Subject: Personal Services Contracts Approval Request

This report contains ten (10) personal services contracts (PSCs) in accordance with the revised Civil Service Commission (CSC) procedures for processing PSCs that became effective on October 25, 2013.

The services proposed by these contracts have been reviewed by Department of Human Resources (DHR) staff to evaluate whether the requesting departments have complied with City policy and procedures regarding PSCs. The proposed PSCs have been posted on the DHR website for seven (7) calendar days. CSC procedures for processing PSCs require that any appeal of these contracts be filed in the office of the CSC, Executive Officer during the posting period.

No timely appeals have been filed regarding the PSCs contained in this report. These proposed PSCs are being submitted to the CSC for ratification/approval.

DHR has prepared the following cost summary for personal services contracts that have been processed through the Department of Human Resources to date:

PERSONAL SERVICES CONTRACT SUMMARY ("PSC FORM 1")

Department: MUNICIPAL TRANSPORTATION AGENCY -- MTA  Dept. Code: MTA

Type of Request: ☐ Initial  ☐ Modification of an existing PSC (PSC # ____________)

Type of Approval:  ☐ Expedited  ☒ Regular  (☐ Omit Posting)

Type of Service: Transit Economic Benefits Study

Funding Source: Operating Budget  PSC Duration: 37 weeks 5 days
PSC Amount: $300,000  PSC Est. Start Date: 07/10/2014  PSC Est. End Date: 03/31/2015

1. Description of Work

A. Scope of Work:
The San Francisco Municipal Transportation Agency (SFMTA) wishes to study the economic benefits of investment in the City's transportation system. In order to determine the economic benefits of investment in the City's transportation system, the consultant will use prior studies conducted by other transit agencies (such as BART and SEPTA) as a starting point and, working with the SFMTA and the City Controller's office, will create metrics for identifying and then studying these economic impacts in San Francisco. Investment in transit may impact service reliability, traffic congestion, costs for transportation other than transit (for example, increased highway maintenance), business operating costs and productivity, and regional growth. The consultant will document conclusions in a final report.

B. Explain why this service is necessary and the consequence of denial:
This service is necessary for the SFMTA to obtain an independent economic analysis of the City's transportation system. This is important for future planning efforts for the benefit of the community and to help the SFMTA to value the impact of investments in transportation. This analysis is best performed by an independent evaluator who is expert in this area in order to provide an unbiased perspective and analysis. Denial of this contract would make it extremely difficult to perform this analysis and objectively evaluate the effectiveness of City expenditures for the transportation system.

C. Has this service been provided in the past. If so, how? If the service was provided via a PSC, provide the most recently approved PSC # and upload a copy of the PSC.
This service has not been previously provided.

D. Will the contract(s) be renewed? No.

2. Union Notification: On 05/12/2014, the Department notified the following employee organizations of this PSC/RFP request: Professional & Tech Engrs, Local 21,

3. Description of Required Skills/Expertise
   A. Specify required skills and/or expertise:
      Demonstrated expertise and specialized knowledge in quantitative analysis and economic analysis. Successful completion of similar projects requiring critical thinking, analytical skills, comparative analysis, and report writing. The consultant will be chosen from the list of pre-qualified firms offering economic and fiscal consulting services created by the City Controller's office in September 2012.
   B. Which, if any, civil service class(es) normally perform(s) this work?
      1824,
   C. Will contractor provide facilities and/or equipment not currently possessed by the City? If yes, explain:
      No.

4. Why Classified Civil Service Cannot Perform
   A. Explain why civil service classes are not applicable:
      Civil Service classifications cannot perform the scope of services that relies on the contractor's expertise in economic analysis, as well as other specialized skills. Further, this service is best performed by an independent evaluator who is expert in this area in order to provide an unbiased perspective and analysis.
   B. Would it be practical to adopt a new civil service class to perform this work? Explain.
      No. Classifications already exist.

5. Additional Information (if "yes", attach explanation)
   A. Will the contractor directly supervise City and County employee?
      □  YES  □  NO
   B. Will the contractor train City and County employee?
      □  YES  □  NO
   C. Are there legal mandates requiring the use of contractual services?

PERSONAL SERVICES CONTRACT SUMMARY ("PSC FORM 1")

Department: PUBLIC UTILITIES COMMISSION -- PUC
Dept. Code: PUC

Type of Request:  ☑ Initial  □ Modification of an existing PSC (PSC # ________)

Type of Approval:  □ Expedited  ☑ Regular  (□ Omit Posting)

Type of Service: As-Needed Engineering Services for the Pilarcitos Dam and Reservoir Improvements (CS-396)

Funding Source: SFPUC Water Revenue Funds  PSC Duration: 7 years 2 days
PSC Amount: $3,000,000  PSC Est. Start Date: 11/01/2014  PSC Est. End Date: 11/01/2021

1. Description of Work
A. Scope of Work:
Provide specialized project expertise for the Pilarcitos Dam and Reservoir Improvements project to assist in the areas of: dam upgrades, geotechnical investigation and engineering, structural and seismic engineering, hydraulic and hydrologic engineering, engineering planning, engineering design and engineering support during construction.

B. Explain why this service is necessary and the consequence of denial:
The San Francisco Public Utilities Commission (SFPUC) is seeking the services of an engineering consulting firm that has dam upgrade experience. The SFPUC needs these services to augment existing City staff. If the contract is denied, critical safety improvements to Pilarcitos Dam may be delayed causing increased risk that the dam will be out of regulatory compliance, suffer failure, disrupt water supplies, or flood downstream communities.

C. Has this service been provided in the past? If so, how? If the service was provided via a PSC, provide the most recently approved PSC # and upload a copy of the PSC.
As needed engineering service contracts were used for previous dam projects to augment SFPUC staff. For the Calaveras Dam Replacement Project for planning and design services, the personal services approval number was PSC # 4096-02/03 (CS-716).

D. Will the contract(s) be renewed? No.

2. Union Notification: On 06/23/2014, the Department notified the following employee organizations of this PSC/RFP request:
   Professional & Tech Engrs, Local 21, Prof & Tech Eng, Local 21, Architect & Engineers, Local 21.

July 2013
City and County of San Francisco

3. **Description of Required Skills/Expertise**
   A. Specify required skills and/or expertise:
      Skills necessary to assist SFPUC staff with a dam capital improvement project: geotechnical investigation and engineering, hydraulic engineering, hydrologic engineering, structural/seismic engineering, scheduling and estimating support.

