25. g. Except as otherwise provided in this subsection 1, the City shall continue to deduct and remit Contributions until it receives notice to change or cancel deductions from the Union in accordance with the Procedure, or it receives an order from a court or administrative body directing the City to change or cancel the deductions for one or more employees.
26. h. With the exception of subsection (e) above, the Union is responsible for all decisions to initiate, change, and cancel deductions, and for all matters regarding an employee's revocation of an authorization, and the City shall rely solely on information provided by the Union on such matters. The Union shall be responsible for the defense of any claim within this indemnification provision, subject to the following: (i) the City shall promptly give written notice of any claim to the Union; (ii) the City shall provide any assistance that the Union may reasonably request for the defense of the claim; (iii) the Union has the right to control the defense or settlement of the claim; provided, however, that the City shall have the right to participate in, but not control, any litigation for which indemnification is sought with counsel of its own choosing at its own expense; and provided further that the Union may not settle or otherwise resolve any claim or action in a way that obligates the City in any manner, including but not limited to paying any amounts in settlement, taking or omitting to take any actions, agreeing to any policy change on the part of the City, or agreeing to any injunctive relief or consent decree being entered against the City, without the consent of the City. This duty to indemnify, hold harmless, and defend shall not apply to actions related to compliance with this Section I.G. brought by the Union against the City. This subsection 2 shall not apply to any claim against the City where the City failed to process a timely, properly completed request to change or cancel a Contributions deduction, as provided in subsection 1.

### **Expedited Arbitration**

### **ARTICLE III – PAY, HOURS AND BENEFITS**

252. (a) An employee who during that portion of the employee's anniversary year is absent without pay for a period less than one-sixth of the time required to earn the next increment will have such absence credited as if it were paid service for the purposes of calculating the date of the increment due during the calendar year.
253. (b) An employee who during that portion of the employee's anniversary year is absent without pay for a period in excess of one-sixth of the time required to earn the next prior increment will be credited with actual paid service.
254. (4) An employee who (1) has completed probation in a permanent position, (2) is "Laid Off" from said position, (3) is immediately and continuously employed in another classification with the City either permanent or temporary, and (4) is thereafter employed in the employee's permanent position without a break in service, shall, for the purposes of determining salary increments, receive credit for the time served while laid off from the employee's permanent position.
255. (5) Satisfactory Performance  
Notwithstanding the above paragraphs, an employee's scheduled step increase may be denied if the Appointing Officer or designee determines that the employee's performance has been unsatisfactory. In the absence of a recommendation to deny a step increase, an employee shall receive the employee's scheduled step increase. The Appointing Officer shall provide an affected employee at least sixty (60) calendar days' notice prior to the employee's salary anniversary date of any intent to withhold a step increase and the basis for such withholding. However, if the unsatisfactory performance occurs within that time period, the Appointing Officer shall provide reasonable notice of at least 5 days of the officer's intent to withhold a step increase at that time.
256. The denial of a step increase is subject to the grievance procedure. An employee's performance evaluation(s), and any facts underlying the performance evaluation(s) or other relevant information, may be used as evidence by either party in an expedited grievance arbitration; provided, however, that nothing in this section is intended to or shall make performance evaluations subject to the grievance procedure.
257. If an employee's step increase is withheld, that employee shall be eligible for a step increase upon the employee's next anniversary (increment) due date, provided, however, that, at any time before that date, the Appointing Officer, in the appointing officer's sole discretion, may grant the employee the withheld step increase, to be effective on or after the first pay period following the Appointing Officer's

258. Withholding of step advancement shall not affect an employee's wage increases as provided for in Article III.A. Wages.

#### **III.N. SICK LEAVE WITH PAY LIMITATION**

259. An employee who is absent because of disability leave and who is receiving disability indemnity payments may request that the amount of disability indemnity payment be supplemented with salary to be charged against the employee's sick leave with pay credits so as to equal the amount the employee would have earned for a regular work schedule. If the employee wishes to exercise this option, the employee must submit a signed statement to the employee's department no later than thirty (30) days following the employee's release from disability leave.
260. Pursuant to Civil Service Rule 120.24, an employee returning from disability leave as defined by CSC Rule 120.24 will accrue sick leave and/or supplemental disability credits at an accelerated rate.

An employee entitled to SDI shall receive in addition thereto such portion of the employee's accumulated sick leave with pay as will equal, but not exceed, the regular biweekly gross earnings of the employee, including any regularly paid premiums. Such supplementary payments shall continue for the duration of the employee's illness or disability or until sick leave with pay credited to the employee is exhausted, whichever occurs first.

#### **III.P. WORKERS COMPENSATION**

263. Employee supplementation of workers compensation payment to equal the full salary the employee would have earned for the regular work schedule in effect at the commencement of the workers compensation leave shall be drawn only from an employee's paid leave credits including vacation, sick leave balance, or other paid leave as available.

