B. NO STRIKE PROVISION

3. It is mutually agreed and understood that during the period this Agreement is in force and effect the Union and represented employees will not engage in any work stoppage as defined in Charter Section A8.346.

C. MANAGEMENT RIGHTS

4. Except as otherwise specifically provided in this Agreement, in accordance with applicable state law, nothing herein shall be construed to restrict any legal City rights concerning direction of its work force, or consideration of the merits, necessity, or organization of any service or activity provided by the City.

ARTICLE I. REPRESENTATION

5. The City shall also have the right to determine the mission of its constituent departments, officers, boards and commissions; set standards of services to be offered to the public, and exercise control and discretion over the City's organization and operations. The City may also relieve city employees from duty due to lack of work or funds, and may determine the methods, means and personnel by which the City's operations are to be conducted.
6. The exercise of these rights shall not be subject to the grievance procedure.
7. However, the exercise of such rights does not preclude employees from utilizing the grievance procedure to process grievances regarding the practical consequence of any such actions on wages, hours, benefits or other terms and conditions of employment.

D. UNION/CITY RELATIONS COMMITTEE

8. The parties hereby agree to establish a Union/City Relations Committee. The Committee shall consist of four (4) members appointed by the Union and four (4) members appointed by the City. E. GRIEVANCE PROCEDURES

11. The following procedures are adopted by the Parties to provide for the orderly and efficient disposition of grievances and are the sole and exclusive procedures for resolving grievances as defined herein.
12. A grievance is defined as an allegation by an employee, a group of employees or the Union that the City has violated, misapplied or misinterpreted a term or condition of employment provided in this Agreement.

A grievance does not include the following:

13.
 1. Performance evaluations, provided however, that employees shall be entitled to submit written rebuttals to unfavorable performance evaluations. Said rebuttal shall be attached to the performance evaluation and placed in the employee's official personnel file.

ARTICLE I. REPRESENTATION

14. 2. Written reprimands, provided however, that employees shall be entitled to append a written rebuttal to any written reprimand. The appended rebuttal shall be included in the employee's official personnel file. Employees are required to submit written rebuttals within twenty (20) calendar days from the date of the reprimand.

Grievance Description

15. The Union and the City agree that the following guidelines will be used in the submission of grievances:

17. b. The grievances shall state the remedy or solution being sought by the Grievant or Union.

Time Limits

18. The time limits set forth herein may be extended by agreement of the parties. Any such extension must be confirmed in writing. For purposes of calculation of time a "day" is defined as a "working day," any Monday through Friday, excluding legal holidays granted by the City and County of San Francisco.

Steps of the Procedure: Non-discipline

19. Except for grievances involving multiple employees or discipline, all grievances must be initiated at Step 1 of the grievance procedure.
20. A grievance affecting more than one employee shall be filed with the appointing officer or designee. Grievances affecting more than one department shall be filed with the Employee Relations Division. In the event the City disagrees with the level at which the grievance is filed it may submit the matter to the Step it believes is appropriate for consideration of the dispute.
21. The grievant may have a Union representative present at all steps of the grievance procedure.
22. Step 1: An employee shall discuss the grievance informally with his/her immediate supervisor as soon as possible but in no case later than thirty (30) days from the date of the occurrence of the act or the date the grievant might reasonably have been expected to have learned of the alleged violation being grieved.
23. If the grievance is not resolved within seven (7) days after contact with the immediate supervisor, the grievant will submit the grievance in writing to the immediate supervisor on a mutually agreeable grievance form. The grievance will set forth the name of the employee, the facts of the grievance, the terms and conditions of employment claimed to have been violated, misapplied or misinterpreted, and the remedy or solution being sought by the grievant. For grievances involving more than one employee, the Union

ARTICLE I. REPRESENTATION

will identify the names of all affected grievants as soon as reasonably possible, but no later than submission to Step 4.

24. The immediate supervisor shall respond in writing within ten (10) days following receipt of the written grievance.
25. Step 2: A grievant dissatisfied with the immediate supervisor's response at Step 1 may appeal to the intermediate supervisor, in writing, within ten (10) days of receipt of the Step 1 answer. The intermediate supervisor may convene a meeting or respond in writing within twenty (20) days of receipt of the grievance. If a meeting is held the intermediate supervisor shall respond in writing within twenty (20) days.
26. Step 3: A grievant dissatisfied with the intermediate supervisor's response at Step 2 may appeal to the Appointing Officer or designee, in writing, within fifteen (15) days of receipt of the Step 2 answer. The Appointing Officer or designee may convene a meeting within twenty (20) days with the grievant and/or the grievant's Union representative. The Appointing Officer or designee shall respond in writing within twenty (20) days of the hearing or receipt of the grievance, whichever is later.
27. Step 4: A grievant dissatisfied with the Appointing Officer's response at Step 3 may appeal to the Director, Employee Relations, in writing, within twenty (20) days of receipt of the Step 3 answer. The Director may convene a grievance meeting within twenty (20) days with the grievant and/or the grievant's Union. The Director shall respond to the grievance in writing within twenty (20) days of the meeting or, if none is held, within twenty (20) days of receipt of the appeal.
28. Arbitration: If the Union is dissatisfied with the Step 4 answer it may invoke arbitration by notifying the Director of Employee Relations in writing, within twenty (20) days of the 4th Step decision.

Selection of the Arbitrator

29. The parties shall establish a list of seven (7) arbitrators to serve as the permanent panel to hear grievances arising under the terms of this Agreement. In the event the parties cannot agree on the panel within thirty (30) days following the effective date of this Agreement, either party may obtain a panel through the appointment process of the American Arbitration Association. Provided however that an arbitrator may be removed from the panel by mutual consent at any time. Replacements, in the absence of mutual agreement, shall be made by American Arbitration Association appointment.
30. When a matter is appealed to arbitration the parties shall first attempt to mutually agree on an arbitrator. In the event no agreement is reached within seven (7) days the arbitrator shall be selected from the permanent panel by utilizing a strike off procedure.

Discipline/Discharge Grievances

31. Permanent employees or employees who have served the equivalent of the probationary period may grieve (appeal) temporary reduction in pay, suspensions, disciplinary demotions or discharges.

ARTICLE I. REPRESENTATION

32. If an employee has previously been disciplined regarding problems of abuse of sick leave or tardiness, in lieu of unpaid suspension, the Appointing Officer or his/her designee, may at his/her option, impose a temporary reduction in pay by reducing an employee's pay by 5% or to the next lower pay step, for subsequent attendance discipline. The duration of such pay reduction shall depend on the seriousness of the offense (e.g., one (1) day suspension equates approximately to four (4) weeks of reduced pay).

Expedited Termination Grievances

33. Termination grievances will be filed directly at Step Three (Employee Relations Division).
34. The parties agree to use their best efforts to schedule arbitration hearings for termination grievances within ninety (90) calendar days of the appeal to arbitration.
35. The parties will agree in advance on an arbitrator or panel of arbitrators to hear all termination grievances.