   B. Which, if any, civil service class(es) normally perform(s) this work?
      5241, 5211, 5218, 5212.

   C. Will contractor provide facilities and/or equipment not currently possessed by the City? If yes, explain:
      No.

4. **Why Classified Civil Service Cannot Perform**
   A. Explain why civil service classes are not applicable:
      Civil Service Classifications are applicable. However, the City does not routinely upgrade dams for the drinking water system. This work happens about every 50 years.

   B. Would it be practical to adopt a new civil service class to perform this work? Explain.
      No. This project will only require resources to provide support during this project and after this project concludes, this staff will no longer be needed.

5. **Additional Information (if “yes”, attach explanation)**
   YES   NO
   A. Will the contractor directly supervise City and County employee?
     □   ☑

   B. Will the contractor train City and County employee?
      □   □
      30 hours of technical training for five (5) engineers

   C. Are there legal mandates requiring the use of contractual services?
     □   □

   D. Are there federal or state grant requirements regarding the use of contractual services?
     □   □

   E. Has a board or commission determined that contracting is the most effective way to provide this service?
     □   □

   F. Will the proposed work be completed by a contractor that has a current PSC contract with your department?

PSC No. 47609-13/14 Question

If the request is for 5 years or more, please provide upload explanation:

Pilarcitos Reservoir is located in an environmentally sensitive region on the San Francisco Peninsula with several threatened species, historical structures, and potential archeological sites. Therefore, the California Environmental Quality Act review will probably take about three years. The planning phase will take at least a year, the design phase will take at least a year, the bid & award phase will take about six months, and the construction phase will take at least eighteen months. In order for the consultant to provide services during the planning, design, environmental, bid & award, and construction phases; the consultant will need to be retained for 7 years.

1. DESCRIPTION OF WORK
   A. Concise description of proposed work:
   Provide additional design, environmental and permitting services needed prior to construction of the Calaveras Dam Replacement Project (CDRP) to develop a comprehensive compliance plan for the occurrence of naturally occurring asbestos (NOA) at the project site, address the future restoration of steelhead in Alameda Creek into the project, provide designs to mitigate impacts associated with the CDRP, provide supplemental dam safety engineering analyses requested by the California Division of Safety of Dams (DSOD), and ongoing permitting support; and to provide engineering support during construction, start-up, and commissioning of the project.

   B. Explain why this service is necessary and the consequences of denial:
   In 2001, the DSOD determined Calaveras Dam to be seismically unsafe. Calaveras Dam is a critical component of the SFPUC water system, providing 40% of the system’s local water storage. Since 2001, Calaveras Reservoir has been operated at a level of 30% of its capacity, significantly impairing local water storage, system reliability, water quality, and fish habitat. If professional engineering services are denied, the project cannot move forward because the SFPUC does not have the in-house expertise or experience in dam design, NOA compliance, and the required engineering support services needed during construction, start-up, and commissioning of a new dam.

   C. Explain how this service has been provided in the past (if this service was previously approved by the Civil Service Commission, indicate most recent personal services contract approval number):
   These services were provided in the past under PSC # 4098-02/03.

   D. Will the contract(s) be renewed: No.

STAFF ANALYSIS/RECOMMENDATION:

CIVIL SERVICE COMMISSION ACTION:

PAUSON

PSC FORM 1 (9/96)
City and County of San Francisco

3. DESCRIPTION OF REQUIRED SKILLS/EXPERTISE
   A. Specify required skills and/or expertise:
      Specialty experience and expertise in the field of dam engineering, design and construction: geotechnical, earthquake, hydraulic and structural engineering. The following areas of expertise are also required: civil, mechanical, electrical engineering as they relate to dam and reservoir facilities; engineering geology, soil mechanics, rock mechanics, grouting, and foundation treatment; environmental issues related to dam construction; cost estimating and construction scheduling related to dams; specialty expertise in permitting related to steelhead and other endangered species; and specialty expertise and experience in construction compliance related to naturally occurring asbestos (NOA).
      B. Which, if any, civil service class normally performs this work?
      The following civil service classifications normally perform engineering work in the disciplines of civil, mechanical, electrical (Classifications: 5203, 5207, 5241, and 5211) and structural engineering (Classifications: 5281 and 5219).
      C. Will contractor provide facilities and/or equipment not currently possessed by the City? If yes, explain:
      Yes. A significant part of the work involves specialized computer modeling for geotechnical and earthquake engineering analysis, jar testing for portable treatment plant design, collection of air and water samples for NOA analysis, laboratory testing of air & water samples for NOA and metals (testing to be provided by specialty laboratories using methods and equipment that the SFPUC does not possess).

4. WHY CLASSIFIED CIVIL SERVICE CANNOT PERFORM
   A. Explain why civil service classes are not applicable:
      There are no specific civil service classifications in the fields of geotechnical engineering, earthquake engineering of embankments, engineering geology, dam design, spillway design, and development of compliance plans for naturally occurring asbestos (NOA). With respect to project tasks in the civil, mechanical, and electrical engineering disciplines, these tasks focus on dam, spillway, and intake tower design. SFPUC civil, mechanical, and electrical staff do not have experience with design issues related to replacement dam construction or associated facilities. The structural engineering tasks on this project focus on dam foundation design; SFPUC staff have no experience with dam foundation design.
      B. Would it be practical to adopt a new civil service class to perform this work? Explain.
      No. There are few projects of this type; the required expertise would not be utilized on a full-time, permanent basis.

5. ADDITIONAL INFORMATION (if "yes," attach explanation)
   A. Will the contractor directly supervise City and County employees?  
      Yes  No
      B. Will the contractor train City and County employees?
      Yes  No
      Training will be available to the engineering disciplines of civil, mechanical, electrical (Classifications 5203, 5207, 5241, 5211) and structural (Classifications 5281 and 5219). Each discipline would receive approximately 24 hours of training.
      C. Are there legal mandates requiring the use of contractual services?
      Yes  No
      D. Are there federal or state grant requirements regarding the use of contractual services?
      Yes  No
      E. Has a board or commission determined that contracting is the most effective way to provide this service?
      Yes, by resolution #’s: 02-0267 (2/18/02); 03-0117 (6/10/03); 09-0079 (5/12/09).
      F. Will the proposed work be completed by a contractor that has a current personal services contract with your department?
      Yes  No

1. Description of Work
   A. Scope of Work:
   The City and County of San Francisco (City) is operating on the PeopleSoft Human Capital Management System Version 9.0. The Controller’s Office is seeking to hire a vendor with a proven methodology to upgrade the City and County’s integrated Human Capital Management System (including Human Resources, Benefits Administration, Time & Labor, Absence Management and Payroll) from version 9.0 to 9.2.

