Any such extension must be confirmed in writing. All time limits referred to in this section are binding on each party. If the Union fails to follow the time limits (unless mutually extended), the grievance shall be considered withdrawn. 25. The grievant may have a Union representative present at all steps of the grievance procedure.
26. Step 1: An employee shall discuss the grievance informally with his/her immediate supervisor as soon as possible but in no case later than fifteen (15) days from the date of the occurrence of the act or the date the grievant might reasonably have been expected to have learned of the alleged violation being grieved. The Employee Relations Director shall respond to the appeal in writing within fifteen (15) days of receipt of the Step 3 grievance.

29. If the Union is dissatisfied with the Step 3 response it may invoke arbitration by notifying the Employee Relations Director in writing, within twenty (20) days of the date of the Step 3 decision.

Selection of the Arbitrator

30. When a matter is appealed to arbitration the parties shall first attempt to mutually agree upon an Arbitrator to hear the matter. In the event no agreement is reached within fifteen (15) days, or any extension of time mutually agreed upon the parties shall request that the State Mediation and Conciliation Service provide the parties with a list of seven (7) potential arbitrators. The parties, by lot, shall alternately strike names from the list, and the name that remains shall be the arbitrator designated to hear the particular matter.
31. The parties may, by mutual agreement, agree to an alternate method of arbitrator selection and appointment, including, the expedited appointment of an arbitrator from a list provided by the State Mediation and Conciliation Service.
32. The parties shall schedule the arbitration hearing within thirty (30) days of selecting the Arbitrator, which shall be no later than sixty (60) days from the date of the ERD letter acknowledging the Union's request to arbitrate. If the Union fails to select an arbitrator and schedule a hearing, the grievance shall be considered withdrawn.

Authority of the Arbitrator

33. The arbitrator shall have no authority to add to, subtract from, modify or amend the terms of this Agreement. The decision of the Arbitrator shall be final and binding on all Parties.

Fees and Expenses of Arbitrator

34. Each party shall bear its own expenses in connection with the arbitration, including, but not limited to, witness and attorney's fees, and any fees for preparation of the case. Transcripts shall not be required except that either party may request a transcript provided, however, that the party making such a request shall be solely responsible for the cost: All fees and expenses of the arbitrator and the court reporter, if any, shall be split equally between the parties.

Hearing Dates and Date of Award

35. The parties shall make their best efforts to schedule hearings within forty (40) days of selection of an arbitrator. Awards shall be due within forty (40) days following the receipt of closing arguments. As a condition of appointment arbitrators shall be advised of this requirement and shall certify their willingness to abide by these time limits.
36. Any claim for monetary relief shall not extend more than twenty (20) days prior to the filing of a grievance, unless considerations of equity or bad faith justify a greater entitlement. The arbitrator shall be required to deduct from any monetary awards all income derived

from any subsequent employment or unemployment compensation received by the employee.

37. In the event a grievance is not filed or appealed in a timely manner it shall be dismissed. Failure of the City to timely reply to a grievance shall authorize appeal to the next grievance step.
 38. Grievances of disciplinary suspensions of not greater than fifteen (15) days, and grievances of contract interpretation where the remedy requested would not require approval by the Board of Supervisors shall be resolved through an expedited arbitration process; however, by mutual agreement, the parties may move such matters out of the expedited process to regular arbitration procedures provided herein.
- Expedited Arbitration
39. The expedited arbitration shall be conducted before an arbitrator, to be mutually selected by the parties, and who shall serve until the parties agree to remove him/her or for twelve months, whichever comes first. A standing quarterly expedited arbitration schedule will be established for this process. The parties agree not to utilize court reporters or electronic transcription. The parties further agree not to utilize post-hearing briefs.
 40. For Fiscal Year 12-13, the City agrees to schedule two arbitrators per month available to conduct expedited arbitrations. The City may, at its sole discretion, cancel any expedited arbitration sessions in time to avoid a cancellation fee if there are no expedited arbitrations calendared for that month. Additional arbitrators may be scheduled for Fiscal Year 13-14, if the City and the Union agree that there is sufficient demand to do so.
 41. Each party shall bear its own expenses in connection therewith. All fees and expenses of the arbitrator shall be borne and paid in full and shared equally by the parties.
 42. In the event that an expedited arbitration hearing is canceled resulting in a cancellation fee, the party initiating the request or causing the cancellation shall bear the full cost of the cancellation fee, unless a mutually agreed upon alternative is established.

