Proposed Modifications to Personal Services Contracts

PSC NO.	DEPARTMENT	ADDITIONAL AMOUNT	CUMULATIVE TOTAL	DESCRIPTION OF WORK	START DATE	END DATE
39051-14/15	City Planning	\$400,000	\$500,000	Selected consultant(s) will provide as-needed Stakeholder Outreach and Engagement Services. The Planning Department will select one or more consultants from the Controller's Office list of pre-qualified vendors, established on November 6, 2014 and updated every two years, with demonstrated experience in a wide variety of these service areas. Stakeholder outreach services include development and implementation of electronic, print, media, and community-based outreach strategies. Stakeholder engagement services include managing engagement processes and data collection plans, collecting and analyzing input via a range of data collection instruments, and reporting results and recommendations. A more detailed description is provided in the Controller's Office solicitation attached, RFQ#CON2014-17, in the scope of work on pages 2 to 3.	7/1/2017	6/30/18
4062-12/13	Environment	\$6,000,000	\$11,000,000	Assist the Department in designing, developing, facilitating, and implementing outreach and social marketing programs and creative multilingual campaigns in various areas including waste reduction, reuse, recycling, toxics reduction, energy efficiency and climate adaptation, etc. Additionally, contractor will provide research assistance such as surveys, focus groups, and other forms of market research.	7/1/2018	6/30/2024
35070-14/15	Municipal Transportation Agency	\$100,000	\$150,000	The contractor will have an as-needed support role for the San Francisco Municipal Transportation Agency (SFMTA) during peak periods of design requests and will prepare a wide variety of graphs, charts and maps to illustrate and provide comparative information on both proposed projects and projects under construction; prepare and design the format, page layouts and typography; and execute various types of plain and color art work for a variety of publications.	8/1/2016	7/31/2018

PSC NO.	DEPARTMENT	ADDITIONAL AMOUNT	CUMULATIVE TOTAL	DESCRIPTION OF WORK	START DATE	END DATE
39922-15/16	Municipal Transportation Agency	\$350,000	\$450,000	The consultant will configure the Advanced Schedule Management (ASM) and Transit Signal Priority (TSP) software system, including updating firmware and proprietary software on transit fleet vehicles. The consultant will: configure Wi-Fi on each bus (currently 950) and at each yard; test all vehicle components per design specification; inspect all cables and test overhead sign connections and communications; install firmware updates and update ASM software to current revision; load updated San Francisco Municipal Transit Agency (SFMTA) transit schedule data and configure vehicle thresholds; and use on-site software to validate and correct all vehicle/bus identification numbers.	5/16/2016	7/1/2018
4065-10/11	Public Health	\$9,000,000	\$27,167,907	Contractor will provide intermittent, as needed temporary, on-call professional radiology technologists with on-call availability, 7 days per week. Registry personnel will be available on 24-hour notice to back-up civil service employees during scheduled and unscheduled staff absences.	7/1/2016	6/30/2020
4079-11/12	Building Inspection	\$1,600,000	\$4,050,000	To provide preparation indexing, scanning and electronic imaging services required to convert all paper-based building plans/drawings into digital images for electronic retrieval through PaperVision document management system. Drawings vary in sizes from 11x17 inches, 16x24 inches, 24x36 inches, 36x42 inches, and 36x48 inches.	7/1/2017	6/30/2019

TOTAL MODIFIED AMOUNT: \$1,745,000