   B. Explain why this service is necessary and the consequence of denial:
   The City’s PeopleSoft 9.0 Human Capital Management System was implemented in August 2012 and has not been upgraded. The system upgrade from version 9.0 to 9.2 is necessary to ensure that the City continues to have access to vendor support, when needed, on PeopleSoft Human Capital Management, a license software used City-wide for all human capital operations, including Payroll, Human Resources and Benefits Administration. (See Attachment for more information)

   C. Has this service been provided in the past. If so, how? If the service was provided via a PSC, provide the most recently approved PSC # and upload a copy of the PSC.
   This service has not been provided in the past.

   D. Will the contract(s) be renewed? No. See Attachment for more details.

3. Description of Required Skills/Expertise
   A. Specify required skills and/or expertise:
      Providing PeopleSoft 9.2 Upgrade installation and employee training/knowledge transfer requires expert
      functional and technical knowledge of the system, and extensive prior experience performing upgrades using a
      proven upgrade methodology.

   B. Which, if any, civil service class(es) normally perform(s) this work?
      1071, 1070, 1052, 1053, 1054, 1064, 1063, 1062, 1044,

   C. Will contractor provide facilities and/or equipment not currently possessed by the City? If yes, explain:
      Potentially, the vendor may provide a lab environment for the technical side of the upgrade.

4. Why Classified Civil Service Cannot Perform
   A. Explain why civil service classes are not applicable:
      This is a short-term, highly specialized service requiring expertise with the latest version of PeopleSoft (version
      9.2). Civil service classes will perform all future upgrades.

   B. Would it be practical to adopt a new civil service class to perform this work? Explain.
      No, the work is short-term and highly specialized in nature.

5. Additional Information (if “yes”, attach explanation)

   A. Will the contractor directly supervise City and County employee?
      □ YES  □ NO

   B. Will the contractor train City and County employee?
      41 City staff (See Attachment for additional info.)

Additional Attachment(s) of Explanation

1. DESCRIPTION OF WORK
   B. Explain why this service is necessary and the consequences of denial:

   The City's PeopleSoft 9.0 Human Capital Management System was implemented in August 2012 and has not been upgraded. The system upgrade from version 9.0 to 9.2 is necessary to ensure that the City continues to have access to vendor support, when needed, on PeopleSoft Human Capital Management, a license software used City-wide for all human capital operations, including Payroll, Human Resources and Benefits Administration. This system upgrade requires expertise in both the functional and technical aspects of the application, and the ability to apply this knowledge to the City's structure. Significant reduction of software problems and simplified software maintenance and support is also expected. Without this work, the City's current version 9.0 of the support will be laborious and time-consuming, and access to future enhancements will be greatly reduced. If at any point the human capital systems are not functioning properly, either from a functional or technical standpoint, the ability to process human capital transactions could be severely impacted. Further, PeopleSoft 9.0 will be unsupported by Oracle and shorten the useful life of the system, thus shortening the useful life of the system.

   D. Will the contract(s) be renewed:
   No. This contract is for the first upgrade only. The entire eMerge team will work with consultants from the vendor to assist with this major upgrade, and to acquire core upgrade methodologies. Future upgrades will be handled exclusively by in-house staff.

5. ADDITIONAL INFORMATION (if "yes," attach explanation) Yes No

   B. Will the contractor train City and County employees?

   • Describe the training and indicate approximate number of hours.
     Consultants will work side-by-side with 41 City staff to transfer core upgrade techniques and methodologies. Approximately 25% of consultant time will be spent training civil servants. Formal training and covering the core PeopleSoft 9.2 module will also be provided.

   • Indicate occupational type of City and County employees to receive training (i.e., clerks, civil engineers, etc.) and approximate number to be trained.
     One 0942 Manager VII, one 1042 Journey IS Engineer, three 1043 Senior IS Engineer, one 1052 IS Business Analyst, nine 1053 Senior IS Business Analysts, fifteen 1054 Principal Business Analysts, one 1063 Senior IS Programmer Analyst, six 1064 Principal Programmer Analyst, three 1070 IS Project Directors, and one 1071 IS Manager.

Type of Approval: ☐ Expedited ☑ Regular (☐ Omit Posting)

Type of Service: General Investigative Services and Special Investigation Unit Services

Funding Source: Workers' Compensation Claims Fund PSC Duration: 2 years
PSC Amount: $2,000,000 PSC Est. Start Date: 07/01/2014 PSC Est. End Date: 06/30/2016

1. Description of Work
   A. Scope of Work:
   The Contractor shall provide: investigations, witness interviews, surveillance, activity check investigations, background investigations (including Internet searches), timely preparation of written investigation reports, preparation and submission of Suspected Fraudulent Claim Referral Forms (FD-1) and/or Documented Referrals, and related administrative services.

   B. Explain why this service is necessary and the consequence of denial:
   The Department of Human Resources ("DHR") Workers’ Compensation Division requires both general investigation and specialized investigation unit services to effectively determine benefit eligibility and to prosecute Workers’ Compensation fraud. Denial of these services would result in increased costs and liability to the City and County of San Francisco caused by Workers’ Compensation fraud.

   C. Has this service been provided in the past. If so, how? If the service was provided via a PSC, provide the most recently approved PSC # and upload a copy of the PSC.
   A Request for Qualifications ("RFQ") has not been performed in the past.

   For General Investigation Services: Must possess a current California private investigation license, have at least ten (10) years of experience in providing workers' compensation general investigation services,...Please see attached document.

   B. Which, if any, civil service class(es) normally perform(s) this work? None.

   C. Will contractor provide facilities and/or equipment not currently possessed by the City? If yes, explain:
   Yes, the Contractor will have technology such as video streaming, wireless video-recording systems (including miniaturized equipment for surveillance), fully-equipped surveillance vehicles, camera and video technology to capture clear images both indoors and in the field, and other technology to view subjects remotely.

