Procedural Steps

33. a. Step 1: An employee having a grievance other than one involving disciplinary suspension or discharge, may first discuss it with the employee's immediate supervisor and try to work out a satisfactory solution in an informal manner. 35. c. Step 3: All grievances involving disciplinary suspension or discharge and any contract grievance not satisfactorily resolved at Step 2 shall be moved in writing to the Appointing Officer for resolution within fourteen (14) working days. In the event that the dispute is not resolved at the Appointing Officer level within fourteen (14) working days either party may move the dispute to Step 4.
36. d. Step 4: Grievances not satisfactorily resolved at Step 3 may be appealed to the Employee Relations Director within fourteen (14) working days of receipt of the Appointing Officer's decision. The Employee Relations Director shall review the appeal and may issue a decision no later than twenty (20) working days following the receipt of the appeal.
37. If the decision of the Employee Relations Director is unsatisfactory to the Union, only the Union may file a written appeal to arbitrate. The Union must file a written appeal to arbitrate within twenty (20) working days from receipt of the Step 4 response.

Selection of the Arbitrator

38. a. When a matter is appealed to arbitration the parties shall first attempt to mutually agree on an arbitrator. In the event no agreement is reached within five (5) working days, the arbitrator shall be selected from a panel obtained through the State Mediation and Conciliation Service.

- 44. b. Non-Probationary and Provisional Employees:
Any permanent employee covered by this Agreement who is non-probationary may be disciplined for just cause. Any provisional employee covered by this Agreement who has served the equivalent of a probationary period may be disciplined for just cause. This provision does not apply to exempt employees. Letters of reprimand and adverse employee evaluations shall not be subject to the grievance procedure unless referenced in a subsequent suspension, discharge or demotion which occurs within 2 years, provided however, that after one year, if there has been no subsequent disciplinary action, such letters of reprimand and/or employee evaluation may not be used to support a disciplinary action.
- 45. c. Union Representation
No interview, investigatory or otherwise, which may reasonably lead to discipline may be conducted with any permanent non-probationary employee, or any provisional employee who has served the equivalent of a probationary period, who requests the presence of a steward and/or other Union representative at such interview. Management shall have an affirmative duty to advise an employee prior to conducting such an interview of his/her right to Union representation at such interview.
- 46. d. "Skelly" Rights
Any permanent non-probationary employee or any provisional employee who has served the equivalent of a probationary period subject to discipline or

ARTICLE I - REPRESENTATION

Expedited Arbitration

- 51. By mutual agreement, the parties may utilize the following procedures:

- 53. The expedited arbitration shall be conducted before an arbitrator, to be mutually selected by the parties, and who shall serve until the parties agree to remove him/her or for twelve months, whichever comes first. A standing expedited arbitration schedule will be established for this process. The parties agree not to utilize court reporters or electronic transcription. The parties further agree not to utilize post-hearing briefs.
- 54. Each party shall bear its own expenses in connection therewith. All fees and expenses of the arbitrator shall be borne and paid in full and shared equally by the parties.
- 55. In the event that an expedited arbitration hearing is canceled resulting in a cancellation fee, the party initiating the request or causing the cancellation shall bear the full cost of the cancellation fee, unless a mutually agreed upon alternative is established.

Termination Appeals

- 56. By mutual agreement, the parties may utilize the following procedures: Termination appeals will be filed directly at Step Four (Employee Relations Division). The parties agree to use their best efforts to schedule arbitration hearings for termination grievances within ninety (90) days of the appeal to arbitration. The parties may mutually agree to use the expedited arbitration process noted immediately above in lieu of regular arbitration.
- 57. The parties will agree in advance on an arbitrator or panel of arbitrators to hear all terminations. In the absence of an agreed-upon arbitrator, the arbitrator will be selected in the manner prescribed in paragraph 38.

66. Except in cases of urgent need, each City department shall post notices of vacancies in a prominent location in the department, and/or at each separate work location of the department, for a period of not less than ten (10) calendar days in order to afford employees interested in reassignment an opportunity to apply for a vacant position. Those employees who work on a Friday that is observed as a holiday in lieu of a holiday falling on Saturday shall be allowed a day off in lieu thereof as scheduled by the appointing officer in the current fiscal year.

