Basic Interview Skills for Obtaining an Apprenticeship or Entry Level Position

Effective Interviewing Skills
Whether you are a beginner or an expert on interviewing, you can always benefit with some tips and practice. In this two hour workshop, you will learn about the job interview process within the City and County of San Francisco and discuss techniques to stand out in your next interview. Learn best practices and prepare yourself for the next step in your career.

Students will learn effective interviewing strategies and practice with each other.

Class topics will include how to prepare for an interview, do’s and don’ts, common interview questions, and general interview tips.

Students will learn skills to interview effectively for an apprenticeship position.