Steps of the Procedure: Disciplinary Grievances

36. Step 1. The grievant and/or the union shall submit in writing to the Appointing Officer or designee a grievance appealing the disciplinary action within fifteen (15) days of the mailing date of the written notice. The grievance shall set forth the basis of the appeal. The Appointing Officer or designee shall respond within twenty (20) days following receipt of the appeal.
37. Step 2. The union may appeal the Appointing Officer's decision to the Director of Employee Relations in writing within ten (10) days). The Director may convene a grievance meeting within twenty (20) days with the grievant and the grievant's union. The Director shall respond to the grievance in writing within twenty (20) days of the meeting or if none is held within twenty (20) of receipt of the appeal.
38. If the decision of the Director, ERD, is unsatisfactory only the Union may file a written appeal to arbitration with the ERD no later than fifteen (15) days following issuance of the final City decision.

Selection of the Arbitrator

39. Selection of an arbitrator shall be as in paragraphs 29 and 30 above.

Authority of the Arbitrator

40. The arbitrator shall have no authority to add to, ignore, modify or amend the terms of this Agreement.

Fees and Expenses of Arbitrator

41. The fees and expenses of the Arbitrator shall be shared equally by the parties. Transcripts shall not be required except that either party may request a transcript provided, however, that the party making such a request shall be solely responsible for the cost. Direct expenses of the arbitration shall be borne equally by the parties.

ARTICLE I. REPRESENTATION

Hearing Dates and Date of Award

42. Hearings shall be scheduled within forty (40) days of selection of an arbitrator. Awards shall be due within forty (40) days following the receipt of closing arguments. As a condition of appointment to the permanent panel arbitrators shall be advised of this requirement and shall certify their willingness to abide by these time limits.
43. Any claim for monetary relief shall not extend more than thirty (30) days prior to the filing of a grievance, unless considerations of equity or bad faith justify a greater entitlement.
44. In the event a grievance is not filed or appealed in a timely manner it shall be dismissed. Failure of the City to timely reply to a grievance shall authorize appeal to the next grievance step.

F. OFFICIAL REPRESENTATIVES AND STEWARDS

Official Representatives

45. The Union may select up to the number of employees as specified in the Employee Relations Ordinance for purposes of meeting and conferring with the City on matters within the scope of representation. If a situation should arise where the Union believes that more than a total of five (5) employee members should be present at such meetings, and the City disagrees, the Union shall take the matter up with the Employee Relations Director and the parties shall attempt to reach agreement as to how many employees shall be authorized to participate in said meetings.
46. The organization's duly authorized representative shall inform in writing the department head or officer under whom each selected employee member is employed that such employee has been selected.
47. No selected employee member shall leave the duty or workstation, or assignment without specific approval of appropriate Employer representative.

Stewards

49. The Union shall at least annually furnish the City with an accurate written list of stewards and alternate stewards. The Union may submit amendments to this list at any time because of the permanent absence of a designated steward. If a steward is not officially designated in writing by the Union, none will be recognized for that area or shift.
50. The Union recognizes that it is the responsibility of the steward to assist in the resolution of grievances at the lowest possible level.

ARTICLE I. REPRESENTATION

51. Upon notification of a designated management person, stewards or designated officers of the Union subject to management approval which shall not be unreasonably withheld, shall be granted reasonable release time to investigate and process grievances and appeals. Stewards shall advise their supervisors of the area or work location where they will be investigating or processing grievances. The Union will attempt to insure that steward release time will be equitably distributed.
52. Stewards shall be responsible for the performance of their workload, consistent with release time approved pursuant to rules established herein.
53. In emergency situations, where immediate disciplinary action is taken because of an alleged violation of law or a City departmental rule (intoxication, theft, etc.) the steward shall not unreasonably be denied the right to leave his/her post or duty.
54. Stewards shall not interfere with the work of any employee. It shall not constitute interference with the work of an employee for a steward, in the course of investigating or processing a grievance, or a disciplinary action, to interview an employee during the employee's duty time.
55. Stewards shall orient new employees on matters concerning employee rights under the provisions of the Agreement.

G. UNION SECURITY

130. In such event, the City will provide the PEC with complete and current Budget Information (as defined in Section E below) supporting the need for additional layoffs. At least one week prior to the scheduled meeting, the City will provide the required Budget information. This meeting will be in addition to meet and confer sessions required by MMBA and/or this Agreement. The purpose of the PEC meeting will be to identify alternatives to additional job loss (including, but not limited to, reductions in City contracts, potential incentives for voluntary departure and measures to increase City revenue), and to minimize the number and impact of any necessary additional layoffs. In the event the City receives additional General Fund revenue for Fiscal Year 2010-11 that was not contemplated in the adopted budget for the year, and which is not offset by losses in other General Fund categories as of fiscal year end, the parties will identify how those funds may be used to mitigate the effect of past layoffs and minimize any additional layoffs; or

133. (2) The projected deficit in the Fiscal Year 2011-12 Joint Report published on or around March 30, 2011 exceeds \$300 million. In that event, the City will provide the PEC with complete and current Budget Information supporting the need for Fiscal Year 2010-11 layoffs in addition to any layoffs under Section C.(1) above. Immediately after issuing any layoff notices to reduce the projected Fiscal Year 2011-12 General Fund deficit, the City will schedule a meeting with the PEC. At least one week prior to the scheduled meeting, the City will provide the required Budget information. This meeting will be in addition to meet and confer sessions required by MMBA and/or this Agreement. The purpose of the PEC meeting will be to identify alternatives to additional job loss (including, but not limited to, reductions in City contracts, potential incentives for voluntary departure and measures to increase City revenue), and to minimize the number and impact of any necessary additional layoffs; or
134. (3) The Annual Salary Ordinance (ASO) passed as part of the City's adopted budget includes mid-year layoffs during Fiscal Year 2010-11, based on positions authorized in the ASO, which were included in the Mayor's proposed budget, in which case such layoffs may also proceed.
135. D. Fiscal Year 2011-12: The City agrees to provide the PEC with complete and current Budget Information supporting the need, if any, for layoffs, and in the event of layoffs, agrees to schedule a meeting with the PEC. Immediately after issuing any such layoff notices, the City will schedule a meeting with the PEC. At least one week prior to the scheduled meeting, the City will provide the required Budget information. This meeting will be in addition to meet and confer sessions required by MMBA and/or this Agreement. The purpose of the PEC meeting will be to identify alternatives to additional job loss (including, but not limited to, reductions in City contracts, potential incentives for voluntary departure and measures to increase City revenue), and to minimize the number and impact of any necessary additional layoffs. In the event the City receives additional General Fund revenue for Fiscal Year 2011-12 that is not included in

the adopted budget for that year, and which is not offset by losses in other General Fund categories as of fiscal year end, the parties will identify how these funds may be used to mitigate the effect of past layoffs and minimize any additional layoffs.

136. E. "Budget Information", for purposes of this Agreement, shall mean complete copies of all current General Fund budget reports, including Joint Reports (together with all amendments or supplements thereto); Three-Month, Six-Month, and Nine-Month Budget Status Reports; copies of documents showing any reduction or increase in state or federal funding from the budgeted levels; current monthly and year-to-date balance sheets for each Enterprise Department employing members of PEC unions; aggregate payroll costs paid by the General Fund by bargaining unit and the total number of full time equivalents (FTEs) supported by the General Fund by bargaining unit; information on other balancing solutions proposed to date.
137. F. Nothing in this Agreement shall waive or prejudice the right or position of the City or the Union with respect to layoffs and rights granted by Charter, the Civil Service Commission, this Agreement, or state law.

