “average contribution.” The parties intend that the City’s contribution toward employee health insurance premiums will not exceed the amount established under the Percentage-Based Contribution Model.

c. Health Medically Single Employees Outside of Health Coverage Areas

257. The provisions in paragraphs 243, 244, and 247 above shall not apply to “medically single employees” (Employee Only) who are permanently assigned by the City to work in areas outside the health coverage areas of Kaiser and Blue Shield for the term of this Agreement. For such “medically single employees” (Employee Only), the City shall continue to contribute one hundred percent (100%) of the premium for the employees’ own health care benefit coverage.

d. Agreement Not to Renegotiate Contributions in 2014

258. The terms described in paragraphs 246 through 251 above will be effective in calendar year 2015, and the parties agree not to seek to modify this agreement through the term of any MOU entered into prior to, or in the spring of, 2014.

e. Other Terms Negotiable

ARTICLE III – PAY, HOURS AND BENEFITS

259. While the parties have agreed in paragraph 253 not to negotiate any changes to the Percentage-Based Contribution Model, the parties are free to make economic proposals to address any alleged impact of the health contribution levels described above or other health related issues not involving the percentage-based contribution model (e.g. wellness and transparency).
- f. Other Agreements

263. The aforesaid payments shall not be considered as part of an employee's salary for the purpose of computing straight time earnings, compensation for overtime worked, premium pay, retirement benefits or retirement contributions; nor shall such contributions be taken into account on determining the level of any other benefit which is a function of or percentage of salary.
264. Employees who enroll in the Delta Dental PPO Plan shall pay the following premiums for the respective coverage levels: \$5/month for employee-only, \$10/month for employee + 1 dependent, or \$15/month for employee + 2 or more dependents.

6. TESTING

I. Reasonable Suspicion Testing

- a. Reasonable suspicion to test a Covered Employee will exist when contemporaneous, articulable and specific observations concerning the symptoms or manifestations of impairment can be made. These observations shall be documented on the Reasonable Suspicion Report Form attached to this Appendix as Exhibit B. At least three (3) indicia of drug or alcohol impairment must exist, in two (2) separate categories, as listed on the Reasonable Suspicion Report Form. In the alternative, the employer representatives must confirm direct evidence of drug or alcohol impairment as listed on the Reasonable Suspicion Report Form.
- b. Any individual or employee may report another employee who may appear to that individual or employee to be under the influence of alcohol or drugs. Upon receiving a report of possible alcohol or drug use or impairment in the workplace, two (2) trained supervisory employer representatives will independently verify the basis for the suspicion and request testing in person. The first employer representative shall verify and document the employee's appearance and behavior and, if appropriate, recommend testing to the second employer representative. The second employer representative shall verify the contemporaneous basis for the suspicion. If reasonable suspicion to test a Covered Employee arises between 11:00 p.m. and 7:00 a.m., or at a location outside the geographic boundaries of the City and County of San Francisco (excluding San Francisco International Airport), and where a second trained supervisory employer representative cannot reasonably get to the location within thirty (30) minutes, then the second employer representative shall not be required to verify the basis for the suspicion in person, but instead shall verify by telephone or email. After completing the verification, and consulting with the first employer representative, the second employer representative has final authority to require that the Covered Employee be tested.
- c. If the City requires an employee under reasonable suspicion to be tested, then the employee may ask for representation. Representation may include, but is not limited to, union representatives and shop stewards. If the employee requests representation, the City shall allow a reasonable amount of time from the time the employee is notified that he or she will be tested (up to a maximum of one hour) for the employee to obtain representation. Such request shall not delay the administration of the tests for more than one hour from the time the employee is notified that he or she will be tested.
- d. Department representative(s) shall document the incident. If a Covered Employee Refuses to

APPENDIX A

Submit to testing, then the City shall treat the refusal as a positive test, and shall take appropriate disciplinary action pursuant to the attached discipline matrix.

