MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding (hereinafter "Agreement") is entered into by the City and County of San Francisco (hereinafter "City") and the International Federation of Professional and Technical Engineers, Local 21, AFL-CIO-CLC (hereinafter "Union"). It is agreed that the delivery of municipal services in the most efficient, effective, and courteous manner is of paramount importance to the City, the Union, and represented employees. Such achievement is recognized to be a mutual obligation of the parties to this Agreement within their respective roles and responsibilities.

ARTICLE I: REPRESENTATION

I.A. RECOGNITION

1. The City recognizes the Union as the exclusive bargaining representative for all employees of the City in those units listed Appendix "A" of this Agreement. The terms and conditions of this Agreement shall also be automatically applicable to any classification for which the Union has become appropriately recognized during the term of this Agreement.
 1. Successor Representation
2. The City agrees to recognize the Union as the collective bargaining representative of any classification that constitutes a successor classification to a classification that the Union currently represents. Subject to applicable appellate review procedures, the Department of Human Resources shall make the final determination when there is a question as to whether or not a new classification is a successor class.
 2. Unit Assignment Resolution
3. For any classifications assigned to bargaining units represented by Local 21 as a result of the settlement of the unit assignment dispute between the City, Local 21 and MEA, the City agrees to meet and confer with Local 21 over subjects within the scope of bargaining and covered by Charter Section A8.409. Any issues that are not resolved through the meet and confer process shall be resolved through arbitration. Any economic benefits shall be implemented at the start of the succeeding fiscal year.
4. The City makes no commitment or promise of wage or benefit improvement with regard to such negotiations.

I.B. NO WORK STOPPAGES

5. It is mutually agreed and understood that during the period this Agreement is in force and effect the Union will not authorize or engage in any strike, slowdown or work stoppage. It shall not be a violation of this Agreement for an employee to honor a primary picket line sanctioned by the Central Labor Council or the Building and Construction Trades Council; provided however, that an employee shall first notify an appropriate supervisor of the employee's intended actions. Provided further that nothing in this Section shall limit the City's right to enforce the provisions of Section 8.346 of the Charter.

I.C. MANAGEMENT RIGHTS

6. Except as otherwise provided in this Agreement, in accordance with applicable state law, nothing herein shall be construed to restrict any legal City rights concerning direction of its work force, or consideration of the merits, necessity, or organization of any service or activity provided by the City.

ARTICLE I – REPRESENTATION

7. The City shall also have the right to determine the mission of its constituent departments, officers, boards and commissions; set standards of services to be offered to the public, and exercise control and discretion over the City's organization and operations. The City may also relieve city employees from duty due to lack of work or funds, and may determine the methods, means and personnel by which the City's operations are to be conducted. However, the exercise of such rights does not preclude employees from utilizing the grievance procedure to process grievances regarding the practical consequence of any such actions on wages, hours, benefits or other terms and conditions of employment specified in this Agreement.

I.D. UNION/CITY COMMITTEES

1. Union/City Relations Committee
8. The parties have established a Union/City Relations Committee with equal representation from both the City and the Union.
9. The Union/City Relations Committee shall meet at a minimum on a quarterly basis, and in addition, as needed to address matters the parties agree are of mutual concern which arise during the course of this Agreement. By mutual agreement, the Committee may discuss grievance matters subject to arbitration.
10. The Committee is specifically empowered to establish such sub-committees as may be needed to consider and recommend solutions to workplace issues and concerns.
11. The parties will devote quarterly meetings of the Union/City Relations Committee (“U/CRC”) to continue discussions on the City’s fiscal health and its relationship to the City’s workforce, and to report on discussions by the parties on options for application of enterprise department funds saved as a result of the PEC agreement. Representatives of the Controller’s Office, Mayor’s Budget Office, and other departments will participate as necessary.
2. Joint Government Efficiency Committee
12. A joint Mayor’s Office/Local 21 committee, established in 2002-2003 to study government efficiencies including those related to personal services contracts, shall continue for the duration of this Agreement and shall meet monthly or as otherwise agreed to by the parties.
3. Internal Placement Committee
13. A joint DHR/Local 21 committee created in 2003-04 shall continue for the duration of this agreement and shall meet monthly, or as otherwise agreed to by the parties, to review scheduled and anticipated displacements and to review reappointment and alternative internal placement plans and options.

ARTICLE I – REPRESENTATION

4. Union/City Partnership

14. The City and the Union shall continue to build the Union/City Partnership (“UCP”) to work together to develop one or more initiatives to reduce costs, improve efficiency, increase service quality, enhance employee job satisfaction, and share any resulting gains. The UCP shall include representatives from City departments, the Mayor’s Office, the Controller, and the Union.
15. The objective of the UCP shall be to identify best practices, methods and processes to enhance the effectiveness and efficiency of work groups and work processes and to reduce costs and improve services. These improvements shall be the foundation for the UCP to develop parameters and guidelines for a gainsharing program.
16. The UCP shall identify one or more City departments, divisions and/or programs where the UCP can (1) evaluate the effectiveness and efficiency of work groups and processes; (2) identify best practices and methods to reduce costs and improve efficiency in the delivery of services; and (3) determine mechanisms for gain sharing.
17. The UCP has made an initial written report to the Mayor recommending proposals for initiatives and improvements, including implementation plans and any gain sharing components, within the City departments, divisions and/or programs evaluated by the UCP. The City has adopted, and the UCP has begun implementing, the UCP’s proposals.
18. The UCP shall continue to retain a third party with expertise in labor management partnerships and initiatives to assist the parties to forge their partnership and for any other purposes as determined by the UCP. The City shall make every effort to expedite the contract process. The City agrees to fund \$50,000 per fiscal year in costs for the third party expert services for fiscal years 2006-07, 2007-08, 2008-09 and 2009-10. The City will also fund at least a half-time jointly-designated City staff person for the support and development of the UCP for fiscal years 2006-07, 2007-08, 2008-09 and 2009-10.
19. For Fiscal Years 2010-2011 and 2011-2012, the funds previously allocated for services to the Union/City Partnership in paragraph 18 will be made available to support the work of the Public Employees’ Committee Joint Labor Management Committee on Personal Services Contracts (“PSC”). The Committee will jointly administer said funds.

I.E. GRIEVANCE PROCEDURES

20. The following procedures are adopted by the Parties to provide for the orderly and efficient disposition of grievances and are the sole and exclusive procedures for resolving grievances as defined herein.

ARTICLE I – REPRESENTATION

1. Definition

21. A grievance is defined as an allegation by an employee, a group of employees or the Union that the City has violated, misapplied or misinterpreted a term or condition of employment provided in this Agreement, or divisional, departmental or City rules, policies or procedures subject to the scope of bargaining as set forth in Section VI.A. of this Agreement.
22. A grievance does not include the following:
23. a. All civil service rules excluded pursuant to Section VI.A.
24. b. Performance evaluations, provided however, that employees shall be entitled to submit written rebuttals to unfavorable performance evaluations. Said rebuttal shall be attached to the performance evaluation and placed in the employee's official personnel file. Employees are required to submit written rebuttals within thirty (30) calendar days from the date of the performance evaluation except by mutual agreement.
25. c. In the event of an unfavorable performance rating, the employee shall be entitled to a performance review conference with the author and the reviewer of the performance evaluation. The employee shall be entitled to Union representation at said conference.
26. d. Written reprimands, provided however, that employees shall be entitled to append a written rebuttal to any written reprimand or oral reprimand which is reduced to writing and placed in the employee's personnel file. The appended rebuttal shall be included in the employee's official personnel file. Employees are required to submit written rebuttals within thirty (30) calendar days from the date of the reprimand.

2. Time Limits

27. The time limits set forth herein may be extended by agreement of the parties. Any such extension must be confirmed in writing. A "working day" is defined as any Monday through Friday, excluding legal holidays granted by the City and County of San Francisco.

3. Steps of the Procedure

28. A grievance shall be filed at the lowest step in the grievance procedure in which the City's representative would have the authority to make a final and binding resolution of the grievance, provided, however, that a grievance may not be filed at a Step higher than Step 3, except by mutual agreement of the parties. In the event a grievance is filed at a Step in the grievance procedure which the City deems inappropriate, the City's representative with whom the grievance was filed shall remand the grievance to the appropriate Step.

ARTICLE I – REPRESENTATION

29. A grievance arising from a final disciplinary decision shall be initiated at the Arbitration Step of this grievance procedure. Such grievance may only be filed by the Union.
30. Step 1: An employee shall discuss the grievance informally with his/her immediate supervisor as soon as possible but in no case later than twenty (20) working days from the date of the occurrence of the act or the date the grievant might reasonably have been expected to have learned of the alleged violation being grieved. The grievant may have a Union representative present.
31. If the grievance is not resolved within five (5) working days after contact with the immediate supervisor, the grievant will submit the grievance in writing to the immediate supervisor. The grievance will set forth the facts of the grievance, the terms and conditions of employment claimed to have been violated, misapplied or misinterpreted, and the remedy or solution being sought by the grievant.
32. The immediate supervisor shall respond in writing within seven (7) working days following receipt of the written grievance.
33. Step 2: A grievant dissatisfied with the immediate supervisor's response at Step 1 may appeal to the intermediate supervisor, in writing, within seven (7) working days of receipt of the Step 1 answer. The intermediate supervisor will convene a grievance meeting within ten (10) working days of receipt of the appeal to discuss the grievance with the grievant and/or the grievant's Union representative. Within ten (10) working days following the meeting the intermediate supervisor will respond in writing to the grievance.
34. Step 3: A grievant dissatisfied with the intermediate supervisor's response at Step 2 may appeal to the Appointing Officer, in writing, within ten (10) working days of receipt of the Step 2 answer. The Appointing Officer may convene a meeting within ten (10) working days of the appeal with the grievant and/or the grievant's Union representative. The Appointing Officer shall respond in writing within fifteen (15) working days of the hearing or receipt of the grievance, whichever is later.
35. Step 4: If the Union is dissatisfied with the Appointing Officer's response at Step 3, the Union may appeal to the Director, Employee Relations, in writing, within fifteen (15) working days of receipt of the Step 3 answer. The Director may convene a grievance meeting within ten (10) working days of the appeal with the grievant and/or the grievant's Union. The Director shall respond to the grievance in writing within ten (10) working days of the meeting or, if none is held, within ten (10) working days of receipt of the appeal.