P. REORGANIZATION

138. The City agrees not to effectuate the plan of Reorganization described in the Mayor's letter of March 2, 2010 to City employees (March 2010 Reorganization Plan), and not to implement a reorganization plan similar in scope and impact prior to July 1, 2012. Neither the City nor the Union waives its rights or arguments regarding the legality of the March 2010 Reorganization Plan. Upon ratification, the Union agrees to withdraw any pending grievances, administrative (including PERB) charges or litigation containing any claims relating to the March 2010 Reorganization Plan or actions taken or not taken in connection with the plan.
139. Prior to July 1, 2012, the City agrees not to effectuate any new reorganization plan that lays off more than 20 employees in a represented classification while assigning the work formerly performed by those laid off employees to a similar number of new positions in a classification with a lower pay grade.
140. Prior to July 1, 2012, as required by MMBA and/or this Agreement, the City and Union will meet and confer over the impact of any work reorganization that results in a layoff, and will at that time consider whether alternatives to layoffs exist.

144. It is understood that to the degree increased utilization of such employees may be required in certain represented classifications to provide staffing coverage due to employees taking floating holidays as described in paragraphs 252 through 253, such work will be offered to holdovers in such represented classifications.

186. An employee or officer who has completed a probationary period or six (6) months of service, whichever is less, and who is appointed to a position in a higher classification, either permanent or temporary, deemed to be promotive shall have his/her salary adjusted to that step in the promotive class as follows:
187. The employee shall receive a salary step in the promotive class which is closest to an adjustment of 7.5% above the salary received in the class from which promoted. The proper step shall be determined in the bi-weekly compensation grade and shall not be above the maximum of the salary range of the promotive class.
188. For purpose of this Section, appointment of an employee as defined herein to a position in any class the salary grade for which is higher than the salary grade of the employee's permanent class shall be deemed promotive.

Non-promotive Appointment

189. When an employee accepts a non-promotive appointment in a classification having the same salary grade, or a lower salary grade, the appointee shall enter the new position at

that salary step which is the same as that received in the prior appointment, or if the salary steps do not match, then the salary step which is immediately in excess of that received in the prior appointment, provided that such salary shall not exceed the maximum of the salary grade.

Appointment Above Entrance Rate

190. Appointments may be made by an appointing officer at any step in the compensation grade under any of the following conditions:
191. 1. A former permanent City employee, following resignation with service satisfactory, is being reappointed to a permanent position in his/her former classification.
192. 2. Loss of compensation would result if appointee accepts position at the normal step.
193. 3. A severe, easily demonstrated and documented recruiting and retention problem exists.
194. 4. The appointee possesses special experience, qualifications and/or skills which, in the Appointing Officer's opinion, warrants appointment above the entrance rate.

Reappointment Within Six Months

195. A permanent employee who resigns and is subsequently reappointed to a position in the same classification within six (6) months of the effective date of resignation shall be reappointed to the same salary step that the employee received at the time of resignation.

Compensation Upon Transfer or Reemployment

196. 1. Transfer. An employee transferred from one department to another, but in the same classification, shall transfer at his/her current salary, and if s/he is not at the maximum salary for the class, further increments shall be allowed following the completion of the required service based upon the seniority increment anniversary date in the former department.
197. 2. Reemployment in Same Classification Following Layoff. An employee who has acquired permanent status in a position and who is laid off because of lack of work or funds and is re-employed in the same class after such layoff shall be paid the salary step attained prior to layoff.
198. 3. Reemployment in an Intermediate Classification. An employee who has completed the probationary period in a promotive appointment that is two or more steps higher in an occupational series than the permanent position from which promoted and who is subsequently laid off and returned to a position in an intermediate ranking classification shall receive a salary based upon actual permanent service in the higher classification, unless such salary is less than the employee would have been entitled to if promoted directly to the intermediate classification.

199. Further increments shall be based upon the increment anniversary date that would have applied in the higher classification.
200. 4. Reemployment in a Formerly Held Classification. An employee who has completed the probationary period in an entrance appointment who is laid off and is returned to a classification formerly held on a permanent basis shall receive a salary based upon the original appointment date in the classification to which the employee is returned. An employee who is returned to a classification not formerly held on a permanent basis shall receive a salary step in the salary grade for the classification closest to, but not below, the prior salary amounts, provided that salary shall not exceed the maximum of the salary grade.

D. METHODS OF CALCULATION

201. Bi-Weekly. An employee whose compensation is fixed on a bi-weekly basis shall be paid the bi-weekly salary for his/her position for work performed during the bi-weekly payroll period. There shall be no compensation for time not worked unless such time off is authorized time off with pay.
202. Per Diem or Hourly. An employee whose compensation is fixed on a per diem or hourly basis shall be paid the daily or hourly rate for work performed during the bi-weekly payroll period on a bi-weekly pay schedule. There shall be no compensation for time not worked unless such time off is authorized time off with pay.

203. Full time employees who are appointed at step 1 may advance to the second step upon completion of six (6) months continuous service and to each successive step upon completion of the one (1) year required continuous service. Part-time regularly scheduled employees may advance to the second step upon completion of 1040 continuous hours of service, and to each successive step upon completion of 2080 continuous hours of service.
204. Employees who enter a classification at a rate of pay at other than the first step may advance one (1) step upon completion of the one (1) year required service. Further increments may accrue following completion of the required service at this step and at each successive step.
205. Date Increment Due. Increments may accrue and become due and payable on the next day following completion of required service in the class and with approval of the appointing officer, unless otherwise provided herein.

Exceptions

206. a. Satisfactory Performance. For all employees, an employee's scheduled step increase may be denied if the employee's performance has been unsatisfactory to the City. The Appointing Officer shall provide an affected employee at least sixty (60) calendar days notice of any intent to withhold a step increase. However, if

the unsatisfactory performance occurs within the sixty (60) days before the employee's salary anniversary date, the Appointing Officer shall provide notice of intent to withhold a step increase within a reasonable time. The notice shall be in writing and shall provide a list of reasons and/or explanation for the denial.

