PROPOSED PERSONAL SERVICES CONTRACTS

Regular, Continuing, Annual

PSC No	Dept No.	Dept Name	Approval Type	Contract Amount	Description of Work	Start Date - End Date
4059-10/11	82	Public Health	Regular	\$115,000	Services of an International Board Certified Lactation Consultant (IBCLC). The consultant will provide oversight, technical support, and training for Breastfeeding Peer Counselors, identifies key community partners such as delivery hospitals, healthcare organizations, and providers and establish referral system connecting WIC-eligible clients to Peer Counselor services, leading efforts to educate community partners, delivery hospitals and health providers about breastfeeding and the breastfeeding support services offered by WIC and by the Peer Counselor Program Collaboratives, and the support efforts of the Peninsula Regional Breastfeeding Collaborative representative.	1/1/2011 - 12/31/2012
4060-10/11	40	Public Utilities Commission	Regular	\$90,000	Proposed work includes assisting the SFPUC with providing education and training services to economically disadvantaged residents of San Francisco to prepare them for employment in the field of construction by performing maintenance on SFPUC owned and operated facilities, located in remote locations in the upper watershed of the Hetch Hetchy Water System and other City properties including Camp Mather, located near Yosemite National Park.	12/20/2010 - 12/20/2013
4061-10/11	40	Public Utilities Commission	Regular	\$300,000	Perform annual preventive maintenance on approximately 30 Limatorque valve actuators at various San Francisco locations. Visual inspection of interior and exterior, re-set limit switches, inspect and/or replace gear lubrications and electrical connections, repair and/or adjust valve position sensor. Removal and replacement of non-operational actuators, actuator motors and/or actuator control panels. Clean and re-furbish non-installed actuators. Supply necessary confined space safety equipment and materials for work on installed actuators. All City actuators are installed below street level in concrete vaults. Provide repair parts and materials for actuators.	12/20/2010 - 12/1/2013

**PROPOSED PERSONAL SERVICES CONTRACTS
MODIFICATION TO INCREASE CONTRACT AMOUNT/DURATION**

PSC No	DeptNo	Dept Description	Approval Type	Modified Amount	Cumulative Total	Description of Work	Start Date - End Date
4028-07/08	29	City Planning	Regular	\$0	\$1,000,000	Will provide historic resources survey and architectural design services to complete the long-range planning effort of generating a city-wide inventory of buildings and areas of architectural, historical and cultural significance.	1/1/2008 - 6/30/2012

4059-06/07	29	City Planning	Regular	\$0	\$480,000	Will employ modeling, window and shadow analysis to recommend new planning policies and controls for development and will identify mechanisms to harness area development to contribute funding to the Transbay Transit Center project. Denial of approval of this term extension would result in an inadequate period for the selected firm to perform the needed services, jeopardize the receipt federal funds through the TJPA, and further delay the provision of these services that are a vital piece in the cooperative effort between the City, the TJPA, and the San Francisco Redevelopment Agency for the new Transbay Terminal and associated plan area.	1/1/2007 - 12/31/2011

4049-03/04	40	Public Utilities Commission	Regular	\$425,000	\$925,000	<p>This contract assembles the Calaveras Technical Advisory Panel (CTAP) consisting of technical experts in fields related to the planning, design, and construction of dams and appurtenant structures. The panel provides independent expertise in areas including: seismology, engineering geology, geotechnical engineering, dam engineering, design & construction. This panel reviews major deliverables produced by the engineering consultant for the project, provides critical feedback to the San Francisco Public Utilities Commission (SFPUC) on those reports, and comments on overall project direction.</p> <p>SFPUC Resolution #03-0117 requires staff to assemble the CTAP, comprised of technical experts in the planning, design, and construction of dams and appurtenant structures to provide an independent review of project approach, recommendations, and other project deliverables prepared by the engineering consultant for the project. The review by the CTAP is essential for the SFPUC to guide the project in the appropriate direction for the City, and its customers who rely on the Calaveras Reservoir as a vital component of the water delivery system.</p>	12/15/2003 - 1/31/2012

PSC No	DeptNo	Dept Description	Approval Type	Modified Amount	Cumulative Total	Description of Work	Start Date - End Date
4156-08/09	40	Public Utilities Commission	Regular	\$4,000,000	\$26,000,000	<p>The original scope provides professional construction management services to oversee the Peninsula Regional Water System Improvement Program (WSIP) construction projects, on behalf of the SFPUC. The work includes oversight of eight (8) construction projects, comprised of two (2) valve lots, two (2) pipelines, a transmission system upgrade, dam improvements, a pump station, and modifications to existing water treatment structures within the Peninsula Region. The modification amount includes CM services to oversee the work at eleven HRP sites: Homestead Pond, Skyline Boulevard, San Andreas Reservoir, Upper San Mateo Creek, Skyline Quarry, Adobe Gulch Creek South, Boat Ramp North, Adobe Gulch, Boat Ramp South, Half Moon Bay/Pilarcitos, and Sherwood Point mitigation sites. The new work will be performed under separate construction contracts for planting of numerous trees and specialty plantings, grading, drainage control, bridge installation, pipelines and other ancillary facilities.</p> <p>The SFPUC does not have the personnel resources to perform all of the required work in a timely manner, nor could enough new City hires be added to meet the timing or the requirements of the limited duration and specialized expertise for this proposed work effort.</p>	10/10/2009 - 12/31/2015