ARTICLE I – REPRESENTATION

4. Arbitration

36. If the Union is dissatisfied with the Step 4 answer it may appeal by notifying the Director, Employee Relations, in writing, within twenty (20) working days of the 4th Step decision that arbitration is being invoked.

5. Selection of the Arbitrator

37. a. The parties shall establish a list of seven (7) arbitrators to serve as the permanent panel to hear grievances arising under the terms of this Agreement. In the event the parties cannot agree on the panel within thirty (30) days following the effective date of this Agreement, either party may obtain a panel through the appointment process of the American Arbitration Association. Provided, however, that an arbitrator may be removed from the panel by mutual consent at any time. Replacements, in the absence of mutual agreement, shall be made by American Arbitration Association appointment.

38. b. When a matter is appealed to arbitration the parties shall first attempt to mutually agree on an arbitrator. In the event no agreement is reached within five (5) working days the arbitrator shall be selected from the permanent panel in accordance with the following procedure:

39. 1.) Arbitrators shall be listed in alphabetical order. The case shall be assigned to the next arbitrator listed in alphabetical order, provided however that each party shall be entitled to one strike.

40. 2.) The arbitrator next in order following any strike options exercised by the parties shall be designated to hear the case.

41. 3.) In the event that either party strikes an arbitrator's name from the list in accordance with this section, the struck arbitrator's name shall be placed at the bottom of the list. Once struck, the same party may not again strike that arbitrator's name until that arbitrator has been selected.

6. Authority of the Arbitrator

42. The arbitrator shall have no authority to add to, ignore, modify or amend the terms of this Agreement.

7. Fees and Expenses of Arbitrator

43. The fees and expenses of the Arbitrator shall be shared equally by the parties. Transcripts shall not be required except that either party may request a transcript provided, however, that the party making such a request shall be solely responsible for the cost. Direct expenses of the arbitration shall be borne equally by the parties.

8. Hearing Dates and Date of Award

44. Except for the expedited procedure described above, hearings shall be scheduled

ARTICLE I – REPRESENTATION

within thirty (30) working days of selection of an arbitrator. Awards shall be due within thirty (30) working days following the receipt of closing arguments. As a condition of appointment to the permanent panel arbitrators shall be advised of this requirement and shall certify their willingness to abide by these time limits.

45. Any claim for monetary relief shall not extend more than twenty (20) working days prior to the filing of a grievance, unless considerations of equity or bad faith justify a greater entitlement.

9. Discipline/Discharge Grievances

46. a. The City shall have the right to discipline any non-probationary permanent, temporary civil service, or provisional employee who has served the equivalent of a probationary period for just cause. As used herein "discipline" shall be defined as discharge, suspensions and disciplinary demotion.

47. b. Suspensions, disciplinary demotions and discharges of non-probationary permanent, temporary civil service and provisional employees who have served the equivalent of a probationary period shall be subject to the following procedure:

48. 1.) The employee shall receive written notice of the recommended disciplinary action, including the reasons and supporting documentation, if any, for the recommendation.

49. 2.) The employee and any representative shall be afforded a reasonable amount of time to respond orally or in writing to the management official designated by the City to consider the reply.

50. 3.) The employee shall be notified in writing of the decision based upon the information contained in the written notification, the employee's statements, and any further investigation occasioned by the employee's statements. The employee's representative shall receive a copy of this decision.

51. c. Disciplinary action, as defined herein, may be appealed to the Employee Relations Director. An appeal will be timely if received or postmarked within fifteen (15) working days of the issuance of the Departmental decision. The Director, ERD, shall review the appeal and issue a final City decision no later than fifteen (15) days following receipt of the appeal.

52. d. If the decision of the Director, ERD, is unsatisfactory only the Union may file a written appeal to arbitration with the ERD no later than fifteen (15) working days following issuance of the final City decision.

53. e. Arbitration of Disciplinary Grievances. The parties agree that disciplinary grievances shall be heard in accordance with the following procedures, as appropriate:

ARTICLE I – REPRESENTATION

54. 1.) Grievances involving suspensions of fifteen (15) days or less will be heard in an expedited fashion in accordance with the procedure set forth below.
55. 2.) Discharge grievances and grievances of disciplinary suspensions of greater than fifteen (15) days shall be heard by an arbitrator selected in accordance with the procedures in Section I.E., provided however that the parties may mutually agree to submit a discharge grievance to the expedited procedure.

10. Expedited Arbitration

The parties agree to a pilot expedited arbitration process as follows:

56. Grievances of disciplinary suspensions of not greater than fifteen (15) days, and grievances of contract interpretation where the remedy requested would not require approval by the Board of Supervisors shall be resolved through an expedited arbitration process; however, either party may at their option move such matters out of the expedited process to regular arbitration as provided for herein. By written mutual agreement, the parties may submit any other grievance to this expedited arbitration process.
57. The expedited arbitration shall be conducted before an arbitrator, to be mutually selected by the parties, and who shall serve until the parties agree to remove him/her or for twelve (12) months, whichever comes first. A standing bi-monthly expedited arbitration schedule will be established for this process.
58. Seven (7) business days prior to the expedited arbitration, the parties will exchange a list of witnesses each intends to call as well as any documents expected to be introduced that have not been previously provided. If a party wishes to supplement its witness list or provide additional documents, it will identify the additional witnesses and/or provide the additional documents to the other party at least five (5) business days prior to the expedited arbitration. Other witnesses may be called and documents presented solely at the discretion of the arbitrator. The arbitrator shall hear two (2) grievances for each scheduled day of hearings. Each grievance will have a three (3) hour time limit. Each party shall have ten (10) minutes to present an opening statement and ten (10) minutes to provide a closing statement. Further, each party shall have one (1) hour to present its case/defense. The parties may agree to modify these time limits which may also be amended at the discretion of the arbitrator.
59. The parties agree not to utilize court reporters or electronic transcription. The parties further agree not to utilize post-hearing briefs.
60. The arbitrator will make every effort to issue bench decisions. Written summary awards will follow up bench decisions. Decisions of an arbitrator in these proceedings shall be final and binding and shall not constitute precedent in any other cases.

ARTICLE I – REPRESENTATION

- 61. Except as stated herein, each party shall bear its own expenses in connection with the expedited arbitration process. Except as noted below, the parties shall share all fees and expenses of the arbitrator equally.
- 62. All arbitrators agreeing to serve in this process shall agree to a fourteen (14) day cancellation policy. Arbitrations cancelled fourteen (14) days or more prior to the date scheduled for the hearing will not be subject to a per-diem or cancellation fee. In the event that an expedited arbitration hearing is cancelled, resulting in a cancellation fee, the party requesting or causing the cancellation shall bear the full cost of the fee imposed by the arbitrator, unless a mutually agreed upon alternative is established.
- 63. If either party fails to appear for a scheduled arbitration hearing that has not been cancelled, the other party will present their case and the arbitrator will issue a bench decision based on the information presented at the hearing

11. Grievances Regarding Suspensions of more than 15 days and Terminations

- 64. The parties share a desire to create an appeals process that offers timely resolution of appeals of suspensions of more than 15 days and terminations – preferably within 90 days of the request for arbitration. During negotiations in 2006, both parties introduced proposals that reflected this intent, although details of the respective proposals remained outstanding. The parties will meet in July 2006 to finalize language regarding this appeal process. The new appeals process shall be incorporated as if fully set forth herein. Should the parties fail to reach agreement on new language, Arbitrator Jerilou Cossack shall retain jurisdiction to resolve any such dispute.

I.F. OFFICIAL REPRESENTATIVES AND STEWARDS

1. Official Representatives

- 65. The Union may select up to the numbers of employees identified in the groupings below for purposes of meeting and conferring with the City, during the employee's regular duty or work hours without loss of compensation, on matters within the scope of representation. If a situation should arise where the Union believes that more than five (5) employee members should be present at such meetings, and the City disagrees, the Union shall take the matter up with the Employee Relations Director and the parties shall attempt to reach agreement as to how many employees shall be authorized to participate in said meetings. The selection of such employee members or substitutions, or replacements thereof, and their attendance at meetings during their regular duty or work hours, shall be subject to the following:
- 66. a. The Union may select employee members from the following groupings in the numbers indicated:

340. a. An employee's scheduled step increase may be denied if the Appointing Officer or designee determines that the employee's performance has been unsatisfactory. In the absence of a recommendation to deny a step increase, an employee shall receive his or her scheduled step increase. The Appointing Officer shall provide an affected employee at least sixty (60) calendar days notice prior to the employee's salary anniversary date of any intent to withhold a step increase and the basis for such withholding. However, if unsatisfactory performance occurs within the sixty (60) days before the employee's salary anniversary date, the Appointing Officer shall provide the notice and basis for the intent to withhold a step increase within a reasonable time.

341. b. The denial of a step increase is subject to the grievance procedure. An employee's performance evaluation(s), and any facts underlying the performance evaluation(s) or other relevant information, may be used as evidence by either party in an expedited grievance arbitration; provided, however, that nothing in this section is intended to or shall make performance evaluations subject to the grievance procedure.

342. c. An employee shall not receive a salary adjustment based upon service as herein provided if he/she has been absent by reason of suspension or on any type of leave without pay (excluding a military, educational, or industrial accident leave) for more than one-sixth of the required service in the anniversary year, provided that such employee shall receive a salary increment when the aggregate time worked since his/her previous increment equals or exceeds the service required for the increment, and such increment date shall be his/her new anniversary date; provided that time spent on approved military leave or in an appointive or promotive position shall be counted as actual service when calculating salary increment due dates.

347. 1.) An employee who during that portion of his/her anniversary year prior to January 1 of the current calendar year, is absent without pay for a period less than one-sixth of the time required to earn the next increment will have such absence credited as if it were paid service for the purposes of calculating the date of the increment due during the current calendar year.
348. 2.) An employee who during that portion of his/her anniversary year prior to January 1 of the current calendar year, is absent without pay for a period in excess of one-sixth of the time required to earn the next prior increment will be credited with actual paid service prior to January 1 of the current calendar year.

ARTICLE III – PAY, HOURS AND BENEFITS

352. Employees shall receive no compensation when properly notified (2-hour notice) that work applicable to the classification is not available because of inclement weather conditions, shortage of supplies, traffic conditions, or other unusual circumstances. Employees who are not properly notified and report to work and are informed no work applicable to the classification is available shall be paid for a minimum of two hours.