207. b. Upon notification of intent to withhold a step increase, management/supervisor shall initiate a performance plan with goals and a timeline to earn the step increase; provided, however, that nothing in this section is intended to or shall make performance plans subject to the grievance procedure. Management/supervisor may consider the employee's and Union's input in creating the performance plan. The timeline for the plan may be extended by agreement, in writing, executed by the employee, the Union and the supervisor.
208. c. The denial of a step increase is subject to the grievance procedure. An employee's performance evaluation(s) may be used as evidence by either party in a grievance arbitration; provided, however, that nothing in this section is intended to or shall make performance evaluations subject to the grievance procedure.
209. d. If the Appointing Officer takes no action with respect to an employee's step advancement, by default an employee shall be granted a step advancement on his/her salary anniversary date.
210. e. If an employee's step advancement is withheld, that employee shall next be eligible for a step advancement on the employee's salary anniversary date the following fiscal year. However, at any time before that date, the Appointing Officer, in his or her sole discretion, may grant the employee the withheld step increase, to be effective on or after the first pay period following the Appointing Officer's decision, with no retroactive payment allowed.
211. f. An employee's salary anniversary date shall be unaffected by this provision.
212. An employee shall not receive a salary adjustment based upon service as herein provided if he/she has been absent by reason of suspension or on any type of leave without pay (excluding a military leave) for more than one-sixth of the required service in the anniversary year, provided that such employee may receive a salary increment when the aggregate time worked since his/her previous increment equals or exceeds the service required for the increment, and such increment date shall be his/her new anniversary date; provided that time spent on approved military leave or in an appointive or promotive position shall be counted as actual service when calculating salary increment due dates.
213. 1. An employee certified to permanent appointment or appointed to a permanent position exempt from Civil Service, shall be compensated under such appointment at the beginning step of the compensation grade plan, unless otherwise specifically provided for in the MOU. Employees under permanent Civil Service appointment may receive salary adjustments through the steps of the compensation grade plan by

completion of actual paid service in total scheduled hours equivalent to one year or six months, whichever is applicable.

214. 2. Paid service for this purpose is herein defined as exclusive of any type of overtime but shall include military or educational leave without pay.

However, employees who are moving from one shift or one work schedule to another may be required to work in excess of five (5) consecutive working days in conjunction with changes in their work shifts or schedules.

2. Flexible Work Schedule

216. All classifications of employees having a Regular Work Schedule may, with the Appointing Officer's permission, voluntarily work in a flex-time program authorized by the Appointing Officer under the following conditions:

217. a. The employee must work five (5) days a week and forty (40) hours per week.

218. b. The employee must execute a document stating that he or she is voluntarily participating in a flex-time program. Such changes in the work schedule shall not alter the basis for, nor entitlement to, receiving the same rights and privileges as those provided to employees on a "Regular Work Schedule" as defined in section 1 above.

219. c. This provision shall not be grievable or arbitrable.

3. Alternate Work Schedule

220. By mutual agreement the City and the Union may enter into cost equivalent alternate work schedules for some or all represented employees. Such alternate work schedules may include full-time work weeks of less than five (5) days or a combination of features mutually agreeable to the parties. Such changes in the work schedule shall not alter the basis for, nor entitlement to, receiving the same rights and privileges as those provided to employees on a "Regular Work Schedule" as defined in section 1 above. Requests for alternate work schedules shall not be unreasonably denied.

4. Part Time Work Schedule

221. A part time work schedule is a tour of duty of less than forty hours per week.

5. Voluntary Reduced Work Week

222. Employees subject to the approval by the Appointing Officer may voluntarily elect to work a reduced work week for a specified period of time. Such reduced work week shall

6. Voluntary Time Off Program ("VTOP")

223. The mandatory furlough provisions of CSC Rule 120 shall not apply to covered employees.
224. a. General Provisions. Upon receipt of a projected deficit notice from the Controller, an appointing officer shall attempt to determine, to the extent feasible and with due consideration for the time constraints which may exist for eliminating the projected deficit, the interest of employees within the appointing officer's jurisdiction in taking unpaid personal time off on a voluntary basis.
225. The appointing officer shall have full discretion to approve or deny requests for voluntary time off based on the operational needs of the department and any court decrees or orders pertinent thereto. The decision of the appointing officer shall be final except in cases where requests for voluntary time off in excess of ten (10) working days are denied.
- b. Restrictions on Use of Paid Time Off while on Voluntary Time Off.
226. (1) All voluntary unpaid time off granted pursuant to this section shall be without pay.
227. (2) Employees granted voluntary unpaid time off are precluded from using sick leave with pay credits, vacation credits, compensatory time off credits, floating holidays, training days or any other form of pay for the time period involved.
228. c. Duration and Revocation of Voluntary Unpaid Time Off. Approved voluntary time off taken pursuant to this section may not be changed by the appointing officer without the employee's consent.

7. Animal Care and Control Graveyard Shift

229. The Department of Animal Care & Control agrees to allow employees assigned to work the graveyard shift to waive their one-hour lunch break in order to reduce the length of their work shift. At any time, the Department may re-evaluate the feasibility of the work schedules and determine whether it is appropriate to allow employees who work the graveyard shift to waive their one-hour lunch break.

G. COMPENSATION FOR VARIOUS WORK SCHEDULES

1. Normal Work Schedules

230. Compensation fixed herein on a per diem basis are for a normal eight hour work day; and on a bi-weekly basis for a bi-weekly period of service consisting of normal work schedules.

2. Part-Time Work Schedules

231. Salaries for part-time services shall be calculated upon the compensation for normal work schedules proportionate to the hours actually worked.

3. No Available Work

232. Employees shall receive no compensation when properly notified (2-hour notice) that work applicable to the classification is not available because of inclement weather conditions, shortage of supplies, traffic conditions, or other unusual circumstances. Employees who are not properly notified and report to work and are informed no work applicable to the classification is available shall be paid for a minimum of two hours. Employees who have been designated by their department as emergency personnel must report to work as scheduled unless otherwise notified by the Appointing Officer of designee.
233. Employees who begin their shifts and are subsequently relieved of duty due to the above reasons shall be paid a minimum of three hours, and for hours actually worked beyond two hours, computed to the nearest one-quarter hour.

H. OVERTIME COMPENSATION

234. The Appointing Officer may require employees to work longer than the regular workday or the regular workweek. Any time worked under proper authorization or suffered to be worked by an employee, exclusive of part-time employees, in excess of actual paid work on a regular workday or workweek shall be treated as follows:

Non-“Z” Designated Classifications

235. Employees in classifications designated as Non-“Z” are compensated for overtime subject to the following:
236. a. For employees working a regular eight (8) hour workday, overtime at one-and-one-half times the base hourly rate (which may include a night differential if applicable) for actual hours worked in excess of eight (8) hours in a day or for hours worked in excess of forty (40) hours in a week; provided that employees working in classifications that are designated as having a regular workday of less than eight (8) hours or a regular workweek of less than forty (40) hours shall not be entitled to overtime compensation for work performed in excess of said specified regular hours until they exceed eight (8) hours per day and forty (40) hours per week;
237. b. For employees working a flexible work schedule as described in section F.2. above, overtime at one-and-one-half times the base hourly rate (which may include a night differential if applicable) for actual hours worked in excess of forty (40) hours in a week;
238. c. For employees working an alternate work schedule as described in section F.3. above, overtime at one-and-one-half times the base hourly rate (which may include a night differential if applicable) for hours worked in excess

of the normal workday as set forth in an alternate work schedule or for actual hours worked in excess of forty (40) hours in a week. Overtime for employees working a 9/80 schedule is based on the FLSA workweek designated in such a schedule.

239. Those employees subject to the provisions of the Fair Labor Standards Act who are required or suffered to work overtime shall be paid in salary unless the employee and the Appointing Officer mutually agree that in lieu of paid overtime, the employee shall be compensated with compensatory time off. Compensatory time shall be earned at the rate of time and one half. Employees occupying non-“Z” designated positions shall not accumulate a balance of compensatory time earned in excess of 240 hours calculated at the rate of time and one half.
240. Overtime shall be calculated and paid on the basis of the total number of straight-time hours actually worked in a day and week. (For purposes of this calculation fixed holidays, jury duty and military leave shall be counted as hours worked). Overtime compensation so earned shall be computed subject to all the provisions and conditions set forth herein.

