## ARTICLE I – REPRESENTATION

1. This Memorandum of Understanding (hereinafter “MOU”) is entered into by the City and County of San Francisco (hereinafter “City”) through its designated representative acting on behalf of the Mayor and the California Federation of the Union of American Physicians and Dentists (hereinafter “Union”).

### **I.A. RECOGNITION**

2. The City acknowledges that the Union has been certified by the Civil Service Commission as the recognized employee representative, pursuant to the provisions set forth in the City’s Employee Relations Ordinance for the following classifications:

2233 Supervising Physician Specialist – Unit 11-AA

### **I.B. INTENT**

3. It is the intent of the parties signatory hereto that the provisions of this MOU shall not become binding until formally adopted or accepted by the Board of Supervisors in accordance with procedures, terms and provisions of the Charter applicable thereto. Moreover, it is the intent of the Mayor acting on behalf of the City to agree to wages, hours, and other terms and conditions of employment as are within the Mayor’s jurisdiction, powers, and authority to act as defined by the Charter, state law, California Constitution and other applicable bodies of the law. The Mayor does not intend nor attempt to bind any board, commission or officer to any provisions of this agreement over which the Mayor has no jurisdiction.

### **I.C. OBJECTIVE OF THE CITY**

4. It is agreed that the delivery of municipal services in the most efficient, effective, and courteous manner is of paramount importance to the City and its employees. Such achievement is recognized to be a mutual obligation of the parties to this MOU within their respective roles and responsibilities. The Union recognizes the City’s right to establish and/or revise performance standards or norms notwithstanding the existence of prior performance levels, norms or standards. Such standards, developed by usual work measurement procedures, may be used to determine acceptable performance levels, prepare work schedules, and to measure the performance of each employee or group of employees. Employees who work at less than acceptable levels of performance may be subject to disciplinary measures in accordance with applicable Charter provisions and rules and regulations of the Civil Service Commission and this MOU. It is recognized that standards of performance which relate to medical practice are to be established or revised only by the medical staff as outlined in the peer review process of the Medical Staff Bylaws.

### **I.D. RESPONSIBILITIES OF THE CITY**

5. It shall be the exclusive responsibility of the Appointing Officer to determine the mission, merit, necessity and organization of any service or activity within the

Department, to set standards of service and to direct the work force in meeting those standards, as set forth in the Charter of the City and County of San Francisco, Meyers-Milias-Brown Act and various ordinances of the City and County of San Francisco. It shall be the responsibility of the Appointing Officer to determine and implement administrative policies consistent with the intent of the Charter and other appropriate Federal, State and City and County boards, commissions, and officers. The Appointing Officer shall also be responsible for taking disciplinary action, reducing the forces under his/her jurisdiction to conform to the needs of the work of the Department, and for determining the methods, means and personnel by which the Department's operations are to be conducted. These rights will be exercised in accordance with the provisions of this MOU.

6. The Appointing Officer agrees to notify the Union by certified mail, return receipt requested when contracting out of an existing Department service staffed by covered employees is contemplated. However the Employer may at its sole discretion, enter into a contract, subcontract, partnership, or other business arrangement whereby one, some or all of the job functions or work presently performed under this Agreement at the Department of Public Health may be provided, in whole or in part, by another employer or entity that is not a party to this Agreement.
7. In the event an employee is laid off or terminated solely because the Employer has entered into a contract, subcontract, partnership, or other business arrangement whereby the job functions or work presently provided under this Agreement at the Department of Public Health are to be provided, in whole or in part, by another employer or entity not party to this Agreement, and the employee is not offered a position with the contractor, subcontractor, partnership, or other business arrangement, such employee shall receive severance pay in accordance with the following formula:
  - Less than one (1) year of service: 0%
  - One year to less than five (5) years of service: 4% of the highest annual salary within the last five (5) years.
  - Five (5) years to less than ten (10) years service: 8% of the highest annual salary within the last five (5) years.
  - Ten (10) years to less than twenty (20) years service: 12% of the highest annual salary within the last five (5) years.
  - Twenty (20) years or more of service: 14% of the highest annual salary within the last five (5) years.
8. In the event an employee is laid off or terminated solely because the Employer has entered into a contract, subcontract, partnership, or other business arrangement whereby the job functions or work presently provided under this Agreement at the Department of Public Health are to be provided, in whole or in part by another employer or entity not party to this Agreement, and the employee is offered a position with the contractor, subcontractor, partnership, or other business arrangement, and the employee does not accept this offer of a position, such employee shall receive severance pay in accordance with the following formula:

- Less than one (1) year of service: 0%
- One (1) year to less than five (5) years of service: 2% of the highest annual salary within the last five (5) years.
- Five (5) years to less than ten (10) years service: 3% of the highest annual salary within the last five (5) years.
- Ten (10) years to less than twenty (20) years service: 4% of the highest annual salary within the last five (5) years
- Twenty (20) years or more of service: 5% of the highest annual salary within the last five (5) years.

9. Such severance pay shall be in addition to any vacation pay, holiday pay, or other compensation which the employee has earned and is entitled to be paid under this Agreement, but which has not been paid.
10. If the Employer enters into a contract, subcontract, partnership, or other business arrangement as provided in this Section, the Employer's sole obligation shall be as set forth in the severance pay provisions.
11. The employer may at its discretion consider contract services with any organization including an organization which may be formed by members covered by this Agreement.

**I.E. NO STRIKE PROVISION**

12. The City will not lock out the employees who are covered by this agreement. Neither the Union nor its represented employees will authorize or engage in any strike, engage in, or cause, encourage or condone work stoppages, or sympathy strikes or organized slowdowns during the term of this agreement.

**I.F. GRIEVANCE PROCEDURE**

**Introduction**

13. This section is intended to establish a procedural method by which grievances, as defined herein, may be resolved in an expeditious and orderly manner.

**Definition**

14. A grievance is defined as and is limited to an allegation by an employee, a group of employees, or the employee organization, which is the recognized employee organization for the grievant's classification, as to any or all of the following:

15. a. That any Department with employees represented by this MOU has failed to implement a condition of employment as specifically set forth in an existing ordinance or resolution of the Board of Supervisors, or in a then-current ratified MOU between and for the Board of Supervisors and the employee organization, which is recognized for the grievant's classification, provided that such condition of employment is within the scope of representation as defined in California Government Section 3504 and provided further that such condition of

employment is within the Charter authority of the Board of Supervisors to or Mayor to so implement.

16. b. That any Department has failed to implement a condition of employment specifically set forth in this duly executed MOU, or an allegation that a Department has misinterpreted or misapplied a written department policy, rule or regulation provided that such written policy, rule or regulation concerns a condition of employment which is within the scope of representation as defined in California Government Code Section 3504.
17. c. Any problem or question of interpretation on issues within the definitions contained above.