The designation of such days off shall be by mutual agreement of the employee and the appropriate supervisor with the approval of the appointing officer. Holiday time off shall be determined by calculating 1/10 of the hours worked by the part-time employee in the bi-weekly pay period immediately preceding the pay period in which the holiday falls. The computation of holiday time off shall be rounded to the nearest hour.

221. (a) An employee who during that portion of his/her anniversary year is absent without pay for a period less than one-sixth of the time required to earn the next increment will have such absence credited as if it were paid service for the purposes of calculating the date of the increment due during the calendar year.

ARTICLE III – PAY, HOURS AND BENEFITS

222. (b) An employee who during that portion of his/her anniversary year is absent without pay for a period in excess of one-sixth of the time required to earn the next prior increment will be credited with actual paid service.

The Appointing Officer shall provide an affected employee at least sixty (60) calendar days' notice prior to the employee's salary anniversary date of any intent to withhold a step increase and the basis for such withholding. However, if the unsatisfactory performance occurs within that time period, the Appointing Officer shall provide reasonable notice of at least 5 days of his/her intent to withhold a step increase at that time.
225. The denial of a step increase is subject to the grievance procedure. An employee's performance evaluation(s), and any facts underlying the performance evaluation(s) or other relevant information, may be used as evidence by either party in an expedited grievance arbitration; provided, however, that nothing in this section is intended to or shall make performance evaluations subject to the grievance procedure.

While the employee is awaiting the arrival of the safety officer, and until the officer has made her/his determination, the employee shall not be required to perform the disputed assignment, and shall be assigned other work.

The Health and Safety expert will hear the matter and will make a finding and a recommendation on only the safety issue.
296. The overtime portion of the detail assignment is voluntary – if an employee chooses not to work the overtime portion of the detail shift the employee must notify the Communications Line Supervisor II who will reassign the weekend shift. The Monday through Friday portion of the detail shift will not be reassigned.

Trades are allowed for the detail shifts and must be approved by the Communications Line Supervisor II. Overtime shifts may be traded but not given away.

In the event of a callout requiring an additional person, Central Fire Alarm Station will follow the Emergency Callout Procedures.

APPENDIX D: SUBSTANCE ABUSE PREVENTION POLICY

1. MISSION STATEMENT

- a. Employees are the most valuable resource in the City's effective and efficient delivery of services to the public. The parties have a commitment to prevent drug or alcohol impairment in the workplace and to foster and maintain a drug and alcohol free work environment. The parties also have a mutual interest in preventing accidents and injuries on the job and, by doing so, protecting the health and safety of employees, co-workers, and the public.
- b. In agreeing to implement this Substance Abuse Prevention Policy (SAPP), the parties affirm their belief that substance abuse is a treatable condition. The City is committed to identifying needed resources, both in and outside of the City, for employees who voluntarily seek assistance in getting well. Those employees who voluntarily seek treatment prior to any testing shall not be subject to any repercussions or any potential adverse action for doing so. However, seeking treatment will not excuse prior conduct for which an investigation or disciplinary proceedings have been initiated.
- c. The City is committed to preventing drug or alcohol impairment in the workplace, and to fostering and maintaining a safe work environment free from alcohol and prohibited drugs at all of its work sites and facilities. In addition, the City maintains a drug and alcohol free workplace policy in its Employee Handbook.

2. POLICY

- a. To ensure the safety of the City's employees, co-workers and the public, no employee may sell, purchase, transfer, possess, furnish, manufacture, use or be under the influence of alcohol or illegal drugs at any City jobsite, while on City business, or in City facilities.
- b. Any employee, regardless of how his/her position is funded, who has been convicted of any drug/alcohol-related crime that occurred while on City business or in City facilities, must notify his/her department head or designee within five (5) days after such conviction. Failure to report within the time limitation shall subject the employee to disciplinary action, up to and including termination.

3. DEFINITIONS

4. COVERED CLASSIFICATIONS

APPENDIX D

All employees shall be subject to post-Accident testing under this Agreement. All employees who perform Safety-Sensitive Functions, as defined in this Policy, shall be subject to reasonable suspicion testing.