#### 3. MEDICALLY SINGLE EMPLOYEES

266. Effective January 1, 2014 through December 31, 2014, for “medically single employees” (Employee Only) enrolled in any plan other than the highest cost plan, the City shall contribute ninety percent (90%) of the “medically single employee” (Employee Only) premium for the plan in which the employee is enrolled; provided, however, that the City’s premium contribution will not fall below the lesser of: (a) the "average contribution" as determined by the Health Service Board pursuant to Charter Sections A8.423 and A8.428(b)(2); or (b), if the premium is less than the "average contribution", one hundred percent (100%) of the premium.
267. Effective January 1, 2014 through December 31, 2014, for “medically single employees” (Employee Only) who elect to enroll in the highest cost plan, the City shall contribute ninety percent (90%) of the premium for the second highest cost plan for such employees.
268. If an employee’s work location reasonably requires the employee to reside in a county in which there is no City HMO available, then the City shall pay for medically-single/Employee-Only coverage under the City plan.

#### Health Coverage Effective January 1, 2015

269. Effective January 1, 2015, the contribution model for employee health insurance premiums will be based on the City’s contribution of a percentage of those premiums and the employee’s payment of the balance (Percentage-Based Contribution Model), as described below:

For medically single employees (Employee Only) who enroll in any health plan offered through the Health Services System, the City shall contribute ninety-three percent (93%) of the total health insurance premium, provided however, that the City’s contribution shall be capped at ninety-three percent (93%) of the Employee Only premium of the second-highest-cost plan.

#### Employee Plus Two or More:

272. c. For employees with two or more dependents who elect to enroll in any health plan offered through the Health Services System, the City shall contribute eighty-three percent (83%) of the total health insurance premium, provided however, that the City's contribution shall be capped at eighty-three percent (83%) of the Employee Plus Two or More premium of the second-highest-cost plan.

#### Contribution Cap

273. In the event HSS eliminates access to the current highest cost plan for active employees, the City contribution under this agreement for the remaining two plans shall not be affected.

#### Average Contribution Amount

274. For purposes of this agreement, to ensure that all employees enrolled in health insurance through the City's Health Services System (HSS) are making premium contributions under the Percentage-Based Contribution Model, and therefore have a stake in controlling the long term growth in health insurance costs, it is agreed that, to the extent the City's health insurance premium contribution under the Percentage-Based Contribution Model is less than the "average contribution," as established under Charter section A8.428(b), then, in addition to the City's contribution, payments toward the balance of the health insurance premium under the Percentage-Based Contribution Model shall be deemed to apply to the annual "average contribution." The parties intend that the City's contribution toward employee health insurance premiums will not exceed the amount established under the Percentage-Based Contribution Model.

#### Medically Single Employees Outside of Health Coverage Areas

275. The provisions in paragraph 270 above shall not apply to "medically single employees" (Employee Only) who are permanently assigned by the City to work in areas outside of the health coverage areas of Kaiser and Blue Shield for the term of this Agreement. For such "medically single employees" (Employee Only), the City shall continue to contribute one hundred percent (100%) of the premium for the employees' own health care benefit coverage.

#### 4. DENTAL COVERAGE

276. Each employee covered by this agreement shall be eligible to participate in the City's dental program.
277. The aforesaid payments shall not be considered as part of an employee's salary for the purpose of computing straight time earnings, compensation for overtime worked, premium pay, retirement benefits or retirement contributions; nor shall such contributions be taken into account on determining the level of any other benefit which

is a function of or percentage of salary.

278. Employees who enroll in the Delta Dental PPO Plan shall pay the following premiums for the respective coverage levels: \$5/month for employee-only, \$10/month for employee + 1 dependent, or \$15/month for employee + 2 or more dependents.

282. Any City pick-up of employee's retirement contribution shall not be considered as part of an employee's compensation for the purpose of computing straight time earnings, compensation for overtime worked, premium pay, or retirement benefits, nor shall such contributions be taken into account in determining the level of any other benefit which is a function of or percentage of salary.
283. Rule changes by the City's Retirement Board regarding the crediting of accrued sick leave for retirement purposes shall be incorporated herein by reference. 284. Subject to development, availability and scheduling by SFERS and PERS, employees shall be allowed not more than one day during the life of this MOU to attend a pre-retirement planning seminar sponsored by SFERS or PERS.
285. Employees must provide at least two-weeks advance notice of their desire to attend a retirement planning seminar to the appropriate supervisor. An employee shall be released from work to attend the seminar unless staffing requirements or other Department exigencies require the employee's attendance at work on the day or days such seminar is scheduled. Release time shall not be unreasonably withheld.

### **ARTICLE III – PAY, HOURS AND BENEFITS**

**Appendix B-1: Past Practices**

**SCHEDULING OF LOCAL 6 MEMBERS WORKING AT THE DEPARTMENT OF TECHNOLOGY(DT):**

7273 Communications Line Supervisor II

7275 Cable Splicing Supervisor

7257 Communications Line Supervisor I

7308 Cable Splicer

7338 Electrical Line Worker

7432 Electrical Line Helper

All employees are assigned a 40 hour work week consisting of five eight hour days Monday through Friday.

**OVERTIME**

**A. Detail Shift**

Weekends are covered by a detail shift, swing (3:00pm – 11:00pm) and graveyard (11:00pm – 7:00am), on an overtime basis. The overtime shifts are assigned every six months and are distributed equally among Class 7338 line workers and distributed equally among the 7273 Communications Line Supervisor IIs. The line worker who is assigned the swing or graveyard shift on the weekend will work the same shift for the following week on Monday through Friday. When the 7273 works the swing or graveyard shift on the weekend a 7338 will be assigned the shift for the following week. This assignment is equally distributed among the 7338's.

