31773 - 15/16	ECONOMIC AND WORKFORCE DEVELOPMENT	\$375,000.00	The Office of Economic and Workforce Development (OEWD) requires professional financial analysis related to real estate development in San Francisco. Consultants, selected from a pre-qualified list of economic consultants, will assist OEWD in development of public policy applied to real estate development and finance through a series of as-needed services, including (1) analyzing opportunities for public participation in development projects; (2) identifying development opportunity sites and analyzing their feasibility; and (3) evaluating tools to support greater mixed-income housing development.	October 1, 2015	June 30, 2017
40631 - 15/16	PUBLIC UTILITIES COMMISSION	\$8,500,000.00	Hetch Hetchy Water & Power's (HHWP) Renewal and Replacement Program (R&R) was developed to manage aging infrastructure, i.e., asset life extension of existing capital assets. This ongoing program includes understanding failure mechanisms, detection through comprehensive inspection and assessment, protection/correction. As part of this program, the SFPUC requires technical support for performing pipeline inspection services for steel pipe using HHWP's inline magnetic flux leakage tool, minor repair/replacement design projects, and developing various components of its R&R program for the San Joaquin Pipelines.	December 1, 2015	December 1, 2020
41832 - 15/16	PUBLIC UTILITIES COMMISSION	\$15,000,000.00	The San Francisco Public Utilities (SFPUC) requires design support for mitigating transmission clearance deficiencies that do not meet state and federal safety clearance standards. The Hetch Hetchy Water & Power (HHWP) Power Transmission Line Clearance Mitigation will consist of mitigating all spans of subject circuits that have been identified as being noncompliant with California Public Utilities Commission's General Order 95 and National Electrical Safety Code clearances as identified in the HHWP Transmission Line Mitigation Transmission Plan condition assessment report. The scope of mitigating these identified spans will be in compliance with applicable codes and design standards and may require structure raises, facility or equipment modifications and/or replacements.	December 1, 2015	December 1, 2025
40214 - 15/16	PUBLIC HEALTH	\$1,500,000.00	The Department requires specialized, as-needed auditing services for various Department of Health (DPH) specialty programs, including a comprehensive program review by an Independent program auditor of all aspects of the San Francisco General Hospital (SFGH) and DPH community/ambulatory care clinics using the 340B Drug Pricing Program, a federal program which requires drug manufacturers to provide outpatient drugs to eligible health care organizations/covered entities at significantly reduced prices, enabling covered entities such as SFGH to stretch scarce Federal resources, reach more eligible patients and provide more comprehensive services. Audit services for the 340B program will include all child sites and contract pharmacies, in order to ensure comprehensive program compliance. Services will include evaluation and validation of patient eligibility; procurement, distribution, dispensing, and billing of 340B medications; compliance with GPO prohibitions; proper 340B database registration with Health Resources and Service Administration (HRSA); accurate 340B inventory and record keeping; drug diversion, and duplicate discount compliance. In addition DPH will also need specialized information technology service auditors for IT security systems focusing on protected health information, compliance with reimbursement programs, and meaningful use.	October 1, 2015	December 31, 2019
42016 - 15/16		\$9,800,000.00