5. SUBSTANCES TO BE TESTED

a. The City shall test, at its own expense, for alcohol and/or the following drugs:

- (1.) Amphetamines
- (2.) Barbiturates
- (3.) Benzodiazepines
- (4.) Cocaine
- (5.) Methadone
- (6.) Opiates
- (7.) PCP
- (8.) THC (Cannabis)

b. Prescribed Drugs or Medications.

The City recognizes that Covered Employees may at times have to ingest prescribed drugs or medications. If a Covered Employee takes any drug or medication that a treating physician, pharmacist, or health care professional has informed the employee (orally or on the medication bottle) will interfere with job performance, including driving restrictions or restrictions on the use of Equipment, the employee is required to immediately notify the designated Department representative of those restrictions before performing his/her job functions.

- (1) Upon receipt of a signed release from the Covered Employee's licensed healthcare provider, the department representative may consult with Covered Employee's healthcare provider to confirm specific job duties that the employee can perform while on prescribed medication. If the employee's healthcare provider is not readily available, or none is given, the department representative may consult with any City-licensed healthcare provider before making a final determination whether the employee may perform his/her job functions. However, if an employee, at the time of notification, brings in a medical note from the healthcare provider who prescribed the medication clearing the employee to work, then the City shall not restrict that employee from performing his or her job functions.
- (2) If a Covered Employee is temporarily unable to perform his or her job because of any potential side effects caused by prescribed medication, the employee shall be reassigned to perform a temporary modified duty assignment consistent with the employee's medical restrictions without loss of pay until either the employee is off the prescribed medication or is cleared by a licensed healthcare provider. This temporary modified duty reassignment shall last for a period of no more than thirty (30) working days. If, after thirty (30) working days, the employee is still on said medication and/or has not been cleared by a licensed healthcare provider to return to work without restrictions, the City may extend the temporary modified duty assignment for a period not to exceed thirty (30) working days, provided that the

APPENDIX D

healthcare provider certifies that the employee is reasonably anticipated to be able to be able to return to work without restrictions after that thirty (30) day period. Employees who are unable to return to work under this provision shall be referred to the Department's human resources representative designated to engage with employees regarding possible reasonable accommodation under state and federal disability laws.

6. TESTING

I. Reasonable Suspicion Testing

- a. Reasonable suspicion to test a Covered Employee will exist when contemporaneous, articulable and specific observations concerning the symptoms or manifestations of impairment can be made. These observations shall be documented on the Reasonable Suspicion Report Form attached to this Appendix as Exhibit B. At least three (3) indicia of drug or alcohol impairment must exist, in two (2) separate categories, as listed on the Reasonable Suspicion Report Form. In the alternative, the employer representatives must confirm direct evidence of drug or alcohol impairment as listed on the Reasonable Suspicion Report Form.
- b. Any individual or employee may report another employee who may appear to that individual or employee to be under the influence of alcohol or drugs. Upon receiving a report of possible alcohol or drug use or impairment in the workplace, two (2) trained supervisory employer representatives will independently verify the basis for the suspicion and request testing in person. The first employer representative shall verify and document the employee's appearance and behavior and, if appropriate, recommend testing to the second employer representative. The second employer representative shall verify the contemporaneous basis for the suspicion. If reasonable suspicion to test a Covered Employee arises between 11:00 p.m. and 7:00 a.m., or at a location outside the geographic boundaries of the City and County of San Francisco (excluding San Francisco International Airport), and where a second trained supervisory employer representative cannot reasonably get to the location within thirty (30) minutes, then the second employer representative shall not be required to verify the basis for the suspicion in person, but instead shall verify by telephone or email. After completing the verification, and consulting with the first employer representative, the second employer representative has final authority to require that the Covered Employee be tested.
- c. If the City requires an employee under reasonable suspicion to be tested, then the employee may ask for representation. Representation may include, but is not limited to, union representatives and shop stewards. If the employee requests representation, the City shall allow a reasonable amount of time from the time the employee is notified that he or she will be tested (up to a maximum of one hour) for the employee to obtain representation. Such request shall not delay the administration of the tests for more than one hour from the time the employee is notified that he or she will be tested.

APPENDIX D

- d. Department representative(s) shall document the incident. If a Covered Employee Refuses to Submit to testing, then the City shall treat the refusal as a positive test, and shall take appropriate disciplinary action pursuant to the attached discipline matrix.