ARTICLE II - EMPLOYMENT CONDITIONS

II.A. NON-DISCRIMINATION

73. The City and the Union agree that this Agreement shall be administered in a nondiscriminatory manner and that no person covered by this Agreement shall in any way be discriminated against because of race, color, creed, religion, sex, sexual orientation, national origin, physical or mental disability, age, political affiliation or opinion or union membership or activity, or non-membership, nor shall a person be subject to sexual harassment. The City shall expedite the handling of complaints of sexual harassment pursuant to Section 16.9-25 of the Administrative Code.
74. Discrimination and sexual harassment as used herein shall mean discrimination and sexual harassment as defined by Title VII of the 1964 Civil Rights Act, as amended, the Civil Rights Act of 1991, the California Fair Employment and Housing Act, the Americans with Disabilities Act, the California and United States Constitutions, the Equal Pay Act of 1963, the Age Discrimination in Employment Act of 1967, and the Civil Rights Acts of 1866.
75. A complaint of discrimination or sexual harassment may, at the option of the employee, group of employees, or the Union, be processed through the grievance and arbitration procedures of this Agreement, or through the applicable Civil Service rules, the City Administrative Code and federal and state law. Provided however, if the employee, group of employees, or the Union elects to pursue remedies for discrimination or sexual harassment complaints outside the procedure of this Agreement, it shall constitute a waiver of the right to pursue that complaint through the grievance and arbitration process. In order to elect to pursue the complaint through the grievance and arbitration process, each employee who so elects must waive the right to pursue the complaint in other forums in a form acceptable to the City Attorney.

II.B. PERSONNEL FILES

76. Except for routine payroll and personnel administration documents, an employee shall have the opportunity to review, sign and date any and all material to be included in the file. The employee may also attach a response to such materials within thirty (30) days of receipt. Except for routine payroll and personnel administration documents, all material in the file must be signed and dated by the author.
77. Upon request of an employee to the Appointing Officer or designee, material relating to disciplinary actions in the employee's personnel file which have been in the file for more than four (4) years of actual work shall be "sealed" (i.e. shall remain confidential) to the maximum extent legally permissible, provided the employee has no subsequent disciplinary action since the date of such prior action. If an employee has a pending disciplinary action, (s)he shall not be permitted to remove or request to seal any material relating to any

The above provision shall not apply in the case of employees disciplined due to misappropriation of public funds or property; misuse or destruction of public property; drug addiction or habitual intemperance; mistreatment of persons; immorality; acts which would constitute a felony or misdemeanor involving moral turpitude; acts which present an immediate danger to the public health and safety. In such cases, an employee's request for removal may be considered on a case by case basis, depending upon the circumstances, by the Appointing Officer or designee.
79. Once the statute of limitations for the filing of civil litigation has run involving any material that has been sealed, the removal provisions of paragraph one shall apply.
80. It is understood that replacing the word "removed" with the word "sealed" above shall not be construed to change the intent of this section with respect to the department's access to such material. Rather, the intent of this change is to assure that the material is not discarded or destroyed so that it is available to the City Attorney only on an as needed basis. In the event a sealed file is to be opened, the department will notify the employee and allow the employee and his/her representative to be present.
81. No action to impose discipline against an employee shall be initiated more than thirty (30) days from the date the employer knows of the conduct and has completed a diligent and timely investigation except for conduct which would constitute the commission of a crime. The discipline imposed may take into account conduct that is documented in the employee's personnel file or was the subject of a prior disciplinary action.

II.C. SENIORITY

82. It is recognized that the Appointing Authority has the sole authority regarding work shift assignments and the assignment of work generally. This provision shall not apply in the event the employee does not receive SDI benefit payments or during the follow-up period established by the SAP after a positive test.

6. Non-Paid Status During Treatment After Positive Test

368. The employee will be in a non-pay status during any absence for evaluation or treatment, while participating in a rehabilitation program.

7. Education and Training

369. The foundation of this Program is education and voluntary compliance. It is recognized that alcohol and chemical dependency may make voluntary cessation of use difficult, and one of the Program's principal aims is to make voluntary steps toward ending substance abuse easily available.
370. The Joint Labor/Management Committee shall review and develop on-going educational and training information on the adverse consequences of substance abuse and the responsibility to avoid being under the influence of alcohol or chemicals at work. The Director of Transportation and the SAP shall act on the training program developed by the Committee. Certain training required by the DOT Regulations shall be conducted by the SAP.