355. a. The employee must work five (5) days a week and forty (40) hours per week.
356. b. The employee must execute a document stating that he or she is voluntarily participating in a flex-time program. Such changes in the work schedule shall not alter the basis for, nor entitlement to, receiving the same rights and privileges as those provided to employees on a "Regular Work Week" as defined in Paragraph 1 above. This provision shall not be grievable or arbitrable.
3. Alternate Work Schedule
357. By mutual agreement the City and the Union may enter into cost equivalent alternate work schedules for some or all represented employees. Such alternate work schedules may include full-time work weeks of less than five (5) days; or a combination of features mutually agreeable to the parties. Pay, vacation, holidays and sick pay shall be computed proportionately in accordance with such reduced work week.
5. Voluntary Time Off Program ("VTOP")
359. The mandatory furlough provisions of CSC Rule 120.28 shall not apply to covered employees.

ARTICLE III – PAY, HOURS AND BENEFITS

6. General Provisions

360. Upon receipt of a projected deficit notice from the Controller, an appointing officer shall attempt to determine, to the extent feasible and with due consideration for the time constraints which may exist for eliminating the projected deficit, the interest of employees within the appointing officer’s jurisdiction in taking unpaid personal time off on a voluntary basis.

361. The appointing officer shall have full discretion to approve or deny requests for voluntary time off based on the operational needs of the department and any court decrees or orders pertinent thereto. III.G. OVERTIME COMPENSATION AND COMPENSATORY TIME

366. Appointing officers may require employees to work longer than the normal workday or longer than the normal workweek. For full time employees, any time worked under proper authorization of the appointing officer or designee or any hours suffered to be worked in excess of the regular or normal workday or workweek shall be treated as follows:

367. The Department of Human Resources shall determine whether work in excess of eight (8) hours a day performed within a sixteen (16) hour period following the end of the last preceding work period shall constitute overtime or shall be deemed to be work scheduled on the next work day.

ARTICLE III – PAY, HOURS AND BENEFITS

368. For purposes of this Article, the terms: “time worked”, “hours worked”, or “actual hours worked” includes time actually worked and time paid but not worked on recognized City holidays identified in Article III.I. paragraph 385.
369. Employees occupying executive, administrative, or professional positions designated by a “Z” symbol in the Annual Salary Ordinance shall not be paid for overtime worked but shall be granted compensatory time off at the rate of one-and-one-half times for time worked in excess of regular work schedules as defined in this Article. However, as authorized by and pursuant to the restrictions of the Annual Salary Ordinance, the “Z” symbol may be suspended to allow overtime payment, subject to the availability of funds, and pursuant to approval of the Director of Human Resources. The “Z” symbol may be suspended for individual positions in a classification. Employees in positions whose “Z” symbol has been suspended may not earn/accrue compensatory time for the duration of the suspension of the “Z” symbol.
1. Non-Z Designated Classifications:
- Employees classified Non-Z are compensated for overtime subject to the following:
370. a. For employees working a regular 8-hour per day schedule, overtime at one and one-half the base hourly rate (including a night differential where applicable) for actual hours worked in excess of 8 hours in a day or for hours worked in excess of 40 in a week;

Overtime for employees working a 9/80 schedule is based on the FLSA workweek designated in such a schedule.
373. d. Those employees subject to the provisions of the Fair Labor Standards Act who are required or suffered to work overtime shall be paid in salary unless the employee and the Appointing Officer mutually agree that in lieu of paid overtime, the employee shall be compensated with compensatory time off. Compensatory time shall be earned at the rate of time and one-half.
374. e. When overtime is necessary, it shall be distributed fairly, subject to employee qualifications and availability.

ARTICLE III – PAY, HOURS AND BENEFITS

2. Z-Designated Classifications

Except as otherwise required by the Fair Labor Standards Act, effective January 1, 2002, compensatory time off may be accrued as follows:

- 375. a. An employee shall not maintain a balance of more than one hundred sixty (160) hours of compensatory time off;
- 376. b. An employee may carry forward one hundred twenty (120) hours of earned but unused compensatory time off into the next fiscal year.
- 377. c. Employees with accrued compensatory time off balances as of January 1, 2002, may carry forward up to two hundred forty (240) hours for use during the remainder of this Agreement.

378. Compensatory time earned will be reported to each employee.

379. In order to allow employees the opportunity to take compensatory time off, upon receipt of such notice of accrual of one hundred and sixty (160) or more hours of CTO, the employee shall request days off as CTO within the next three (3) to six (6) month period. The department shall not unreasonably deny a CTO request pursuant to this paragraph. CTO will be taken in full workday blocks unless an alternative is mutually agreed upon. Scheduling shall be by mutual agreement.

380. CTO cannot be cashed out. Exceptions to normal work schedules for which no extra compensation is authorized may be granted in accordance with section 1.3 of the Annual Salary Ordinance.

381. The following classifications were moved to Local 21 on or about July 1, 2002:

- 1888 – Resource Efficiency and Energy Conservation Manager
- 2978 – Contract Compliance Officer II
- 5212 – Principal Engineer
- 9386 – Senior Property Manager at the Port

382. a. Incumbents in those classifications who had Administrative Leave balances remaining at the time of transfer, as maintained in departmental records or confirmed by other verifiable evidence, shall have those Administrative Leave Balances converted to Compensatory Time Off (CTO) no later than October 27, 2006.

3. Part-Time Employees

383. Part-time employees shall not be entitled to overtime compensation or compensatory time off for work performed in excess of their specified normal hours until they exceed eight (8) hours per day or forty (40) hours per week.

III.H. FAIR LABOR STANDARDS ACT

384. To the extent that the Agreement fails to afford employees the overtime or compensatory time off benefits to which they are entitled under the Fair Labor Standards Act, the Agreement is amended to authorize and direct all City Departments to ensure that their employees receive, at a minimum, such Fair Labor Standards Act Benefits.

III.I. HOLIDAYS

385. Except when normal operations require, or in an emergency, employees shall not be required to work on the following days hereby declared to be holidays for such employees:

January 1 (New Year's Day)
the third Monday in January (Martin Luther King, Jr.'s Birthday)
the third Monday in February (President's Day)
the last Monday in May (Memorial Day)
July 4 (Independence Day)
the first Monday in September (Labor Day)
the second Monday in October (Columbus Day)
November 11 (Veteran's Day)
Thanksgiving Day
the day after Thanksgiving
December 25 (Christmas Day)

386. Provided further, if January 1, July 4, November 11 or December 25 falls on a Sunday, the Monday following is a holiday.

387. The City shall accommodate religious belief or observance of employees as required by law.

388. Employees shall be granted floating holidays as set forth below:

389. Four (4) floating days off (thirty-two (32) hours) to be taken on days selected by the employee subject to prior scheduling approval of the appointing officer. Floating Holidays may be taken in hourly increments up to and including the number of hours contained in the employee's regular shift. Employees (both full-time and part-time) must complete six (6) months continuous service to establish initial eligibility for the floating days off. Floating Holidays received in one fiscal year but not used shall be carried forward to the next succeeding fiscal year. The maximum number of floating holidays carried forward to a succeeding fiscal year shall not exceed the total number of floating holidays received in the previous fiscal year, and at no time shall employees be able to accumulate more than 64 hours of floating holidays. No compensation of any kind shall be earned or granted for floating days off not taken.

ARTICLE III – PAY, HOURS AND BENEFITS

390. Effective June 30, 2009, employees shall receive a one-time addition of five (5) floating holidays for one year, which shall be administered in the same manner as the floating holidays in paragraph 389 above.
391. Notwithstanding the paragraphs above, any unused floating holidays accrued from June 27, 2009 through July 8, 2011 may be carried over to be used in fiscal year 2011-2012, but at no time shall an employee accumulate a combined floating holiday balance of more than twenty (20) days (including floating holidays awarded in a particular year) during this period. During fiscal years 2009-2010 and 2010-2011, floating holidays must be used before vacation days or hours are taken; provided however that this limitation (i.e., use of floating holidays before vacation) will not apply in cases in which use of the floating holiday will cause a loss of vacation due to the accrual maximums. Floating Holidays are to be scheduled per mutual agreement, based on operational needs of the department.
392. Effective July 1, 2010 for Fiscal Year 2010-11, in recognition of the value of wage concessions during the year, employees shall receive a one-time addition of twelve (12) floating holidays for one year, which shall be administered in the same manner as the floating holidays in paragraph 389 above. However, these floating holidays will be awarded on a quarterly basis (i.e. three floating holidays will be allotted in first full pay period beginning on July 1st, October 2nd, January 8th, and April 16th of the fiscal year). The parties agree that employees may be required to take no more than five of the floating holidays for the four working days between December 25, 2010 and January 1, 2011, and one day for the day prior to Thanksgiving 2010, when the City has implemented Minimum Staffing Days.
393. Effective July 1, 2011 for Fiscal Year 2011-12, in recognition of the value of wage concessions during that year, employees shall receive a one-time addition of twelve (12) floating holidays for one year, which shall be administered in the same manner as the floating holidays in paragraph 389 above. These floating holidays will be on a quarterly basis (i.e. three floating holidays will accrue in first full pay period on July 1st, October 1st, January 7th, and April 14th of the fiscal year). If the number of unpaid furlough days (or equivalent) for the year is reduced by operation of the provisions of paragraph 166 above, the number of additional floating holidays will be reduced in a corresponding manner. The parties agree that employees may be required to take no more than five of the floating holidays for the four working days between December 25, 2011 and January 1, 2012, and one day for the day prior to Thanksgiving 2011, when the City has implemented Minimum Staffing Days.
394. Notwithstanding the paragraphs above, any unused floating holidays accrued from July 1, 2010 through June 30, 2012 may be carried over to be used in Fiscal Years 2012-13, 2013-14 and 2014-15.