II. Post-Accident Testing

- a. The City may require a Covered Employee who caused, or may have caused, an Accident, based on information known at the time of the Accident, to submit to drug and/or alcohol testing.
- b. Following an Accident, all Covered Employees subject to testing shall remain readily available for testing. A Covered Employee may be deemed to have refused to submit to substance abuse testing if he or she fails to remain readily available, including failing to notify a supervisor (or designee) of the Accident location, or leaving the scene of the Accident prior to submitting to testing.
- c. Nothing in this section shall delay medical attention for the injured following an Accident or prohibit an employee from leaving the scene of an Accident for the period necessary to obtain assistance in responding to the Accident or to obtain necessary emergency medical care.
- d. If the City requires a Covered Employee to be tested post-Accident, then the employee may ask for representation. Representation may include, but is not limited to, union representatives and shop stewards. If the employee requests representation, the City shall allow a reasonable amount of time from the time the employee is notified that he or she will be tested (a maximum of one hour) for the employee to obtain representation provided that the union representative meet the employee at the Accident site, work location or testing center as determined by the City. Such request shall not delay the administration of the tests for more than one hour from the time the employee is notified that he or she will be tested.
- e. As soon as reasonably possible after the occurrence of an Accident, the supervisor or other City representative at the Accident scene shall make best efforts to contact the Department of Human Resources (DHR) or designee, and DHR or designee shall then make best efforts to telephone the union(s) first designated representative on file with DHR representing the Covered Employee(s) involved in the Accident. If the first designated representative does not answer, DHR or designee shall leave a voice mail message notifying the union of the Accident and telephone the union(s) second designated representative on file with DHR. For purposes of this paragraph, a designated representative shall be any union officer or employee whose telephone number is on file with DHR for the purpose of Accident review. The union may change the designated representative, in writing, as necessary from time to time, but it is the sole responsibility of the union to ensure that a current telephone number (with voice mail capability) for two designated representatives are on file with DHR.

7. TESTING PROCEDURES

I. Collection Site

- a. If there is a trained Collector available on site, the City may conduct “on-site” tests

Plumbers and Pipe Fitters Local 38

APPENDIX A

(alcohol breathalyzer testing and oral fluid testing). If any of those tests are “Non-Negative,” a confirmation test will be performed. The on-site tests may enable the Covered Employee and the City to know immediately whether that employee has been cleared for work.

- b. If a trained Collector is not available on-site, the staff of a collection facility under contract to the City, or the City's drug testing contractor shall collect oral fluid samples from Covered Employees to test for prohibited drugs.
 - (1.) A Covered Employee presenting herself/himself at the approved drug collection site must have a minimum of one piece of government-issued photo identification and may not leave the collection site for any reason – unless authorized by the collection agency – until (s)he has fully completed all collection procedures. Failure to follow all collection procedures will result in the employee classified as a “Refusal to Submit.”
- c. Covered Employees who Refuse to Test may be subject to disciplinary action, up to and including termination, pursuant to Exhibit A.
- d. Alcohol and drug testing procedures.
 - (1.) Alcohol Testing Procedure. Tests for alcohol concentration on Covered Employees will be conducted with a National Highway Traffic Safety Administration (NHTSA)-approved evidential breath testing device (EBT) operated by a trained breath alcohol technician (BAT). Alcohol tests shall be by breathalyzer using the handheld Alco-Sensor IV Portable Breath Alcohol Analyzer device, or any other U.S. Department of Transportation (DOT) approved breath analyzer device.
 - (2.) Drug Testing Procedure. Tests for drugs shall be by oral fluid collection. The oral fluid specimens shall be collected under direct visual supervision of a Collector and in accordance with the testing device manufacturer’s recommended procedures for collection. Screening results may be provided by the Collector or by a laboratory. Confirmation tests shall be conducted at a laboratory.
 - (3.) The Covered Employee being tested must cooperate fully with the testing procedures.
 - (4.) A chain of possession form must be completed by the Collector, hospital, laboratory and/or clinic personnel during the specimen collection and attached to and mailed with the specimens.
- e. After being tested for drugs, the Covered Employee may be barred from returning to work until the department is advised of the final testing result by the MRO. During that period, the Covered Employee will be assigned to work that is not safety-sensitive or placed on paid administrative leave for so long as the Covered Employee is eligible for such leave under the terms of the applicable provision of the City’s Administrative

APPENDIX A

Code. The test shall be deemed a negative test if the MRO has not advised of the final testing result by the time the Covered Employee's paid leave has expired under the terms of the applicable provision of the City's Administrative Code.