4. **Why Classified Civil Service Cannot Perform**
   A. Explain why civil service classes are not applicable:
   DHR identified a position that performs similar work, Class 2966 Welfare Fraud Investigator, but the class does not possess the specialized knowledge needed to perform the requested services. The Contractor will perform services such as background investigations, including internet searches, and surveillance. The City and County of San Francisco prefers a third party administrator to perform the services to: maintain impartiality, reduce liability, and minimize conflict of interest.

   B. Would it be practical to adopt a new civil service class to perform this work? Explain.
   No. If the City provided the service instead of a neutral third party, it could be difficult to assure all parties of the impartiality of the protocols and results.

Local 200 is dropping its protest to PSC 46191.

Joe Abad
president
Dear Mr. Abad,

Thank you for your patience while the Department of Human Resources ("DHR") researched the concerns you identified in the TWU Local 200 protest regarding PSC#46191-13/14 for general investigative services and special investigation unit services on April 27, 2014. TWU Local 200 alleged that 1) "DHR falsely noted that no City employee's do this work" and 2) "there are civil service classes that could perform the work."

In response, DHR identified a job class that would potentially perform similar work, but does not have the knowledge, skills, or abilities to perform the Workers' Compensation general investigative and special investigative unit services. These skills and abilities include: possess a current California private investigation license, have at least ten (10) years of experience in providing Workers' Compensation general investigation services, knowledge to prepare reports summarizing Arising Out of Employment/Course of Employment investigations and witness interviews, expertise to complete surveillance, three years of sworn law enforcement experience, knowledge to prepare written investigation reports and other documents needed to pursue a criminal prosecution, and successful experience collaborating with government agencies and District Attorneys to generate effective results and criminal convictions.

In section 3B of the PSC form, "Which, if any, civil service class(es) normally perform(s) this work?" DHR answered "None." DHR answered, "None" because the PSC online system currently does not allow departments to enter an unrepresented job class in the field. In section 4A, "Explain why civil service classes are not applicable," DHR stated, "DHR identified a position that performs similar work, Class 2966 Welfare Fraud Investigator, but the class does not possess the specialized knowledge needed to perform the requested services." Class 2966 is a job code not represented by an employee organization and is covered under the unrepresented employees ordinance. When an unrepresented job class is identified, the PSC online system sends an email notification to all unions, such as TWU Local 200.

TWU Local 200 presented two job classes that perform investigative services, 8121 and 9155.

Class 8121
Class 8121, Transit Fare Inspector Supervisor/Investigator is a San Francisco Municipal Transportation Agency (MTA) exclusive classification. The position is responsible for transit fare enforcement, inspections, citations and related activities under the MTA proof of payment program. Class 8121 focuses specifically on transit fare enforcement, is exclusive to MTA, and would not apply to Workers' Compensation services.

Class 9155
Although Class 9155, Claims Investigator, complies detailed reports, conducts interviews, and makes
court appearances, the position does not require any Workers’ Compensation investigative experience. Workers’ Compensation law is specialized and the regulations consistently change. It is necessary for DHR to seek a Workers’ Compensation investigative expert. In addition to investigative services, the PSC also states surveillance, activity check investigations and background investigations. Class 9155 does not perform surveillance services.

Importantly, all class 9155 employees currently work at the City Attorney’s Office. Per an email from the City Attorney’s Office, Class 9155 employees maintain basic investigative and report writing skills. They do not have special knowledge about Workers’ Compensation laws and therefore, are unable to perform the requested services.

As a reminder, DHR is seeking a contractor that utilizes technological tools such as, video streaming, wireless video-recording systems (including miniaturized equipment for surveillance), fully-equipped surveillance vehicles, camera and video technology to capture clear images both indoors and in the field, and other technology to view subjects remotely.

The contractor must also possess a private investigator license. Currently, there are no civil service classifications that require a private investigator license. Class 2966, Welfare Fraud Investigator, (an unrepresented classification) lists a private investigator license as a desirable only, but not required, qualification. Class 2966 was identified in the PSC form as a classification that could potentially perform similar services, but the position does not have the requisite Workers’ Compensation experience.

In summary, DHR is requesting an outside, experienced Workers’ Compensation investigator with the private investigator license, skills, and technology to perform surveillance services. Therefore, DHR is seeking your approval to move forward and place PSC#46191-13/14 on the Commission agenda.

Sincerely,

TWU Local 200 will be protesting this. This PSC has falsely noted that no City employee's do this work we have a 8121 in our union that has done some of this and we have 9155's
that could be trained to do this. Local 21 also has investigator at the City Attorney that does
this work. Also the DA has investigators that could do this work.

1. Description of Work

A. Scope of Work:
Provide customer survey data regarding the quality of the Airport's Food and Beverage and Retail Services, Parking, and other facilities and services. The surveys have consistently taken place in May for the past 19 years of at least 1,400 valid respondents to reflect the summer travel season. The preliminary results need to be analyzed and submitted to SFO within 30 days from the last interview. Vendor will produce, execute, and analyze the data and present results and recommendations to SFO.

B. Explain why this service is necessary and the consequence of denial:
The Airport is committed to providing customer satisfaction through safe, convenient, and pleasing facilities and services to the flying public. Without this service, there would be an interruption of the year-to-year and benchmark comparison data, the Airport would lose touch with its passenger user base and may suffer a reduction in passenger satisfaction and/or revenues.

C. Has this service been provided in the past? If so, how? If the service was provided via a PSC, provide the most recently approved PSC # and upload a copy of the PSC.
Prior PSC 4101-09/10

D. Will the contract(s) be renewed? Yes, if there continues to be a need.

2. Union Notification: On 05/23/14, the Department notified the following employee organizations of this PSC/RFP request: SEIU 1021 Miscellaneous; Prof & Tech Eng, Local 21;

NOTICE OF CIVIL SERVICE COMMISSION ACTION

SUBJECT: REVIEW OF REQUEST FOR APPROVAL OF PROPOSED PERSONAL SERVICES CONTRACT NUMBERS 4093-09/10 THROUGH 4101-09/10; 4092-09/10 AND 4102-07/08.

At its meeting of March 15, 2010 the Civil Service Commission had for its consideration the above matter.

PLEASE NOTE: It is important that a copy of this action be kept in the department files as you will need it in the future as proof of Civil Service Commission approval. Please share it with everyone responsible for follow-up.