The overtime portion of the detail assignment is voluntary – if an employee chooses not to work the overtime portion of the detail shift the employee must notify the Communications Line Supervisor II who will reassign the weekend shift. The Monday through Friday portion of the detail shift will not be reassigned.

Trades are allowed for the detail shifts and must be approved by the Communications Line Supervisor II. Overtime shifts may be traded but not given away.

In the event of a callout requiring an additional person, Central Fire Alarm Station will follow the Emergency Callout Procedures.

**B. Unscheduled Overtime**

If a job cannot be finished during the regular working hours and must be finished on overtime basis, the crew working on the job will remain on an overtime basis until completion. This overtime is voluntary unless the job is declared an emergency by the Cable Splicing Supervisor or the Communications Line Supervisor II. If an emergency is declared the employees must stay until the job is completed or no longer constitutes an emergency.

This provision applies to 7257 Communications Line Supervisor I, 7338 Electrical Line Worker, 7432 Electrical Line Helper, and 7308 Cable Splicer.

## ***APPENDIX B***

### **C. Prearranged Overtime and Emergency Callout Procedures:**

1. 7308 Cable Splicer – prearranged overtime will be offered to the employee with the least overtime hours for that fiscal year.
2. 7338 & 7432 – employees must place their names on a callout list kept at CFAS by Wednesday if they are available to work overtime the following week starting on Saturday. Overtime will be assigned to the employee who has placed his name on the list and has the least amount of overtime hours worked during the current fiscal year. In the event that no employees are available from the callout list, all employees of the classification needed to perform the work will be called starting with the employee with the least amount of overtime hours worked during the current fiscal year.
3. All overtime hours worked by 7257 Communications Line Supervisor I, 7338 Electrical Line Worker, or 7432 Electrical Line Helper must be logged by the fire alarm dispatcher at the completion of each job. If an employee is on the callout list and is not available when called, the hours that would have been worked by the employee will be logged by the dispatcher and counted for future call out lists.

### **D. Vacations**

Requests for vacations from April 1 to December 31 will be granted according to seniority for requests received between January 1, and March 31. Requests received on April 1 or after will be granted in the order received.

Program managers may limit the number of employees granted vacation at the same time.

**Appendix B-2**  
**[Past Practices]**

**ELECTRICAL INSPECTION DIVISION**

**OVERTIME DISTRIBUTION**

Overtime requests for off-hours inspection are routinely processed by the district electrical inspector assigned to the specific project. The inspector obtains a completed Service Request Form from the property owner, or the owner's agent, and refers it to the Appointing Officer (or designee) for review and assignment. The Appointing Officer (or designee) coordinates overtime assignments, and give priority consideration to the inspector responsible for final acceptance of the specific installation and to the customer's preference for continuity of the inspection process.

## **APPENDIX D: SUBSTANCE ABUSE PREVENTION POLICY**

### **1. MISSION STATEMENT**

- a. Employees are the most valuable resource in the City's effective and efficient delivery of services to the public. The parties have a commitment to prevent drug or alcohol impairment in the workplace and to foster and maintain a drug and alcohol free work environment. The parties also have a mutual interest in preventing accidents and injuries on the job and, by doing so, protecting the health and safety of employees, co-workers, and the public.
- b. In agreeing to implement this Substance Abuse Prevention Policy (SAPP), the parties affirm their belief that substance abuse is a treatable condition. The City is committed to identifying needed resources, both in and outside of the City, for employees who voluntarily seek assistance in getting well. Those employees who voluntarily seek treatment prior to any testing shall not be subject to any repercussions or any potential adverse action for doing so. However, seeking treatment will not excuse prior conduct for which an investigation or disciplinary proceedings have been initiated.
- c. The City is committed to preventing drug or alcohol impairment in the workplace, and to fostering and maintaining a safe work environment free from alcohol and prohibited drugs at all of its work sites and facilities. In addition, the City maintains a drug and alcohol free workplace policy in its Employee Handbook.

### **2. POLICY**

- a. To ensure the safety of the City's employees, co-workers and the public, no employee may sell, purchase, transfer, possess, furnish, manufacture, use or be under the influence of alcohol or Illegal Drugs at any City jobsite, while on City business, or in City facilities.
- b. Any employee, regardless of how the employee's position is funded, who has been convicted of any drug/alcohol-related crime that occurred while on City business or in City facilities, must notify the employee's department head or designee within five (5) days after such conviction. Failure to report within the time limitation shall subject the employee to disciplinary action, up to and including termination.

## **4. COVERED CLASSIFICATIONS**

JULY 1, 2022- JUNE 30, 2024 MOU BETWEEN CITY AND COUNTY  
OF SAN FRANCISCO AND ELECTRICAL WORKERS, LOCAL 6 (IBEW)

## ***APPENDIX D***

All employees shall be subject to post-Accident testing under this Agreement. All employees who perform Safety-Sensitive Functions, as defined in this Policy, shall be subject to reasonable suspicion testing. This policy shall not apply to employees who are required to be tested under the regulations of the United States Department of Transportation.