ARTICLE III – PAY, HOURS AND BENEFITS

395. During Fiscal Years 2010-11, 2011-12, 2012-13, 2013-14 and 2014-15, floating holidays must be used before vacation days or hours are taken; provided however that this limitation (i.e., use of floating holidays before vacation) will not apply in cases in which use of the floating holiday will cause a loss of vacation due to the accrual maximums. Except for days taken during Minimum Staffing Days, floating holidays are to be scheduled per mutual agreement, based on operational needs of the department.
396. The City will evaluate City departments or divisions for which Minimum Staffing Days are appropriate. Minimum Staffing Days may take the form of complete closures or minimum staffing. On or before August 1, 2010 and August 1, 2011, the City will notify the PEC which departments/divisions have been slated for Minimum Staffing Days and/or reduced staffing. If the PEC has any concerns regarding the list, it must make its concerns known to DHR within fourteen (14) calendar days. DHR agrees to discuss any concerns raised by the PEC via this process. If the PEC finds DHR's response inadequate, it may elevate its concerns to the Mayor, who will be the final arbiter of any such dispute. The Minimum Staffing Days currently identified and agreed to by the City and the PEC are the non-holiday work days between Christmas and New Years and the Wednesday prior to the Thanksgiving weekend – five (5) days.
397. In addition, any day declared to be a holiday by proclamation of the Mayor after such day has heretofore been declared a holiday by the Governor of the State of California or the President of the United States.
398. For those employees assigned to a work week of Monday through Friday, and in the event a legal holiday falls on Saturday, the preceding Friday shall be observed as a holiday; provided, however, that except where the Governor declares that such preceding Friday shall be a legal holiday, each department head shall make provision for the staffing of public offices under his/her jurisdiction on such preceding Friday so that said public offices may serve the public as provided in Section 7.702 of the Charter. Those employees who work on a Friday which is observed as a holiday in lieu of a holiday falling on Saturday shall be allowed a day off in lieu thereof as scheduled by the appointing officer in the current fiscal year. The City shall provide one week's advance notice to employees scheduled to work on the observed holiday, except in cases of unforeseen operational needs.
1. Holiday Compensation for Time Worked
399. Employees required by their respective City representative to work on any of the above-specified or to substitute holidays excepting Fridays observed as holidays in lieu of holidays falling on Saturday, shall be paid for the legal holiday plus extra compensation of one (1) additional day's pay at time and one-half (1-1/2) the usual rate in the amount of twelve (12) hours' pay for eight (8) hours worked or a proportionate amount of less than eight (8) hours worked; provided, however, that at an employee's request and with the approval of the appointing officer, an employee may be granted compensatory time off in lieu of paid overtime.

ARTICLE III – PAY, HOURS AND BENEFITS

400. Executive, administrative and professional employees designated with the “Z” symbol and who the City believes are exempt under the provisions of the Fair Labor Standards Act shall not receive extra compensation for holiday work but may be granted time off equivalent to the time worked at the rate of one and one-half (1½) times for work on the holiday.

2. Holidays for Employees on Work Schedules Other Than Monday Through Friday

401. Employees assigned to seven (7) day-operation departments or employees working a five (5) day work week other than Monday through Friday shall be allowed another day off if a holiday falls on one of their regularly scheduled days off. Employees whose holidays are changed because of shift rotations shall be allowed another day off if a legal holiday falls on one of their days off.

402. If the provisions of this section deprive an employee of the same number of holidays that an employee receives who works Monday through Friday, s/he shall be granted additional days off to equal such number of holidays. The designation of such days off shall be by mutual agreement of the employee and the appropriate employer representative. Such days off must be taken within the current or next fiscal year. In no event shall the provisions of this section result in such employee receiving more or less holidays than an employee on a Monday through Friday work schedule.

403. Departments will use their best efforts to grant each employee qualifying for paid holidays at least one (1) of the following two (2) holidays off: Christmas Day and the following New Year’s Day.

3. Holiday Pay for Employees Laid Off

404. An employee who is laid off at the close of business the day before a holiday who has worked not less than five (5) previous consecutive workdays shall be paid for the holiday.

4. Employees Not Eligible for Holiday Compensation

405. Persons employed for holiday work only, or persons employed on a part-time work schedule which is less than twenty (20) hours in a bi-weekly pay period, or persons employed on an intermittent part-time work schedule (not regularly scheduled), or persons employed on as-needed, seasonal or project basis for less than six (6) months continuous service, or persons on leave without pay status both immediately preceding and immediately following the legal holiday shall not receive holiday pay.

5. Part-time Employees Eligible for Holidays

406. Part-time employees who regularly work a minimum of twenty (20) hours in a bi-weekly pay period shall be entitled to holiday pay on a proportionate basis.

407. Regular full-time employees are entitled to 8/80 or 1/10 time off when a holiday falls in a bi-weekly pay period, therefore, part-time employees, as defined in the

ARTICLE III – PAY, HOURS AND BENEFITS

immediately preceding paragraph, shall receive a holiday based upon the ratio of 1/10 of the total hours regularly worked in a bi-weekly pay period. Holiday time off shall be determined by calculating 1/10 of the hours worked by the part-time employee in the bi-weekly pay period immediately preceding the pay period in which the holiday falls. The computation of holiday time off shall be rounded to the nearest hour.

408. The proportionate amount of holiday time off shall be taken in the same fiscal year in which the holiday falls. Holiday time off shall be taken at a time mutually agreeable to the employee and the appropriate employer representative.

6. Holiday Compensation for Employees Working Alternative Work Schedules

409. Nine (9), ten (10) and twelve (12) hour employees shall receive full holiday compensation for the regularly scheduled shift worked on a holiday.

7. Z Employees

410. No designated “Z” employee shall receive overtime pay for working on a holiday. All such overtime shall be compensated in the form of compensatory time accrued.

III. J. VACATION

1. Definitions

411. “Continuous service” for vacation allowance purposes means paid service pursuant to a regular work schedule which is not interrupted by a breach in paid service.

2. Award and Accrual of Vacation

412. Vacation benefits are set pursuant to the Charter as follows:

413. An employee does not accrue vacation allowance in the first year of continuous service, however, at the end of one (1) year of continuous service, an employee shall be awarded a vacation allowance computed at the rate of .0385 of an hour for each hour of paid service in the preceding year.

414. At the end of five (5) years of continuous service, an employee shall be awarded a one-time vacation allowance computed at the rate of .01924 of an hour for each hour of paid service in the preceding year except that the amount of the vacation allowance shall not exceed forty (40) hours.

415. At the end of fifteen (15) years of continuous service, an employee shall be awarded a one-time vacation allowance computed at the rate of .01924 of an hour for each hour of paid service in the preceding year except that the amount of the vacation allowance shall not exceed forty (40) hours.

ARTICLE III – PAY, HOURS AND BENEFITS

416. The maximum number of vacation hours an employee may accrue consists of two hundred and forty (240) hours carried forward from prior years plus the employee’s maximum vacation entitlement which is based on the number of years of service. The maximum number of vacation hours which an employee may accrue is as follows:

<u>Years of Continuous Service</u>	<u>Maximum Accrual</u>
1 through 5 years	320 hours
more than 5 through 15 years	360 hours
more than 15 years	400 hours

III.K. TIME OFF FOR VOTING

417. If an employee does not have sufficient time to vote outside of working hours, the employee may request so much time off as will allow time to vote, in accordance with the State Election Code.

III.L. PROVISIONAL EMPLOYEES

418. Non-permanent employees, defined as employees with no permanent classification or employees with a permanent classification serving in another classification, shall be entitled to the following:

419. 1. Non-permanent employees shall be treated as permanent employees with respect to health and welfare benefits, compensation and salary steps, seniority, retirement (upon completion of 1040 hours in any twelve month period), and leave benefits, including but not limited to sick leave, vacation and personal leave.

420. 2. Upon permanent appointment, time worked as a provisional appointment in the same classification under the same appointing authority shall be treated as time worked and credited to the employee’s probationary period as defined and administered by the Civil Service Commission. Provided however, upon permanent appointment, all employees must serve no less than a thirty-day probationary period as defined and administered by the Civil Service Commission regardless of time worked in the provisional appointment.

III.M. PER-DIEM REHABILITATION PROFESSIONALS

421. In lieu of benefits, Per Diem (as-needed) employees shall be paid at a wage rate no lower than step 5. When an as-needed per-diem accepts a regularly-scheduled position (FT or PT, permanent or provisional civil service status) he/she shall be paid at no lower than a step 3 wage rate, but dependent upon their experience, may be placed at a higher step at the discretion of the Appointing Officer. Per-diems who accept employment to a permanent or provisional civil service position, will receive all the benefits granted to a permanent employee with the exception of health and retirement benefits, which will

ARTICLE III – PAY, HOURS AND BENEFITS

accrue upon the completion of 1040 hours for employees granted provisional positions, and “just cause,” which will be available to the employee upon completion of the equivalent of a probationary period (when appointed provisionally) or the completion of a probationary period (when appointed to a permanent position).

Fiscal Year 2011-12 and Thereafter

424. The City and the PEC will establish a labor-management committee to begin meeting no later than October 1, 2010, concluding before December 31, 2010, to identify changes to MOU-negotiated premium payments that would be anticipated to yield approximately \$3 million in savings annually in the City’s employee health care cost, beginning Fiscal Year 2011-12.

425. Should the committee not reach mutual agreement on another option, the following goes into effect: for Fiscal Year 2011-12 and thereafter, for all employees enrolled in the City Plan in the medically-single/Employee-Only category, the City’s contribution will be capped at an amount equivalent to the cost of the second-highest cost plan for medically-single/Employee-Only enrollees. Employees who elect to enroll in the City plan in this category must pay the difference between the capped amount of the City plan described above and the cost of City plan coverage in the medically-single/Employee-Only category.

426. If no mutual agreement on another option is reached as described in paragraph 425, and if an employee’s work location reasonably requires him or her to reside in a county in which there is no City HMO available, then the City shall pay for medically-single/Employee-Only coverage under the City plan.

427. The City shall contribute up to 75% of the dependent rate charged by the City to employees for Kaiser coverage at the dependent plus two or more level.

3. Hetch Hetchy Stipend

429. As provided in the Annual Salary Ordinance, for employees assigned to Hetch Hetchy, the City will pay a stipend to employees residing in designated zip code areas enrolled in the Health Services System with employee plus two or more dependents where HMOs are not available and such employees are limited to enrollment in Plan 1.

4. Life Insurance

430. The City will provide \$50,000 in term life insurance to each employee.

III.O. RETIREMENT

1. Retirement Payments

431. The SFERS shall process and pay retirement claims in the following manner:

<u>BENEFIT</u>	<u>PROCESSING TIME</u>
Initial monthly retirement allowance	60 days maximum 90% within 60 days
Withdrawal of contributions	6 weeks maximum 85% paid in 30 days
Death benefit	30 days maximum 90% paid within 30 days of filing appropriate papers

432. Effective July 1, 2006, represented employees agree to pay their own employee retirement contribution in an amount equal to seven and one-half percent (7.5%) of covered gross salary. For employees who became members of SFERS prior to November 2, 1976 (Charter Section A8.509 Miscellaneous Plan), the City shall pick up the remaining one-half percent (0.5%) of the total eight percent (8.0%) employee retirement contribution.