II. Post-Accident Testing

- a. The City may require a Covered Employee who caused, or may have caused, an Accident, based on information known at the time of the Accident, to submit to drug and/or alcohol testing.
- b. Following an Accident, all Covered Employees subject to testing shall remain readily available for testing. A Covered Employee may be deemed to have refused to submit to substance abuse testing if he or she fails to remain readily available, including failing to notify a supervisor (or designee) of the Accident location, or leaving the scene of the Accident prior to submitting to testing.
- c. Nothing in this section shall delay medical attention for the injured following an Accident or prohibit an employee from leaving the scene of an Accident for the period necessary to obtain assistance in responding to the Accident or to obtain necessary emergency medical care.
- d. If the City requires a Covered Employee to be tested post-Accident, then the employee may ask for representation. Representation may include, but is not limited to, union representatives and shop stewards. If the employee requests representation, the City shall allow a reasonable amount of time from the time the employee is notified that he or she will be tested (a maximum of one hour) for the employee to obtain representation provided that the union representative meet the employee at the Accident site, work location or testing center as determined by the City. Such request shall not delay the administration of the tests for more than one hour from the time the employee is notified that he or she will be tested.
- e. As soon as reasonably possible after the occurrence of an Accident, the supervisor or other City representative at the Accident scene shall make best efforts to contact the Department of Human Resources (DHR) or designee, and DHR or designee shall then make best efforts to telephone the union(s) first designated representative on file with DHR representing the Covered Employee(s) involved in the Accident. If the first designated representative does not answer, DHR or designee shall leave a voice mail message notifying the union of the Accident and telephone the union(s) second designated representative on file with DHR. For purposes of this paragraph, a designated representative shall be any union officer or employee whose telephone number is on file with DHR for the purpose of Accident review. The union may change the designated representative, in writing, as necessary from time to time, but it is the sole responsibility of the union to ensure that a current telephone number (with voice mail capability) for two designated representatives are on file with DHR.

7. TESTING PROCEDURES

I. Collection Site

APPENDIX D

- a. If there is a trained Collector available on site, the City may conduct “on-site” tests (alcohol breathalyzer testing and oral fluid testing). If any of those tests are “Non-Negative,” a confirmation test will be performed. The on-site tests may enable the Covered Employee and the City to know immediately whether that employee has been cleared for work.
- b. If a trained Collector is not available on-site, the staff of a collection facility under contract to the City, or the City's drug testing contractor shall collect oral fluid samples from Covered Employees to test for prohibited drugs.
 - (1.) A Covered Employee presenting herself/himself at the approved drug collection site must have a minimum of one piece of government-issued photo identification and may not leave the collection site for any reason – unless authorized by the collection agency – until (s)he has fully completed all collection procedures. Failure to follow all collection procedures will result in the employee classified as a “Refusal to Submit.”
- c. Covered Employees who Refuse to Test may be subject to disciplinary action, up to and including termination, pursuant to Exhibit A.
- d. Alcohol and drug testing procedures.
 - (1.) Alcohol Testing Procedure. Tests for alcohol concentration on Covered Employees will be conducted with a National Highway Traffic Safety Administration (NHTSA)-approved evidential breath testing device (EBT) operated by a trained breath alcohol technician (BAT). Alcohol tests shall be by breathalyzer using the handheld Alco-Sensor IV Portable Breath Alcohol Analyzer device, or any other U.S. Department of Transportation (DOT) approved breath analyzer device.
 - (2.) Drug Testing Procedure. Tests for drugs shall be by oral fluid collection. The oral fluid specimens shall be collected under direct visual supervision of a Collector and in accordance with the testing device manufacturer’s recommended procedures for collection. Screening results may be provided by the Collector or by a laboratory. Confirmation tests shall be conducted at a laboratory.
 - (3.) The Covered Employee being tested must cooperate fully with the testing procedures.
 - (4.) A chain of possession form must be completed by the Collector, hospital, laboratory and/or clinic personnel during the specimen collection and attached to and mailed with the specimens.
- e. After being tested for drugs, the Covered Employee may be barred from returning to work until the department is advised of the final testing result by the MRO. During that period, the Covered Employee will be assigned to work that is not safety-sensitive or placed on paid administrative leave for so long as the Covered Employee is eligible

APPENDIX D

for such leave under the terms of the applicable provision of the City's Administrative Code. The test shall be deemed a negative test if the MRO has not advised of the final testing result by the time the Covered Employee's paid leave has expired under the terms of the applicable provision of the City's Administrative Code.