### **5. SUBSTANCES TO BE TESTED**

a. The City shall test, at its own expense, for alcohol and/or the following drugs:

- 1) Amphetamines
- 2) Barbiturates
- 3) Benzodiazepines
- 4) Cocaine
- 5) Methadone
- 6) Opiates
- 7) PCP
- 8) THC (Cannabis)

b. Prescribed Drugs or Medications.

The City recognizes that Covered Employees may at times have to ingest prescribed drugs or medications. If a Covered Employee takes any drug or medication that a treating physician, pharmacist, or health care professional has informed the employee (orally or on the medication bottle) will interfere with job performance, including driving restrictions or restrictions on the use of Equipment, the employee is required to immediately notify the designated Department representative of those restrictions before performing the employee's job functions.

- 1) Upon receipt of a signed release from the Covered Employee's licensed healthcare provider, the department representative may consult with Covered Employee's healthcare provider to confirm specific job duties that the employee can perform while on prescribed medication. If the employee's healthcare provider is not readily available, or none is given, the department representative may consult with any City-licensed healthcare provider before making a final determination whether the employee may perform the employee's job functions. However, if an employee, at the time of notification, brings in a medical note from the healthcare provider who prescribed the medication clearing the employee to work, then the City shall not restrict that employee from performing the employee's job functions.
- 2) If a Covered Employee is temporarily unable to perform the employee's job because of any potential side effects caused by prescribed medication, the employee shall be reassigned to perform a temporary modified duty assignment consistent with the employee's medical restrictions without loss of pay until either the employee is off the prescribed medication or is cleared by a licensed healthcare provider. This temporary modified duty reassignment shall last for a period of no more than thirty (30) working days. If, after thirty (30) working days, the employee is still on said medication and/or has not been cleared by a licensed healthcare provider to return to

## ***APPENDIX D***

work without restrictions, the City may extend the temporary modified duty assignment for a period not to exceed thirty (30) working days, provided that the healthcare provider certifies that the employee is reasonably anticipated to be able to be able to return to work without restrictions after that thirty (30) day period. Employees who are unable to return to work under this provision shall be referred to the Department's human resources representative designated to engage with employees regarding possible reasonable accommodation under state and federal disability laws.

### **6. TESTING**

#### **I. Reasonable Suspicion Testing**

- a. Reasonable suspicion to test a Covered Employee will exist when contemporaneous, articulable and specific observations concerning the symptoms or manifestations of impairment can be made. These observations shall be documented on the Reasonable Suspicion Report Form attached to this Appendix as Exhibit B. At least three (3) indicia of drug or alcohol impairment must exist, in two (2) separate categories, as listed on the Reasonable Suspicion Report Form. In the alternative, the employer representatives must confirm direct evidence of drug or alcohol impairment as listed on the Reasonable Suspicion Report Form.
- b. Any individual or employee may report another employee who may appear to that individual or employee to be under the influence of alcohol or drugs. Upon receiving a report of possible alcohol or drug use or impairment in the workplace, two (2) trained supervisory employer representatives will independently verify the basis for the suspicion and request testing in person. The first employer representative shall verify and document the employee's appearance and behavior and, if appropriate, recommend testing to the second employer representative. The second employer representative shall verify the contemporaneous basis for the suspicion. If reasonable suspicion to test a Covered Employee arises between 11:00 p.m. and 7:00 a.m., or at a location outside the geographic boundaries of the City and County of San Francisco (excluding San Francisco International Airport), and where a second trained supervisory employer representative cannot reasonably get to the location within thirty (30) minutes, then the second employer representative shall not be required to verify the basis for the suspicion in person, but instead shall verify by telephone or email. After completing the verification, and consulting with the first employer representative, the second employer representative has final authority to require that the Covered Employee be tested.
- c. If the City requires an employee under reasonable suspicion to be tested, then the employee may ask for representation. Representation may include, but is not limited to, union representatives and shop stewards. If the employee requests representation, the City shall allow a reasonable amount of time from the time the employee is notified that the employee will be tested (up to a maximum of one hour) for the employee to obtain representation. Such request shall not delay the administration of

## ***APPENDIX D***

the tests for more than one hour from the time the employee is notified that the employee will be tested.

- d. Department representative(s) shall document the incident. If a Covered Employee Refuses to Submit to testing, then the City shall treat the refusal as a positive test, and shall take appropriate disciplinary action pursuant to the attached discipline matrix.