**Exclusion of Civil Service Matters**

18. The Grievance Procedure herein established shall have no application to matters within the jurisdiction of the Civil Service Commission as set forth in the City Charter or to any rules adopted by the Commission pursuant to its Charter Authorities.

**Definition of Working Day**

19. A working day is any period of twenty-four hours excluding Saturdays, Sundays and holidays.

**Filing of Grievances**

20. All grievances shall be filed and processed as follows:

**Informal Discussion**

21. Any employee having a grievance shall first discuss it with his/her immediate supervisor in an effort to resolve the grievance in an informal manner.

**STEP ONE – Immediate Supervisor**

22. If a solution to the grievance, satisfactory to the employee and the immediate supervisor, is not accomplished by informal discussion, the grievant shall have the right to consult with, and be assisted by, a representative of the grievant's own choice in this and all succeeding steps of the Grievance Procedure. If the grievant desires to pursue the grievance further, the grievant, or the grievant's representative, shall within five working days of the informal discussion with immediate supervisor, submit the grievance in writing to his/her immediate supervisor with copies to parties specified in the City's official Grievance Form. The immediate supervisor shall, within five working days of receipt of the written grievance, respond in writing to the grievance with his/her decision and specifying his/her reasons for concurring with or denying the grievance.

**STEP TWO – Intermediate Supervisor**

23. If the decision of the immediate supervisor is unsatisfactory to the grievant, the grievant, or the grievant's representative, shall within five working days of receipt of the immediate supervisor's decision submit the written grievance to the intermediate supervisor. The intermediate supervisor shall, within five working days of receipt of

the written grievance, respond in writing to the grievance with his/her decision and specifying his/her reasons for concurring with or denying the grievance.

**STEP THREE – Appointing Officer**

24. If the decision of the intermediate supervisor is unsatisfactory to the grievant, the grievant or the grievant's representative shall, within five working days of receipt of the intermediate supervisor's decision, submit the written grievance to the Appointing Officer. The Appointing officer shall, within five working days of receipt of the written grievance, hold a hearing on the grievance unless such hearing is waived by both parties and shall respond thereafter, in writing to the grievance with his/her decision and specifying his/her reasons for concurring with or denying the grievance.

**STEP FOUR – Director, Employee Relations/Hearing Officer**

25. a. If the decision of the Appointing Officer is unsatisfactory, the grievant and/or his/her representative shall, within ten working days of receipt of the Appointing Officer's decision submit the written grievance to the Employee Relations Director so that the grievance may be heard and resolved by a hearing officer. Prior to the selection of a hearing officer, the Employee Relations Director shall informally review the grievance and attempt to resolve the grievance to the mutual satisfaction of the grievant and the Appointing Officer. The Director, Employee Relations shall have seven (7) working days after the receipt of the written grievance in which to review and seek resolution of the grievance.
26. b. If the Director, Employee Relations is unable to informally resolve the grievance to the mutual satisfaction of the grievant and the Appointing Officer, the grievance shall be submitted to a hearing officer. The hearing officer shall be selected by mutual agreement between the grievant, or the grievant's representative and the Appointing Officer. If the grievant, or the grievant's representative and the Appointing Officer are unable to agree on the selection of a hearing officer, they shall jointly request the State Conciliation Service to submit a list of five (5) hearing officers who have had considerable experience as a hearing officer in public employment disputes. The grievant, or the grievant's representative and the Appointing Officer shall then alternately delete names from such list until only one (1) name remains; and that person shall serve as the hearing officer. Whether the employee, or his/her representative and the Appointing Officer deletes the first name in the alternating process of deleting names, shall be determined by lot.
27. c. Except when a statement of facts mutually agreeable to the grievant and the Appointing Officer is submitted to the hearing officer, it shall be the duty of the hearing officer to hear and consider facts submitted by the parties.
28. d. It shall be the duty of the hearing officer to hold said hearing within fifteen (15) calendar days of written acceptance of appointment as the hearing officer.
29. e. After said hearing, or review of mutually agreeable statement of facts, it shall be the duty of the hearing officer to render a written decision, including written finding of fact(s) upon which the decision is based, to the parties.

*Article I - Representation*

30. f. The decision of the hearing officer shall be final and binding upon the grievant and the Appointing Officer.
31. g. The hearing officer's authority pursuant to the provisions of this Grievance Procedure shall be limited to a decision, based on submitted facts and applicable law, of whether or not the Department has improperly acted or failed to act as provided in paragraphs 14-17 hereinabove. Further, the hearing officer shall have no power to amend or to recommend an amendment of a Board of Supervisor's ratified MOU, ordinance or resolution or a written departmental policy, rule, regulation or this duly executed departmental MOU.
32. h. Each party (employee, group of employees, or employee organization and the Appointing Officer) to a hearing before a hearing officer shall bear its own expenses in connection therewith. All fees and expenses of the hearing officer, and a reporter, if any, shall be borne and paid in full by the losing party. In the event that the hearing officer renders a compromise decision, the party or parties who shall pay the fees and expenses of the hearing officer, and a reporter, if any, shall be determined on a proportional basis by the hearing officer.

**The Effect of Failure of Timely Action**

33. Failure of the grievant to submit an appeal within the required time limit at any step, or for informal discussion, shall constitute an abandonment of the grievance. Failure of the Department to respond within the time limit in any step shall result in an automatic advance of the grievance to the next step.

**Timeliness of the Grievance**

34. A grievance filed pursuant to Section I.F. paragraph 15, hereinabove shall be raised with the immediate supervisor within forty-five (45) calendar days from the date on which the Department has allegedly failed to implement a condition of employment, or within forty-five (45) calendar days from the time the grievant might reasonably have been expected to have learned of such alleged failure to implement a condition of employment. In no event shall any grievance include a claim for money relief for more than forty-five (45) calendar days plus such forty-five (45) calendar day reasonable discovery period.
35. A grievance filed pursuant to Section I.F. paragraph 16, hereinabove shall be raised within ten (10) calendar days of its being known or within ten (10) calendar days of when the grievant might reasonably have been expected to have learned of the grounds for the grievance.
36. A grievance filed pursuant to Section I.F. paragraph 17, hereinabove shall be submitted within the same time limits set forth in paragraphs 15 and 16, as appropriate to the subject matter of the question of interpretation. Time limits established herein may be extended by written mutual agreement between the parties.
37. The grievance may be advanced to a higher step or returned to a lower step of the procedure by written mutual agreement between the parties.