8. Confidentiality

371. Participation in the EAP shall be confidential and shall be conducted in accordance with DOT and DHHS standards.

ARTICLE IV – WORKING CONDITIONS

9. Funding

372. During the term of this Agreement the Employee Assistance Program shall be funded by the City in an amount not to exceed \$75,000 each fiscal year.

10. Special Provisions

373. Any proposed discipline resulting from the FTA Drug and alcohol testing program shall be in accordance with this agreement. The MTA and the City recognize the rights of employees and/or the Unions, who may consider themselves aggrieved by any discipline proposed, to raise such grievance through the authorized grievance procedure. The Director of Transportation will act in a fair and equitable manner, and shall prescribe that no personnel hired, contracted, selected or directly involved in the drug and alcohol testing program shall propose or render discipline.

IV.E. SUBSTANCE ABUSE TESTING PROGRAM AND PREVENTION POLICY

374. Attached hereto as Appendix B, is the City's current Substance Abuse Prevention Policy; this policy shall remain in effect until the City implements the Substance Abuse Prevention Policy set forth in Appendix C. Appendix C will be implemented, upon notice to the Union, after acquisition of a vendor to provide oral fluid testing.
375. If the City implements a Substance Abuse Prevention Policy with the Consolidated Crafts, Electricians, Plumbers, Stationary Engineers and/or TWU 250A, the parties shall meet and confer on implementing the terms of the Substance Abuse Prevention Policy, subject to the impasse resolution procedure set forth in Charter Section A8.409-4.

IV.F. DIRECT DEPOSIT OF PAYMENTS

376. Effective on a date to be established by the Controller, but not sooner than September 1, 2014, the City shall implement a Citywide “Paperless Pay” Policy. This policy will apply to all City employees, regardless of start date.
377. Under the policy, all employees shall be able to access their pay advices electronically on a password protected site, and print them in a confidential manner, using City Internet, computers and printers. Such use of City equipment shall be free of charge to employees, is expressly authorized under this section of the Agreement, and shall not be considered “inappropriate use” under any City policy. Pay advices shall also be available to employees on a password protected site that is accessible from home or other non-worksite computers, and that allows the employees to print the pay advices. Employees shall receive assistance to print hard copies of their pay advices through their payroll offices upon request. Upon implementation of the policy, other than for employees described in the preceding sentence, paper pay advices will no longer be available through Citywide central payroll distribution.
378. In addition to payroll information already provided, the pay advices shall reflect usage and balance (broken out for vacation, sick leave, etc.) the employee’s hours of compensatory

time, overtime, and premiums earned during the relevant payroll period. The City shall maintain electronic pay advices and/or wage statements for at least seven (7) years.

379. Under the policy, all employees (regardless of start date) will have two options for receiving pay: direct deposit or pay card. Employees not signing up for either option will be defaulted into pay cards.
380. Every employee shall possess the right to do the following with any frequency and without incurring any cost to the employee:
1. Change the account into which the direct deposit is made;
 2. Switch from the direct deposit option to the pay card option, or vice versa;
 3. Obtain a new pay card the first time the employee's pay card is lost, stolen or misplaced;
381. The City assures that the pay card shall be FDIC insured. The City further assures that in the event of an alleged overpayment by the City to the employee, the City shall not unilaterally reverse a payment to the direct deposit account or pay card.
382. Prior to implementing the "Paperless Pay Policy," the City will give all employee organizations a minimum of 30-days' advance notice. Prior to implementation of the policy, the City shall notify employees regarding the policy, including how to access and print their pay advices at work or elsewhere. Training shall be available for employees who need additional assistance.
383. The City will work with the vendor to evaluate options to provide no-cost ATMs available at large worksites and remote worksites.
384. The parties mutually agree that employees may print out pay advices during work hours.

ARTICLE V - SCOPE

385. The parties recognize that recodifications may have rendered the references to specific Civil Service Rules and Charter sections contained herein incorrect. Therefore, the parties agree that such terms will be read as if they accurately referenced the same sections in their newly codified form as of July 1, 2012.