### **II. Post-Accident Testing**

- a. The City may require a Covered Employee who caused, or may have caused, an Accident, based on information known at the time of the Accident, to submit to drug and/or alcohol testing.
- b. Following an Accident, all Covered Employees subject to testing shall remain readily available for testing. A Covered Employee may be deemed to have refused to submit to substance abuse testing if he or she fails to remain readily available, including failing to notify a supervisor (or designee) of the Accident location, or leaving the scene of the Accident prior to submitting to testing.
- c. Nothing in this section shall delay medical attention for the injured following an Accident or prohibit an employee from leaving the scene of an Accident for the period necessary to obtain assistance in responding to the Accident or to obtain necessary emergency medical care.
- d. If the City requires a Covered Employee to be tested post-Accident, then the employee may ask for representation. Representation may include, but is not limited to, union representatives and shop stewards. If the employee requests representation, the City shall allow a reasonable amount of time from the time the employee is notified that the employee will be tested (a maximum of one hour) for the employee to obtain representation provided that the union representative meet the employee at the Accident site, work location or testing center as determined by the City. Such request shall not delay the administration of the tests for more than one hour from the time the employee is notified that the employee will be tested.
- e. As soon as reasonably possible after the occurrence of an Accident, the supervisor or other City representative at the Accident scene shall make best efforts to contact the Department of Human Resources (DHR) or designee, and DHR or designee shall then make best efforts to telephone the union(s) first designated representative on file with DHR representing the Covered Employee(s) involved in the Accident. If the first designated representative does not answer, DHR or designee shall leave a voice mail message notifying the union of the Accident and telephone the union(s) second designated representative on file with DHR. For purposes of this paragraph, a designated representative shall be any union officer or employee whose telephone number is on file with DHR for the purpose of Accident review. The union may change the designated representative, in writing, as necessary from time to time, but

## ***APPENDIX D***

it is the sole responsibility of the union to ensure that a current telephone number (with voice mail capability) for two designated representatives are on file with DHR.

### **7. TESTING PROCEDURES**

#### **I. Collection Site**

- a. If there is a trained Collector available on site, the City may conduct “on-site” tests (alcohol breathalyzer testing and oral fluid testing). If any of those tests are “Non-Negative,” a confirmation test will be performed. The on-site tests may enable the Covered Employee and the City to know immediately whether that employee has been cleared for work.
- b. If a trained Collector is not available on-site, the staff of a collection facility under contract to the City, or the City's drug testing contractor shall collect oral fluid samples from Covered Employees to test for prohibited drugs.
  - (1.) A Covered Employee appearing at the approved drug collection site must have a minimum of one piece of government-issued photo identification and may not leave the collection site for any reason – unless authorized by the collection agency – until the employee has fully completed all collection procedures. Failure to follow all collection procedures will result in the employee classified as a “Refusal to Submit.”
- c. Covered Employees who Refuse to Test may be subject to disciplinary action, up to and including termination, pursuant to Exhibit A.
- d. Alcohol and drug testing procedures.
  - (1.) Alcohol Testing Procedure. Tests for alcohol concentration on Covered Employees will be conducted with a National Highway Traffic Safety Administration (NHTSA)-approved evidential breath testing device (EBT) operated by a trained breath alcohol technician (BAT). Alcohol tests shall be by breathalyzer using the handheld Alco-Sensor IV Portable Breath Alcohol Analyzer device, or any other U.S. Department of Transportation (DOT) approved breath analyzer device.
  - (2.) Drug Testing Procedure. Tests for drugs shall be by oral fluid collection. The oral fluid specimens shall be collected under direct visual supervision of a Collector and in accordance with the testing device manufacturer’s recommended procedures for collection. Screening results may be provided by the Collector or by a laboratory. Confirmation tests shall be conducted at a laboratory.
  - (3.) The Covered Employee being tested must cooperate fully with the testing procedures.

## ***APPENDIX D***

- (4.) A chain of possession form must be completed by the Collector, hospital, laboratory and/or clinic personnel during the specimen collection and attached to and mailed with the specimens.
- e. After being tested for drugs, the Covered Employee may be barred from returning to work until the department is advised of the final testing result by the MRO. During that period, the Covered Employee will be assigned to work that is not safety-sensitive or placed on paid administrative leave for so long as the Covered Employee is eligible for such leave under the terms of the applicable provision of the City's Administrative Code. The test shall be deemed a negative test if the MRO has not advised of the final testing result by the time the Covered Employee's paid leave has expired under the terms of the applicable provision of the City's Administrative Code.

### **II. Laboratory**

- a. Drug tests shall be conducted by laboratories licensed and approved by SAMSHA which comply with the American Occupational Medical Association (AOMA) ethical standards. Upon advance notice, the parties retain the right to inspect the laboratory to determine conformity with the standards described in this policy. The laboratory will only test for drugs identified in this policy. The City shall bear the cost of all required testing unless otherwise specified herein.
- b. Tests for all controlled substances, except alcohol, shall be by oral fluid testing and shall consist of two procedures, a screen test and, if that is positive, a confirmation test.
- c. To be considered positive for reporting by the laboratory to the City, both samples must be tested separately in separate batches and must also show positive results on the confirmatory test.
- d. In the event of a positive test, the testing laboratory will perform an automatic confirmation test on the original specimen at no cost to the Covered Employee. In addition, the testing laboratory shall preserve a sufficient specimen to permit an independent re-testing at the Covered Employee's request and expense. The same, or any other, approved laboratory may conduct re-tests. The laboratory shall endeavor to notify the designated MRO of positive drug, alcohol, or adulterant tests results within five (5) working days after receipt of the specimen.

### **III. Medical Review Officer (MRO)**

- a. All positive drug, or Substituted, Adulterated, positive-Diluted Specimen, or Invalid Drug Test, as defined herein, will be reported to a Medical Review Officer (MRO). The MRO shall review the test results, and any disclosure made by the Covered Employee, and shall attempt to interview the individual to determine if there is any physiological or medical reason why the result should not be deemed positive. If no extenuating reasons exist, the MRO shall designate the test positive.