II. Laboratory

- a. Drug tests shall be conducted by laboratories licensed and approved by SAMSHA which comply with the American Occupational Medical Association (AOMA) ethical standards. Upon advance notice, the parties retain the right to inspect the laboratory to determine conformity with the standards described in this policy. The laboratory will only test for drugs identified in this policy. The City shall bear the cost of all required testing unless otherwise specified herein.
- b. Tests for all controlled substances, except alcohol, shall be by oral fluid testing and shall consist of two procedures, a screen test and, if that is positive, a confirmation test.
- c. To be considered positive for reporting by the laboratory to the City, both samples must be tested separately in separate batches and must also show positive results on the confirmatory test.
- d. In the event of a positive test, the testing laboratory will perform an automatic confirmation test on the original specimen at no cost to the Covered Employee. In addition, the testing laboratory shall preserve a sufficient specimen to permit an independent re-testing at the Covered Employee's request and expense. The same, or any other, approved laboratory may conduct re-tests. The laboratory shall endeavor to notify the designated MRO of positive drug, alcohol, or adulterant tests results within five (5) working days after receipt of the specimen.

III. Medical Review Officer (MRO)

- a. All positive drug, or Substituted, Adulterated, positive-Diluted Specimen, or Invalid Drug Test, as defined herein, will be reported to a Medical Review Officer (MRO). The MRO shall review the test results, and any disclosure made by the Covered Employee, and shall attempt to interview the individual to determine if there is any physiological or medical reason why the result should not be deemed positive. If no extenuating reasons exist, the MRO shall designate the test positive.
- b. When the laboratory reports a confirmed positive, Adulterated, Substituted, positive-Diluted, or Invalid test, it is the responsibility of the MRO to: (a) make good faith efforts to contact the employee and inform him or her of the positive, Adulterated, Substituted, positive-Diluted, or Invalid test result; (b) afford the employee an opportunity to discuss the test results with the MRO; (c) review the employee's medical history, including any medical records and biomedical information provided by the Covered Employee, or his treating physician, to the MRO; and (d) determine whether there is a legitimate medical explanation for the result, including legally prescribed medication. Employees shall identify all prescribed medication(s) that they have taken. If the Covered Employee fails to respond to

APPENDIX D

the MRO within three (3) days, the MRO may deem the Covered Employee's result as a positive result.

- c. The MRO has the authority to verify a positive or Refusal To Test without interviewing the employee in cases where the employee refuses to cooperate, including but not limited to: (a) the employee refused to discuss the test result; or (b) the City directed the employee to contact the MRO, and the employee did not make contact with the MRO within seventy-two (72) hours. In all cases, previously planned leaves may extend this time. The MRO's review of the test results will normally take no more than three (3) to five (5) days from the time the Covered Employee is tested.
- d. If the testing procedures confirm a positive result, as described above, the Covered Employee and the Substance Abuse Prevention Coordinator (SAPC) for the City and departmental HR staff or designee will be notified of the results in writing by the MRO, including the specific quantities. The results of a positive drug test shall not be released until the results are confirmed by the MRO. The Covered Employee may contact the SAPC, or the MRO, to request a drug or adulterant retest within seventy-two (72) hours from notice of a positive test result by the MRO. The requesting party will pay costs of re-tests in advance.
- e. A drug test result that is positive and is a Diluted Specimen will be treated as positive. All drug test results that are determined to be negative and are Diluted Specimens will require that the employee take an immediate retest. If the retest yields a second negative Diluted Specimens result, the test will be treated as a normal negative test, except in the case of subsection (f).
- f. If the final test is confirmed negative, then the Employee shall be made whole, including the cost of the actual laboratory re-testing, if any. Any employee who is subsequently determined to be subject of a false positive shall be made whole for any lost wages and benefits, and shall have their record expunged.
- g. The City shall assure that all specimens confirmed positive will be retained and placed in properly secured long-term frozen storage for a minimum of one (1) year, and be made available for retest as part of any administrative proceedings.
- h. All information from a covered employee's drug and/or alcohol test is confidential for purposes other than determining whether this policy has been violated or pursuing disciplinary action based upon a violation of this policy. Disclosure of test results to any other person, agency, or organization is prohibited unless written authorization is obtained from the Covered Employee or as required by law.