“Z” Designated Classifications

241. Employees in classifications designated as “Z” shall not be paid for overtime worked but may be granted compensatory time off at time and one half for actual hours worked in excess of forty (40) hours in a week.
242. When an appointing officer receives notice from an employee, designated as a “Z” employee for FLSA purposes, that the employee will resign, the appointing officer, or designee, will use his/her best efforts to accommodate that employee’s request to exhaust any unused compensatory time.
243. For purposes of calculation of overtime, fixed holidays will be considered actual hours worked.

Compensatory Time

244. Employees may carry forward up to two hundred forty (240) hours of earned but unused compensatory time into the next fiscal year.
245. Employees in classification 2453 Supervising Pharmacist who accrue more than two hundred forty (240) hours of compensatory time shall be paid for all hours over two hundred forty (240) on a quarterly basis.

I. FAIR LABOR STANDARDS ACT

246. To the extent that the Agreement fails to afford employees the overtime or compensatory time off benefits to which they are entitled under the Fair Labor Standards Act, the Agreement is amended to authorize and direct all City Departments to ensure that their employees receive, at a minimum, such Fair Labor Standards Act Benefits.

J. HOLIDAYS

247. Except when normal operations require, or in an emergency, employees shall not be required to work on the following days hereby declared to be holidays for such employees:

January 1 (New Year's Day)
the third Monday in January (Martin Luther King, Jr.'s Birthday)
the third Monday in February (President's Day)
the last Monday in May (Memorial Day)
July 4 (Independence Day)
the first Monday in September (Labor Day)
the second Monday in October (Columbus Day)
November 11 (Veteran's Day)
Thanksgiving Day
the day after Thanksgiving
December 25 (Christmas Day)

248. In addition, included shall be any day declared to be a holiday by proclamation of the Mayor after such day has heretofore been declared a holiday by the Governor of the State of California or the President of the United States.
249. Provided further, if January 1, July 4, November 11 or December 25 falls on a Sunday, the Monday following is a holiday.
250. The City shall accommodate religious belief or observance of employees as required by law.
251. Employees are granted four floating holidays to be taken on days selected by the employee subject to prior scheduling approval of the appointing officer. Employees (both full-time and part-time) must complete six (6) months continuous service to establish initial eligibility for the floating holidays. Employees hired on an as-needed, part-time, intermittent or seasonal basis shall not receive the additional floating holidays. Floating holidays received in one (1) fiscal year but not used may be carried forward to the next succeeding fiscal year. The number of floating holidays carried forward to a succeeding fiscal year may not exceed the total number of floating holidays received in the previous fiscal year, and at no time shall employees be able to accumulate more than six (6) floating holidays. No compensation of any kind shall be earned or granted for floating holidays not taken.
252. Effective July 1, 2010 for Fiscal Year 2010-11, in recognition of the value of wage concessions during the year, employees shall receive a one-time addition of twelve (12) floating holidays for one year, which shall be administered in the same manner as the floating holidays in paragraph 251 above. However, these floating holidays will be awarded on a quarterly basis (i.e. three floating holidays will be allotted in first full pay period beginning on July 1st, October 2nd, January 8th, and April 16th of the fiscal year). The parties agree that employees may be required to take no more than five of the floating holidays for the four working days between December 25, 2010 and January 1,

- 2011, and one day for the day prior to Thanksgiving 2010, when the City has implemented Minimum Staffing Days.
253. Effective July 1, 2011 for Fiscal Year 2011-12, in recognition of the value of wage concessions during that year, employees shall receive a one-time addition of twelve (12) floating holidays for one year, which shall be administered in the same manner as the floating holidays in paragraph 251 above. These floating holidays will be on a quarterly basis (i.e. three floating holidays will accrue in first full pay period on July 1st, October 1st, January 7th, and April 14th of the fiscal year). If the number of unpaid furlough days (or equivalent) for the year is reduced by operation of the provisions of paragraph 152 above, the number of additional floating holidays will be reduced in a corresponding manner. The parties agree that employees may be required to take no more than five of the floating holidays for the four days working days between December 25, 2011 and January 1, 2012, and one day for the day prior to Thanksgiving 2011, when the City has implemented Minimum Staffing Days.
254. Notwithstanding the paragraphs above, any unused floating holidays accrued from July 1, 2010 through June 30, 2012 may be carried over to be used in Fiscal Years 2012-13, 2013-14 and 2014-15.
255. During Fiscal Years 2010-11, 2011-12, 2012-13, 2013-14 and 2014-15, floating holidays must be used before vacation days or hours are taken; provided however that this limitation (i.e., use of floating holidays before vacation) will not apply in cases in which use of the floating holiday will cause a loss of vacation due to the accrual maximums. Except for days taken during Minimum Staffing Days, floating holidays are to be scheduled per mutual agreement, based on operational needs of the department.
256. The City will evaluate City departments or divisions for which Minimum Staffing Days are appropriate. Minimum Staffing Days may take the form of complete closures or minimum staffing. On or before August 1, 2010 and August 1, 2011, the City will notify the PEC which departments/divisions have been slated for Minimum Staffing Days and/or reduced staffing. If the PEC has any concerns regarding the list, it must make its concerns known to DHR within fourteen (14) calendar days. DHR agrees to discuss any concerns raised by the PEC via this process. If the PEC finds DHR's response inadequate, it may elevate its concerns to the Mayor, who will be the final arbiter of any such dispute. The Minimum Staffing Days currently identified and agreed to by the City and the PEC are the non-holiday work days between Christmas and New Years and the Wednesday prior to the Thanksgiving weekend – five (5) days.
257. Employees who have established initial eligibility for floating holidays and subsequently separate from City employment, may at the sole discretion of the appointing authority, be granted those floating holiday(s) to which the separating employee was eligible and had not yet taken off.
258. For those employees assigned to a work week of Monday through Friday, and in the event a legal holiday falls on Saturday, the preceding Friday shall be observed as a holiday; provided, however, that except where the Governor declares that such preceding

Friday shall be a legal holiday, each department head shall make provision for the staffing of public offices under his/her jurisdiction on such preceding Friday so that said public offices may serve the public as provided in Section 7.702 of the Charter. Those employees who work on a Friday which is observed as a holiday in lieu of a holiday falling on Saturday shall be allowed a day off in lieu thereof as scheduled by the appointing officer in the current fiscal year. The City shall provide one week's advance notice to employees scheduled to work on the observed holiday, except in cases of unforeseen operational needs.

1. In-Lieu Holidays

259. Requests for in-lieu holidays shall be made to the appropriate management representative prior to or no later than thirty (30) days after the holiday is earned and must be taken within the fiscal year.
260. In-lieu days will be assigned by the appointing officer or designee if not scheduled in accordance with the procedures described herein
261. An in-lieu holiday can be carried over into the next fiscal year only with the written approval of the appointing officer.