## ***APPENDIX D***

- b. When the laboratory reports a confirmed positive, Adulterated, Substituted, positive-Diluted, or Invalid test, it is the responsibility of the MRO to: (a) make good faith efforts to contact the employee and inform the employee of the positive, Adulterated, Substituted, positive-Diluted, or Invalid test result; (b) afford the employee an opportunity to discuss the test results with the MRO; (c) review the employee's medical history, including any medical records and biomedical information provided by the Covered Employee, or the employee's treating physician, to the MRO; and (d) determine whether there is a legitimate medical explanation for the result, including legally prescribed medication. Employees shall identify all prescribed medication(s) that they have taken. If the Covered Employee fails to respond to the MRO within three (3) days, the MRO may deem the Covered Employee's result as a positive result.
- c. The MRO has the authority to verify a positive or Refusal To Test without interviewing the employee in cases where the employee refuses to cooperate, including but not limited to: (a) the employee refused to discuss the test result; or (b) the City directed the employee to contact the MRO, and the employee did not make contact with the MRO within seventy-two (72) hours. In all cases, previously planned leaves may extend this time. The MRO's review of the test results will normally take no more than three (3) to five (5) days from the time the Covered Employee is tested.
- d. If the testing procedures confirm a positive result, as described above, the Covered Employee and the Substance Abuse Prevention Coordinator (SAPC) for the City and departmental HR staff or designee will be notified of the results in writing by the MRO, including the specific quantities. The results of a positive drug test shall not be released until the results are confirmed by the MRO. The Covered Employee may contact the SAPC, or the MRO, to request a drug or adulterant retest within seventy-two (72) hours from notice of a positive test result by the MRO. The requesting party will pay costs of re-tests in advance.
- e. A drug test result that is positive and is a Diluted Specimen will be treated as positive. All drug test results that are determined to be negative and are Diluted Specimens will require that the employee take an immediate retest. If the retest yields a second negative Diluted Specimens result, the test will be treated as a normal negative test, except in the case of subsection (f).
- f. If the final test is confirmed negative, then the Employee shall be made whole, including the cost of the actual laboratory re-testing, if any. Any employee who is subsequently determined to be subject of a false positive shall be made whole for any lost wages and benefits, and shall have their record expunged.
- g. The City shall assure that all specimens confirmed positive will be retained and placed in properly secured long-term frozen storage for a minimum of one (1) year, and be made available for retest as part of any administrative proceedings.
- h. All information from a covered employee's drug and/or alcohol test is confidential for purposes other than determining whether this policy has been violated or

## APPENDIX D

pursuing disciplinary action based upon a violation of this policy. Disclosure of test results to any other person, agency, or organization is prohibited unless written authorization is obtained from the Covered Employee or as required by law.

### 8. RESULTS

For all other post-Accident or reasonable suspicion testing, any test revealing a blood/alcohol level equal to, or greater than, 0.08 percent, or the established California State standard for non-commercial motor vehicle operations, shall be deemed positive. Any test revealing controlled substance confirmation level as shown in the chart below shall be deemed a positive test.

Benzodiazepines	1 ng/ml	0.5 ng/ml
Cocaine	5 ng/ml	8 ng/ml
Methadone	5 ng/ml	10 ng/ml

- b. The City reserves the right to discipline in accordance with the chart set forth in Exhibit A for abuse of prescribed and over-the-counter drugs or medications, pursuant to the testing procedures described above, as determined by the MRO.

### 9. CONSEQUENCES OF POSITIVE TEST RESULTS

For post-Accident or reasonable suspicion, a Covered Employee shall be immediately removed from performing the employee's job or, in the alternative, may be temporarily reassigned to work that is not safety-sensitive if such work is available. The Covered Employee shall be subject to disciplinary action, and shall meet with the SAPC, as set forth in Exhibit A, and section 10 below, if the Covered Employee:

1. Is confirmed to have tested positive for alcohol or drugs;
2. Refuses to Submit to testing; or
3. Has submitted a specimen that the testing laboratory report is an Adulterated or Substituted Specimen.

## **APPENDIX D**

- a. If the Union disagrees with the proposed disciplinary action, it may use the grievance procedure as set forth in the parties' MOU, provided, however, that such a grievance must be initiated at the Employee Relations Director step, unless the parties otherwise mutually agree.
- b. All proposed disciplinary actions imposed because of a positive drug/alcohol test(s) shall be administered pursuant to the disciplinary matrix set forth in Exhibit A. Subject to good cause, the City may impose discipline for conduct in addition to the discipline for a positive drug/alcohol test. The positive test may be a factor in determining good cause for such additional discipline.
- c. In the event the City proposes disciplinary action, the notice of the proposed discipline shall contain copies of all laboratory reports and any other supporting documentation upon which the City is relying to support the proposed discipline.

### **10. RETURN TO DUTY**

The SAPC will meet with a Covered Employee who has tested positive for alcohol and/or drugs. The SAPC will discuss what course of action may be appropriate, if any, and assistance from which the employee may benefit, if any, and will communicate a proposed return-to-work plan, if necessary, to the employee and department. The SAPC may recommend that the Covered Employee voluntarily enter into an appropriate rehabilitation program administered by the Covered Employee's health insurance carrier prior to returning to work. The Covered Employee may not return to work until the SAPC certifies that the employee has a negative test prior to returning to work. In the event that the SAPC does not schedule a return-to-work test before the Covered Employee's return-to-work date, the SAPC shall arrange for the Covered Employee to take a return-to-work test within three (3) working days of the Covered Employee notifying the SAPC in writing of a request to take a return-to-work test. If a Covered Employee fails a return-to-work test, the employee shall be placed on unpaid leave until testing negative but shall not be subject to any additional discipline due to a non-negative return-to-work test. The SAPC will provide a written release to the appropriate department or division certifying the employee's right to return to work.