V.A. ZIPPER CLAUSE

386. Except as may be amended through the procedure provided herein, this Agreement sets forth the full and entire understanding of the parties regarding the matters herein. This Agreement may be modified, but only in writing, upon the mutual consent of the parties.

387. Any past practices and other understandings between the parties not expressly memorialized and incorporated into this Agreement shall no longer be enforceable.

CIVIL SERVICE RULES/ADMINISTRATIVE CODE

388. Nothing in this Agreement shall alter the Civil Service Rules excluded from arbitration pursuant to Charter Section A8.409-3. In addition, such excluded Civil Service Rules may be amended during the term of this Agreement and such changes shall not be subject to any grievance and arbitration procedure but shall be subject to meet and confer negotiations, subject to applicable law. The parties agree that, unless specifically addressed herein, those terms and conditions of employment that are currently set forth in the Civil Service Rules and the Administrative Code, are otherwise consistent with this Agreement, and are not excluded from arbitration under Charter Section A8.409-3 shall continue to apply to employees covered by this contract. Such Civil Service Rules and Administrative Code provisions shall be appended by reference to this Agreement and approved pursuant to the provisions of Charter Section A8.409, including submission for approval by the Board of Supervisors.
389. As required by Charter Section A8.409-3, the Civil Service Commission retains sole authority to interpret and to administer all Civil Service Rules. Disputes between the parties regarding whether a Civil Service Rule or a component thereof is excluded from arbitration shall be submitted initially for resolution to the Civil Service Commission. All such disputes shall not be subject to the grievance and arbitration process of the Agreement. After such Civil Service Rules and Administrative Code sections are appended by reference to this Agreement, alleged violations of the appended provisions will be subject to the grievance and arbitration procedure of this Agreement.
390. The City and the individual unions agree to use all reasonable efforts to meet and confer promptly regarding proposed changes to the Civil Service Commission Rules.

ARTICLE V – SCOPE

V.B. SAVINGS CLAUSE

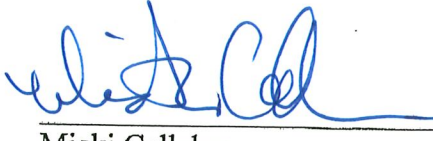

391. Should any part of this Agreement be determined to be contrary to law, such invalidation of that part or portion of this Agreement shall not invalidate the remaining portions hereof. In the event of such determination, the parties agree to immediately meet and confer in an attempt to agree upon a provision for the invalidated portion that meets with the precepts of the law.

V.C. DURATION OF AGREEMENT

392. This Agreement shall be effective July 1, 2014 and shall remain in full force and effect through June 30, 2019.

- c. The City is committed to identifying needed resources, both in and outside of the City, for employees who voluntarily seek assistance in getting well. Those employees who voluntarily seek treatment prior to any testing shall not be subject to any repercussions or any potential adverse action for doing so. However, seeking treatment will not excuse prior conduct for which an investigation or disciplinary proceedings have been initiated.
- d. The City is committed to fostering and maintaining a safe work environment free from alcohol and prohibited drugs at all of its work sites and facilities.

2. POLICY

- a. To ensure the safety of the City's employees, co-workers and the public, no employee may sell, purchase, transfer, possess, furnish, manufacture, use or be under the influence of alcohol or illegal drugs at any City jobsite, while on City business or in City facilities. 4. COVERED CLASSIFICATIONS/DEPARTMENTS

- a. Covered Classifications. All classifications listed in Article I.A of this Memorandum of Understanding shall be covered by this Policy. The parties may add or delete classifications by mutual agreement.

5. SUBSTANCES TO BE TESTED

- a. The City shall test, at its own expense, for alcohol and/or the following controlled substances for Pre-Employment, Reasonable Cause/Suspicion and Post-Accident:
 - (1.) Amphetamines
 - (2.) Barbiturates
 - (3.) Benzodiazepines
 - (4.) Cocaine