ARTICLE III – PAY, HOURS AND BENEFITS

2. Retirement Restoration Payment

433. For employees who retire prior to July 1, 2013 and whose final compensation for retirement purposes is impacted by the wage reduction described in Section III.A., the City will make available restoration pay in a lump sum equivalent to the pensionable value of the wage reduction described in Section III.A. of this Agreement for the period used by the applicable retirement system to determine the employee's final compensation for retirement purposes (Final Compensation Period). For employees who retire prior to July 1, 2012, post-retirement payouts of vacation and vested sick leave will be made at the employee's normal (pre-reduction) hourly rate, although nothing herein requires the San Francisco Employees Retirement System, or any applicable retirement system, to include payouts of vacation or vested sick leave in retirement calculations.
434. Should employees who retire prior to July 1, 2013 wish to receive retirement restoration, they must, at least thirty (30) days prior to the last date of employment, agree to re-designate any floating holidays they have taken during the Final Compensation Period in excess of four (4) floating holidays to vacation days upon retirement. This re-designation shall not apply to floating holidays carried over from a prior fiscal year. Once they have taken four (4) floating holidays during the Final Compensation Period, such employees will not be eligible to take any floating holidays during the last thirty (30) days of their employment except for floating holidays accrued before July 1st of the fiscal year in question.
435. The parties acknowledge that any City pick-up of employee retirement contributions, as well as other forms of payments (including without limitation payments for health and welfare insurance premiums) and accrued but unpaid leave accounts, are not considered a part of an employee's salary for the purpose of computing straight time earnings, compensation for overtime worked, premium pay, or retirement benefits; nor shall such contributions be taken into account in determining the level of any other benefit which is a function of or percentage of salary.
436. The City will not treat these contributions as compensation subject to income tax withholding unless the Internal Revenue Service or Franchise Tax Board indicates that such contributions are taxable income subject to withholding. Each employee shall be solely and personally responsible for any federal, state or local tax liability of the employee that may arise out of the implementation of this section or any penalty that may be imposed therefor.

3. Quarterly Report and Annual Meeting

437. The San Francisco Employees Retirement System shall provide upon request a quarterly report to the Union detailing its current holdings and its annual return on investments. The Retirement System shall also meet each Fall during the term of this Agreement after their annual audit to review their portfolio with the Union on

ARTICLE III – PAY, HOURS AND BENEFITS

request. The Union will attempt to provide specific questions and items of interest in advance to SFERS to assist in setting an appropriate agenda.

4. Safety Retirement

438. If the voters approve an amendment to Charter Section A8.506-2 to delete the “no net increase in cost” requirement in that section, the City agrees to meet and confer with the Union over a mutually satisfactory contract amendment with PERS to effect safety retirement improvements. As set forth in Charter Section A8.409-5, the parties acknowledge that this paragraph is not subject to Charter Section A8.409’s impasse resolution procedures.

439. Non-permanent employees who have earned not less than 1,040 hours of compensation during any twelve-month period shall become eligible for membership in the San Francisco Retirement System and shall be required to enroll.

5. Release Time for Pre-Retirement Planning Seminars

440. Subject to development, availability and scheduling by SFERS and PERS, employees shall be allowed not more than one (1) day during the life of this MOU to attend a pre-retirement planning seminar sponsored by SFERS or PERS.

441. Employees must provide at least two (2) weeks advance notice of their desire to attend a retirement planning seminar to the appropriate supervisor. An employee shall be released from work to attend the seminar unless staffing requirements or other Department exigencies require the employee’s attendance at work on the day or days such seminar is scheduled. Release time shall not be unreasonably withheld.

442. All such seminars must be located within the Bay Area.

443. This section shall not be subject to the grievance procedure.

6. Miscellaneous Retirement Improvement

444. The City agrees to meet and confer with Local 21 over possible Charter amendments, including early retirement incentives, to enhance miscellaneous retirement benefits. As set forth in Charter Section A8.409-5, the parties acknowledge that this paragraph is not subject to Charter Section A8.409’s impasse resolution procedures.

7. Retiree Medical Benefits

445. The City and the Union agree that it is in the interests of the public and all City employees that sufficient funds be made available for the payment of the retiree medical benefits provided by the City Charter. As of January 2007, the City has an obligation to report its unfunded liability for retiree medical benefits, as required by the Governmental Accounting Standards Board. In recognition of these facts, the Union and City agree to participate in a City-wide Retiree Health Benefits

ARTICLE III – PAY, HOURS AND BENEFITS

Committee to study and make recommendations regarding sufficient funding of retiree health benefits.

III. P. STATE DISABILITY INSURANCE (SDI)

446. Upon certification by the Union that one or more representation units covered by this Agreement desires to be enrolled in the State Disability Insurance program, the Human Resources Director shall immediately take any and all necessary action to enroll such representation units and all employees therein. The Union shall certify to the Employee Relations Director which representation units desire to be enrolled for SDI no later than forty-five (45) days prior to SDI's quarterly enrollment dates and the Board shall take necessary action to enroll such employees in time for the next SDI enrollment date.
447. In the event any bargaining unit, covered by this Agreement, elects coverage in SDI as provided above, the payment of sick leave pursuant to Rule 20 of the Civil Service Commission shall not affect and shall be supplementary to payments from SDI. An employee entitled to SDI shall receive in addition thereto such portion of his/her accumulated sick leave with pay as will equal, but not exceed, the regular bi-weekly take-home earnings of the employee, excluding optional deductions. Such supplementary payments shall continue for the duration of the employee's illness or disability or until sick leave with pay credited to the employee is exhausted, whichever occurs first. At the employee's option, his/her accrued vacation, and compensatory time off (for non-Z employees only) can also be integrated with SDI payments in the same manner as sick leave.
448. Any over-payments of SDI coverage will be returned to the employee no later than the second pay period following departmental notification to the Controller's Payroll & Personnel Division.
449. During the term of the Agreement, all classifications added to an existing bargaining unit that is covered by State Disability Insurance ("SDI") shall automatically be enrolled in SDI. If a new bargaining unit is created or if the Union gains recognition for additional bargaining units, the Union shall certify in writing to the Employee Relations Director whether such units shall be enrolled in SDI.

III.Q. WORKER'S COMPENSATION LEAVE

Workers' Compensation Supplementation (Shadow Sick Leave Account)

450. An employee who is absent because of an occupational or non-occupational disability and who is receiving Temporary Disability, Vocational Rehabilitation Maintenance Allowance, State Disability Insurance, may request that the amount of disability indemnity payment be supplemented with salary to be charged against the employee's accumulated unused sick leave with pay credit balance at the time of disability,

ARTICLE III – PAY, HOURS AND BENEFITS

compensatory time off, or vacation, so as to equal the normal salary the employee would have earned for the regular work schedule.

451. An employee who wishes not to supplement, or who wishes to supplement with compensatory time or vacation, must submit a written request to the appointing officer or designee within seven (7) calendar days following the first date of absence. Disability indemnity payments will be automatically supplemented with sick pay credits (if the employee has sick pay credits and is eligible to use them) to provide up to the employee's normal salary unless the employee makes an alternative election as provided in this section.
452. Employee supplementation of workers compensation payment to equal the full salary the employee would have earned for the regular work schedule in effect at the commencement of the workers compensation leave shall be drawn only from an employee's paid leave credits including vacation, sick leave balance, or other paid leave as available.
453. Salary may be paid on regular time-rolls and charged against the employee's sick leave with pay, vacation, or compensatory time credit balance during any period prior to the determination of eligibility for disability indemnity payment without requiring a signed option by the employee.
454. Sick leave with pay, vacation, or compensatory time credits shall be used to supplement disability indemnity pay at the minimum rate of one (1) hour units.

III.R. LONG TERM DISABILITY

455. Effective July 1, 2001, the City shall provide to employees with six (6) months continuous service a Long-Term Disability (LTD) plan that provides, after a ninety (90) day elimination period, sixty-six percent (66%) salary (subject to integration) up to age sixty-five (65). Employees who receive payment under the LTD plan shall not be eligible to continue receiving payments under the City's Catastrophic Illness Program.

III.S. RETURN TO WORK

456. The City will make a good faith effort to return and reassign employees who have sustained an occupational injury or illness where the employee's doctor certifies that the employee is temporarily unable to perform specified aspects of his or her regular job duties. Duties of this modified assignment may differ from the employee's regular job duties and/or from job duties regularly assigned to employees in the injured employee's class.
457. Where appropriate temporary modified duty is not available within the employee's classification, on the employee's regular shift, and in the employee's department, the employee may be temporarily assigned to work in another classification, on a different

ARTICLE III – PAY, HOURS AND BENEFITS

shift, and/or in another department, subject to the approval of the Appointing Officer or designee.

458. Neither the decision to provide or deny modified duty, nor the impact of such a decision shall be subject to grievance or arbitration.

459. It is also understood that modified duty assignments are temporary only; modified duty assignments for employees temporarily unable to perform regular job duties may not exceed three (3) months. An employee assigned to temporarily modified duty assignment shall receive his/her regular base rate of pay and shall not be eligible for any other additional compensation (premiums) and/or out of class assignment pay as may be provided under this Agreement.

460. The City reserves the right to take any action necessary to comply with its obligations under the Americans with Disabilities Act, the Fair Employment and Housing Act and all other applicable federal, state and local disability anti-discrimination statutes. Requests for accommodation under the ADA or FEHA shall be governed under separate City procedures under those laws.

III.T. SICK LEAVE

1. Accumulation

461. Employees shall be entitled to accumulate all unused sick leave.

2. Pilot Wellness Incentive Program

462. The City hereby establishes a pilot “wellness incentive program” to promote workforce attendance.

463. Effective July 1, 2002, any full-time employee leaving the employment of the City upon service or disability retirement may receive payment of a portion of accrued sick leave credits at the time of separation.

464. The amount of this payment shall be equal to two and one-half percent (2.5%) of accrued sick leave credits at the time of separation times the number of whole years of continuous employment times an employee’s salary rate, exclusive of premiums or supplements, at the time of separation. Vested sick leave credits, as set forth under Civil Service Commission Rules, shall not be included in this computation.

Example of Calculation

465. Employee A retires with 20 years of service.

Employee A has a sick leave balance of 500 hours.

Employee A has a base salary rate of \$25.00 per hour at the time of separation.

