PROPOSED PERSONAL SERVICES CONTRACTS - Regular

PSC No	Dept No.	Dept Name	Approval Type	Contract Amount	Description of Work	Duration
4053-13/14	68	Municipal Transportation Agency	Regular	\$24,700,000	The consultant will provide proprietary software and hardware for the Advanced Train Control System (ATCS) to automatically control the movements of the trains within Central Subway. This system is similar to the existing ATCS currently used in the Muni Metro Subway. The consultant will configure, program, upgrade, and expand the system so that the new train control systems computerize the automatic movement of the trains within the Central Subway to work with the existing Muni Metro system. The contract duration is a result of working within the scope of service of the larger construction contract. The development portion of the work is within the first two years with the implementation and testing phase to be done in the last 18 months prior to start of revenue services.	11/18/2013 - 2/31/2018

Total Amount - Regular: \$24,700,000