 - (7.) PCP
 - (8.) THC (Cannabis)
- b. The City also recognizes that covered employees may at times have to ingest prescribed drugs or medications. If an employee takes any drug or medication known to have potential side effects that may interfere with job performance, the employee is required to immediately notify the designated Department representative of those side effects before performing his/her job functions.
- c. Upon receipt of a signed release from the employee's licensed healthcare provider, the department representative may consult with healthcare provider to confirm specific job duties that the employee can perform while on prescribed medication. If the employee's healthcare provider is not readily available or none is given, the department representative may consult with any City-licensed healthcare provider before making a final determination as to whether the employee may perform his/her job functions. However, if an employee, at the time of notification, brings in a medical note from the healthcare provider who prescribed the medication clearing the employee to work, then the City shall not restrict that employee from performing his/her job functions.
- d. If an employee is temporarily unable to perform safety sensitive functions because of any potential side effects caused by prescribed medication, the employee shall be reassigned to perform non-safety sensitive functions without loss of pay until either the employee is off the

APPENDIX B

prescribed medication or is cleared by a licensed healthcare provider. This reassignment shall last for a period of no more than thirty (30) working days. If, after thirty (30) working days, the employee is still on said medication and/or not cleared by a licensed healthcare provider to perform safety sensitive functions, the City may extend this accommodation for a period not to exceed thirty (30) working days, provided that the healthcare provider certifies that the employee is anticipated to be able to resume safety sensitive functions after that thirty (30) day period. Employees required to submit to testing shall immediately identify all prescribed medication(s) that they have taken.

- e. The City reserves the right to test, at its own expense, for over-use, misuse or abuse of prescribed and over-the-counter drug or medication which had a direct job-related impact or played a role in an accident, pursuant to the testing procedures described below.

6. TESTING

A. Reasonable Cause/Suspicion

- a. Reasonable cause to test an employee for illegal drugs or alcohol will exist when specific, reliable objective facts and circumstances would create a good faith belief in a prudent person that the employee has used a drug or alcohol. Such circumstances include, but are not limited to, the employee's behavior or appearance while on any City jobsite, while on City business or in City facilities, and recognized and accepted symptoms of intoxication or impairment caused by drugs or alcohol, that are not reasonably explained by other causes such as fatigue, lack of sleep, proper use of prescription drugs, or reaction to noxious fumes or smoke.
- b. Any individual or employee can report an employee who may be under the influence of alcohol or drugs. Upon receiving a report of possible alcohol or illegal drugs on the job, two (2) trained employer representatives will verify and document the basis for the suspicion and request testing. The first employer representative shall verify and document the employee's appearance and behavior based on the above-stated indicators and, if necessary, recommend testing to the second employer representative. At work locations within the border of the City and County of San Francisco (including San Francisco International Airport), the second employer representative shall verify and document the appearance and behavior of the employee based on the above-stated indicators and has final authority to require the employee to be tested. At work locations outside the border of the City and County of San Francisco, the second employer representative shall confer with the first employer representative to verify the employee's behavior based on the above-stated indicators, and he or she has the final authority to require the employee to be tested.
- c. If the City requires an employee under reasonable cause or suspicion to be tested, then the employee may ask for representation. Representation may include, but is not limited to, union representatives and shop stewards. If the employee requests representation,

APPENDIX B

the City may allow a reasonable amount (a maximum of one hour) of time for the employee to obtain representation. Such request shall not delay the administration of the tests, however.

Moreover, if the City has reason to believe or suspect that a prescription medication may have interfered with or may have had a direct impact on an employee's job performance, it may require that employee to be tested.

The department representative(s) shall be required to accurately document and file the incident and the employee shall be required to complete a consent form prior to any testing. If an employee refuses to be tested, then the City shall treat the refusal as having tested positive and shall immediately take appropriate disciplinary action pursuant to the attached discipline matrix.

The City shall bear the costs for any required testing for alcohol and/or drugs under this section. Any counseling and rehabilitation services shall be on the employee's time and at the employee's cost, except that employees may use accrued paid time off to attend treatment and may utilize any resources covered by insurance. Employees shall have the right to use any accrued but unused leave balances while enrolled in any counseling or rehabilitation program. Any request by an employee to re-test a specimen shall be at the employee's cost.

