

Employee Name: _____

DSW# _____

Dear Health Care Provider:

Pursuant to San Francisco's local Public Health Order¹ and City Policy² employees are required to receive a vaccination against COVID-19 as a condition of employment. The employee named above seeks an exemption to this requirement due to a disability or medical condition causing medical contraindications to the COVID-19 vaccine.

Please complete this form to assist the City and County of San Francisco in the reasonable accommodation process.

CERTIFICATION FOR VACCINATION EXEMPTION

1. Date of your last examination of the employee named above: _____
2. I am a health care provider duly licensed to practice medicine in this jurisdiction. I certify that the employee named above should not receive the COVID-19 vaccine due to *(explain the specific contraindication to vaccination here, but do **not** identify the underlying medical condition or disability --attach a separate sheet or statement if necessary)*:

3. This exemption is:
- ☐ Temporary, expiring on: ____/____/20____, or when *(describe condition(s) for termination of exemption)*
- ☐ Permanent
4. Does this employee have a medical condition, that makes one or more major life activity(ies)³ difficult to perform?
- ☐ Yes ☐ No
5. If yes, the major life activity(ies) affected is/are: _____

I certify the above information to be true and accurate, and I request exemption from the COVID-19 vaccination for the above-named employee.