38. This procedure is the sole procedure for resolution of grievances as defined herein during the life of the MOU.

**Rights of the Employee Organization Recognized to Represent the Grievant's Classification.**

39. An employee may pursue a grievance under this procedure with the assistance of his/her recognized employee organization or said employee may represent himself/herself with the assistance, if the employee so elects, of counsel or other representative. As used herein, counsel or other representative shall not include any other employee organization or the representative(s) or employee(s) of any other employee organization.
40. In those grievances in which the employee represents himself/herself, or arranges for representation by other than the recognized employee organization as set forth above, the Department shall make no resolution or award which shall be inconsistent with the terms and conditions of a ratified MOU which covers the grievant's classification. In the event the recognized employee organization determines that such an inconsistent resolution or award has been made, the recognized employee organization, on its own behalf, may file a grievance at Step Three (3) for the purpose of amending such inconsistent resolution or award. In the event the grievant represents himself/herself, or elects a representative other than the recognized employee organization, the recognized employee organization may elect to be a full and equal party at Step Four (4) for the purpose of protecting the interest of its members in negotiated conditions of employment.

**I.G. OFFICIAL REPRESENTATIVES AND STEWARDS**

**Representatives**

41. The Union may elect as many as one (1) employee member of such organization from the appropriate unit represented by such organization, to attend, during regular duty or work hours without loss of compensation, meetings scheduled with the Employee Relations Director to meet and confer on matters within the scope of representation affecting such appropriate unit and to participate in the discussion, deliberation and decisions at such meetings. The selection of such employee members, or substitutions or replacements therefore, and their attendance at meetings during their regular duty or work hours, shall be subject to the following:
42. The organization duly authorized representative shall inform in writing the department head or officer under whom each selected employee member is employed that such employee has been selected.
43. No selected employee member shall leave duty or work station or assignment without specific approval of the employee's department head or other authorized executive management official.
44. In scheduling meetings, due consideration shall be given to the operating needs and work schedules of the department, division, or section in which the employee members are employed.

**Stewards**

45. The Union shall furnish the City with an accurate list of shop stewards in designated units. The Union may submit amendments to this list at any time because of the permanent absence of a designated shop steward. If a shop steward is not officially designated in writing by the Union, none will be recognized for that area or shift.
46. The Union recognizes that it is the responsibility of the shop steward to assist in the resolution of grievances at the lowest possible level.
47. If, in the judgment of the supervisor, permission cannot be granted immediately to the shop steward to present a grievance during on duty time, such permission shall be granted by the supervisor no later than the next working day from the date the shop steward was denied permission.
48. In emergency situations, where immediate disciplinary action must be taken because of a violation of law or a City or departmental rule (intoxication, theft, etc.) the shop steward shall, if possible, be granted immediate permission to leave his/her post of duty to assist in the grievance procedure.
49. Shop stewards shall not interfere with the work of an employee.
50. Union agrees that a steward shall not log compensatory time or premium pay time for the time spent performing any function of a steward.
51. Except in cases of emergency, management will give at least two (2) calendar weeks notice if a shop steward is to be transferred to another work shift or location.

**I.H. UNION SECURITY**

52. Dues deductions shall be made only upon signed authorization from the employee on a form furnished by the City and shall continue until the authorization is revoked in writing by the employee. For the administrative convenience of the City and Union, an employee may only revoke a dues authorization by delivering the notice of revocation to the Controller during the month of January. The revocation notice shall be delivered to the office of the Controller on or before January 30 of the fiscal year covered by this MOU. The City shall deliver a copy of the notices of revocation of dues deduction authorizations to the Union not later than March 1.
53. The Union agrees to indemnify and hold harmless the City for any loss or damage arising from the operation of this section.

**I.I. DISCIPLINE OR RELEASE OF EXEMPT EMPLOYEES EXCEPT DUE TO LAYOFF**

54. This section applies only to those doctor employees who are exempt from the Civil Service provisions of the Charter of the City and County of San Francisco. This section shall apply to disciplinary and non-disciplinary releases. This section shall not apply to layoffs. It shall not apply to voluntary resignations. In cases of a non-disciplinary release, a represented employee has the option of either utilizing the procedures set

forth below in this section or receiving a severance payment as set forth in section II.E. in this memorandum of understanding.

55. The Appointing Officer may terminate the employment of, or discipline, or release exempt doctor employees. In the event that termination or discipline or release of an exempt doctor employee is recommended to the Appointing Officer, the exempt doctor employee shall be entitled to the following due process prior to the execution of such termination or discipline or release:
  56. a. The employee shall receive written notice of the reasons for the termination or discipline or release and supporting documentation, if any.
  57. b. The employee shall be notified of his/her right to submit a written response including the written statements of any individuals supporting the employee's position. The written answer must be submitted within ten (10) working days of the date of notice of termination or discipline or release in order to be reviewed.
  58. c. After the expiration of the period of time designated for the exempt physician to submit his/her statement, the Appointing Officer shall review all documents provided and shall notify the employee in writing of his decision within twenty-one working days.
  59. d. Upon issuance of the Appointing Officer's decision, the employee may request that an impartial, fact-finding panel be convened. Such a request shall be made in writing to the Appointing Officer within 5 working days of the date of issuance of the Appointing Officer's decision. Upon receipt of the request, the Appointing Officer shall appoint an impartial fact-finding panel of three (3) members, one of whom is to be nominated by the Union, to perform in an advisory capacity to the Appointing Officer in release, termination or other disciplinary proceedings. The members of the fact-finding panel are required to be licensed medical doctors only for cases in which the charges for termination or other discipline pertain to a doctor's professional practice of medicine. The panel is required to provide its findings and recommendation within five (5) working days. The procedures described in this section apply to clinical and non-clinical issues and is advisory only. The report of the fact-finding panel is not binding in any way upon the Appointing Officer.
60. For exempt doctor employees who are members of organized medical staffs with established Medical Staff Bylaws, termination or other discipline for reasons which pertain to the doctor's licensed professional competency shall be subject to the due process set forth in the relevant sections of the Medical Staff Bylaws.
61. The Appointing Officer shall have the right to take whatever actions he deems appropriate in an emergency or when there is a danger to the public, the exempt doctor employee or his/her co-workers.

**I.J. PERFORMANCE APPRAISAL**

62. The City and UAPD encourage periodic informal performance evaluations and conferences between employees and their supervisors to discuss work performance, job satisfaction, and work-related problems. Such conferences shall be held in a private setting.
63. A represented employee has the right, upon request, to have his/her professional clinical practice evaluated by a licensed practitioner of the same profession. When a performance evaluation is conducted for an employee by the employee's rater (immediate supervisor) and reviewer (next-line supervisor), and in the event either the employee's rater or reviewer is not a licensed practitioner, the employee shall be given an opportunity, upon request, to have that aspect of performance which pertains to his/her professional clinical practice be evaluated by a licensed practitioner of the same profession in a supervisory or management position selected by the Department.

**I.K. ORGANIZED MEDICAL STAFFS**

64. The City and Union agree that represented employees have the right to establish medical staff organizations with a set of Medical Staff Bylaws approved by the Health Commission for the purpose of self-governance. Such organized medical staffs may be established at Laguna Honda Hospital, San Francisco General Hospital and non-hospital based programs.