B. Post-Accident

- The City may require a covered employee who was involved in an event meets any of the following criteria to submit to drug and/or alcohol testing:
 - (1.) Fatality;
 - (2.) Employee involved in an on duty vehicular accident resulting in death and/or injury requiring transport for medical treatment;
 - (3.) Disabling damage to vehicles;
 - (4.) Damage to machinery, moving parts, or other non-vehicular equipment or structures in excess of \$1,000.00 and
 - (5.) When reasonable cause/suspicion exists.
- Following an accident, all covered employees subject to testing shall remain readily available for testing. An employee may be deemed to have refused to submit to substance abuse testing if he/she fails to remain readily available, including notifying a supervisor (or designee) of the accident location or if (s)he leaves the scene of the accident prior to submitting for testing.
- Nothing in this section shall delay medical attention for the injured following an accident or prohibit an employee from leaving the scene of an accident for the period necessary to obtain assistance in responding to the accident or to obtain necessary emergency medical care.

7. TESTING PROCEDURES

A. Laboratory

- a. The testing shall be done at a certified laboratory in California. Upon advance notice, the parties retain the right to inspect the laboratory to determine conformity with the standards described in this policy. The laboratory will only test for alcohol and drugs identified in this policy. The City shall bear the cost of all required testing.
- b. Testing procedures, including substances to be tested, specimen collection, chain of custody and threshold and confirmation test levels shall comport with the Mandatory Guidelines For Federal Workplace Testing Programs, established by the U.S. Department of Health and Human Services, as amended and the Federal Motor Carrier Safety Act regulations, where applicable. Drug tests shall be conducted by laboratories licensed and approved by SAMHSA, which comply with the American Occupational Medical Association (AOMA) ethical standards. Tests for all controlled substances, except alcohol and THC (cannabis), shall be by urine screening and shall consist of two procedures, a screen test (EMIT or equivalent) and if that is positive, a confirmation test (GC/MS). THC (cannabis) is treated as a controlled substance and will be tested through an FDA-approved oral fluid (saliva) testing collection device at a screening level of 25 ng/ml and a confirmation level of 10 ng/ml (LC/MS). Alcohol tests shall be by breathalyzer.
- c. A covered or prospective employee presenting herself/himself at a Substance Abuse Prevention Coordinator-approved drug collection site must have a minimum of one piece of government-issued photo identification and may not leave the collection site for any reason – unless authorized by the collection agency – until (s)he has fully completed all collection procedures. Failure to follow all collection procedures will result in the employee classified as “refusing to test.”
- d. Covered employees, who refuse to test, may be subject to disciplinary action, up to and including termination, pursuant to the attached discipline matrix.
- e. The specific required procedure is as follows:
 - (1.)Urine will be obtained directly in a tamper-resistant urine bottle. Alternatively, the urine specimen may be collected at the employee’s option in a wide-mouthed clinic specimen container that must remain in full view of the employee until transferred to, sealed and initialed, in separate tamper-resistant urine bottles.
 - (2.)Immediately after the specimen is collected, it will be divided into two (2) urine bottles, which, in the presence of the employee, will be labeled and then initialed by the employee and witness. If the sample must be collected at a site other than the drug and/or alcohol-testing laboratory, the specimens must then be placed in

a transportation container. The container shall be sealed in the employee's presence and the employee must be asked to initial or sign the container. The container will be sent to the designated testing laboratory on that day or the earliest business day by the fastest available method.

(3.) A chain of possession form must be completed by the hospital, laboratory and/or clinic personnel during the specimen collection and attached to and mailed with the specimens.

- f. The initial test of all urine specimens will utilize immunoassay techniques. All specimens identified as positive in the initial screen must be confirmed utilizing gas chromatography/mass spectrometry (GC/MS) technique that identifies at least three (3) ions. In order to be considered "positive" for reporting by the laboratory to the City, both samples must be tested separately in separate batches and must also show positive results on the GC/MS confirmatory test.
- g. All positive drug, positive alcohol or substitute, adulterated or diluted specimens as defined herein must be reported to a Medical Review Officer (MRO). The MRO shall review the test results and any disclosure made by the covered or prospective employee and shall attempt to interview the individual to determine if there is any physiological or medical reason why the result should not be deemed positive. If no extenuating reasons exist, the MRO shall designate the test positive. The MRO shall make good faith efforts to contact the individual, but failing to make contact within two (2) working days, may deem the individual's result a "lab positive." After the issuance of a "lab positive," the covered employee may be placed on paid administrative leave pursuant to Administrative Code section 16.17, and will be barred from returning to work until (s)he makes a contact with the MRO and the MRO sends the Substance Abuse Prevention Coordinator a written confirmation of a negative result. New prospective employees, who receive a "lab positive" during a pre-employment test, shall be ineligible for any future City employment for six (6) months from the date of the positive test result unless the rules of the Civil Service Commission deem otherwise.
- h. If the testing procedures confirm a positive result, as described above, the covered or prospective employee and the Substance Abuse Coordinator for the City and departmental HR staff or designee will be notified of the results in writing by the MRO, including the specific quantities. In the event the City proposes disciplinary action, the notice of the proposed discipline shall contain copies of all laboratory reports, forensic opinions, laboratory worksheets, procedure sheets, acceptance criteria and laboratory procedures.
- i. In the event of a positive drug or alcohol test, the testing laboratory will perform an automatic confirmation test on the original specimen at no cost to the employee. In addition, the testing laboratory shall preserve a sufficient specimen to permit an independent re-testing at the employee's request and expense. The same, or any other,