II. Laboratory

- a. Drug tests shall be conducted by laboratories licensed and approved by SAMSHA which comply with the American Occupational Medical Association (AOMA) ethical standards. Upon advance notice, the parties retain the right to inspect the laboratory to determine conformity with the standards described in this policy. The laboratory will only test for drugs identified in this policy. The City shall bear the cost of all required testing unless otherwise specified herein.
- b. Tests for all controlled substances, except alcohol, shall be by oral fluid testing and shall consist of two procedures, a screen test and, if that is positive, a confirmation test.
- c. To be considered positive for reporting by the laboratory to the City, both samples must be tested separately in separate batches and must also show positive results on the confirmatory test.
- d. In the event of a positive test, the testing laboratory will perform an automatic confirmation test on the original specimen at no cost to the Covered Employee. In addition, the testing laboratory shall preserve a sufficient specimen to permit an independent re-testing at the Covered Employee's request and expense. The same, or any other, approved laboratory may conduct re-tests. The laboratory shall endeavor to notify the designated MRO of positive drug, alcohol, or adulterant tests results within five (5) working days after receipt of the specimen.

III. Medical Review Officer (MRO)

- a. All positive drug, or Substituted, Adulterated, positive-Diluted Specimen, or Invalid Drug Test, as defined herein, will be reported to a Medical Review Officer (MRO). The MRO shall review the test results, and any disclosure made by the Covered Employee, and shall attempt to interview the individual to determine if there is any physiological or medical reason why the result should not be deemed positive. If no extenuating reasons exist, the MRO shall designate the test positive.
- b. When the laboratory reports a confirmed positive, Adulterated, Substituted, positive-Diluted, or Invalid test, it is the responsibility of the MRO to: (a) make good faith efforts to contact the employee and inform him or her of the positive, Adulterated, Substituted, positive-Diluted, or Invalid test result; (b) afford the employee an opportunity to discuss the test results with the MRO; (c) review the employee's medical history, including any medical records and biomedical information provided by the Covered Employee, or his treating physician, to the MRO; and (d) determine whether there is a legitimate medical explanation for the result, including legally prescribed medication. Employees shall identify all prescribed medication(s) that they have taken. If the Covered Employee fails to respond to the MRO within three (3) days, the MRO may deem the Covered Employee's result as a positive result.

APPENDIX A

- c. The MRO has the authority to verify a positive or Refusal To Test without interviewing the employee in cases where the employee refuses to cooperate, including but not limited to: (a) the employee refused to discuss the test result; or (b) the City directed the employee to contact the MRO, and the employee did not make contact with the MRO within seventy-two (72) hours. In all cases, previously planned leaves may extend this time. The MRO's review of the test results will normally take no more than three (3) to five (5) days from the time the Covered Employee is tested.
- d. If the testing procedures confirm a positive result, as described above, the Covered Employee and the Substance Abuse Prevention Coordinator (SAPC) for the City and departmental HR staff or designee will be notified of the results in writing by the MRO, including the specific quantities. The results of a positive drug test shall not be released until the results are confirmed by the MRO. The Covered Employee may contact the SAPC, or the MRO, to request a drug or adulterant retest within seventy-two (72) hours from notice of a positive test result by the MRO. The requesting party will pay costs of re-tests in advance.
- e. A drug test result that is positive and is a Diluted Specimen will be treated as positive. All drug test results that are determined to be negative and are Diluted Specimens will require that the employee take an immediate retest. If the retest yields a second negative Diluted Specimens result, the test will be treated as a normal negative test, except in the case of subsection (f).
- f. If the final test is confirmed negative, then the Employee shall be made whole, including the cost of the actual laboratory re-testing, if any. Any employee who is subsequently determined to be subject of a false positive shall be made whole for any lost wages and benefits, and shall have their record expunged.
- g. The City shall assure that all specimens confirmed positive will be retained and placed in properly secured long-term frozen storage for a minimum of one (1) year, and be made available for retest as part of any administrative proceedings.
- h. All information from a covered employee's drug and/or alcohol test is confidential for purposes other than determining whether this policy has been violated or pursuing disciplinary action based upon a violation of this policy. Disclosure of test results to any other person, agency, or organization is prohibited unless written authorization is obtained from the Covered Employee or as required by law.

8. RESULTS

- a. Substance Abuse Prevention and Detection Threshold Levels.
For post-Accident or reasonable suspicion testing where the Covered Employee was operating a commercial motor vehicle, any test revealing a blood/alcohol level equal to or greater than 0.04 percent, or the established California State standard for commercial motor vehicle operations, shall be deemed positive. For all other post-Accident or reasonable suspicion testing, any test revealing a blood/alcohol level equal to, or greater than, 0.08 percent, or the established California State standard for non-commercial motor vehicle operations, shall be

- b. The City reserves the right to discipline in accordance with the chart set forth in Exhibit A for abuse of prescribed and over-the-counter drugs or medications, pursuant to the testing procedures described above, as determined by the MRO.