**I.L. GENERAL INFORMATION MEETING**

65. The Director of Public Health shall conduct a general information meeting, upon request by the Union but not more than once each calendar year, with physician and dentist employees of the Department for purposes of presenting relevant issues facing the Department. The presentation shall be followed by a question-and-answer period.

**I.M. BULLETIN BOARDS AND DISTRIBUTION OF MATERIALS**

**Bulletin Boards**

66. Reasonable space will be allowed on existing bulletin boards for use by the Union to communicate with employees. Materials should be posted upon the bulletin board space designated by the Department, and not upon walls, doors, windows or any other place. Posted material shall not be obscene, or of a partisan political nature, nor shall it pertain to public issues which do not involve the City or its relations with employees. All posted material shall be dated, shall bear the identity of the sponsor, shall be neatly displayed for more than two (2) weeks. The Appointing Officer may withdraw the authority to use bulletin board space if material is posted on other than authorized bulletin boards, or is not in compliance with this section.

**Use of City E-mail**

67. The City departments covered by this Agreement agree to post, through their e-mail systems, UAPD notices of UAPD meetings. UAPD shall submit its proposed notice to the designated department representatives by e-mail at least one business day in

*Article I - Representation*

advance or, by other written means, at least two business days in advance. Any such notice through the e-mail system shall be accompanied by a statement that the information conveyed is being provided by UAPD and that only the transmission is authorized by the department.

68. Except as set forth above, City e-mail shall not be used to conduct UAPD business.

**Dissemination of Union Information**

69. Distribution of official Union literature and materials by a Union member, shop steward, business agent or other Union representative will be permitted provided: 1) the employee distributes such literature outside his regular working hours; 2) the distribution of literature to employees on duty will be accomplished during their breaks (rest periods) or before or after their work shifts; 3) the above right shall not interfere with patient care or with the operations of the Department.

70. The City agrees to provide to the employee, at the time of an employee's sign-up, a Union Information Pack supplied by the Union.

**I.N. BARGAINING UNIT LIST**

71. Within two (2) months after signing this agreement, the Department with represented employees shall furnish the Union with a list of all employees working in classifications covered by this MOU. ### **II.D. LAYOFF**

84. The Union agrees that budget reductions and program changes may cause, from time to time, layoffs and reduction in hours among represented employee classifications. The Union also agrees that, in accordance with Charter Section 3.501, the Department Head may reduce the forces under his/her jurisdiction to conform to the needs of the work for which he/she is responsible. In the event layoffs and reduction in hours occur among exempt or nonexempt employees covered by this MOU, the Department agrees to provide 30 days' written notice to the affected employee(s) and the Union. Upon written request by the Union, the City will meet and discuss with the Union alternatives to layoff and/or the impact of layoff on remaining employees, provided, however, that such meet and discuss obligation shall not delay any planned layoff or reduction in hours and shall not be grievable under the grievance procedure contained in this MOU. This Layoff section does not change the Charter exempt or nonexempt status of any employees in the bargaining unit and does not affect any rights that any nonexempt employees may have under the Civil Service Rules in the event of layoff.
85. In the event layoffs are necessary, the City will encourage voluntary reduction in hours. In addition, employees who are laid off, may, upon request, receive assistance from the Department to locate vacancies for possible re-assignment.
86. In determining layoffs and reduction in hours, the Department shall consider the following factors: professional performance, medical specialty, seniority, affirmative action and hours of work. Except as otherwise provided, disputes regarding this section shall be resolved solely pursuant to the grievance procedure contained in this MOU.
87. 1. Spring 2010: Between the date of this Agreement and June 30, 2010, inclusive, layoffs of employees represented by member unions of the Public Employees Committee of the San Francisco Labor Council (PEC) and the Union of American

Physicians & Dentists that result in complete loss of City employment will be limited to four hundred and twenty-five (425) positions, including notices already issued.

88. 2. Fall 2010: Between July 1, 2010 and December 31, 2010, inclusive, there will be no layoffs or layoff notices issued for represented employees unless the City does not receive the revenue projected in the Fiscal Year 2010-11 Joint Report for SB 188 (\$30 million) or does not receive the projected FMAP extension (an additional \$22.5 million), and except as provided in Section 3.a. below.
89. In such event, the City will provide the PEC with complete and current Budget Information (as defined in Section 5 below) supporting the need for additional layoffs. Immediately after issuing any such layoff notices, the City will schedule a meeting with the PEC. At least one week prior to the scheduled meeting, the City will provide the required Budget information. This meeting will be in addition to meet and confer sessions required by the Meyers-Milias-Brown Act (MMBA) and/or this Agreement. The purpose of the PEC meeting will be to identify alternatives to additional job loss (including, but not limited to, reductions in City contracts and measures to increase City revenue) and to minimize the number and impact of any necessary additional layoffs. In the event the City receives additional General Fund revenue for Fiscal Year 2010-11 that was not contemplated in the adopted budget for the year, and which is not offset by losses in other General Fund categories as of fiscal year end, the parties will identify how those funds may be used to mitigate the effect of past layoffs and minimize any additional layoffs.
90. 3. Spring 2011: Between January 1, 2011 and June 30, 2011, the City may layoff represented employees only if:
91. a. The Three-Month Budget Status Report, Six-Month Budget Status Report, and Nine-Month Budget Status Report show a cumulative Fiscal Year 2010-11 General Fund deficit of greater than \$25 million. Credit towards the \$25 million cumulative deficit will be given for solving any mid-year deficit without layoffs. Such credit will be in the amount of the deficit reduction achieved without layoffs. Mid-year layoffs may be used to reduce the deficit above \$25 million, but may not account for more than sixty (60) percent of the solutions used to balance the deficit above \$25 million. In the event of layoffs, the City will provide the PEC with complete and current Budget Information supporting the need for the additional layoffs. Immediately after issuing any such layoff notices, the City will schedule a meeting with the PEC. At least one week prior to the scheduled meeting, the City will provide the required Budget information. This meeting will be in addition to meet and confer sessions required by MMBA and/or this Agreement. The purpose of the PEC meeting will be to identify alternatives to additional job loss (including, but not limited to, reductions in City contracts, potential incentives for voluntary departure and measures to increase City revenue), and to minimize the number and impact of any necessary additional layoffs. In the event the City receives additional General Fund revenue for Fiscal

Year 2010-11 that was not contemplated in the adopted budget for the year, and which is not offset by losses in other General Fund categories as of fiscal year end, the parties will identify how those funds may be used to mitigate the effect of past layoffs and minimize any additional layoffs; or