It was the decision of the Commission to:
(1) Approve request for proposed personal services contract #4096-09/10 on the condition that the Department of Public Works engage in discussions with SEIU Local 1021. Should SEIU continue to have concerns about the contract, it may be put back on calendar for further discussion and action at the next regular meeting of April 5, 2010. In no case will the approval of the contract be delayed beyond the April 5, 2010 meeting. Notify the offices of the Controller and the Office of Contract Administration.

(2) Approve request for proposed personal services contract #4097-09/10 on the condition that contact be made with SEIU Local 1021 within 24 hours to address concerns they have with the PSC. In addition, that a response be provided to Local 1021 by the Recreation and Parks Department within the following 24 hours addressing their concerns after which the conditions of the Civil Service Commission approval would have been met. Notify the offices of the Controller and the Office of Contract Administration.

(3) Approve request for proposed personal services contracts on all remaining contracts. Notify the offices of the Controller and the Office of Contract Administration.

If this matter is subject to Code of Civil Procedure (CCP) Section 1094.5, the time within which judicial review must be sought is set forth in CCP Section 1094.6.

1. Description of Work

A. Scope of Work:
Contracts for multiple artists to design, fabricate, transport and/or consult during installation of artworks in a variety of media for the following multi-year Capital Improvement Projects which will be initiated in FY13/14: SFO Terminal 3, Oscar Park/Transbay Streetscape, Fire Stations 5 and 35, Moscone Convention Center-South, Phelan Loop Plaza, Art on Market Street Kiosk Poster Series, miscellaneous Recreation and Park Department projects, Public Utilities Commission South East Community Facility, and various other projects as they arise. The PSC amount is an estimate based on known project budgets and an average amount generated yearly by Art Enrichment Funds associated with Capital Improvement Projects.

B. Explain why this service is necessary and the consequence of denial:
City Administrative Code Section 3.19 requires that 2% of the construction budget of new capital improvement projects be spent on art enrichment. Denial would prohibit the City client agencies from complying with this ordinance.

C. Has this service been provided in the past? If so, how? If the service was provided via a PSC, provide the most recently approved PSC # and upload a copy of the PSC.
Yes. The Civil Service Commission approved contracting for design, fabrication, transportation and installation under PSC 4010 - 13/14

D. Will the contract(s) be renewed? No

2. Union Notification: On 05/05/14, the Department notified the following employee organizations of this PSC/RFP request: all unions were notified

3. Description of Required Skills/Expertise
   A. Specify required skills and/or expertise:
      Contractors must be professional fine artists who are selected by independent selection panels and approved by
      the Arts Commission to enter into contracts for design, fabrication, transportation and installation of artworks for
      each of the Capital Improvement Projects. These artists must have their designs approved by the Arts
      Commission as required by City Charter.

   B. Which, if any, civil service class(es) normally perform(s) this work?
      none,

   C. Will contractor provide facilities and/or equipment not currently possessed by the City? If yes, explain:
      No

4. Why Classified Civil Service Cannot Perform
   A. Explain why civil service classes are not applicable:
      There is not a civil service classification for fine artists. Contractors must be professional fine artists who are
      selected by independent selection panels and approved by the Arts Commission as being appropriate for the
      unique requirements of this project.

   B. Would it be practical to adopt a new civil service class to perform this work? Explain.
      No. Each project is unique and requires different skills as determined by an independent panel. It is in the City's
      interest to develop a Civic Art Collection that is diverse in style, media and artists represented.

5. Additional Information [if “yes”, attach explanation] Yes No
   A. Will the contractor directly supervise City and County employee?

   B. Will the contractor train City and County employee?

   C. Are there legal mandates requiring the use of contractual services?

   D. Are there federal or state grant requirements regarding the use of
      contractual services?

   E. Has a board or commission determined that contracting is the most effective
      way to provide this service?

   F. Will the proposed work be completed by a contractor that has a current PSC

Regarding: Explanation regarding PSC Modification Request

Dear Ms. Dang:

Please provide this explanation to the Civil Service Commissioners regarding the request to modify PSC approval 4010-13/14 from “Annual” to “Continuing with no end date.”

This modification request is to correct an administrative error that I made on the PSC request form last year. I misunderstood the intent of the “duration” listed on the PSC request form and thought that the duration covered the time period when we would be initiating these contracts, not the duration of the projects themselves. Because our art commissions are multi-year projects, I should have requested a “Continuing” PSC approval with no end date.

So far we have only executed $71,000 worth of contracts against the approved $3 million threshold, so we have a lot of money left in this approval.

I understand that a “Continuing” approval with no end date requires annual reporting to the Civil Service Commission on the contracts executed each year. I am happy to comply with this requirement.

Very truly yours,

Jennifer Lovvorn

◊ Section 1. Description of Work

1B. Explain why this service is necessary and the consequences of denial:

- City Administrative Code Section 3.19
Board of Supervisors in their review of the budget for the current or prior fiscal year.
(Added by Ord. 223-97, App. 6/6/97)

SEC. 3.19. APPROPRIATION FOR ART ENRICHMENT OF PROPOSED
PUBLIC BUILDINGS, ABOVEGROUND STRUCTURES, PARKS AND TRANSPORTATION IMPROVEMENT PROJECTS. (a) Art Enrichment Allocation.
Before proposing a bond issue or making a request for an appropriation for the construction of any of the projects set forth in Subsection (c) below, the officer, board or commission concerned shall add thereto for the art enrichment of the proposed construction, two percent of the gross estimated construction cost, exclusive of the items proposed for such art enrichment. Where funding eligibility is limited by law or funding agency rules, the art enrichment allocation shall be based upon two percent of eligible construction costs.

If the officer, board or commission concerned determines that two percent of the gross estimated construction cost is inappropriate for art enrichment, such officer, board or commission shall submit its recommendation regarding the art enrichment budget and the basis for its determination to the Arts Commission for the Arts Commission's review. If the officer, board or commission concerned is unable to resolve the matter with the Arts Commission, the matter shall be submitted to the Mayor by the Arts Commission for final determination within 60 days from the date the recommendation is made.

Failure of the Arts Commission to submit the matter to the Mayor for resolution within such time shall be deemed equivalent to the Arts Commission's acceptance of the recommendation made by the officer, board or commission concerned.

(b) Definitions. For purposes of this Section:
(1) "Alteration" of a building, aboveground structure, or transportation improvement project shall include substantial changes to elements such as walls, partitions, or ceilings on ½ or more of the total floor space, excluding basements. "Substantial changes" shall include additions to, removal of, and modification of such elements.