### **11. TRAINING**

The City or its designated vendor shall provide training on this policy to first-line, working supervisors and up to the Deputy Director level as needed. In addition, all Covered Employees shall be provided with a summary description of the SAPP notifying them of their right to union representation in the event that they are required to be tested.

### **12. ADOPTION PERIOD**

This Policy shall go into effect on June 30, 2014.

### **13. JOINT CITY/UNION COMMITTEE**

## ***APPENDIX D***

The parties agree to work cooperatively to ensure the success of this policy. As such, a Joint City/Union Committee shall be established with two (2) members from the City and two (2) members from each Union, except that no Union shall be required to participate. The Committee shall meet on an annual basis and, in addition, on an as-needed basis to address any implementation issues and review available data concerning the implementation of this policy.

### **14. SAVINGS CLAUSE**

Notwithstanding any existing substance abuse prevention programs, if any provision of an existing department policy, rule, regulation, or resolution is inconsistent with or in conflict with any provision of this policy, this policy shall take precedence. Should any part of this policy be determined contrary to law, such invalidation of that part of this policy will not invalidate the remaining parts. If operational barriers arise that make implementation of any part of this policy impossible or impracticable, such operational barriers will not invalidate the remaining parts of this policy. In the event of a determination that a part of the policy is contrary to law or if operational barriers arise, the parties agree, with the intent of the parties hereto, to immediately meet and negotiate new provision(s) in conformity with the requirements of the applicable law, or which will remove the operational barrier. Should the parties fail to agree on a resolution, the matter will be submitted to binding arbitration using the factors set forth in Charter section A8.409-4(d), and, as appropriate, Charter section 8A.104(n). Otherwise, this policy may only be modified by mutual consent of the parties. Such amendment(s) shall be reduced to writing.

## **APPENDIX E: UNION ACCESS TO NEW EMPLOYEES PROGRAM**

### **I. Purpose**

The purpose of this agreement is to memorialize the rights and obligations of the City and the Union in accordance with CA Government Code Sections 3555-3559, through the creation of a single, City-wide Union Access to New Employees Program applicable to all City Agencies and all City Employee Unions.

### **II. Notice and Access**

- A. The City shall provide the Union written notice of, and access to, new employee orientations (hereinafter NEOs) as set forth below. It is the City's policy that NEOs are mandatory for all newly-hired employees. It is the City's intent that NEOs take place as promptly as possible after the first day of employment. Within thirty (30) calendar days of the start of employment, newly-hired employees will be scheduled to attend the next available NEO. NEOs shall be scheduled during an employee's regularly scheduled, paid time. In the event that a newly-hired employee's regular schedule is outside of a scheduled NEO, the Department may make a one-time adjustment to the employee's work schedule in order to accommodate this requirement.

In the event an employee does not attend the NEO that the employee was scheduled to attend, said employee will be automatically enrolled to attend the next available NEO. If the employee does not attend the subsequently scheduled NEO, the Union NEO Coordinator may contact the Departmental NEO coordinator to arrange a meeting with the employee pursuant to Section F., below.

- B. Application: New employees include, but are not limited to, newly-hired employees whose positions are permanent, temporary, full-time, part-time, per diem, seasonal, provisional, or as-needed.

#### **C. Notice**

1. Single Point of Contact: The Union agrees to provide the City with a single point of contact (hereinafter, Union NEO Coordinator) and the City agrees to provide the Union with a single point of contact for each Department (hereinafter, Departmental NEO Coordinator), which will be updated by the City and the Union on an as-needed basis.
2. Notice of Schedule: For any NEO that takes place on a regular, recurring schedule, the sponsoring Department shall be responsible for providing annual notice to the Union. For NEOs that are not offered on a regular, recurring schedule, the sponsoring Department shall provide no less than ten (10) business days' notice. Said notices shall be provided by email, to the Union NEO Coordinator. This requirement shall apply to all NEOs in which City personnel provide newly-hired employees with information

## ***APPENDIX E***

regarding employment status, rights, benefits, duties, responsibilities, or any other employment-related matters.