APPENDIX D

testing, any test revealing a blood/alcohol level equal to, or greater than, 0.08 percent, or the established California State standard for non-commercial motor vehicle operations, shall be deemed positive. - b. The City reserves the right to discipline in accordance with the chart set forth in Exhibit A for abuse of prescribed and over-the-counter drugs or medications, pursuant to the testing procedures described above, as determined by the MRO.

9. CONSEQUENCES OF POSITIVE TEST RESULTS

For post-Accident or reasonable suspicion, a Covered Employee shall be immediately removed from performing his or her job or, in the alternative, may be temporarily reassigned to work that is not safety-sensitive if such work is available. The Covered Employee shall be subject to disciplinary action, and shall meet with the SAPC, as set forth in Exhibit A, and section 10 below, if the Covered Employee:

- 1. Is confirmed to have tested positive for alcohol or drugs;
 - 2. Refuses to Submit to testing; or
 - 3. Has submitted a specimen that the testing laboratory report is an Adulterated or Substituted Specimen.
- a. If the Union disagrees with the proposed disciplinary action, it may use the grievance procedure as set forth in the parties’ MOU, provided, however, that such a grievance must be initiated at the Employee Relations Director step, unless the parties otherwise mutually agree.
 - b. All proposed disciplinary actions imposed because of a positive drug/alcohol test(s) shall be administered pursuant to the disciplinary matrix set forth in Exhibit A. Subject to good cause, the City may impose discipline for conduct in addition to the discipline for a positive

APPENDIX D

drug/alcohol test. The positive test may be a factor in determining good cause for such additional discipline.

- c. In the event the City proposes disciplinary action, the notice of the proposed discipline shall contain copies of all laboratory reports and any other supporting documentation upon which the City is relying to support the proposed discipline.

10. RETURN TO DUTY

The SAPC will meet with a Covered Employee who has tested positive for alcohol and/or drugs. The SAPC will discuss what course of action may be appropriate, if any, and assistance from which the employee may benefit, if any, and will communicate a proposed return-to-work plan, if necessary, to the employee and department. The SAPC may recommend that the Covered Employee voluntarily enter into an appropriate rehabilitation program administered by the Covered Employee's health insurance carrier prior to returning to work. The Covered Employee may not return to work until the SAPC certifies that he or she has a negative test prior to returning to work. In the event that the SAPC does not schedule a return-to-work test before the Covered Employee's return-to-work date, the SAPC shall arrange for the Covered Employee to take a return-to-work test within three (3) working days of the Covered Employee notifying the SAPC in writing of a request to take a return-to-work test. If a Covered Employee fails a return-to-work test, he or she shall be placed on unpaid leave until testing negative but shall not be subject to any additional discipline due to a non-negative return-to-work test. The SAPC will provide a written release to the appropriate department or division certifying the employee's right to return to work.

11. TRAINING

The City or its designated vendor shall provide training on this policy to first-line, working supervisors and up to the Deputy Director level as needed. In addition, all Covered Employees shall be provided with a summary description of the SAPP notifying them of their right to union representation in the event that they are required to be tested.

12. ADOPTION PERIOD

This Policy shall go into effect on June 30, 2014.

13. JOINT CITY/UNION COMMITTEE

The parties agree to work cooperatively to ensure the success of this policy. As such, a Joint City/Union Committee shall be established with two (2) members from the City and two (2) members from each Union, except that no Union shall be required to participate. The Committee shall meet on an annual basis and, in addition, on an as-needed basis to address any implementation issues and review available data concerning the implementation of this policy.

