4023 12/13 - MODIFICATIONS	August 3, 2015	CITY PLANNING -- CPC	\$3,000,000	\$5,200,000	In 2008, the San Francisco Planning Department determined the need to select a pool of pre-qualified environmental, transportation, historic resources, and archeology review consultants through a request-for-qualifications ("RFQ") process to use on an as-needed basis. Such projects include, but are not limited to: environmental review of the Transportation Sustainability Program, SoMa Streetscape Plan, Health Care Services Master Plan, and Urban Forest Master Plan. Private development proposals will be required to use this as-needed pool to conduct independent environmental analysis, maintain better quality control, and follow the model used in most other jurisdictions. Inclusion in the pre-qualified are as follows: 1) enter into an independent contract with a private developer for environmental or transportation impact studies, historic resource & archeology review which must be reviewed & finalized by Department staff, or 2) enter into contracts with City and County of San Francisco on an as-needed basis for the provision of specialized studies.	09/21/2015	03/31/2017	REGULAR