3. Notice of Enrollment: Notice shall include a list of new employees represented by the Union scheduled to attend the NEO. If practical, the City agrees to provide additional identifying information including, but not limited to, classification and department. Six months from enactment, in the event the City is unable to provide classification and department information in the Notice of Enrollment, the Union can reopen this Agreement for the sole purpose of meeting and conferring over the identifying information provided in this Section II.C.3 Notice of Enrollment. Said meeting and conferring shall not be subject to the impasse procedures in Government Code Section 3557. The Department sponsoring the NEO shall provide the foregoing information no less than five (5) business days prior to the NEO taking place. The Department will make best efforts to notify the Union NEO Coordinator of any last-minute changes. Onboarding of individual employees for administrative purposes is excluded from this notice requirement.
- D. Citywide and Departmental NEOs: New employees in those Departments identified in Attachment A shall attend a citywide NEO, sponsored by the Department of Human Resources. This citywide NEO shall take place at minimum on a monthly basis. Departments identified in Attachment B will conduct respective Departmental NEOs. At the City's discretion, Departments may be added to or removed from either Attachment A or Attachment B. For the citywide NEO, DHR will adhere to the Department notice requirements in Section C., above. The City will provide the Union with thirty (30) calendar days' notice prior to moving a Department from Attachment A to B, or vice versa. Every City Department shall be listed on either Attachment A or Attachment B.
- E. Access and Presentation: At all NEOs, the Union shall be afforded thirty (30) minutes to meet with represented new employees who are present, unless the Union's Memorandum of Understanding (MOU) provides for more than thirty (30) minutes. The right of the Union to meet with newly-hired employees is limited to only those employees whose classifications fall within the Union's bargaining unit. The City shall ensure privacy for the Union's orientation, and it shall take place without City representatives present. This requirement can be met by providing either a private room or a portion of a room with sufficient distance from other activities in the room to limit disruption. The Department responsible for scheduling the NEO shall be responsible for including Union presentations on the agenda. The Union's presentation shall occur prior to any meal break, and will not be conducted during a scheduled break time. One (1) of the Union's representatives may be a Union member designated by the Union. Such member(s) shall be released to attend under the terms and conditions specified in the MOU. If not otherwise provided for in the MOU, the Union may request release of a Union-designated member to attend the NEO. Release time shall not be unreasonably withheld. Said request shall be made to the Employee Relations Division no less than three (3) business days in advance of the scheduled NEO. The Union agrees to limit its presentation to only those matters stated in Section H., below.
- F. Alternate Procedures: In the event the Union identifies one or more new employees who did not attend the Union's presentation as described in Section E., above, the Union may contact

## ***APPENDIX E***

the Departmental NEO coordinator to schedule a mutually-agreeable fifteen (15) minute time slot for the Union to meet privately with the new employee(s). If the number of such identified employees is five (5) or more at a particular location, the Union NEO Coordinator and Departmental NEO Coordinator will work together to schedule a mutually agreeable thirty (30) minute time slot for the private meeting. One (1) of the Union's representatives may be a Union member designated by the Union, and such member shall be released to attend under the terms and conditions specified in the MOU. If not otherwise provided for in the MOU, the Union may request release of a Union-designated member as provided for in Section E., above. This alternate procedure shall also apply to any employee who has promoted or transferred into the bargaining unit.

1. The Union NEO Coordinator shall coordinate with the new employee(s) referenced in the preceding paragraph and the Departmental NEO Coordinator to schedule a fifteen (15) minute meeting during normally scheduled hours, which shall not be during employee's break or meal period, for the Union representative(s) to meet privately with, and provide materials and information to, the new employee(s). City representatives shall not be present during said meeting. The Union agrees to limit its presentation to only those matters stated in Section H., below.
  2. In the event the proposed time cannot be accommodated, the Union NEO Coordinator and the Departmental NEO Coordinator shall work together to find a mutually agreeable time within ten (10) business days of the Union's request.
  3. Department of Elections: Any new employee of the Department of Elections who is classified as Temporary Exempt (Category 16), whose duration of appointment is one (1) pay period or less, and works on an as-needed work schedule will receive written materials provided by the Union in lieu of attending a Citywide or Departmental NEO, a private meeting with the Union as provided for in Section F., above, or a Periodic Union Orientation as provided for in Section G., below.
- G. Process for Periodic Union Orientations: By mutual agreement, the Union NEO Coordinator and the Departmental NEO Coordinator may schedule periodic thirty (30) minute Union orientations. Periodic Union orientations may be scheduled on an every-other-month, quarterly, or other basis.

The following Departments shall maintain existing Union orientation arrangements: Department of Emergency Management; Sheriff's Department; and Police Department.

The 311 Customer Service Call Center shall maintain existing practice with respect to Union access to 311 Customer Service Agent Training.

- H. Union Orientation Presentations: The Union agrees to limit its presentation to a general introduction to its organization, history, by-laws, and benefits of membership. The Union agrees not to engage in campaigning on behalf of an individual running for public elected office and ballot measures during the NEO, or other topics that would be considered beyond general discussion on the benefits of Union membership.

## ***APPENDIX E***

### **III. Data Provisions**

Subject to the limitations contained in CA Government Code Section 3558, the City shall provide the Union with all required information on newly-hired employees to the extent it is made available to the City. In addition, within ten (10) business days of the conclusion of each NEO, the City agrees to provide the Union with a stand-alone report containing a list of employees, including classification code and division, who were scheduled to, but did not attend each NEO.

### **IV. Hold Harmless**

The Union agrees to hold the City harmless for any disputes that arise between the Union and any new employee over application of this Agreement.

## SIDE LETTER AGREEMENT

### RE: UTILITY ELECTRICIAN SERIES

Subject to the City's Civil Service Rules and the approval of the Civil Service Commission, the Department of Human Resources and the Union will start meeting on or after July 1, 2022 to discuss the possible creation of a Utility Electrician classification series.