92.           b.     The projected deficit in the Fiscal Year 2011-12 Joint Report published on or around March 30, 2011 exceeds \$300 million. In that event, the City will provide the PEC with complete and current Budget Information supporting the need for Fiscal Year 2010-11 layoffs in addition to any layoffs under Section 3.a. above. Immediately after issuing any layoff notices to reduce the projected Fiscal Year 2011-12 General Fund deficit, the City will schedule a meeting with the PEC. At least one week prior to the scheduled meeting, the City will provide the required Budget information. This meeting will be in addition to meet and confer sessions required by MMBA and/or this Agreement. The purpose of the PEC meeting will be to identify alternatives to additional job loss (including, but not limited to, reductions in City contracts, potential incentives for voluntary departure and measures to increase City revenue), and to minimize the number and impact of any necessary additional layoffs; or
93.           c.     The Annual Salary Ordinance (ASO) passed as part of the City's adopted budget includes mid-year layoffs during Fiscal Year 2010-11, based on positions authorized in the ASO, which were included in the Mayor's proposed budget, in which case such layoffs may also proceed.
94.           4.     Fiscal Year 2011-12: The City agrees to provide the PEC with complete and current Budget Information supporting the need, if any, for layoffs, and in the event of layoffs, agrees to schedule a meeting with the PEC. Immediately after issuing any such layoff notices, the City will schedule a meeting with the PEC. At least one week prior to the scheduled meeting, the City will provide the required Budget information. This meeting will be in addition to meet and confer sessions required by MMBA and/or this Agreement. The purpose of the PEC meeting will be to identify alternatives to additional job loss (including, but not limited to, reductions in City contracts, potential incentives for voluntary departure and measures to increase City revenue), and to minimize the number and impact of any necessary additional layoffs. In the event the City receives additional General Fund revenue for Fiscal Year 2011-12 that is not included in the adopted budget for that year, and which is not offset by losses in other General Fund categories as of fiscal year end, the parties will identify how these funds may be used to mitigate the effect of past layoffs and minimize any additional layoffs.
95.           5.     “Budget Information”, for purposes of this Agreement, shall mean complete copies of all current General Fund budget reports, including Joint Reports (together with all amendments or supplements thereto); Three-Month, Six-Month, and Nine-Month Budget Status Reports; copies of documents showing any reduction or increase in state or federal funding from the budgeted levels; current monthly and year-to-date

balance sheets for each Enterprise Department employing members of PEC unions; aggregate payroll costs paid by the General Fund by bargaining unit and the total number of full time equivalents (FTEs) supported by the General Fund by bargaining unit; information on other balancing solutions proposed to date.

96. 6. Nothing in this Agreement shall waive or prejudice the right or position of the City or the Union with respect to layoffs and rights granted by Charter, the Civil Service Commission, this Agreement, or state law.

### **REORGANIZATION**

97. The City agrees not to effectuate the plan of Reorganization described in the Mayor's letter of March 2, 2010 to City employees (March 2010 Reorganization Plan), and not to implement a reorganization plan similar in scope and impact prior to July 1, 2012. Neither the City nor the Union waives its rights or arguments regarding the legality of the March 2010 Reorganization Plan. Upon ratification, the Union agrees to withdraw any pending grievances, administrative (including PERB) charges or litigation containing any claims relating to the March 2010 Reorganization Plan or actions taken or not taken in connection with the plan.
98. Prior to July 1, 2012, the City agrees not to effectuate any new reorganization plan that lays off more than 20 employees in a represented classification while assigning the work formerly performed by those laid off employees to a similar number of new positions in a classification with a lower pay grade.
99. Prior to July 1, 2012, as required by MMBA and/or this Agreement, the City and Union will meet and confer over the impact of any work reorganization that results in a layoff, and will at that time consider whether alternatives to layoffs exist.
100. Nothing in this Agreement shall waive or prejudice the right or position of the City or the Union with respect to layoffs and rights granted by Charter, the Civil Service Commission, this Agreement, or state law.

### **MINIMUM NOTICE FOR DISPLACEMENTS**

101. For Fiscal Years 2010-2011 and 2011-2012 only, the City will provide ten (10) business days notice to employees who are subject to displacement due to layoffs. Where the appointing officer fails or declines to inform the represented employee a full thirty (30) days in advance, the represented employee shall receive pay in lieu of the number of days less than thirty (30) upon which he/she was informed.
- 107. Due to the unique job responsibilities of UAPD-represented employees and their status in the City as exempt from civil service selection, appointment and removal procedures (as provided by the Charter), the City and UAPD agree to the following: In addition to the 30-day notice provided above, a represented employee with five years or more of City service in a UAPD bargaining unit classification who is released or laid off from City service by his or her appointing officer shall receive one week's pay for each year of City service in a UAPD bargaining unit classification in excess of five such years of service, with a minimum of two weeks' pay, in exchange for a release signed by the employee and UAPD of any and all contractual claims that the member or UAPD may have against the City, including any officer or employee thereof. Represented employees who work a part-time schedule shall be paid severance on a pro-rated basis, based on the average number of hours worked in the past 12 months.

Notwithstanding paragraph 150, no educational leave with pay may be taken during these fiscal years. Part-time employees shall take proportionate amount of unpaid leave if they have been employed an average of at least 20 hours per week for the past 6 months. No later than July 1, 2010, the City and the Union agree to meet to discuss and review any unintended consequences with regard to grant-funded positions.
167. In consideration of the Class 2598 Medical Examiners foregoing an additional wage step under this MOU, the Medical Examiners, class 2598 will be exempted from the provisions of paragraph 166.

### **III.I USE OF PERSONAL VEHICLES**

168. The City shall reimburse an employee who is required by an authorized supervisor to use his or her own vehicle for City business at the rate set by the Controller pursuant to Administrative Code Section 10.34 and shall, in addition, reimburse the employee for all necessary parking meter, authorized parking lot, and toll expenses incurred while in

the field. For those days on which the employee is required to use his own vehicle for City business, the City will reimburse the employee for the cost of parking the vehicle at an approved parking lot near the employee's work site. DPH will attempt, to arrange with the appropriate City departments, including the Police Department, for the recognition of cars on official City business so as to avoid the imposition of parking tickets when parking meter times are exceeded. No employee using his or her own vehicle will be required to transport a patient in said vehicle. UAPD agrees that it shares the responsibility for these efforts, as do City employees.