14. SAVINGS CLAUSE

APPENDIX D

Notwithstanding any existing substance abuse prevention programs, if any provision of an existing department policy, rule, regulation, or resolution is inconsistent with or in conflict with any provision of this policy, this policy shall take precedence. Should any part of this policy be determined contrary to law, such invalidation of that part of this policy will not invalidate the remaining parts. If operational barriers arise that make implementation of any part of this policy impossible or impracticable, such operational barriers will not invalidate the remaining parts of this policy. In the event of a determination that a part of the policy is contrary to law or if operational barriers arise, the parties agree, with the intent of the parties hereto, to immediately meet and negotiate new provision(s) in conformity with the requirements of the applicable law, or which will remove the operational barrier. Should the parties fail to agree on a resolution, the matter will be submitted to binding arbitration using the factors set forth in Charter section A8.409-4(d), and, as appropriate, Charter section 8A.104(n). Otherwise, this policy may only be modified by mutual consent of the parties. Such amendment(s) shall be reduced to writing.

APPENDIX E: UNION ACCESS TO NEW EMPLOYEES PROGRAM

I. Purpose

The purpose of this agreement is to memorialize the rights and obligations of the City and the Union in accordance with CA Government Code Sections 3555-3559, through the creation of a single, City-wide Union Access to New Employees Program applicable to all City Agencies and all City Employee Unions.

II. Notice and Access

- A. The City shall provide the Union written notice of, and access to, new employee orientations (hereinafter NEOs) as set forth below. It is the City's policy that NEOs are mandatory for all newly-hired employees. It is the City's intent that NEOs take place as promptly as possible after the first day of employment. Within thirty (30) calendar days of the start of employment, newly-hired employees will be scheduled to attend the next available NEO. NEOs shall be scheduled during an employee's regularly scheduled, paid time. In the event that a newly-hired employee's regular schedule is outside of a scheduled NEO, the Department may make a one-time adjustment to the employee's work schedule in order to accommodate this requirement.

In the event an employee does not attend the NEO that the employee was scheduled to attend, said employee will be automatically enrolled to attend the next available NEO. If the employee does not attend the subsequently scheduled NEO, the Union NEO Coordinator may contact the Departmental NEO coordinator to arrange a meeting with the employee pursuant to Section F., below.

- B. Application: New employees include, but are not limited to, newly-hired employees whose positions are permanent, temporary, full-time, part-time, per diem, seasonal, provisional, or as-needed.

C. Notice

1. Single Point of Contact: The Union agrees to provide the City with a single point of contact (hereinafter, Union NEO Coordinator) and the City agrees to provide the Union with a single point of contact for each Department (hereinafter, Departmental NEO Coordinator), which will be updated by the City and the Union on an as-needed basis.
2. Notice of Schedule: For any NEO that takes place on a regular, recurring schedule, the sponsoring Department shall be responsible for providing annual notice to the Union. For NEOs that are not offered on a regular, recurring schedule, the sponsoring Department shall provide no less than ten (10) business days' notice. Said notices shall be provided by email, to the Union NEO Coordinator. This requirement shall apply to all NEOs in which City personnel provide newly-hired employees with information

APPENDIX E

regarding employment status, rights, benefits, duties, responsibilities, or any other employment-related matters.

3. Notice of Enrollment: Notice shall include a list of new employees represented by the Union scheduled to attend the NEO. If practical, the City agrees to provide additional identifying information including, but not limited to, classification and department. Six months from enactment, in the event the City is unable to provide classification and department information in the Notice of Enrollment, the Union can reopen this Agreement for the sole purpose of meeting and conferring over the identifying information provided in this Section II.C.3 Notice of Enrollment. Said meeting and conferring shall not be subject to the impasse procedures in Government Code Section 3557. The Department sponsoring the NEO shall provide the foregoing information no less than five (5) business days prior to the NEO taking place. The Department will make best efforts to notify the Union NEO Coordinator of any last-minute changes. Onboarding of individual employees for administrative purposes is excluded from this notice requirement.
- D. Citywide and Departmental NEOs: New employees in those Departments identified in Attachment A shall attend a citywide NEO, sponsored by the Department of Human Resources. This citywide NEO shall take place at minimum on a monthly basis. Departments identified in Attachment B will conduct respective Departmental NEOs. At the City's discretion, Departments may be added to or removed from either Attachment A or Attachment B. For the citywide NEO, DHR will adhere to the Department notice requirements in Section C., above. The City will provide the Union with thirty (30) calendar days' notice prior to moving a Department from Attachment A to B, or vice versa. Every City Department shall be listed on either Attachment A or Attachment B.
- E. Access and Presentation: At all NEOs, the Union shall be afforded thirty (30) minutes to meet with represented new employees who are present, unless the Union's Memorandum of Understanding (MOU) provides for more than thirty (30) minutes. The right of the Union to meet with newly-hired employees is limited to only those employees whose classifications fall within the Union's bargaining unit. The City shall ensure privacy for the Union's orientation, and it shall take place without City representatives present. This requirement can be met by providing either a private room or a portion of a room with sufficient distance from other activities in the room to limit disruption. The Department responsible for scheduling the NEO shall be responsible for including Union presentations on the agenda. The Union's presentation shall occur prior to any meal break, and will not be conducted during a scheduled break time. One (1) of the Union's representatives may be a Union member designated by the Union. Such member(s) shall be released to attend under the terms and conditions specified in the MOU. If not otherwise provided for in the MOU, the Union may request release of a Union-designated member to attend the NEO. Release time shall not be unreasonably withheld. Said request shall be made to the Employee Relations Division no less than three (3) business days in advance of the scheduled NEO. The Union agrees to limit its presentation to only those matters stated in Section H., below.
- F. Alternate Procedures: In the event the Union identifies one or more new employees who did not attend the Union's presentation as described in Section E., above, the Union may contact