ARTICLE III – PAY, HOURS AND BENEFITS

Wellness Incentive = 2.5% for each year of service x 20 years of service = 50%
x 500 hours = 250 hours.

250 hours x \$25.00 (base salary at time of separation) = \$6,250.00

466. The number of hours for which an employee may receive cash payments shall not exceed one thousand forty (1040) hours, including any vested sick leave.
467. A wellness incentive bonus payment shall not be considered as part of an employee's compensation for the purpose of computing retirement benefits.
468. The Pilot Wellness Program shall expire at close of business June 30, 2010.
469. Discussions of ways to promote workforce attendance, including evaluation of the Wellness Program and effective alternatives thereto, will be referred to the UCRC.

III.U. PARENTAL RELEASE TIME

470. Upon proper advance notification, employees may be granted up to 40 hours Parental Leave – two hours of which will be paid leave each semester – each year to participate in the activities of a school or licensed child day care facility of any of the employee's children. Parental Leave shall not exceed eight hours in any calendar month of the year.
471. In order to qualify for Parental Leave, the employee must give reasonable notice to his/her immediate supervisor prior to taking the time off. The employee must provide written verification from the school or licensed child day care facility that he/she participated in school/child care related activities on a specific date and at a particular time, if requested by management.
472. The employee may utilize either existing vacation, compensatory time off, or personal (unpaid) leave to account for absences after the two paid hours per semester have been used. If both of the child's parents are employed by the City at the same worksite, the entitlement to a planned absence applies only to the parent who first gives notice.
473. Denial of Parental Leave under this section is not subject to the grievance process.

III.V. LIABILITY

474. The City shall defend and indemnify an employee against any claim or action against the employee or account of any act or omission in the scope of the employee's employment with the City, in accord with, and subject to, the provisions of California Government Code Sections 825 et seq. and 995 et seq. Nothing herein is deemed to supersede referenced State law.

ARTICLE IV: TRAINING, CAREER DEVELOPMENT AND INCENTIVES

IV.A. EMPLOYEE DEVELOPMENT FUND

475. The City shall budget \$500,000 during each year of this agreement for employee training, education and development.
476. Until such funds are exhausted, and subject to approval by the appointing officer or appropriate designee, an employee may utilize up to a maximum of \$2000 per fiscal year for tuition, registration fees, books, and other materials for internal or external training programs, professional conferences, professional association memberships and desired licenses relevant to the employee's current classification. Solely at the discretion of the appointing officer or designee, such funds may be supplemented with department funds budgeted for training. Any employee who is entitled to reimbursement under the Employee Development Fund during the term of the MOU may apply at any time and will be reimbursed at the time funds become available. Employee Development Funds will be encumbered upon submission of a Departmentally-approved and certification of registration request to DHR. Encumbered funds will not be paid out until the employee provides proof of satisfactory completion.
477. In addition, subject to approval by the appointing officer or designee, employees may utilize up to \$1,000 of the funds available to them for that fiscal year under this article to pay for up to one-half of the cost of necessary travel for approved training. Travel reimbursement rates shall be as specified in the Controller's travel policy memo. However, Employee Development Funds may not be used for food.
478. Unused funds shall be carried over from year to year during the term of this MOU. However, unused funds shall not carryover beyond the expiration of this MOU.
479. Employees shall not be required to utilize these funds for Department-mandated training or for certificates, licenses or registrations required by the City or the State as a condition of employment (however, the costs of continuing education for these certificates, licenses or registrations may be reimbursed through the Employee Development Fund).
480. The Union agrees to work cooperatively with the City to help build City University – a program intended to ensure San Francisco has the most educated and highly trained workforce possible. City University is a partnership between the City, learning institutions, the business community and labor organizations which shall create new sources of funding and new opportunities to professionally develop City employees.
481. Administrative issues concerning the use of the Employee Development Fund shall be addressed through the UCRC.

ARTICLE IV – TRAINING, CAREER DEVELOPMENT AND INCENTIVES

The parties agree to form a working group to review Employee Development Fund and general departmental training practices to better standardize and administer the application of these programs across departments, consistent with Article IV (Employee Development Fund) of the MOU. Departments shall continue their present practice with respect to the attendance by employees at professional association meetings, conferences, classes, courses, seminars and other programs, including the reimbursement of related expenses. Opportunities shall be provided in a consistent and uniform manner. Department practices shall be extended to the 2846 Nutritionist class.

IV.D. PROFESSIONAL ORGANIZATIONS – DEPARTMENTAL MEMBERSHIPS

Employees in the above listed classifications shall be entitled to sufficient educational leave with pay to attend Department approved training courses, workshops and seminars necessary to fulfill mandatory re-licensure requirements for licenses required as a condition of employment. If the leave provided in the preceding paragraph is not sufficient to meet this need over the re-licensure cycle, an employee in the listed classifications shall receive additional leave. In the event that an employee receives additional leave under this paragraph, the total number of hours of educational leave provided under this section (IV.G), including the days provided in the preceding paragraph, shall not exceed the number of hours necessary to fulfill the mandatory re-licensure requirements during the re-licensure cycle.

The City will use its best efforts to provide Local 21 represented employees with up to forty (40) hours of paid time off for job-related training and/or professional development, which shall include one day of professional development of an employee’s choice, not to be unreasonably denied. The foregoing includes but is not limited to mandatory continuing education and/or training requirements.

ARTICLE V: WORKING CONDITIONS

V.A. HEALTH AND SAFETY

492. The City acknowledges its responsibility to provide safe, healthful work environments for City employees.
493. When an employee, in good faith, believes that a condition exists which is immediately dangerous to life or health, and that continuing to work under such conditions poses risks beyond those normally associated with the nature of the job, the employee shall so notify the supervisor and explain why he/she believes it is unsafe. If the Department agrees that the assignment is hazardous or unsafe, the employee shall be reassigned, if possible, until the hazard is eliminated or until the employee has been provided with the necessary safeguards.
494. If the Department and the employee, or his/her designated representative, do not concur, the potentially hazardous condition shall be evaluated by the departmental Occupational Safety and Health (OSH) staff, or a member of the DPH OSH Program staff, if the Department does not have professional OSH staff.

512. 1. There is sufficient work which the employee can perform available within the employee's job classification in the department, and

513. 2. In the opinion of the department head, assigning the work to the disabled employee or pregnant employee can be done without adversely affecting the operation of the department.

514. In the event a City-wide policy on alternative, light and/or modified duty assignments is proposed during the life of the Agreement, the parties agree to reopen this Section (V.D.) to meet and confer regarding such policy.

525. Thereafter, the City convened a telecommuting committee (including representatives from City departments and the Union) which developed a comprehensive policy and program regarding telecommuting. Based on the recommendations of the committee, the City implemented a Citywide Telecommuting Policy and Program, copies of which are available on the Department of Human Resources Website.
526. An employee who meets the eligibility criteria and program guidelines may apply to participate in the Telecommuting Program. Nothing in this paragraph shall limit the obligation of the civil service commission to meet and confer as appropriate under state law.

VI.B. SAVINGS CLAUSE

532. Should any part of this Memorandum be determined to be contrary to law, such invalidation of that part or portion of this Agreement shall not invalidate the remaining portions hereof. In the event of such determination the parties agree to immediately meet and confer in an attempt to agree upon a provision for the invalidated portion which meets with the precepts of the law.

ARTICLE VI – IMPLEMENTATION AND TERM OF AGREEMENT

533. Any term of condition of this Agreement which conflicts with the Fair Labor Standards Act, Title U.C.C. Sections 201 et seq. and/or the rules and regulations thereof, shall be null and void so long as said Act and/or the rules and regulations thereto continue to be applicable to the City and County of San Francisco. Should any dispute over the application of the Act occur, the parties agree to meet and confer to resolve the dispute before taking other action.

VI.C. AMENDMENT OR MODIFICATION

534. This Agreement sets forth the full and entire understanding of the parties regarding the matters herein. This Agreement may be modified by mutual consent of the parties. Such amendments(s) shall be reduced to writing.

VI.D. DURATION OF AGREEMENT AND INITIATION OF MEET AND CONFER PROCESS

535. This Memorandum of Understanding shall be in effect from July 1, 2006 through and inclusive of June 30, 2012.

536. Upon mutual agreement, the parties may reopen this agreement for the sole purpose of addressing recruitment or retention difficulties with the City's engineers.

537. It is understood and agreed that no new economic benefits for FY 2010-11 shall become effective prior to December 31, 2010; provided as follows:

538. (a) in the event the City negotiates to improve an economic benefit that becomes effective between July 1, 2010 through December 30, 2010, inclusive, for any other miscellaneous City and County officers or employees, that economic benefit will be extended to the Union's represented employees in a manner consistent with the overall economic agreement between the City and the union with which it previously agreed;

539. (b) in the event that an arbitration panel acting under the authority of Charter section A8.409-4 awards another union representing miscellaneous employees an economic benefit that becomes effective between July 1, 2010 through December 30, 2010, the City shall allow the Union to reopen its MOU solely for the purpose of proposing that its represented employees should receive an economic benefit in FY 2011-12, in light of the arbitration panel's award on behalf of the other miscellaneous labor organization. Such reopener, if any, shall commence in January 2011, and shall be subject to the timelines and the Charter factors set forth in Charter section A8.409. By entering into this agreement, the City is not conceding that the Union is or should be entitled to a remedy in the event another union receives an economic benefit for the time period described above. The parties also acknowledge that any economic

**CAPITAL PROJECTS MOU ADDENDUM
TO THE 2006-2009 MEMORANDUM OF UNDERSTANDING
BETWEEN THE CITY AND COUNTY OF SAN FRANCISCO AND
THE INTERNATIONAL FEDERATION OF PROFESSIONAL
AND TECHNICAL ENGINEERS, LOCAL 21, AFL-CIO**

Introduction

San Francisco faces an unprecedented challenge: to restore its aging water system to ensure a reliable Bay Area water supply and avoid system outages which could be caused by natural disasters. The City faces similar challenges in maintaining, restoring, and improving other essential City infrastructure components.

The parties recognize that achievement of this goal requires an extraordinary level of labor-management cooperation, and that disagreements regarding contracting out, terms and conditions of employment, hiring and promotion methods, and other matters have the potential to interfere with implementation of the City's capital projects. The parties further recognize that the success of the City's capital projects will require new and innovative approaches in many employment-related areas including recruitment, hiring, promotion, training, work rules, compensation, evaluation, and management.