### **III.J. EMPLOYEE DEVELOPMENT**

169. The City shall budget Eighty-three Thousand Five Hundred Dollars (\$83,500\*) during each year of this Agreement for employee training, education and development. This will be called the Employee Development Fund (The Supplemental Training Fund, which covers employees who work fewer than twenty (20) hours per week, is described below). Eligibility for the Employee Development Fund is limited to employees working twenty (20) hours or more per week. If the Employee Development Fund is exhausted, employees working twenty (20) hours or more will become eligible for reimbursement through the Supplemental Training Fund.
170. Until such funds are exhausted, and subject to approval by the Appointing Officer or appropriate designee, an employee may utilize up to a maximum of \$1,000 per fiscal year for tuition, internal or external training programs, professional conferences and professional association membership relevant to the employee's current classification, Personal Digital Assistants, professional software, books and subscriptions. Solely at the discretion of the Appointing Officer or designee, such funds may be supplemented with department funds budgeted for training.
171. These funds may not be used for travel, lodging or food.
172. \*The amount of the fund covers both Unit 8-CC and Unit 11-AA.
173. Notwithstanding the provisions of the Employee Development Fund above, for fiscal years 2008-2009 and, 2009-2010, **2010-2011 and 2011-2012** the Employee Development Fund shall be suspended.

#### **Supplemental Training Fund**

174. The City has created a supplemental employee training, education and development fund through a one-time appropriation for \$260,000 in FY 2003 (the Supplemental Training Fund). This one-time money supplemented the Employee Development Fund, which is replenished yearly. In the event that there are insufficient funds in any fiscal year to fund all the employee requests under the Employee Development Fund, the funds in the Supplemental Training Fund will be used to fund those requests. Employees who work twenty (20) or more hours per week will be entitled to up to \$1,000 per year total from the Employee Development Fund and Supplemental Training Fund. Employees who work fewer than twenty (20) hours per week will be entitled to up to \$500 from the supplemental fund only for tuition, internal or external training programs, professional conferences and professional association membership relevant

*Article III - Pay, Hours and Benefits*

to the employee's current classification, Personal Digital Assistants, and professional software, books, and subscriptions. The existence of the supplemental fund does not affect the City's obligation to provide the \$83,500 a year under the Employee Development Fund. When the \$260,000 in the supplemental fund is exhausted, the City will not have any obligation to contribute any additional money to the supplemental fund.

175. The parties agree that the remaining funds of the Supplemental Training Fund shall be suspended as of close of business May 19, 2008—and continue to be suspended through fiscal years 2010-2011 and 2011-2012

**III.K. REIMBURSEMENT FOR DRUG ENFORCEMENT ADMINISTRATION REGISTRATION**

176. The City will reimburse the cost of the application fee for the Drug Enforcement Administration Registration, up to a maximum reimbursement of \$210 for a three-year registration period, for any employee designated by the Appointing Officer who is required as part of his or her official duties to administer, dispense or prescribe controlled substances and who is regularly scheduled for a minimum of 20 hours per week.
177. This provision excludes employees who perform such official duties under the registration of a hospital or other institution and therefore are not required to be individually registered by the Department of Drug Enforcement Administration.

**III.L. REIMBURSEMENT FOR FEDERAL AND STATE MANDATED LICENSE FEES**

178. Employees working twenty (20) hours or more per week are entitled to fifty percent (50%) reimbursement from the City for the cost of mandated Federal and State Medical license(s). These employees may seek reimbursement for the additional fifty percent (50%) from the Supplemental Development Fund until the fund is exhausted. The additional fifty percent (50% ) reimbursement from the Supplemental Training Fund shall be in addition to the maximum reimbursement of the Employee Development Fund.

**III.M. STATE DISABILITY INSURANCE**

179. All employees covered by this agreement shall be covered by State Disability Insurance, the cost of which coverage is to be borne by the individual employee.

**III.N. HEALTH AND WELFARE**

180. The City shall contribute annually for employee health benefits, the contribution required under the Charter.
181. For "medically single" employees, i.e., benefited employees who do not receive dependent health care benefits paid by the City, the City shall contribute all of the premium for the employee's own health care benefit coverage.
182. For "medically single" /Employee Only employees, i.e., benefited employees who do not receive dependent health care benefits paid by the City, the City shall contribute all of the premium for the employee's own health care benefit coverage for Fiscal Year 2010-2011.
182. The City and the Union will meet no later than January 1, 2011, concluding before January 31, 2011, to identify changes to MOU-negotiated premium payments that would yield anticipated savings similar to those achieved in paragraph 164b.

183. Should the City and the Union not reach mutual agreement on another option, the following goes into effect: for Fiscal Year 2011-12 and thereafter, for all employees enrolled in the City Plan in the medically-single/Employee-Only category, the City's contribution will be capped at an amount equivalent to the cost of the second-highest cost plan for medically-single/Employee-Only enrollees. Employees who elect to enroll in the City plan in this category must pay the difference between the capped amount of the City plan described above and the cost of City plan coverage in the medically-single/Employee-Only category.
184. If no mutual agreement on another option is reached as described in paragraph 164b, and if an employee's work location reasonably requires him or her to reside in a county in which there is no City HMO available, then the City shall pay for medically-single/Employee-Only coverage under the City plan.
185. The City shall contribute the greater amount of \$225 per month or 75% of the dependent rate charged by the City to employees for Kaiser coverage at the dependent plus two or more level.
186. Each employee and dependent family member covered by this Agreement shall be eligible to participate in the City dental program at no additional cost.
187. As set forth in Administrative Code Section 16.701(b), covered employees who are not in active service for more than twelve weeks, shall be required to pay the Health Service System for the full premium cost of membership in the Health Service System to continue benefits, unless the employee is on sick leave, workers' compensation leave, mandatory administrative leave, approved personal leave following family care leave, disciplinary suspensions or on a layoff holdover list where the employee verifies that they have no alternative coverage.
188. The aforesaid contributions shall not be considered as part of an employee's compensation for the purpose of computing straight time earnings, compensation for overtime worked, premium pay, or retirement benefits, not shall such contributions be taken into account in determining the level of any other benefit which is a function of or percentage of salary.

### **III.O. LONG TERM DISABILITY**

189. The City, at its own cost, shall provide to employees with six months continuous service (at twenty hours or more a week), a Long Term Disability (LTD) benefit that provides, after a one hundred eighty (180) day elimination period, sixty percent (60%) salary (subject to integration) up to age sixty-five. Employees who are receiving or who are eligible to receive LTD shall be eligible to participate in the City's Catastrophic Illness Program only to the extent allowed for in the ordinance governing such program.

**III.P. RETIREMENT**

190. Effective July 1, 2006, represented employees agree to pay their own employee retirement contribution in an amount equal to seven and one-half percent (7.5%) of covered gross salary. For employees who became members of SFERS prior to November 2, 1976 (Charter Section A8.509 Miscellaneous Plan), the City shall pick up the remaining one-half percent (0.5%) of the total eight percent (8%) employee retirement contribution to SFERS.
191. Any City pick-up of an employee's retirement contributions shall not be considered as part of an employee's compensation for the purpose of computing straight time earnings, compensation for overtime worked, premium pay, or retirement benefits, nor shall such contributions be taken into account in determining the level of any other benefit which is a function of or percentage of salary.
192. The parties acknowledge that the San Francisco Charter establishes the levels, terms and conditions of retirement benefits for members of the San Francisco Employees Retirement System (SFERS). The fact that a MOU does not specify that a certain item of compensation is excluded from retirement benefits should not be construed to mean that the item is included by the Retirement Board when calculating retirement benefits.
193. Subject to development, availability and scheduling by SFERS, employees shall be allowed not more than one day during the life of this Agreement to attend a pre-retirement planning seminar sponsored by SFERS.
194. Employees must provide at least two weeks advance notice of their desire to attend a retirement planning seminar to the appropriate supervisor. An employee shall be released from work to attend the seminar unless staffing requirements or other Department exigencies require the employee's attendance at work on the day or days such seminar is scheduled. Release time shall not be unreasonably denied.
195. All such seminars must be located within the Bay Area.
196. The Retirement provisions shall not be subject to the grievance procedure.