(2) "Construction cost" shall mean the total estimated construction contract award amount, including the costs of all built-in fixtures, unless otherwise agreed to by the Arts Commission. "Construction cost" shall not include movable or personal property or construction cost contingency.

(3) "Transportation improvement project" refers to Municipal Railway and Department of Public Works projects which include both aboveground and belowground transportation-related projects; new boarding ramps; new transit platforms; new terminals and transportation systems with their attendant passenger amenities, such as shelters, seating, lighting, landscaping, and signage; new transportation-related structures such as maintenance and operating facilities; power substations; and street/highway-related transit improvements such as bridges and overpasses.

(c) Application. This Section shall apply to the construction or alteration of the following: (1) a building; (2) an aboveground structure; (3) a new park; or (4) a transportation improvement project.

The requirements of this Section shall also apply to the alteration of a building, aboveground structure, or transportation improvement project.

(d) Exemptions. The following shall be exempt from the requirements of this Section: (1) Transportation improvement projects limited to rail replacement, rehabili-

(5-97) AD-46
San Francisco Administrative Code

Section 3.19

tation or extension of catenary wiring; sidewalk (including curbs and gutters), street
paving, repair or improvements; or transit vehicle purchases;

(2) All mechanical, plumbing and electrical system upgrades, structural or
seismic upgrades, and modifications for disabled access, unless occurring in conjunction
with alteration of a building, an aboveground structure or transportation improve-
ment project;

(3) All park and landscape renovation projects including, but not limited to
court resurfacing; landscape renovation or replanting; sewer and water lines; drainage
and irrigation systems; wells; erosion control; restrooms; repaving; new paving;
stairway repair or replacement; utilities; community gardens; modifications for
disabled access; signage; lighting; fence replacement or repair; replacement or repair of
existing play structures; natural areas management; modifications to existing parks;
and new land uses within existing parks;

(4) Annual CIP funded capital improvements for security/life safety and health
deficiencies when not occurring in conjunction with alteration of existing public
buildings, aboveground structures, parks and transportation projects which are
supported by the General Fund;

(5) Aboveground pipelines and their supports, such as trestles, anchor blocks
and saddles; valve lots; power transmission lines and towers; switchyards and
substations; and dwellings in watershed areas;

(6) Airfields and Airports Commission equipment;

(7) Airports Commission signage when not occurring in conjunction with a
larger construction contract subject to this Section.

(e) Administrative Fees. The Arts Commission shall supervise and control the
expenditure of all funds appropriated for art enrichment and shall allocate up to 20
percent of said funds for all necessary and reasonable administrative costs incurred
in connection therewith, unless the Arts Commission agrees to a lesser amount on
projects with art enrichment budgets in excess of $750,000, or unless such administra-
tive fee is limited or prohibited by the funding source.

(f) Aggregation of Funds. When mutually agreed upon by the Arts Commis-

son and the City department from whose capital project the art enrichment allocation
was obtained, and where permitted by the funding source, the Arts Commission shall
have the authority to aggregate art enrichment funds for use at a more publicly
accessible facility under the jurisdiction of the participating City department.

(g) Maintenance and Conservation Funds. When permitted by the funding
source, the Arts Commission may set aside and expend up to five percent of the total
art enrichment allocation for each project for maintenance and conservation purposes.
Funds set aside pursuant to this Section shall be invested in an interest-bearing
account when the total of such funds set aside exceeds $10,000.

(h) Miscellaneous Provisions.

(1) When a client department suggests a mitigation measure to address any
perceived safety concerns relative to any element of the art enrichment, the Arts
Commission shall work with the client department to ensure that such mitigation is
implemented to the satisfaction of the client, the Arts Commission and the artist, if
such safety concern is raised by the client department within 30 days after the element
has been presented for review to the client department.

(2) If a City department can sufficiently demonstrate to the Arts Commission
that a project is not appropriate for public access, the Arts Commission shall waive
the art enrichment allocation for such project provided that the art enrichment funding cannot be aggregated for use at a more publicly accessible facility under the jurisdiction of the participating City department.

(3) Construction and installation of art enrichment shall comply with the requirements of all applicable building codes, laws, ordinances, rules and regulations.

(4) Nothing in this Section contained shall be construed to limit or abridge the legal powers of the governing boards of the War Memorial, the Fine Arts Museums, the Asian Art Museum or the Port of San Francisco.

(5) Nothing in this Section shall be construed to limit or abridge the jurisdiction of the officer, board or commission of the participating City department to supervise and control the expenditure of project funds other than the two percent allocation for art enrichment.

(6) This amendment shall not be applied retroactively to projects for which an art enrichment allocation previously would not have been required, nor to those projects for which project funding has been approved either by prior voter action or by airport revenue bond sales, but not yet appropriated or expended. Nor shall this ordinance be construed to allow for an increase in the total art enrichment allocation for a project that is already underway or for which the art enrichment allocation has already been established. (Added by Ord. 223-97, App. 6/6/97)

SEC. 3.20. CAPITAL IMPROVEMENT ADVISORY COMMITTEE. Formation. There is hereby created a Capital Improvement Advisory Committee (CIAC) consisting of the Mayor’s Finance Director as Chair, President of the Board of Supervisors, City Administrator, Controller, Director of Public Works, Director of the Planning Department or their designees and two individuals chosen by the Chair of the CIAC to serve two-year terms. The CIAC shall review and advise the Mayor’s Finance Office on all capital improvement projects and long-term financing proposals. The CIAC shall have the duty and the power to establish rules and regulations for the conduct of its affairs and for the procedures to be followed by the several boards, agencies, commissions and departments submitting information to the CIAC. The CIAC shall have such powers as may be necessary to enable it to fulfill its functions. (Added by Ord. 223-97, App. 6/6/97; amended by Ord. 55-98, App. 2/20/98)

SEC. 3.21. SUBMITTAL OF CAPITAL IMPROVEMENT PROJECTS. All departments, boards, agencies and commissions shall submit all capital improvement projects to the CIAC for review. The CIAC is an advisory body to the Mayor and the Board of Supervisors. However, no funds shall be appropriated until the CIAC completes its review of the proposal and submits its recommendation to the Mayor’s Office. For matters related to the CIAC, “capital improvement” shall mean any public capital improvement or facilities maintenance project proposed with an estimated cost in excess of $25,000 and regardless of funding source. (Added by Ord. 223-97, App. 6/6/97)