The purpose of this Agreement is to promote the efficiency of design, construction management and project management operations for the City's capital projects and provide for efficient resolution of labor disputes and grievances, thereby promoting the public interest in assuring the timely and economical completion of capital projects.

Findings

WHEREAS, the City is or will be engaged in a number of significant capital projects in the coming years which will require that work proceed in an efficient manner without delay or disruption because of disagreements between the City and the Union; and

WHEREAS, the largest capital project the City faces is the modernization and repair of the Hetch Hetchy water supply system;

WHEREAS, the voters passed Propositions A and E, ensuring that funding is available to complete this ambitious program in a timely manner; and

WHEREAS, the voters have found that “the protection, maintenance and repair of the [Hetch Hetchy water supply] system are among their highest priorities”; and

APPENDIX C

WHEREAS, the PUC CIP consists of approximately 38 infrastructure improvement projects for regional water and approximately 39 infrastructure improvement projects for local water and may in the future also consists of a Clean Water Improvement Program and a Repair and Replacement Program; and

WHEREAS, successful completion of the PUC CIP is of the utmost importance to the general public in the San Francisco Bay Area and the state; and

WHEREAS, the Public Utilities Commission (PUC), the Department of Public Works (DPW) and the Department of Human Resources are strategic partners on the PUC CIP and have entered into MOUs memorializing their agreements to share responsibility for completion of the PUC CIP; and

WHEREAS, successful completion of City capital projects is of the utmost importance to the general public; and

WHEREAS, the interests of the general public, the City and County of San Francisco and IFPTE, Local 21 are best served if the work on all capital projects proceeds in an efficient manner without delay or disruption because of disagreements between the City and the Union; and

WHEREAS, the City and the Union desire to establish specific and unique terms and conditions of employment to ensure the City's capital projects are completed with utmost quality, with in-house staff to the greatest extent practicable and on-time and on-budget; and

WHEREAS, through this Agreement, the City and the Union desire to encourage close cooperation which ensures that a satisfactory and harmonious relationship will exist among the parties; and

WHEREAS, the current collective bargaining agreement between Local 21 and the City shall be amended by the Board of Supervisors to incorporate this Agreement; and

WHEREAS, this Agreement shall not replace, interfere, abrogate, diminish or modify the terms and conditions of the parties' existing collective bargaining agreement except as specifically amended; and

WHEREAS, the parties signatory to this Agreement pledge their full good faith and trust to work towards a mutually satisfactory completion of the City's capital projects.

2.4.3 This agreement shall not apply where acceptance of funding from a state or federal agency precludes its application.

ARTICLE III – STAFFING

3.1 Principles

- 3.1.1 The parties agree that in order to maximize City employment opportunities, it is necessary to hire and promote highly qualified employees quickly and efficiently. The parties acknowledge that many employees involved in capital projects possess state licenses in engineering, architecture and other specialties; such licenses often establish a candidate's minimum qualifications for employment; and, with respect to licensed professionals, employment and promotional decisions are best addressed at the departmental level.
- 3.1.2 The parties agree that the hiring methods employed on the CIP and other capital projects throughout the City should be fair, should honor the merit system, should command public confidence, and should be focused on creating a talented city workforce.
- 3.1.3 The parties agree that this Article covers matters within the jurisdiction of the Civil Service Commission and shall be administered subject to Civil Service Commission Rules and procedures.

3.2 Hiring

- 3.2.1 Continuous Testing. As permitted under Civil Service Rule III, the union agrees to the use of continuous testing for all classes covered by this agreement.
- 3.2.2 Certification Rules. In accordance with Civil Service Rule 113, the parties agree to the following certification rules for covered classes:
 - a. Rule of the List. Classes 5211 (Senior Engineer), 5212 (Principal Engineer), 5270 (Senior Architect), 5273 (Principal Architect) and 5275 (Senior Landscape Architect) shall utilize the Rule of the List.
 - b. Rule of Seven scores. Classes 5174 (Administrative Engineer), 5241 (Engineer), 5268 (Architect) and 5274 (Landscape Architect) shall utilize a ranked list and the Rule of Seven scores.
 - c. Rule of Five scores. Classes 5266 (Architectural Assistant II) and 5272 (Landscape Architect Associate II) shall utilize a ranked list and the same certification rule (Rule of Five scores) currently used by Class 5207 (Associate Engineer).
 - d. Rule of Three scores. Classes 5260 (Architectural Assistant I), 5261 (Architectural Assistant II), 5262 (Landscape Architectural Associate I) and 5265 (Architectural Associate I) shall utilize a ranked list and the same certification rule (Rule of Three scores) currently used for Class 5201 (Junior Engineer) and Class 5203 (Assistant Engineer).

e. Other Covered Classes. Consistent with Civil Service Rules, the basic certification will be Rule of Three scores unless the parties mutually agree to a broader certification rule. All other covered classes shall continue to utilize existing certification rules. All certification rules may be modified by mutual agreement.

3.2.3 Selection by Appointing Authority. In accordance with Civil Service Rule 113, the Departments shall apply merit-based criteria in considering all qualified candidates for a position including procedures similar to those utilized for provisional hiring. Such procedures shall be developed, promulgated and distributed by the Department of Human Resources.

3.2.4 MTA. In accordance with Charter Section 8A.104, MTA's human resources director assumes the powers and duties of the City's Director of Human Resources, including those related to testing, certification and selection, for service critical classes at MTA.

3.2.5 Appeals. Nothing herein shall waive an employee's right to pursue available remedies before the Civil Service Commission in accordance with Civil Service Commission Rules. The Union agrees not to appeal to the Civil Service Commission the utilization of continuous lists or the application of the certification rules set forth in this Agreement. Neither hiring decisions nor any other provision of this Section shall be grievable under either the provisions of this Agreement or the parties' MOU.

3.3 Technical Engineers

3.3.1 The parties agree that employees in technical engineering classifications are necessary and critical to the successful completion of the CIP. The City and the Union conducted a utilization study of the technical engineering classifications and have agreed to implement some of the recommendations.

ARTICLE IV – CONTRACTING

4.1 Principles

4.1.1 The parties commit to delivering the CIP and related projects with the highest quality and on-time and on-budget.

4.1.2 The parties commit to use in-house staff to perform engineering, planning, architectural, construction management, program management and project management work where feasible and practicable given the needs and schedule of the CIP and related projects.

4.1.3 The parties agree that contracting-out may be necessary in some circumstances and that disagreements over decisions to contract-out shall be fact-based and shall utilize the criteria set forth herein.

APPENDIX C

- 4.1.4 The parties acknowledge that the process set forth herein is intended as a pilot designed to improve communication and decision making with regard to contracting issues at PUC and DPW.
- 4.1.5 The parties acknowledge that this is a pilot process limited to contracting decisions at PUC and DPW, but mutually desire that successful outcomes will motivate other City departments to utilize this pilot process or related processes for contracting decisions.
- 4.2 Standards for Contracting-Out. The parties recognize that under Civil Service Commission guidelines contracting-out work may be necessary for the following reasons:
 - 4.2.1 Specialized Expertise. The City may contract-out specialized services for which City staff do not possess the necessary specialized skills or experience.
 - 4.2.2 Peak Workloads. The City may contract-out to address temporary peak workloads. Temporary peak workloads are situations where City staff are capable of providing needed services, but sufficient staff are not available to meet project deadlines and the work is not forecasted to be sufficient to sustain the hiring of additional, qualified permanent employees without risk of layoff or displacement.
 - 4.2.3 Emergencies and/or Unanticipated Events or Delays. The City may contract-out work necessary to address emergencies, unanticipated events or delays.
- 4.3 Process for Contracting-Out. The City commits to engage in the following process with the Union before issuing an RFP/RFQ for outside engineering, planning, architectural, construction management, program management and project management or related services:
 - 4.3.1 Specialized Expertise. Before determining the RFP/RFQ is necessary because the City lacks specialized expertise to handle specialized work or projects the PUC and DPW will:
 - a. Poll other City departments to see if such specialized expertise exists;
 - b. Engage in forecasting with other City departments to assess whether an in-house position with the specialized expertise can be supported;
 - c. Post the need for specialized skills on email or other systems to enable in-house employees to apply for specialized positions;
 - d. Determine the extent to which on-going training by City-staff and existing contractors to employees seeking new skills or job opportunities can mitigate the need to rely upon additional contractors for such specialized expertise;

APPENDIX C

- e. To the extent applicable, use information contained in the PUC-developed Skills Bank to determine staff availability and training needs.
- 4.3.2 **Peak Workload.** Before determining the RFP/RFQ is necessary to address a peak workload, the PUC and DPW will engage in forecasting with other City departments to determine whether the City can sustain the hiring of additional permanent employees without risk of layoff or displacement.
- 4.3.3 **Emergencies, Unanticipated Events or Delays.** Before determining the RFP/RFQ is necessary to address emergencies, unanticipated events or delays, the PUC and DPW will articulate to the union, in writing, the nature of the emergency or unanticipated delay and explain how the RFP/RFQ is designed to cure that emergency or unanticipated delay. For emergencies that imminently threaten health and safety, the procedures set forth in this Article shall be followed at the earliest practicable time after imminent health and safety concerns have been addressed.
- 4.3.4 The PUC and DPW will endeavor to regularly present its contracting needs to the JUCC Staffing and Contracting Subcommittee with as much advance notice as practicable. At a minimum, the PUC and DPW will notify the Subcommittee, by providing a draft RFP/RFQ, at least 11 working days prior to publicly advertising or requesting Civil Service Commission approval (whichever is earlier) for an RFP/RFQ for engineering, planning, architectural, project management, program management, construction management or related services, unless such minimum period is waived by Local 21. In the notice, the PUC and DPW will identify the need for such contracting consistent with the criteria in Sections 4.2 and 4.3. The Subcommittee will meet to discuss the rationale for contracting-out within five working days of notice being provided. The Subcommittee may recommend modifications or alternatives to such contracting, provided that such recommendations or alternatives be forwarded to the Assistant General Manager for Infrastructure at PUC or the Deputy Director of Engineering at DPW within 11 working days of notice, except by mutual agreement.

APPENDIX D: MTA PERFORMANCE INCENTIVE PROGRAM

June 20, 2001
(Revised February 21, 2003)

A Performance Incentive Program is established for “service-critical” employees at the Municipal Transportation Agency (MTA) in each of the following Occupational Groups:

- **Maintenance Group**
- **Operations Group**
- **Administration Group**

Service Standards are developed for each Occupational Group, and Performance Goals are established for each Service Standard. Service-critical employees responsible for achievement of Performance Goals are identified for each goal.

