Effective July 1, 2016, represented employees will receive a base wage increase between 2.25% and 3.25%, depending on inflation, and calculated as \((2.00\% \leq \text{CPI-U} \leq 3.00\%) + 0.25\%\), which is equivalent to the CPI-U, but no less than 2% and no greater than 3%, plus 0.25%.

In calculating CPI-U, the Controller’s Office shall use the Consumer Price Index – All Urban Consumers (CPI-U), as reported by the Bureau of Labor Statistics for the San Francisco Metropolitan Statistical Area. The growth rate shall be calculated using the percentage change in price index from February 2015 to February 2016.

\[
\begin{align*}
262.600 & \quad \text{CPI-U for February 2016} \\
-254.910 & \quad \text{CPI-U for February 2015} \\
7.690 & \quad \text{Index difference} \\
\div 254.910 & \quad \text{CPI-U for February 2015} \\
3.02\% & \quad \text{Percent difference} \\
\end{align*}
\]

3.00\% Percent difference above adjusted to within 2.00\% to 3.00\% range

+ 0.25\% With an additional 0.25\% increase

\[3.25\% \quad \text{General Wage Increase}\]

\text{Applies to all Unions Except:}
\begin{itemize}
  \item Police, Fire, MEA Police and
  \item MEA Fire
\end{itemize}
Employee Pension Contributions

Employee pension contributions are indexed to the employer’s contribution rate. As the employer’s rate will be reduced from 22.8% to 21.4% in FY16-17, the vast majority of employees will see their pension contributions reduced by 1%; see chart below.