2. Holiday Compensation for Time Worked

262. Employees required by their respective Appointing Officers to work on any of the above-specified or substitute holidays excepting Fridays observed as holidays in lieu of holidays falling on Saturday, shall be paid extra compensation of one (1) additional day's pay at time and one-half (1-1/2) the usual rate in the amount of twelve (12) hours' pay for eight (8) hours worked or a proportionate amount if less than eight (8) hours worked; provided, however, that at an employee's request and with the approval of the appointing officer, an employee may be granted compensatory time off in lieu of paid overtime.
263. Executive, administrative and professional employees designated with the "Z" symbol and who the City believes are exempt under the provisions of the Fair Labor Standards Act shall not receive extra compensation for holiday work but may be granted time off equivalent to the time worked at the rate of one-and-one half (1 1/2) times for work on the holiday.

3. Holidays for Employees on Work Schedules Other Than Monday Through Friday

264. a. Employees assigned to seven (7) day-operation departments or employees working a five (5) day work week other than Monday through Friday shall be allowed another day off if a holiday falls on one of their regularly scheduled days off.
265. b. Employees whose holidays are changed because of shift rotations shall be allowed another day off if a legal holiday falls on one of their days off.
266. c. Employees required to work on a holiday which falls on a Saturday or Sunday shall receive holiday compensation for work on that day. Holiday

compensation shall not then be additionally paid for work on the Friday preceding a Saturday holiday, nor on the Monday following a Sunday holiday.

267. d. Sections b. and c. above shall apply to part-time employees on a pro-rata basis.
268. If the provisions of this section deprive an employee of the same number of holidays that an employee receives who works Monday through Friday, s/he shall be granted additional days off to equal such number of holidays. The designation of such days off shall be by mutual agreement of the employee and the appropriate employer representative. Such days off must be taken within the fiscal year. In no event shall the provisions of this section result in such employee receiving more or less holidays than an employee on a Monday through Friday work schedule.
269. Departments will use their best efforts to grant each employee qualifying for paid holidays at least one (1) of the following two (2) holidays off: Christmas Day and the following New Year's Day.
4. Holiday Pay for Employees Laid Off
270. An employee who is laid off at the close of business the day before a holiday who has worked not less than five (5) previous consecutive workdays shall be paid for the holiday at their normal rate of compensation.
5. Employees Not Eligible for Holiday Compensation
271. Persons employed for holiday work only, or persons employed on a part-time work schedule which is less than twenty (20) hours in a bi-weekly pay period, or persons employed on an intermittent part-time work schedule (not regularly scheduled), or persons employed on as-needed, seasonal or project basis for less than six (6) months continuous service, or persons on leave without pay status both immediately preceding and immediately following the legal holiday shall not receive holiday pay.
6. Part-time Employees Eligible for Holidays
272. Part-time employees who regularly work a minimum of twenty (20) hours in a bi-weekly pay period shall be entitled to holiday pay on a proportionate basis.
273. Regular full-time employees are entitled to 8/80 or 1/10 time off when a holiday falls in a bi-weekly pay period, therefore, part-time employees, as defined in the immediately preceding paragraph, shall receive a holiday based upon the ratio of 1//10 of the total hours regularly worked in a bi-weekly pay period. Holiday time off shall be determined by calculating 1/10 of the hours worked by the part-time employee in the bi-weekly pay period immediately preceding the pay period in which the holiday falls. The computation of holiday time off shall be rounded to the nearest hour.

274. The proportionate amount of holiday time off shall be taken in the same fiscal year in which the holiday falls. Holiday time off shall be taken at a time mutually agreeable to the employee and the appropriate employer representative.

K. VACATION

275. Vacations will be administered pursuant to the Administrative Code, Article II, Sections 16.10 through 16.16 (dated 12/94).

L. HEALTH AND WELFARE AND DENTAL INSURANCE

Employee Health Care

276. The level of the City's contribution to employee health benefits will be set in accordance with the requirements of Charter Sections A8.423 and A8.428.

Dental Coverage

277. The City shall provide dental coverage through the term of this agreement.
278. a. **EMPLOYEE HEALTH CARE.** For Fiscal Year 2010-2011 the City agrees to maintain its contribution for health benefits at the current levels for the life of the agreement. For "medically single"/Employee Only employees, i.e., benefited employees not receiving the contribution paid by the City for dependent health care benefits, the City shall contribute all of the premium for the employee's own health care benefit coverage.
279. Fiscal Year 2011-12 and thereafter, the City and the PEC (Public Employees Committee) will establish a labor-management committee to begin meeting no later than October 1, 2010, concluding before December 31, 2010, to identify changes to MOU-negotiated premium payments that would be anticipated to yield approximately \$3 million in savings annually in the City's employee health care cost, beginning Fiscal Year 2011-12.
280. Should the committee not reach mutual agreement on another option, the following goes into effect: for Fiscal Year 2011-12 and thereafter, for all employees enrolled in the City Plan in the medically-single/Employee-Only category, the City's contribution will be capped at an amount equivalent to the cost of the second-highest cost plan for medically-single/Employee-Only enrollees. Employees who elect to enroll in the City plan in this category must pay the difference between the capped amount of the City plan described above and the cost of City plan coverage in the medically-single/Employee-Only category.
281. If no mutual agreement on another option is reached as described in paragraph 280, and if an employee's work location reasonably requires him or her to reside in a county in which there is no City HMO available, then the City shall pay for medically-single/Employee-Only coverage under the City plan.

282. b. **DEPENDENT HEALTH CARE PICK-UP.** The City will also contribute a maximum of \$225 per month towards each employee's dependent health coverage for the life of the agreement. However, in the event that the cost of dependent care exceeds \$225 per month, the City will adjust its pick-up level up to 75% of the cost of Kaiser's dependent health care medical premium charged to the employee plus two or more dependents category.
283. The City shall provide annual audiometric examinations in accordance with the City's Hearing Conservation Program.
284. **CONTRIBUTIONS WHILE ON UNPAID LEAVE.** As set forth in Administrative Code section 16.701(b), covered employees who are not in active service for more than twelve (12) weeks, shall be required to pay the Health Service System for the full premium cost of membership in the Health Service System, unless the employee shall be on sick leave, workers' compensation, mandatory administrative leave, approved personal leave following family care leave, disciplinary suspensions or on a layoff holdover list where the employee verifies they have no alternative coverage.

M. STATE DISABILITY INSURANCE (SDI)

285. Employees in the bargaining unit(s) covered by this agreement shall be enrolled in the State Disability Insurance Program. The cost of SDI will be paid by the employee through payroll deduction at a rate established by the State of California Employment Development Department.

