4) Review information about the COVID-19 vaccine with the below FAQs:

2) Call the City's 24/7 Nurse Triage Advice Hotline if you have not been vaccinated and are looking for more information about the vaccine. This critical step will help us break out of the pandemic healthier. Thank you to the thousands of City employees who have taken the time to tell us your needs and feel free to forward this to colleagues who may be interested in learning more about vaccination.

Please complete this survey by September 30, 2021. How can we support your learning and development? The Department of Human Resources is here to provide you with key partnerships. Mid-Market Safety Plan

Within the Civic Center and Mid-Market neighborhood, we’ve coordinated the combined efforts of the Mid-Market 501 Safety Watch, Mid-Market Ambassadors, Mid-Market Strategic Displacement Team, and the Department of Human Resources to victimize the last mile of a commute in the Civic Center and Mid-Market neighborhood. The Safety Watch and the Mid-Market Strategic Displacement Team have partnered to develop a Mid-Market Safety Plan to ensure the safety and well-being of all Mid-Market employees, tenants, and visitors. The plan is designed to prioritize the health and safety of Mid-Market employees, tenants, and visitors.

All patrons of bars, restaurants, clubs, gyms, and large indoor events are required to show proof of vaccination or an acceptable vaccination exemption. The Department of Human Resources and Public Health have created a resource to help employers understand the requirements. For more information, visit the Department of Human Resources website: https://sfdhr.org/citywide-peer-mediation-program.

All other employees are required to be fully vaccinated by November 1, 2021. The City and County of San Francisco’s Department of Human Resources will be hosting a pop-up event to help you continue to grow professionally. Thank you for taking the time to tell us how we can continue to support your well-being.