**Retiree Medical Benefits Committee**

197. The City and the Union agree that it is in the interests of the public and all City employees that sufficient funds be made available for the payment of the retiree medical benefits provided by the City Charter. As of January 2007, the City has an obligation to report its unfunded liability for retiree medical benefits, as required by the Governmental Accounting Standards Board. In recognition of these facts, the Union and City agree to participate in a City-wide Retiree Health Benefits Committee to study and make recommendations regarding funding of retiree health benefits.

**III.Q. VACATIONS**

198. Vacation benefits shall be administered pursuant to the Vacation Ordinance in the Administrative Code.

199. After one year continuous service, ten (10) working days;

207. Provided further, if January 1, July 4, November 11 or December 25 falls on a Sunday, the Monday following is a holiday.
208. In addition, included shall be any day declared to be a holiday by proclamation of the Mayor after such day has heretofore been declared a holiday by the Governor of the State of California or the President of the United States.
209. Employees are granted five (5) floating holidays in each fiscal year to be taken on days selected by the employee subject to the approval of the Appointing Officer. Employees (both full time and part-time) must complete six months continuous service to establish initial eligibility for the floating holidays. Employees hired on an as-needed, part-time, intermittent, or seasonal basis shall not receive the additional floating holidays. Floating holidays may not be carried forward from one fiscal year to the next and no compensation of any kind shall be earned or granted for floating holidays not taken.
210. Employees who have established initial eligibility for floating holidays and who subsequently separate from City employment, may, at the sole discretion of the appointing authority, be granted those floating holiday(s) to which the separating employee was eligible and had not yet taken.
211. For those employees assigned to a work week of Monday through Friday, and in the event a legal holiday falls on Saturday, the preceding Friday shall be observed as a holiday; provided, however, that except where the Governor declares that such preceding Friday shall be a legal holiday, each department head shall make provision for the staffing of public offices under his/her jurisdiction on such preceding Friday so that said public offices may serve the public as provided in Section 16.4 of the Administrative Code. Those employees who work on a Friday which is observed as a

holiday in lieu of a holiday falling on a Saturday shall be allowed a day off in lieu thereof as scheduled by the appointing officer in the current fiscal year.

**III.S. HOLIDAY COMPENSATION FOR TIME WORKED**

212. Executive, administrative and professional employees designated in the Annual Salary Ordinance with the "Z" symbol shall not receive extra compensation for holiday work but may be granted time off equivalent to the time worked at the rate of one-and-one-half times for work on the holiday.

**III.T. HOLIDAYS FOR EMPLOYEES ON WORK SCHEDULES OTHER THAN MONDAY THRU FRIDAY**

213. Employees assigned to seven-day operation departments or employees working a five-day work week other than Monday through Friday shall be allowed another day off if a holiday falls on one of their regularly scheduled days off. Employees whose holidays are changed because of shift rotations shall be allowed another day off if a legal holiday falls on one of their days off. Employees regularly scheduled to work on a holiday which falls on a Saturday or Sunday shall observe the holiday on the day it occurs, or if required to work shall receive holiday compensation for work on that day. Holiday compensation shall not be paid for work on the Friday preceding a Saturday holiday nor on the Monday following a Sunday holiday.

214. Notwithstanding the provisions of paragraph 213 above, employees assigned to seven (7) day-operation departments or employees working a workweek other than Monday through Friday shall be required to take the first work day after the holiday off unpaid if one of the unpaid legal holidays referenced in paragraph 204 falls on one of their regularly scheduled days off unless operational impact makes that infeasible. In such an instance, the employee will be scheduled for another unpaid day off in the pay period in which the holiday falls.

215. If the provisions of this Section deprive an employee of the same number of holidays that an employee receives who works Monday through Friday, he/she shall be granted additional days off to equal such number of holidays. The designation of such days off shall be by mutual agreement of the employee and the appropriate supervisor with the approval of the appointing officer. Such days off must be taken within the fiscal year. In no event shall the provisions of this Section result in such employee receiving more or less holiday entitlement than an employee on a Monday through Friday work schedule.

**III.U. HOLIDAY PAY FOR EMPLOYEES LAID OFF**

216. An employee who is laid off at the close of business the day before a holiday who has worked not less than five previous consecutive work days shall be paid for the holiday.

**III.V. EMPLOYEES NOT ELIGIBLE FOR HOLIDAY COMPENSATION**

Persons employed for holiday work only, or persons employed on a part-time work schedule which is less than twenty (20) hours in a bi-weekly pay period, or persons employed on an intermittent part-time works schedule (not regularly scheduled), or persons employed on as-needed, seasonal, or project basis for less than six (6) months continuous service, or persons on leave without pay status both immediately preceding and immediately following the legal holiday shall not receive holiday pay.

**III.W. PART-TIME EMPLOYEES ELIGIBLE FOR HOLIDAYS**

218. Part-time employees, including employees on a reduced work week schedule, who regularly work a minimum of twenty (20) hours in a bi-weekly pay period shall be entitled to holidays as provided herein on a proportionate basis.

219. Regular full-time employees, are entitled to 8/80 or 1/10 time off when a holiday falls in a bi-weekly pay period, therefore, part-time employees, as defined in the immediately preceding paragraph, shall receive a holiday based upon the ratio of 1/10 of the total hours regularly worked in a bi-weekly pay period. Holiday time off shall be determined by calculating 1/10 of the hours worked by the part-time employee in the bi-weekly pay period immediately preceding the pay period in which the holiday falls. The computation of holiday time off shall be rounded to the nearest hour.

220. The proportionate amount of holiday time off shall be taken in the same fiscal year in which the holiday falls. Holiday time off shall be taken at a time mutually agreeable to the employee and the appointing officer.

The City will make a good faith effort to return an employee, who is pregnant or who has sustained an injury or illness and whose doctors certify that he or she is temporarily unable to perform specified aspects of his or her regular job duties, to temporary modified duty within the employee's medical restrictions. Duties of the modified assignment may differ from the employee's regular job duties and/or from job duties regularly assigned to employees in the injured employee's class, provided, however, that no bargaining unit member shall be assigned to work in any classification other than those represented by the Union. After a period of three (3) months, the parties shall evaluate the modified duty assignment in conjunction with the employee's medical restrictions. It is understood that modified duty assignments are temporary only.