APPENDIX E

the Departmental NEO coordinator to schedule a mutually-agreeable fifteen (15) minute time slot for the Union to meet privately with the new employee(s). If the number of such identified employees is five (5) or more at a particular location, the Union NEO Coordinator and Departmental NEO Coordinator will work together to schedule a mutually agreeable thirty (30) minute time slot for the private meeting. One (1) of the Union's representatives may be a Union member designated by the Union, and such member shall be released to attend under the terms and conditions specified in the MOU. If not otherwise provided for in the MOU, the Union may request release of a Union-designated member as provided for in Section E., above. This alternate procedure shall also apply to any employee who has promoted or transferred into the bargaining unit.

1. The Union NEO Coordinator shall coordinate with the new employee(s) referenced in the preceding paragraph and the Departmental NEO Coordinator to schedule a fifteen (15) minute meeting during normally scheduled hours, which shall not be during employee's break or meal period, for the Union representative(s) to meet privately with, and provide materials and information to, the new employee(s). City representatives shall not be present during said meeting. The Union agrees to limit its presentation to only those matters stated in Section H., below.
 2. In the event the proposed time cannot be accommodated, the Union NEO Coordinator and the Departmental NEO Coordinator shall work together to find a mutually agreeable time within ten (10) business days of the Union's request.
 3. Department of Elections: Any new employee of the Department of Elections who is classified as Temporary Exempt (Category 16), whose duration of appointment is one (1) pay period or less, and works on an as-needed work schedule will receive written materials provided by the Union in lieu of attending a Citywide or Departmental NEO, a private meeting with the Union as provided for in Section F., above, or a Periodic Union Orientation as provided for in Section G., below.
- G. Process for Periodic Union Orientations: By mutual agreement, the Union NEO Coordinator and the Departmental NEO Coordinator may schedule periodic thirty (30) minute Union orientations. Periodic Union orientations may be scheduled on an every-other-month, quarterly, or other basis.

The following Departments shall maintain existing Union orientation arrangements: Department of Emergency Management; Sheriff's Department; and Police Department.

The 311 Customer Service Call Center shall maintain existing practice with respect to Union access to 311 Customer Service Agent Training.

- H. Union Orientation Presentations: The Union agrees to limit its presentation to a general introduction to its organization, history, by-laws, and benefits of membership. The Union agrees not to engage in campaigning on behalf of an individual running for public elected office and ballot measures during the NEO, or other topics that would be considered beyond general discussion on the benefits of Union membership.

APPENDIX E

III. Data Provisions

Subject to the limitations contained in CA Government Code Section 3558, the City shall provide the Union with all required information on newly-hired employees to the extent it is made available to the City. In addition, within ten (10) business days of the conclusion of each NEO, the City agrees to provide the Union with a stand-alone report containing a list of employees, including classification code and division, who were scheduled to, but did not attend each NEO.

IV. Hold Harmless

The Union agrees to hold the City harmless for any disputes that arise between the Union and any new employee over application of this Agreement.
