Safely Reopening Schools

The City also funds community-based organizations through the Department on the Status of Domestic Violence, Sexual Assault, and Stalking to provide services to help those impacted by domestic violence. The Domestic Violence Liaisons at worksites help facilitate workplace safety and support for employees who are experiencing domestic violence. For more details about workplace rights for Victims of Domestic Violence or to report domestic violence, contact the Department of the City Attorney or the San Francisco Domestic Violence Response Team.

During the COVID-19 pandemic, San Francisco implemented the Shared Spaces program. This initiative allows businesses to use public outdoor spaces to expand their footprint and accommodate increased demand resulting from physical distancing requirements.

The workplace can be a strong source of support for employees who are experiencing domestic violence. The Domestic Violence Liaisons at worksites help facilitate workplace safety and support for employees who are experiencing domestic violence. For more details about workplace rights for Victims of Domestic Violence or to report domestic violence, contact the Department of the City Attorney or the San Francisco Domestic Violence Response Team.
