Title: CITY SHOPS ASSISTANT SUPERINTENDENT  
Job Code: 7277

DEFINITION

Under direction, directs the activities of subordinate supervisory and various skilled automotive machinists, mechanical and other craftsmen and helpers in connection with personnel engaged in the overhaul, maintenance and repair of a variety of automotive, heavy-duty and off-road vehicles, or other types of machinery and equipment; and performs related duties as required.

Requires major responsibility for: interpreting, coordinating and assisting in developing methods and procedures relative to the maintenance and repair of automotive and other types of machinery and equipment units; making regular contacts with other departmental personnel and representatives of outside organizations in connection with maintenance and repair activities; preparing, checking and reviewing shop operating records and reports.

DISTINGUISHING FEATURES

Class 7277 City Shops Assistant Superintendent is distinguished from subordinate automotive machinist and mechanical supervisors in that the former has responsibility for the oversight of multiple shops, whereas the latter are responsible for the oversight of a single shop or specific fleet maintenance function and their respective skilled journey-level personnel.

SUPERVISION EXERCISED

Supervises automotive machinist and heavy-duty mechanic supervisors as well as other subordinate staff.

EXAMPLES OF IMPORTANT AND ESSENTIAL DUTIES

According to Civil Service Commission Rule 109, the duties specified below are representative of the range of duties assigned to this job code/class and are not intended to be an inclusive list.

1. Plans, lays out, supervises and inspects the work of foremen, shop supervisors, mechanics, machinists, blacksmiths, welders, metal workers, painters and other craftsmen engaged in the complete overhaul, maintenance and repair, in the shop or in the field, of light and heavy-duty automotive or other types of equipment and machinery, such as passenger cars, trucks, construction fire apparatus, engine and emergency type vehicles, diesel units, road machines, earth moving, small engine lawn mowers and electric motors and marine equipment, sewage treatment plants, pumping stations, machine tools, and mechanical equipment, high pressure system machinery, blowers, fans, fittings and tools, including other attached appurtenant devices and component parts.

2. Establishes job priorities and prepares work schedules in connection with various shop operations; oversees clerical and administrative functions, such as data processing, inventory control, bid estimates, purchases, invoices, statements; coordinates building security, maintenance and facilities management.

3. Requisitions new and replacement materials, parts and equipment for various shop operations, and assures that adequate inventory of such are readily available; reviews requests for special equipment and tooling, inspects materials, supplies and parts.
Title: CITY SHOPS ASSISTANT SUPERINTENDENT  
Job Code: 7277

**deliveries** received to assure conformance with **specifications** items requisitioned.

4. Inspects shop work in progress and on completion to assure conformance with instructions and standard overhaul, maintenance and repair procedures.

5. **Oversees administration of the operating budget for various shops**; prepares and **reviews** supervises the preparation of cost **estimates**, material and time records and reports; makes **estimates** for new construction and major jobs that are to be sent out for repairs.

6. Inspects shop equipment, machinery and tools; assures that shops are maintained in a clean and orderly condition; **directs the hazardous materials disposal program**.

7. Assists in the development and advancement of subordinates through training and effective use of employee development program.

**KNOWLEDGE, SKILLS, AND ABILITIES**

Knowledge of: the methods, materials, machinery, tools and equipment used in the overhaul, maintenance, repair and adjustment of a wide variety of automotive and other types of machinery and equipment; the operating and preventative maintenance requirements of such equipment; the various shop crafts involved in complete overhaul, maintenance and repair work; related federal, state and local safety laws and regulations.

Ability and Skill to: plan, assign, coordinate and inspect the activities of subordinate supervisory and mechanical personnel; make time and material cost estimates and maintain shop operating records and reports; **communicate clearly both verbally and in writing; interact courteously with others and resolve conflicts; use e-mail, spreadsheets, word processing and other computer applications; apply** automotive and other types of equipment and machinery maintenance and repair techniques to complex shop and field problems.

**MINIMUM QUALIFICATIONS**

These minimum qualifications establish the education, training, experience, special skills and/or license(s) which are required for employment in the classification. Please note, additional qualifications (i.e., special conditions) may apply to a particular position and will be stated on the exam/job announcement.

**Education:**

Requires completion of High school diploma or equivalent (G.E.D. or High School Proficiency Examination).

**Experience:**

Supplemented by at least six Eight (8) years of journeyman level experience in the maintenance, repair, disassembly, installation and overhaul of mechanical, electrical and hydraulic assemblies in automotive or other types of machinery heavy duty and off-road vehicles and power-driven equipment, including two years of which must have included two
Title: CITY SHOPS ASSISTANT SUPERINTENDENT  
Job Code: 7277

(2) years of responsible supervisory experience; or an equivalent combination of training and experience, directing a large group of skilled automotive machinists and heavy duty mechanics.

License and Certification:
Requires possession of a valid state motor vehicle operator’s Class C (or III) driver license.

Substitution

SUPPLEMENTAL INFORMATION

Must be able to obtain a Class A (or I) driver license with Medical Certificate upon completion of the probationary period.

Nature of work includes all shifts, nights, weekends, holidays and response to emergencies; physical effort, exposure to hazardous materials and working conditions where minor injuries may occur: prolonged standing and walking; occasional heavy lifting up to 50 lbs., manual dexterity, squatting, reaching, climbing and crawling, at heights, on streets and roadways.