223. An employee who is absent because of an occupational or non-occupational disability and who is receiving Temporary Disability, vocational Rehabilitation Maintenance

Allowance, State Disability Insurance, may request that the amount of disability indemnity payment be supplemented with salary to be charged against the employee's accumulated unused sick leave with pay credit balance at the time of disability, compensatory time off, or vacation, so as to equal the normal salary the employee would have earned for the regular work schedule.

224. An employee who wishes not to supplement, or who wishes to supplement with compensatory time or vacation, must submit a written request to the Appointing Officer or designee within seven (7) calendar days following the first date of absence. Written requests made subsequent to this time shall be effective at the start of the payroll period following the request. Disability indemnity payments will be automatically supplemented with sick pay credits (if the employee has sick pay credits and is eligible to use them) to provide up to the employee's normal salary unless the employee makes an alternative election as provided in this section.
225. Salary may be paid on regular time-rolls and charged against the employee's sick leave with pay, vacation, or compensatory time credit balance during any period prior to the determination of eligibility for disability indemnity payment without requiring a signed option by the employee.
226. Sick leave with pay, vacation, or compensatory time credits shall be used to supplement disability indemnity pay at the minimum rate of one (1) hour units.
227. The City reserves the right to take any action necessary to comply with its obligations under the Americans with Disabilities Act, the Fair Employment and Housing Act and all other applicable federal, state and local disability anti-discrimination statutes. Requests for accommodation under the ADA or FEHA shall be governed under separate City procedures established under those laws.

229. Part-time employees, who became members of the San Francisco Employees' Retirement System (SFERS) on or after November 2, 1976, shall be required to take unpaid furlough hours that are pro-rated based on each part-time employee's actual hours worked during the period July 1, 2007 through April 18, 2008.
230. Computation of Hours: The computation of unpaid furlough hours for both full-time and part-time employees shall be rounded to the nearest hour.
231. Scheduling of Unpaid Furlough Hours: The scheduling of unpaid furlough hours shall be by mutual agreement between the employee and the Appointing Officer or designee. Unpaid furlough hours may be scheduled in hourly increments.

**III.AA.RETIREMENT RESTORATION PAYMENT**

231. For employees who retire prior to July 1, 2013 and whose final compensation for retirement purposes is impacted by the forty hour unpaid education leave and the unpaid legal holidays, the City will make available restoration pay in a lump sum equivalent to the pensionable value of the unpaid education leave (paragraph 166) and the unpaid legal holidays (paragraph 184) for the period used by the applicable retirement system to determine the employee's final compensation for retirement purposes (Final Compensation Period).

233. When an employee, in good faith, believes that a hazardous and unsafe condition exists, and that continuing to work under such conditions pose risks beyond those normally associated with good medical/dental practice, and is outside accepted norms for practice, he/she shall so notify the Department’s Safety Committee and/or Safety Officer. If the Department agrees the assignment is hazardous or unsafe, the employee shall be reassigned, if possible, until the hazard is eliminated. If there is no concurrence, the matter may be submitted to the Grievance Procedure for final resolution. The employee’s assignment shall be continued until the dispute is resolved.

### **IV.B. CIVIL SERVICE COMMISSION LEAVE RULES**

Upon receiving the Union's agenda, management shall notify the Union of the management representatives who will attend the meeting.

## ARTICLE V – SCOPE

241. The parties recognize that recodifications may have rendered the references to specific Civil Service Rules and Charter sections contained herein, incorrect. Therefore, the parties agree that such terms will be read as if they accurately referenced the same sections in their newly codified form as of July 1, 2003.

### **V.A. REOPENER IN THE EVENT OF CHARTER AMENDMENT OR COURT DECISION**

The imposition of furloughs shall be subject to receipt of a Projected Deficit Notice (PDN) from the Controller stating that the department's budget will be insufficient to support the department's level of spending through the end of the fiscal year.

The authority of the appointing officer to impose furloughs shall be limited to those furloughs necessary to correct the projected deficit identified by the Controller.

No provision of Layoff and Involuntary Leave, including but not limited to any provision regarding the order of layoff, displacement of less senior employees, or reinstatement, shall be applicable to any employees furloughed hereunder.

### **Voluntary Unpaid Time Off**

Prior to imposing a furlough on any employee, an appointing officer shall attempt to determine, to the extent feasible and with due consideration for the time constraints which may exist for eliminating the projected deficit, the interest of employees within the appointing officer's jurisdiction in taking unpaid personal time off on a voluntary basis.

The appointing officer shall have full discretion to approve or deny requests for voluntary unpaid time off based on the operational needs of the department and any court decrees or orders pertinent thereto. The decision of the appointing officer shall be final except in cases where requests for voluntary unpaid time off in excess of ten working days are denied. In such cases, an employee may appeal in accordance with the procedures provided below for appealing imposition of furlough.

An employee shall be entitled to take up to ten unpaid days per fiscal year at the rate of no more than five days in a three month period, at the employee's discretion, upon at least 15 calendar days prior written notice to the employee's appointing officer. ### **Furloughs**

Appointing officers are encouraged to furlough entire operational units within departments rather than individual employees; or stagger work hours within an operational unit on a reduced hours basis. Where, in the discretion of the appointing officer, furlough of an operational unit as prescribed above is not feasible, individual employees within an operational unit may be furloughed.

To the extent practicable, furlough shall be equitably distributed among all of the employees in the affected department or operational unit to which the Projected Deficit Notice (PDN) has application; and, all of the employees in the affected class(es).

In determining which employees to furlough, an appointing officer shall consider citywide seniority within a class as well as considering the operational needs of the department.

In no event shall furlough be imposed upon an employee for more than four days in any three month period or ten days in any fiscal year. Voluntary time off not to exceed a total of five days per quarter or ten days per year, approved pursuant to this section, shall be credited toward the maximum number of furlough days which may be imposed pursuant to this provision.

Employees placed on furlough pursuant to this section shall be notified in writing at least 15 calendar days in advance of the effective date for the furlough.

The decision to furlough an individual employee within an operational unit shall be final except that an employee given notice of a furlough, which taken together with an employee's prior furloughs in the same fiscal year would exceed five working days within any six month period, may file an appeal. Such appeals must be in writing and filed within three calendar days of the date of the notice of furlough with the Human Resources Director with a copy to the appointing officer. Within three calendar days after receiving the appeal, the Department of Human Resources shall refer the written appeal and the appointing officer's written comments, if any, for determination to the Human Resources Director, the Mayor and the Controller, or their designees, who shall meet on no less than 24 hours public notice.
