**CITY AND COUNTY OF SAN FRANCISCO
DEPARTMENT OF HUMAN RESOURCES**

**Title: Pool Lifeguard
Job Code: 3208**

INTRODUCTION

Under general direction, protects the health, safety and welfare of patrons at a municipally operated swimming pool facility. Responsibilities include maintaining discipline in and around the swimming pool; conducting rescue operations; making continuous contact with swimmers and the general public; cleaning and disinfecting the pool, decks, showers, locker rooms and aquatic equipment; and performing related duties as required.

DISTINGUISHING FEATURES

The 3208 Pool Lifeguard ensures safety of swimmers during all public swimming events and activities as well as for maintaining the facility for safety and cleanliness. This class is distinguished from the 3209 Swimming Instructor in that the latter is responsible for instructing, supervising, testing and the safety of all student swimmers during swimming instruction classes.

SUPERVISION EXERCISED:

Direct supervision is provided by the 3215 Aquatics Facility Supervisor and functional supervision may be provided by the 3213 Aquatics Facility Assistant Supervisor.

This class does not supervise.

MAJOR, IMPORTANT, AND ESSENTIAL DUTIES

According to Civil Service Commission Rule 109, the duties specified below are representative of the range of duties assigned to this job code/class and are not intended to be an inclusive list.

1. Patrol and monitor pool activities, facility patrons and swimmers to prevent accidents, identify people in distress or those in danger.
2. Conduct rescue operations; perform lifesaving techniques; assist swimmers in distress and rescue swimmers in danger; pull drowning victims out of the water; call for emergency assistance; perform first aid resuscitative measures when necessary.
3. Communicate with facility patrons; caution swimmers regarding unsafe practices and safety hazards; enforce pool rules and regulations; maintain order in and around the pool.
4. Maintain aquatic facility by inspecting and observing the pool area, lobby, change rooms and deck for safety and cleanliness; perform general pool facility maintenance duties including cleaning and disinfecting pool, lobby, change rooms and deck; may take and record water quality samples in the absence of a supervisor.
5. Prepare the facility for various aquatic events; handle and store equipment and materials when not in use.
6. Collect revenue and fees for facility use and participation in facility activities and events; greet and check in facility guests.
7. Provide customer service; share general information regarding facility operations, programs and schedules.
8. Prepare incident and accident reports as necessary.

**CITY AND COUNTY OF SAN FRANCISCO
DEPARTMENT OF HUMAN RESOURCES**

**Title: Pool Lifeguard
Job Code: 3208**

IMPORTANT AND ESSENTIAL KNOWLEDGES, SKILLS, AND ABILITIES

Knowledge of:

Procedures and techniques of lifeguarding

Title: Swimming Instructor
Job Code: 3209

INTRODUCTION

Under general direction, plans, coordinates and teaches learn-to-swim and water safety courses. Responsibilities include supervising and evaluating swim lesson participants; coaching swim teams' aquatic sporting activities; protecting the health and safety of participants in each class; assisting with maintaining the pool and surrounding facility area; and performing related duties as required.

DISTINGUISHING FEATURES

The 3209 Swimming Instructor instructs, supervises and ensures the safety all student swimmers during swimming instruction classes. This class is distinguished from the 3208 Pool Lifeguard in that the latter is responsible for ensuring the safety of swimmers during public swimming events and activities as well as for maintaining the facility for safety and cleanliness.

SUPERVISION EXERCISED:

Direct supervision is provided by the 3215 Aquatics Facility Supervisor and functional supervision may be provided by the 3213 Aquatics Facility Assistant Supervisor.

This class does not supervise.

MAJOR, IMPORTANT, AND ESSENTIAL DUTIES

According to Civil Service Commission Rule 109, the duties specified below are representative of the range of duties assigned to this job code/class and are not intended to be an inclusive list.

1. Plan and conduct swimming instruction; administer instruction equity among students; instruct individuals and groups of students of all ages and swimming levels from beginners to skilled swimmers wanting to improve their skills; evaluate swimmers.
2. Communicate regularly with program participants and their parents, as appropriate, to ensure they are aware of progress.
3. Coach swimming teams or other aquatic/sporting activities.
4. Caution swimmers regarding unsafe practices and safety hazards; enforce pool rules and regulations; maintain order in and around the pool; maintain control of swim students during lessons.
5. Prepare facility, pool, teaching aids and equipment for use during swim instruction; handle and store equipment and materials when not in use.
6. Conduct rescue operations; perform lifesaving techniques; assist swimmers in distress and rescue swimmers in danger; pull drowning victims out of the water; call for emergency assistance; perform first aid resuscitative measures when necessary.
7. Assist with aquatic facility maintenance when necessary, by inspecting, observing and participating in the safety and cleanliness of the pool area, lobby, change rooms and deck.
8. Collect revenue and fees for facility use and participation in facility activities and events; greet and check in facility guests.
9. Provide customer service; share general information regarding facility operations, programs and schedules.

**CITY AND COUNTY OF SAN FRANCISCO
DEPARTMENT OF HUMAN RESOURCES**

**Title: Aquatics Facility Assistant Supervisor
Job Code: 3213**

INTRODUCTION

Under direction, assists with supervision of the operations of an assigned swimming pool. Responsibilities include the supervision, staffing, scheduling, facilitation and registration of aquatics-related programs including water safety, swim lessons, and special events and activities; assisting with facility administration and maintenance oversight; performs related duties as required.

DISTINGUISHING FEATURES

The 3213 Aquatics Facility Assistant Supervisor assists with supervision of programs and staff in the absence of the 3215 Aquatics Facility Supervisor. This class is distinguished from the 3215 Aquatics Facility Supervisor in that the latter has full responsibility for the aquatics program at the assigned pool facility. This class is further distinguished from the 3286 Recreation Coordinator in that the latter oversees coordination of programs among the different pool facilities.