SEC. 3.22. SUBMITTAL OF LONG-TERM FINANCING PROPOSALS. All departments, boards, agencies and commissions shall submit all long-term financing proposals for capital improvements to the CIAC for review. The Board of Supervisors shall not place on the ballot, or authorize the issuance of any long-term financing until the CIAC completes its review of the proposal and submits its

PERSONAL SERVICES CONTRACT SUMMARY

DATE: July 1, 2013

DEPARTMENT NAME: Arts Commission

DEPARTMENT NUMBER 28

TYPE OF APPROVAL: □ EXPEDITED □ REGULAR (OMIT POSTING _______ )

□ CONTINUING □ ANNUAL

TYPE OF REQUEST: [ ] INITIAL REQUEST [ ] MODIFICATION (PSC# ________)

TYPE OF SERVICE: Design, Fabricate, Transport and Install artworks in association with various Capital Improvement Projects City-wide

FUNDING SOURCE: Art Enrichment Funds (Construction Bond Funding)

PSC AMOUNT: $3,000,000

PSC DURATION: 7/1/2013 to 6/30/2014

1. DESCRIPTION OF WORK

A. Concise description of proposed work:

Contracts for multiple artists to design, fabricate, transport and/or consult during installation of artworks in a variety of media for the following multi-year Capital Improvement Projects which will be initiated in FY13/14: SFO Terminal 3, Oscar Park/Transbay Streetscape, Fire Stations 5 and 35, Moscone Convention Center-South, Phelan Loop Plaza, Art on Market Street Kiosk Poster Series, miscellaneous Recreation and Park Department projects, Public Utilities Commission South East Community Facility, and various other projects as they arise. The PSC amount is an estimate based on known project budgets and an average amount generated yearly by Art Enrichment Funds associated with Capital Improvement Projects.

B. Explain why this service is necessary and the consequences of denial:

City Administrative Code Section 3.19 requires that 2% of the construction budget of new capital improvement projects be spent on art enrichment. Denial would prohibit the City client agencies from complying with this ordinance.

C. Explain how this service has been provided in the past (if this service was previously approved by the Civil Service Commission, indicate most recent personal services contract approval number):

The Civil Service Commission recently approved contracting for design, fabrication, transportation and installation under PSC 4104-10/11 and 4022-12/13.

D. Will the contract(s) be renewed: No.

STAFF ANALYSIS/RECOMMENDATION:

CIVIL SERVICE COMMISSION ACTION:
3. **DESCRIPTION OF REQUIRED SKILLS/EXPERTISE**
   A. Specify required skills and/or expertise:
   Contractors must be professional fine artists who are selected by independent selection panels and approved by the Arts Commission to enter into contracts for design, fabrication, transportation and installation of artworks for each of the Capital Improvement Projects. These artists must have their designs approved by the Arts Commission as required by City Charter.
   
   B. Which, if any, civil service class normally performs this work?
   None. Artists and Fine Art Fabricators are not a Civil Service Classification.
   
   C. Will contractor provide facilities and/or equipment not currently possessed by the City? If yes, explain:
   No.

4. **WHY CLASSIFIED CIVIL SERVICE CANNOT PERFORM**
   A. Explain why civil service classes are not applicable:
   There is not a civil service classification for fine artists. Contractors must be professional fine artists who are selected by independent selection panels and approved by the Arts Commission as being appropriate for the unique requirements of this project.
   
   B. Would it be practical to adopt a new civil service class to perform this work? Explain.
   No. Each project is unique and requires different skills as determined by an independent panel. It is in the City's interest to develop a Civic Art Collection that is diverse in style, media and artists represented.

5. **ADDITIONAL INFORMATION** (if "yes," attach explanation)
   A. Will the contractor directly supervise City and County employees? 
   
   B. Will the contractor train City and County employees?
   - Describe the training and indicate approximate number of hours.
   - Indicate occupational type of City and County employees to receive training (i.e., clerks, civil engineers, etc.) and approximate number to be trained.
   
   C. Are there legal mandates requiring the use of contractual services?
   
   D. Are there federal or state grant requirements regarding the use of contractual services?
   
   E. Has a board or commission determined that contracting is the most effective way to provide this service?
   
   F. Will the proposed work be completed by a contractor that has a current personal services contract with your department?

1. Description of Work
   A. Scope of Work:
The contractor will provide background investigation services for the San Francisco Police Department (SFPD). The contractor will investigate records from the criminal justice system, credit reporting agencies, and Department of Motor Vehicles, and contact employers and references.

   B. Explain why this service is necessary and the consequence of denial:
   This service is necessary to support the civilian hiring process of the Police Department. We must continue to hire civilians and have services covered during peak hiring cycles. This service will also be used for special background investigations that would not be appropriate for internal staff to conduct, such as investigations of command staff positions. If denied, the Police Department could possibly fall below mandated minimum staffing levels.

   C. Has this service been provided in the past. If so, how? If the service was provided via a PSC, provide the most recently approved PSC # and upload a copy of the PSC.
   Yes, PSC 4030-10/11

   D. Will the contract(s) be renewed? Request for Proposal will be conducted.

Receipt of Union Notification(s)

♦ All Unions
Hi Marty:

The SFPD is renewing a contract for Pre-Employment Background Investigations. I sent the POA a union notification through the Department of Human Resources (DHR) database, but because the POA has not set up a user profile in the database, an email was not generated and sent to you. Attached is the document on the database that I need to send you. Please let me know if you have concerns of the SFPD contracting out for these services within 7 days. This contract renewal is on the Civil Service Commission agenda on July 7, 2014.

If you do not have access to the DHR's PSC database or need help with setting up your user account, please contact Leorah Dang at DHR-PSCCoordinator@sfgov.org or 5547-4852. Thank you.

1. Description of Work
A. Scope of Work:
Contractor will provide phlebotomy services during the phlebotomy service schedule at Behavioral Health Clinics and laboratory specimen courier services when necessary.

B. Explain why this service is necessary and the consequence of denial:
Current phlebotomy service schedule is 1 to 1.5 hours per week at six (6) Behavioral Health Clinics for Behavioral Health Service clients who are seriously mentally ill and/or in treatment for substance abuse addiction. Previously, the services were provided in conjunction with laboratory contract provider, which discontinued providing phlebotomy services. Denial of the phlebotomy service will result in adverse patient care, reduce ability to fulfill DPH missions, and negative financial/revenue impacts to the community services.

