INTRODUCTION

Under general supervision, makes investigations to determine the eligibility of applicants for psychiatric care and services; evaluates information gained through interviews and collateral sources; makes determination on one of several alternative procedures; completes appropriate forms and documents relating to intake procedures; makes pertinent determinations and recommendations; and performs related duties as required.

Requires responsibility for: carrying out and explaining established methods and procedures to applicants, recipients and others; achieving economies and/or preventing losses through careful and judicious interpretations of various legal provisions, methods and procedures in recommending assistance; making regular contacts with applicants, recipients, their families and others concerned, also with employees, other departments and outside organizations; gathering, compiling and reviewing important detailed psychiatric financial, personal and confidential information. Nature of duties involves occasional exposure to accident hazards and disagreeable elements in dealing with mentally ill and emotionally disturbed persons.

DISTINGUISHING FEATURES

SUPERVISION EXERCISED

MAJOR, IMPORTANT, AND ESSENTIAL DUTIES

According to Civil Service Commission Rule 109, the duties specified below are representative of the range of duties assigned to this job code/class and are not intended to be an inclusive list.

1. Interviews applicants, recipients, parents and others concerned for the purpose of securing information to determine eligibility for psychiatric care and services; evaluates material obtained through interviews and from other sources, including information given directly, together with such factors as appearance and manner, attitude of parents, relatives and others toward the applicant and his problems.

2. On basis of interviews and analyses, decides upon one of several alternative dispositions such as emergency therapy, referral to other staff members for further study, referral to appropriate community resources or assistance on a temporary basis; completes appropriate forms and documents relating to the intake processes.

3. Conducts interviews with parents and children to obtain supplementary information; makes tentative diagnosis to determine need for testing to supplement the diagnosis; decides on one of several alternative dispositions.

4. Confers with referring agency or other interested organizations and persons including schools, Public health nurses and doctors and with supervisor or other psychiatrists on medical and
psychiatric questions relating to evaluation of the patient; prepares related case reports, including all pertinent material.

5. Subsequently follows up on individual patient therapy; establishes positive relationship; assists patient with explanation of diagnosis and causes of difficulties; confers with consulting psychiatrists on treatment; prepares therapy notes on each case and incorporates in case records.

6. Maintains records of all activities relating to patients' care; prepares clinical statistics and compiles periodic reports; participates in periodic staff meetings; confers with supervisor on formulation of policies and procedures; attends conferences with. Other clinics and agencies.

IMPORTANT AND ESSENTIAL KNOWLEDGES, SKILLS, AND ABILITIES

Requires broad knowledge and ability to: solve problems inherent in the duties and responsibilities of psychiatric welfare work; plan appropriate courses of action as a result of analysis and evaluation of data and other significant factors.

Requires skill and ability to: effect cooperative and effective contacts with associate staff employees and others; deal effectively with patients in the adjustment of problem situations.

DEPARTMENT OF HUMAN RESOURCES

Title: SENIOR BEHAVIORAL HEALTH CLINICIAN
Job Code: 2932

INTRODUCTION

Under direction, may supervise several psychiatric social workers and personally performs the more difficult psychiatric case work; assigns and directs work of interviewing and investigating applicants, patients, and others concerned; reviews psychiatric welfare cases processed by other workers; and performs related duties as required.

Requires responsibility for: carrying out, interpreting and enforcing existing legal provisions, policies, methods and procedures in connection with psychiatric welfare work; achieving considerable economies and/or preventing considerable losses through enforcing careful and judicious interpretations of various legal provisions, methods and procedures in approving and recommending assistance; making regular contacts with employees, supervisors, applicants, recipients, their families, other departments, community organizations and others concerned; gathering and checking detailed psychiatric, financial, personal and confidential information. Nature of duties involves normal physical effort and manual dexterity with occasional accident and injury hazards and exposure to disagreeable element when dealing with mentally ill or emotionally disturbed persons.

DISTINGUISHING FEATURES

SUPERVISION EXERCISED

MAJOR, IMPORTANT, AND ESSENTIAL DUTIES

According to Civil Service Commission Rule 109, the duties specified below are representative of the range of duties assigned to this job code/class and are not intended to be an inclusive list.

1. Supervises several psychiatric social workers and auxiliary personnel and personally participates in interviewing and diagnosing the more difficult individual cases.

2. Supervises the determining of eligibility of applicants for psychiatric services; ascertains several factors, such as reasons for referral, attitude toward personal problems and demonstrated desire for assistance; obtains history of applicant's growth and development in order to arrive at an understanding of behavioral characteristics; obtains such pertinent information as parental background, relationship between parents and other members in the family group.

3. Evaluates material obtained as a result of interviews and analyses; decides on disposition of each case, including referral to other staff members for further study and recommendations or referral to some appropriate community agency; completes appropriate forms and documents relating to the intake processes.

4. Treats individual patients on a regular recurrent basis by applying difficult and intensive casework techniques in order to reduce mental and emotional illness; observes patient's condition and
reactions especially in suicidal aid and homicidal cases; determines degree of danger presented to patient and others.

5. Counsels with especially disturbed and difficult patients concerning emotional, economic and personal matters and crisis, to assist in reestablishing self-control and responsibility; arranges for commitment to hospital or other community agency or resource, based on appraisal of patient's needs.

6. Conducts group psychotherapy in regularly scheduled group interviews in connection with administering direct treatment to patients; observes, evaluates and analyzes emotional and behavioral changes; determines treatment goals at successive intervals during treatment process.

7. Records basic data pertaining to study and/or treatment of patients on appropriate forms, charts and case histories; prepares written case summaries for purposes of coordinating medical and case-work services in the best interests of the patient and his family.

IMPORTANT AND ESSENTIAL KNOWLEDGES, SKILLS, AND ABILITIES

Requires a broad working knowledge and ability to: solve problems inherent in the duties and responsibilities of psychiatric welfare work; plan and direct appropriate courses of action as a result of analyses and evaluation of data and other significant factors; achieve cooperative and effective contacts with staff members and emotionally disturbed patients in the adjustment of problem situations; work closely with and direct several professional and auxiliary employees.

MINIMUM QUALIFICATIONS