N. RETIREMENT PICK-UP

286. The parties acknowledge that the San Francisco Charter establishes the levels, terms and conditions of retirement benefits for members of the San Francisco Employees Retirement System (SFERS). The fact that the MOU does not specify that a certain item of compensation is excluded from retirement benefits should not be construed to mean that the item is included by the Retirement Board when calculating retirement benefits.
287. Effective July 1, 2006, represented employees who are members of SFERS agree to pay their own employee retirement contribution in an amount equal to seven and one-half percent (7.5%) of covered gross salary. For employees who became members of SFERS prior to November 2, 1976 (Charter Section A8.509 Miscellaneous Plan), the City shall pick up the remaining one-half percent (0.5%) of the total eight percent (8%) employee retirement contribution to SFERS.
288. Effective July 1, 2006, the City shall pick-up the full amount of the employees' contribution to retirement for PERS safety members.
289. Any City pick-up of an employee's retirement contribution shall not be considered as a part of an employee's compensation for the purpose of computing straight time earnings, compensation for overtime worked, premium pay, or retirement benefits; nor shall such contributions be taken into account in determining the level of any other benefit which is

APPENDIX A – DEPARTMENTAL MOU PROVISIONS FOR RECREATION AND PARK DEPARTMENT

(Governing Class 3320 Animal Keepers assigned to the San Francisco Zoo)

Introduction

The achievement of the Zoo's mission and goals is the mutual obligation of all employees within their respective roles and responsibilities. It is recognized that, within these respective roles and responsibilities, the public requires high standards of both Zoo Management (“Management”) and Animal Keeper (“Keeper”) performance and the continual development and implementation of modern, progressive, and effective work practices.

Management, in the best interest of zoo operations, reserves the right to organize and reorganize the work of the Zoo, to assign personnel qualified to effectively carry out such assignments, to establish and modify days off, and to make alternate arrangements when necessary. Animal Keepers shall be responsible for the duties of their Section and Primary Work Area (“PWA”) if applicable. Management shall develop standards and organize the work within Sections.

Animal Keeper assignments will be organized into five-day Primary Work Areas and two-day relief assignments whenever operationally feasible. The current Primary Work Areas are listed in Attachment 1. It is understood that Primary Work Areas provide continuity and consistency for Animal Keepers and animal care. Animal Keepers assigned to PWAs shall have the right to those assignments, unless the PWA is reorganized. In keeping with Article II, Section G., paragraphs 87 through 89 of the 2003-2005 Memorandum of Understanding Between the City and County of San Francisco and Teamsters, Local 856 (“MOU”) representing Civil Service Animal Keepers, Management agrees to meet and confer in good faith and endeavor to reach agreement on Civil Service Keeper workloads.

It is understood that PWAs will need to evolve as the Zoo continues to rebuild and to pursue its mission and goals. The Zoo reserves the right to assign Animal Keepers as needed for training purposes, special projects, address performance issues, or to meet unforeseen circumstances.

Management recognizes and values the abilities and qualifications of its internal workforce and will afford internal candidates the first chance to bid for job opportunities as they arise. Specific circumstances regarding bidding for positions are described in the rules that follow. Management will assign work and fill vacancies based on abilities and qualifications. Management is committed to filling vacancies (as described in Section 12 herein) that are respectful of Zoo-wide seniority (as defined in Section 7 herein), responsive to Animal Keepers' career development interests, and that best match skills and abilities to position requirements. In the great majority of cases, superior seniority equates to superior experience. Therefore, in most cases, the Keeper with the greatest seniority will be selected for vacant Keeper positions to which they apply. In some instances, special requirements may make that unfeasible. Internal job postings that require special skills will include an explanation for those requirements. Managers will consider all relevant factors to ensure responsible hiring decisions that build an effective and motivated workforce and advance the mission of the Zoo.

Management recognizes, supports, and values Animal Keepers' ongoing commitment to continuing to develop and improve their expertise throughout their tenure. In appreciation of this, Management will offer Keepers the opportunity to select days off and vacation time in order of Zoo-wide seniority among the Section's Keepers. Zoo-wide seniority is understood to mean time worked as an Animal Keeper at the San Francisco Zoo as defined in Section 7 herein.

The parties acknowledge that Civil Service class 3320 Animal Keepers are employees of the City and County of San Francisco, employed under the appointing authority of the Director of the Department of Recreation and Park. Management recognizes and will apply the City and County of San Francisco Charter, Administrative Code, Civil Service Rules, and any other regulations that govern Civil Service Employees.

In the interest of providing support and guidance to Curators and Animal Keepers as they implement the provisions of this Departmental Policy, the Labor Management Committee ("LMC") will be revived. The LMC will consist of an equal number of Animal Keepers and Animal Management Representatives as well as the Director of Human Resources. The LMC will meet regularly to review matters connected with the implementation of this Departmental Policy and will provide interpretation and guidance in order to facilitate smooth and consistent application of the work rules. The LMC will also seek to resolve any disputes that might arise. In the interest of fostering collaboration and continuing to improve our work environment, the LMC may consider other issues by mutual agreement.

The following provisions of Appendix A shall apply to Animal Keepers employed by the City and County of San Francisco's Recreation and Park Department.

Section 1. Objective of the Zoo

The San Francisco Zoo's Mission Statement represents the purpose of the Zoo. The achievement of this mission and goals is recognized to be the mutual obligation of the parties within their respective roles and responsibilities.

Section 2. Pay Warrants

Management agrees that the time rolls for Civil Service Animal Keepers will be submitted on a timely basis to the City's Payroll-Personnel Services Division of the Controller's Office.

Section 3. List of Unit Employees

Upon written request to the Personnel Director of the Recreation and Park Department, and no more often than quarterly, the Department shall furnish the Union with the names and dates of hire of all Civil Service class 3320 Animal Keepers.

Section 4. Chain Of Command

Management has the authority to delineate the chain of command for all employees. Management's authority to delineate the chain of command is not grievable.

Section 5. Safety

The Zoo will implement and maintain an Injury and Illness Prevention Program as required under SB 198. Under this program, a Safety Committee shall exist on which at least one member shall be an Animal Keeper. Training shall be provided to each Animal Keeper and all Animal Keepers will be responsible for knowing and complying with the safety procedures of the Zoo.

Section 6. Training and Professional Development

6.1 Management shall ensure training for Animal Keepers in the performance of their assigned duties. No Animal Keeper shall be assigned to a work area without the appropriate training.

6.2 All Animal Keepers are expected to keep current their training in all areas of their Section.

6.3 Factors used by Management in selecting Keepers for training and professional development will include, but are not limited to, the Zoo's needs, the Keeper's need for training, and the Keeper's interests.

6.4 Management has the right to make the final decision on the training needs of the Zoo, and to select the Animal Keepers who receive professional development, and to release Keepers on official time for professional development.

6.5 Animal Keepers may be permitted, when practicable, to engage in professional development in the form of work related seminars, meetings, events, training sessions, and classes.

Section 7. Seniority

Citywide and Departmental seniority for City and County employees shall be defined pursuant to Civil Service Rules 121 and 102.26, respectively.

In accordance with Civil Service Rule 102.26.4., Departmental seniority for Civil Service Animal Keepers for shift and work assignments, vacation or holiday schedule, is determined by the Zoo and shall be defined as the total length of continuous permanent service as a class 3320 Animal Keeper at the Zoo. Leaves of absence shall not constitute a break in service. Temporary or CETA (Comprehensive Training and Employment Act) appointments in Class 3320 shall not be used to determine seniority. Civil Service employees who are temporarily appointed to another position at the Zoo and later return to their position of Animal Keeper shall regain their original seniority.