NOTICE OF CIVIL SERVICE COMMISSION ACTION

SUBJECT: REVIEW OF REQUEST FOR APPROVAL OF PROPOSED PERSONAL SERVICES CONTRACT NUMBER 4148-09/10 THROUGH 4162-09/10.

At its meeting of June 21, 2010 the Civil Service Commission had for its consideration the above matter.

PLEASE NOTE: It is important that a copy of this action be kept in the department files as you will need it in the future as proof of Civil Service Commission approval. Please share it with everyone responsible for follow-up.

It was the decision of the Commission to:

(1) Adopt the report; Approve request for approval of PSC #s 4150-09/10 through 4153-09/10; 4156-09/10; 4160-09/10; and 4161-09/10 on the condition that the Department of Public Health make every reasonable effort to create requisitions for those 2819 Assistant Health Educators laid off in 2009 and other Local 21 represented positions that are subject to reduction or layoff; and that the Department of Public Health report every six (6) months to the Civil Service Commission on its progress in meeting this condition. Notify the Office of the Controller and the Office of Contract Administration.

(2) Adopt the report; Approve request for approval of PSC #4155-09/10 on the condition that 1) the Department of Public Health will meet with IFPTE Local 21 to discuss and evaluate whether and to what extent work to be performed in this PSC is work which could be performed by Real Property Managers; 2) If at the conclusion of these discussions, it turns out that work in this PSC is not work which could be performed by Real Property Managers, then the matter is closed; 3) If at the conclusion of these discussions, it turns out that work in this PSC is work which could be performed by Real Property Managers, then the Department of Public Health and Local 21 will endeavor to utilize CCSF Real Property Managers to perform this work, and make appropriate modifications to the contract(s) in the PSC accordingly. Notify the Office of the Controller and the Office of Contract Administration.

(3) Adopt the report; Approve request for approval of PSC #4158-09/10 for a duration of two years, to June 30, 2012. Notify the Office of the Controller and the Office of Contract Administration.

(4) Adopt the report; Approve request for approval of all remaining contracts. Notify the Office of the Controller and the Office of Contract Administration.
If this matter is subject to Code of Civil Procedure (CCP) Section 1094.5, the time within which judicial review must be sought is set forth in CCP Section 1094.6.

5B. Will the contractor train City and County employee?

The answer to this question was Yes in the Initial PSC but changed to No in this Modification 1 because the original intent was that we would hire staff and the consultant would help train them. However, we are no longer adding staff, so the consultant will perform the function. Therefore our staff is no longer being trained by the consultant.

HUMAN RESOURCES DIRECTOR’S REPORT (Item No. 5)

The Human Resources Director questioned when Peace Officer appeals will be heard.

Sandra Eng, Acting Executive Officer explained the internal procedures for processing Peace Officer appeals are being reviewed by the City Attorney. The hearings will be in Closed Session unless the appellant submits a confidentiality waiver form. If other peace officers are mentioned in the appeal, they will also have the option to waive confidentiality. Otherwise, all of the appeals will be in Closed Session.

President Favetti requested that the City Attorney’s opinion regarding Peace Officer hearings be redistributed to all concerned as a refresher.

Without the HCP, some SFPUC operations (including bridge maintenance) that impact special status species could be restricted or prohibited and the SFPUC could be faced with significant penalties under the FESA and CESA. This modification will permit completion of the Alameda Watershed Habitat Conservation Plan (AWHCP), including preparing applications for regulatory permits/approvals, mitigating, monitoring and reporting on plans like the AWHCP, which includes additional bridge maintenance.

Conduct hydrologic, geomorphic, biological and related river ecosystem science work on an as-needed basis. The work will be conducted in support of the Upper Tuolumne River Ecosystem Project and other related SFPUC river and stream ecosystem management efforts (CS-946). 1. Description of Work
   A. Scope of Work:
   Conduct audits of utility users tax and access line tax of service providers’ records; provide legislative and technological updates and analysis; train City’s audit staff to continue audit and enforcement of utility users tax and access line tax requirements; and provide tax revenue enhancement and detection services.

   B. Explain why this service is necessary and the consequence of denial:
   Underreporting or non-reporting of these taxes occur due to various reporting or categorization errors in this highly technological field. Without expertise in auditing, consultation, data collection and review in this specialized field, the City will continue to lose potential tax revenue.

   C. Has this service been provided in the past. If so, how? If the service was provided via a PSC, provide the most recently approved PSC # and upload a copy of the PSC.
   Yes. Prior 4056-10/11

   D. Will the contract(s) be renewed? Yes.

2. Union Notification: On 05/20/14, the Department notified the following employee organizations of this PSC/RFP request:

3. **Description of Required Skills/Expertise**
   A. Specify required skills and/or expertise:
      Audit experience, including knowledge of procedures and practices of major public utilities providers and of the Public Utilities Commission regulations and requirements, as well as proof of successfully providing revenue to local governments as a direct outcome of its services. The contractor must work closely with City departments, businesses including service providers, taxpayers, and monitor changes in proposed related legislation and technology.
   B. Which, if any, civil service class(es) normally perform(s) this work?
      4220, 4222, 4224.
   C. Will contractor provide facilities and/or equipment not currently possessed by the City? If yes, explain:
      No.

4. **Why Classified Civil Service Cannot Perform**
   A. Explain why civil service classes are not applicable:
      City employees do not possess the specialized expertise to audit utility users tax and/or access line tax areas. Such expertise includes knowledge of the various utility services utilized, including electricity, gas, water, steam, and telephone communication services utilized, and the various trunk lines that are taxable. Such expertise also includes keeping abreast of the legislative and technological changes, and analyze its impact on tax revenue.
   B. Would it be practical to adopt a new civil service class to perform this work? Explain.
      No. The service is highly specialized, but included in the service is training for existing City audit staff.

5. **Additional Information (if “yes”, attach explanation)**

   A. Explain why civil service classes are not applicable:
   City employees do not possess the specialized expertise to audit UUT and/or ALT areas. Such expertise includes knowledge of the various utility services utilized, including electricity, gas, water, steam, and telephone communication services utilized, and the various trunk lines that are taxable. Such expertise also includes keeping abreast of the legislative and technological changes, and analyze its impact on tax revenue.
   
   B. Would it be practical to adopt a new civil service class to perform this work? Explain.
   No. The service is highly specialized, but included in the service is training for existing City audit staff.