SERVICE STANDARDS

The following Service Standards are established for each Occupational Group:

MAINTENANCE GROUP:

1. Percentage of vehicles that run on time according to published schedules.
2. Increase vehicle miles between road calls by mode.
3. Total number days of unscheduled absences.
4. Total number of lost days due to industrial injury/illness.

OPERATIONS GROUP:

1. Percentage of vehicles that run on time according to published schedules.
2. Percentage of scheduled hours delivered.
3. Total number days of unscheduled absences.
4. Total number of lost days due to industrial injury/illness

ADMINISTRATION GROUP:

1. Percentage of vehicles that run on time according to published schedules.
2. Total number days of unscheduled absences.

HOW PROGRESS IS MEASURED

Performance Goals will be developed each fiscal year for the above listed Service Standards. For each Performance Goal, a Mode and/or Division Goal may be established. Progress toward achievement of these Performance Goals will be tracked and measured each fiscal year. A “Qualifying Fiscal Year” is defined as follows:

July 1, 2003 – June 30, 2004

July 1, 2004 – June 30, 2005

When Performance Goals are achieved, Incentive Bonuses will be paid to eligible employees in each Occupational Group at the end of a fiscal quarter during which goal(s) were achieved. A “Qualifying Fiscal Quarter” is defined as follows:

1. July 1, - September 30
2. October 1, - December 31
3. January 1, - March 31
4. April 1, - June 30

INCENTIVE BONUSES

Incentive Bonuses will be paid quarterly based on Occupational Group achievement of one or more of the Performance Goals established for each Service Standard. Separate bonuses will be paid based on achievement of overall Occupational Group Goals and/or Mode or Division Goals.

Incentive Bonuses will be paid to each eligible “service-critical” employee of an Occupational Group following a Qualifying Calendar Quarter during which a group goal(s) were achieved. Bonuses will be paid no later than sixty (60) calendar days following the end of a Qualifying Calendar Quarter during which group goals were achieved. Incentive Bonuses will be itemized and paid by check to each eligible group member, after deducting applicable federal and state taxes.

Incentive Bonuses shall not be considered as part of an employee’s compensation for the purpose of computing retirement benefits.

Incentive Bonuses will be paid to eligible “service-critical” employees based on the achievement of Occupational Group and/or Mode/Division Goals as follows:

OVERALL GROUP GOALS

Number of Goals Achieved	Quarterly Bonus
Four (4) Group Goals achieved	\$150.00
Three (3) Group Goals achieved	90.00
Two (2) Group Goals achieved	60.00
One (1) Group Goal achieved	30.00

MODE/DIVISION GOALS

Number of Goals Achieved	Quarterly Bonus
Four (4) Mode/Division Goals achieved	\$225.00
Three (3) Mode/Division Goals achieved	150.00
Two (2) Mode/Division Goals achieved	90.00
One (1) Mode/Division Goals achieved	60.00

ELIGIBLE EMPLOYEE CRITERIA

To be eligible to receive payment of an Incentive Bonus, an employee must have actually worked a minimum of 400 hours in each Qualifying Fiscal Quarter, and not have sustained discipline of a suspension or higher. Authorized absences including vacation, legal holidays, and floating holidays shall be considered as “time worked” when computing actual hours worked.

GOAL MONITORING AND MEASUREMENT

Performance Goals will be monitored, measured, and reported in the San Francisco Municipal Railway “Services Standards” Quarterly Report.

SENIOR MANAGEMENT AND SENIOR ADMINISTRATIVE CLASSIFICATIONS

When more than one goal is achieved, the amount of Incentive Bonuses for “service-critical” senior level management and senior administrative classifications with multi-divisional or multi-mode responsibility will be determined by the General Manager in his/her sole discretion. Classifications so affected are identified for each goal.

**MTA
ATTENDANCE INCENTIVE PROGRAM
(Non Transit Operator personnel)**

March 16, 2001
(Revised February 21, 2003)

The following Attendance Incentive Program is established for non Transit Operator, “service-critical” employees at the Municipal Transportation Agency (MTA).

This MTA Attendance Incentive Program is available to “service-critical” personnel in Groups A and B as indicated on Exhibits A and B, and is offered separate and apart from any Wellness or Sick Leave “cash out” program the City may offer. The benefits of this program are not vested, and are only available to employees while in active employment status at the MTA. MTA employees who take employment in other City departments lose the benefits of this program upon the effective date of such non-MTA employment.

ANNUAL SICK LEAVE “CASH OUT”/TIME OFF OPTIONS

If at the end of a “Qualifying Calendar Period” a full-time “service-critical” employee has not used more than a total of forty (40) hours (part-time “service-critical” employees twenty (20) hours) of sick leave, with or without pay, and or Disability Leave, and in addition has not been absent from work due to either Absence Without Leave (AWOL), leave without pay, or disciplinary suspension, may convert sick leave hours to “cash” or “time off” based on their accrued sick leave balance as shown below.

FULL-TIME QUALIFYING BALANCE	GROUP A “CASH OUT”	GROUP B TIME OFF
240 hours or more sick leave balance	40 hours	3 days
PART-TIME QUALIFYING BALANCE	GROUP A “CASH OUT”	GROUP B TIME OFF
120 hours or more sick leave balance	20 hours	2 days

Attendance Incentive Bonuses shall be paid to each qualifying employee no later than one (1) calendar month following the end of the Qualifying Calendar Period.

Employees in the groups eligible for the “time off” option shall be allowed to take their days off within ten (10) calendar months following the end of the Qualifying Calendar Period. The days off may be taken in single day increments or all at one time, subject to department/section scheduling.

NOTE: All sick leave hours “cashed out” or “taken off” shall be deducted from an employee’s total sick leave balance, however sick leave hours “cashed out” or “taken off” shall not count towards the forty (40) hours of sick leave used during the “Qualifying Calendar Period” above.

QUALIFYING CALENDAR PERIOD

For purposes of this Attendance Incentive Program a “Qualifying Calendar Period” is defined as follows:

July 1, 2003 – June 30, 2004

July 1, 2004 – June 30, 2005

Sick leave hours “cashed out” shall be paid based on the employee’s “base hourly rate,” exclusive of any other premiums. The aforementioned incentive “cash out” premium shall not be considered as part of an employee’s compensation for the purpose of computing retirement benefits.

**APPENDIX E: CIVIL SERVICE RULES & GLOSSARY, LEAVES OF ABSENCE
PROVISION**

CIVIL SERVICE RULES

The parties have identified certain matters set forth in the current Civil Service Rules which are subject to negotiation pursuant to Charter Section 8.409-1 et. seq. Those portions of the current rules so identified are set forth in full as part of Appendix E. The parties further agree that during the term of this agreement disputes regarding only those portions of the rules set forth in full as part of Appendix E herein shall be subject to the grievance procedure.

Civil Service Rules in their entirety are available for inspection at the offices of the Civil Service Commission, 25 Van Ness Avenue, 8th Floor, San Francisco, CA and the Union office, 1182 Market Street, Room 425, San Francisco, CA.

TRANSFERS

- C. Appointees accepting a new appointment by transfer shall give a minimum period of notice prior to separation from their current department of fifteen (15) working days unless the current department approves a shorter period of notice.

TRANSFER FROM POSITION NOT FULL-TIME

A permanent appointment to a part-time position or a position not full-time on an annual basis for one (1) year, may request transfer to a regular full-time position.

TRANSFER OF DISABLED

- F. Probationary Period following Disability Transfer

A disability transferee shall serve a probationary period of six (6) months of service.

TRANSFERS OCCASIONED BY REDUCTION OF FORCE DUE TO TECHNOLOGICAL ADVANCES, AUTOMATION, OR THE INSTALLATION OF NEW EQUIPMENT

- A. Permanent civil service employees who have completed their probationary period and who are subject to layoff because of technological advances, automation, the installation of new equipment, or the transfer of functions to another jurisdiction may submit a request to the Human Resources Director for transfer to a position within their capacities to perform, whether or not within the classification for which they qualified for appointment. Such request for transfer shall be subject to the following:
 - B. The position to which transfer is requested shall not be to a classification having a higher compensation schedule than the one from which transfer is requested. Computation shall thereafter be calculated in accordance with the provisions of this Agreement.
 - E. Seniority shall be calculated from the date of certification in the classification from which transferred.
 - G. In the event that more than one approved transfer to the same classification is on file in the Human Resources Department, preference shall be given to the employee who has the longest service under civil service permanent appointment in the classification from which layoff is to be made.

**TRANSFERS OCCASIONED BY THE TRANSFER OF FUNCTIONS
FROM ONE DEPARTMENT TO ANOTHER**

When part of the functions and duties of any department are transferred to another department, employees shall retain in their new department the same salary and seniority as they had in the department from which transferred.

LIMITED TERM TRANSFER

B. The purpose of a limited term transfer is to more efficiently utilize and exchange manpower resources among the departments of the City and County, to allow employees exposure and training in other department, and to provide a mechanism for reducing staffing levels during slow periods or periods of fiscal emergency and to temporarily increase staffing during peak periods.

C. Types of Limited Term Transfers

1. Voluntary:

A limited term transfer may be initiated on the written request of an employee on the form prescribed by the Human Resources Director.

2. Mandatory:

A permanent or probationary employee may be transferred by the employee's appointing officer for a specified period up to an maximum of six (6) months in any calendar year to a position in the same class under another appointing officer.

Such transfers shall be made by class in reverse order of seniority in the class in the department after all permanent and probationary employees in the class have been canvassed and all more senior employees have been notified and have waived the right to request a voluntary limited term transfer. The employee shall receive at least five (5) working days written notice in advance of the effective date of the transfer and shall be given an opportunity, if requested, to meet and confer with the appointing officer or designated representative.

D. Expiration and Extension

1. Limited term transfers will remain in force for the period specified unless abridgment is approved by both appointing officers.
2. Limited term transfers approved for a period of less than six (6) months may be extended for additional periods of time up to a maximum of six (6) calendar months.
3. Upon expiration of the period of the transfer, the transferee shall be automatically reinstated to a permanent position in the class and department from which transferred.

APPENDIX E

F. Disciplinary Action

A limited term transferee is an appointee in the department to which transferred during the period of the transfer for the purpose of disciplinary action.

G. Temporary Positions