In any departmental bidding process within the Zoo where seniority is a factor and City and County of San Francisco employees are in competition with Zoological Society employees, Civil Service Animal Keepers' seniority, as defined above plus length of service as a temporary Animal Keeper (including CETA time), will be included in the definition of seniority.

Section 8. Days off

Within each Section, and in order of Zoo-wide seniority, Animal Keepers will choose among available days off. If, as a result of this process, new opportunities for days off are created, other

Animal Keepers, also in order of Zoo-wide seniority will have the opportunity to select newly available days off. This process will continue until all available days off have been selected.

If an Animal Keeper's request for an available day or days off is denied, management will notify the Animal Keeper in writing why the request cannot be met. This notice will be provided within 7 days of the request.

In case of job sharing, days off for the 2 participating Animal Keepers will be determined separately based on each Animal Keeper's Zoo-wide seniority.

If an Animal Keeper is likely to be away from work for more than 30 days, their days off will be temporarily made available to the other Keepers in the Section in order of their Zoo-wide seniority. Any opportunities for a change of days-off that are then realized as a result of this change will be made available to the other Keepers in the Section in order of Zoo-wide seniority.

Animal Keepers can temporarily make available one or all of their days off to other Keepers in the Section by Zoo-wide seniority. These day(s)-off can be reclaimed by the Keeper with notice of no less than 2 pay periods.

Management agrees not to unduly restrict availability of weekend days off and will seek to maximize opportunities for days off as long as effective coverage is ensured and budget requirements are met. Effective coverage shall be defined as 1 Keeper assigned to each work area*. Both Management and the Union recognize that there will occasionally be instances where Keepers will have to work short staffed. It is understood that Management will need to redesign work areas as the Zoo changes and grows.

**During the period of November 16, 2002 through February 16, 2003 there was a trial period during which Zoo Management attempted to provide additional access to paid leave and access to Saturdays and Sundays off by agreeing to scheduling only 1 Keeper per work area per day. This was monitored on an ongoing basis. At the end of that period, Zoo Management continued the pilot and continues to monitor it on an on-going basis. Going forward, the LMC will evaluate and submit a non-binding recommendation to Zoo Management regarding the feasibility of continuing the policy on a Section-by-Section basis.*

Section 9. Vacation and Other Paid Leave

Within each Section, and in order of Zoo-wide seniority, Animal Keepers will choose paid leave during an annual sign-up process that will begin the first week of each December. During the sign-up, only one Keeper will be allowed to take paid leave each day unless the immediate supervisor authorizes time-off for additional Keeper(s). All paid leave requested after the annual sign-up will be granted on a first come first served basis with only one Keeper allowed to take paid leave each day unless the immediate supervisor authorizes time-off for additional Keeper(s). Animal Keepers may request to take paid leave on days when another Keeper is already scheduled to be off. If the request is made 30 or more days in advance of the date(s) needed, the immediate supervisor will notify the Keeper as soon as possible, but no later than 25 days from the date(s) requested whether the paid leave will be granted.

For requests that are made within 30 days of the desired day(s) off, the immediate supervisor will grant or deny the request within a mutually agreed upon time frame. Determination of whether paid leave is granted or not is based on maintaining the minimum number of Animal Keepers needed to staff the Section's PWAs. Any Keeper who wishes to cancel any scheduled paid leave may do so with at least 30 days notice. Any cancellation with less than 30 days notice requires the approval of the immediate supervisor.

Section 10. Alternate Work Schedules

Each Section may elect by a two-thirds majority of Animal Keepers assigned to the Section to establish an alternative work schedule. Managers will approve alternate work schedules provided that such alternate schedule will allow for adequate staff coverage, adequate supervision, is within the authorized budget, and meets the Zoo's public service needs.

Alternate work schedules for Civil Service employees shall be pursuant to the City's policy governing alternate work schedules and MOU Article III.F., paragraph 174.

Section 11. New/Modified Sections and Primary Work Areas

When a new Section is created or Sections are combined, assignments will normally be organized into five-day Primary Work Areas and two-day relief assignments in accordance with the provisions of this agreement.

Assignments to new or modified Sections will be offered in the following order:

1. to any regular full-time Animal Keeper who has lost all his/her animals to the new or modified work area;
2. then to any regular full-time Animal Keeper who has lost some of his/her animals. If more than one Keeper falls into this category and is interested, the position will go to the Keeper with the most Zoo-wide seniority.

The assignment will then be posted Zoo-wide to all Animal Keepers and be offered to Keepers in the following order:

1. regular full-time Keepers in any Section. If more than one Keeper falls into this category and is interested, the position will go to the Keeper with the most Zoo-wide seniority;
2. qualified, temporary Animal Keepers;
3. qualified, regular part-time Animal Keepers
4. and finally, if necessary, to qualified individuals not currently working as Animal Keepers at the S.F. Zoo.

Section 12. Vacancies

Vacancies will be posted Zoo-wide and will be filled in the following order:

1. To any regular full-time Animal Keeper currently in the Section in which the vacancy occurs. If more than one Keeper falls into this category and is interested, the position will go to the Keeper with the most Zoo-wide seniority.
2. Then to any regular full-time Animal Keeper regardless of their Section. If more than one Keeper falls into this category and is interested, the position will go to the Keeper with the most Zoo-wide seniority.
3. After which, qualified, temporary Animal Keepers
4. And then qualified, regular part-time Animal Keepers
5. And finally, if necessary, to qualified individuals not currently working as Animal Keepers at the S.F. Zoo.

In some instances, special requirements may make the above process unfeasible. If so, the posting for the position will include an explanation for those special requirements. Managers will consider all relevant factors to ensure responsible hiring decisions that build an effective and motivated workforce and advance the mission of the Zoo.

Side Letter A. Extension of Alternate Work Schedule

Zoo Management allowed interested Sections to continue on an alternate work schedule for the period of October 27, 2002 through November 16, 2002 in order to determine the feasibility of regularly extending the alternative schedule past Daylight Savings Time.

Side Letter B. Animal Keepers' Right to Primary Work Areas

Management reserves the right to organize and reorganize work, assign personnel qualified to effectively carry out such assignments, to establish and modify days off, and to make alternate arrangements when necessary.

The parties agree that only Animal Keepers will be able to bid for animal keeping positions in accordance with the process outlined in Appendix A. Only Animal Keepers will have primary work areas. Other animal care staff, including Senior Keepers, will be assigned animal care work as necessary.

The animals and exhibits currently referred to as Area 5 and assigned to a Senior Keeper will remain part of their regular assignments until a need for change in the section's operation presents itself (for example, the opening of Africa!). At that time the animals and exhibits will be assigned to a PWA and made available to Animal Keepers within the respective section in alignment with process outlined in Appendix A. Before eliminating an existing PWA, either as a result of reorganization or reduction in animals/exhibits, the animals/exhibits in area 5 would be reassigned to a PWA(s) for assignment in accordance with Appendix A.

Either party may request a meeting by submitting a proposed agenda and a proposed time and place of the meeting to the other party. Both parties will make a good faith effort to mutually agree upon a meeting date within two (2) calendar weeks of submission of the agenda. Decisions shall be made by mutual agreement, subject to approval of the Chief Probation Officer.