SUPERVISION EXERCISED:

General supervision is provided by the 3215 Aquatics Facility Supervisor.

Assists with supervision of the 3210 Swimming Instructor/Pool Lifeguard, 3209 Swimming Instructor, 3208 Lifeguard and temporary 9910 Recreation Workers.

MAJOR, IMPORTANT, AND ESSENTIAL DUTIES

According to Civil Service Commission Rule 109, the duties specified below are representative of the range of duties assigned to this job code/class and are not intended to be an inclusive list.

1. Prioritize, assign, review and participate in the work of aquatic staff responsible for providing pool safety and recreational services; participate in staff skill assessments, provide and/or coordinate training; assist with supervision of staff.
2. Schedule use of pool facility for activities including public swims, swimming lessons and other activities; oversee and conduct participant program registration; may organize, lead and coach swimming teams or other aquatic and sporting groups.
3. Oversee and assist with the collection of revenues, fees and processing of related documents; maintain inventory of supplies and equipment.
4. Recommend and implement aquatic programs and related policies.
5. Assist with marketing of programs and promoting community partnerships; prepare, update and distribute a variety of brochures, calendars, posters, news releases, flyers, meeting agendas, public presentations and related communications regarding aquatics programs; respond to public inquiries and complaints.
6. Prepare various reports and documentation on operations and activities including those related to accidents, incidents, revenue and control; maintain records.
7. Perform swim instruction and water safety when necessary by teaching swim lessons, enforcing rules, making rescues and rendering First Aid and/or cardiopulmonary resuscitation (CPR).
8. Coordinate and participate in the maintenance of aquatic facility; monitor pool water chemistry, take water quality samples; inspect and observe facility to assist with enforcing

maintenance of safety standards, sanitary conditions and orderly conduct including ensuring that chemicals, equipment and materials are properly handled and/or safely stored and that the surrounding pool area, lobby, change rooms and deck are cleaned regularly and adequately; complete work orders for repairs; coordinate with custodial, engineering or other maintenance staff as necessary.

IMPORTANT AND ESSENTIAL KNOWLEDGES, SKILLS, AND ABILITIES

Proficient knowledge of:

Procedures, methods and techniques of lifeguarding and swimming instruction

Emergency procedures

Practices and techniques of CPR, automated external defibrillator (AED), First Aid and Oxygen Administration

Working knowledge of:

Best practices in operations, services and activities of a comprehensive aquatics program

Equipment, facilities, and techniques used in a comprehensive aquatics program

Principles and techniques of training, team leadership and management

Principles and practices of program implementation

Water chemistry, water testing

Marketing and promotion of swimming pool events

Skills to operate:

Small hand tools for minor pool maintenance Safety and rescue equipment including AED, rescue tube, pocket mask, oxygen, first aid kit

Point of sale machine

Pool testing equipment, ozonator

Basic office equipment including computer, peripherals, telephone

Chair lift operation

Pool vacuum, timing system

Janitorial equipment including brooms, mops, squeegees, hoses, and plungers

Ability to:

Effectively teach swimming lessons and enforce safety and health regulations relating to an aquatics program

Think clearly and act quickly and decisively in emergency situations while remaining calm

Train and review the work of staff

Interpret and explain City swimming pool policies and procedures

Communicate clearly and concisely, both orally and in writing with varying age groups

**CITY AND COUNTY OF SAN FRANCISCO
DEPARTMENT OF HUMAN RESOURCES**

**Title: Aquatics Facility Assistant Supervisor
Job Code: 3213**

Prepare clear and concise reports

Use word processing, spreadsheet, database and/or desktop publishing software

Make decisions and use independent judgment

Establish, maintain and foster positive, harmonious and effective working relationships with those contacted in the course of work including City Officials, employees, supervisors, participants, instructors, and the general public

Be respectful, consistent, fair and possess cultural awareness and sensitivity

Multitask and be flexible in approaching solutions

Be self-directed, show initiative and demonstrate a dedication to the position and the community

MINIMUM QUALIFICATIONS

These minimum qualifications are to be used as a guide for establishing the education, training, experience, special skills and/or license(s) which are required for employment in the classification. Please note, additional qualifications (i.e., special conditions) may apply to a particular position and will be stated on the exam/job announcement.

Training:

Requires an associate degree from an accredited college or university preferably in recreation, physical education or a related field.

Additional qualifying experience as described may be substituted for the required degree on a year-for-year basis. Thirty (30) semester units or forty-five (45) quarter units equal one (1) year.

Experience:

Two (2) years of full-time experience as a swimming instructor and lifeguard including a minimum of one (1) year as a lifeguard and six (6) months as a swimming instructor.

LICENSE AND CERTIFICATION

Requires current possession and maintenance of the following certifications, or the equivalent of:

1. Lifeguarding issued by the American Red Cross or equivalent certified issuing agency
2. CPR/AED for the Professional Rescuer issued by the American Red Cross or equivalent certified issuing agency
3. Oxygen Administration for the Professional Rescuer issued by the American Red Cross or equivalent certified issuing agency
4. Title 22 – First Aid for Public Safety Personnel issued by the American Red Cross or equivalent certified issuing agency
5. Water Safety Instructor issued by the American Red Cross or equivalent certified issuing agency or Fitness Professional issued by the Aquatic Exercise Association or equivalent certified issuing agency
6. Aquatic Technician, Aquatic Facility Operator or Certified Pool Operator issued by National Recreation and Park Association or the National Swimming Pool Foundation (appointees have six (6) months from the date of hire to obtain this certificate requirement if not