9. CONSEQUENCES OF POSITIVE TEST RESULTS

For post-Accident or reasonable suspicion, a Covered Employee shall be immediately removed from performing his or her job or, in the alternative, may be temporarily reassigned to work that is not safety-sensitive if such work is available. The Covered Employee shall be subject to disciplinary action, and shall meet with the SAPC, as set forth in Exhibit A, and section 10 below, if the Covered Employee:

1. Is confirmed to have tested positive for alcohol or drugs;
 2. Refuses to Submit to testing; or
 3. Has submitted a specimen that the testing laboratory report is an Adulterated or Substituted Specimen.
- a. If the Union disagrees with the proposed disciplinary action, it may use the grievance procedure as set forth in the parties' MOU, provided, however, that such a grievance must be initiated at the Employee Relations Director step, unless the parties otherwise mutually agree.
 - b. All proposed disciplinary actions imposed because of a positive drug/alcohol test(s) shall be administered pursuant to the disciplinary matrix set forth in Exhibit A. Subject to good cause, the City may impose discipline for conduct in addition to the discipline for a positive drug/alcohol test. The positive test may be a factor in determining good cause for such additional discipline.

APPENDIX A

- c. In the event the City proposes disciplinary action, the notice of the proposed discipline shall contain copies of all laboratory reports and any other supporting documentation upon which the City is relying to support the proposed discipline.

10. RETURN TO DUTY

The SAPC will meet with a Covered Employee who has tested positive for alcohol and/or drugs. The SAPC will discuss what course of action may be appropriate, if any, and assistance from which the employee may benefit, if any, and will communicate a proposed return-to-work plan, if necessary, to the employee and department. The SAPC may recommend that the Covered Employee voluntarily enter into an appropriate rehabilitation program administered by the Covered Employee's health insurance carrier prior to returning to work. The Covered Employee may not return to work until the SAPC certifies that he or she has a negative test prior to returning to work. In the event that the SAPC does not schedule a return-to-work test before the Covered Employee's return-to-work date, the SAPC shall arrange for the Covered Employee to take a return-to-work test within three (3) working days of the Covered Employee notifying the SAPC in writing of a request to take a return-to-work test. If a Covered Employee fails a return-to-work test, he or she shall be placed on unpaid leave until testing negative but shall not be subject to any additional discipline due to a non-negative return-to-work test. The SAPC will provide a written release to the appropriate department or division certifying the employee's right to return to work.

11. TRAINING

The City or its designated vendor shall provide training on this policy to first-line, working supervisors and up to the Deputy Director level as needed. In addition, all Covered Employees shall be provided with a summary description of the SAPP notifying them of their right to union representation in the event that they are required to be tested.

12. ADOPTION PERIOD

This Policy shall go into effect on June 30, 2014.

13. JOINT CITY/UNION COMMITTEE

The parties agree to work cooperatively to ensure the success of this policy. As such, a Joint City/Union Committee shall be established with two (2) members from the City and two (2) members from each Union, except that no Union shall be required to participate. The Committee shall meet on an annual basis and, in addition, on an as-needed basis to address any implementation issues and review available data concerning the implementation of this policy.

14. SAVINGS CLAUSE

Notwithstanding any existing substance abuse prevention programs, if any provision of an existing department policy, rule, regulation, or resolution is inconsistent with or in conflict with any provision of this policy, this policy shall take precedence. Should any part of this policy be

APPENDIX A

determined contrary to law, such invalidation of that part of this policy will not invalidate the remaining parts. If operational barriers arise that make implementation of any part of this policy impossible or impracticable, such operational barriers will not invalidate the remaining parts of this policy. In the event of a determination that a part of the policy is contrary to law or if operational barriers arise, the parties agree, with the intent of the parties hereto, to immediately meet and negotiate new provision(s) in conformity with the requirements of the applicable law, or which will remove the operational barrier. Should the parties fail to agree on a resolution, the matter will be submitted to binding arbitration using the factors set forth in Charter section A8.409-4(d), and, as appropriate, Charter section 8A.104(n). Otherwise, this policy may only be modified by mutual consent of the parties. Such amendment(s) shall be reduced to writing.