APPENDIX B

approved laboratory may conduct re-tests. The laboratory shall endeavor to notify the MRO of positive drug, alcohol, or adulterant tests results within five (5) working days after receipt of the specimen. The employee may request a re-test within seventy-two (72) hours from notice of a positive test result by the MRO. The requesting party will pay costs of re-tests in advance.

- j. If the final test is confirmed negative, then the Employee shall be made whole, including, if any, the cost of the actual laboratory re-testing, provided that proper documentation is submitted to the City in a timely fashion.
- k. The Substance Abuse Prevention Coordinator shall assure that all specimens confirmed positive will be retained and placed in properly secured long-term frozen storage for a minimum of one (1) year, and be made available for retest as part of any administrative proceedings.
- l. All information from a covered or prospective employee's drug and/or alcohol test is confidential for purposes other than determining whether this policy has been violated. Disclosure of test results to any other person, agency, or organization is prohibited unless written authorization is obtained from the covered or prospective employee or as required by law. The results of a positive drug test shall not be released until the results are confirmed.

B. On-Site

- a. The parties agree that for post-accident purposes, the City may conduct "on-site" tests (alcohol breathalyzer testing, "Quicktest" urine testing, and oral fluid testing for THC) and only if any of those tests is "non-negative" will a confirmation test be performed. This on-site test is to enable the covered employee and the City to know immediately whether that employee has been cleared for work.
- b. In order to facilitate the on-site urine testing, the parties agree that an individual's sample will be divided into three separate containers. One of the containers will provide a sample for the on-site test that will be read within 5 to 10 minutes of collection. The other two containers will be sealed and sent to the lab, in the event a confirmation is necessary due to a "non-negative" outcome of an on-site test. The laboratory will store the split sample in accordance with SAMHSA guidelines. One of the two samples will be used for a confirmation test and the other will be made available to the employee for testing by a certified laboratory selected by the employee at the employee's expense.

8. RESULTS

- a. Any test revealing (i) a blood/alcohol level equal to or greater than 0.08 percent (or the established California State standard for non-commercial motor vehicle operations), or

APPENDIX B

when operating a moving vehicle or performing a safety sensitive function as defined in this policy; or (ii) any test revealing a blood/alcohol level equal to or greater than that 0.04 percent (or the established California State standard for commercial motor vehicle operations) when operating a commercial vehicle, shall be deemed positive.

- a. For reasonable cause/suspicion or post-accident, a covered employee shall be immediately removed from performing her or his safety-sensitive functions and shall be subject to disciplinary action if any of the following takes place:

The covered employee:

1. Is confirmed to have tested positive for alcohol or drugs;
 2. Refuses to be tested; or
 3. Has submitted a specimen for which an approved testing laboratory reports the existence of an “adulterant”, interfering substance, masking agent or the sample is identified as a substituted specimen (as defined herein).

APPENDIX B

unless the parties otherwise mutually agree.

- c. All proposed disciplinary actions resulting from Consequences of Positive Drug/Alcohol Test(s) shall be administered pursuant to the disciplinary matrix contained herein.

10. RETURN TO DUTY

The Substance Abuse Prevention Coordinator will evaluate a covered employee who has tested positive. The Coordinator will evaluate what course of action, if any, and what assistance the employee needs, if any, and will communicate a return-to-work plan, if necessary, to the employee and department.

The Committee may also discuss adding or deleting covered classification from this policy. The Director of Human Resources shall make a final decision based on the recommendations from the Committee.

14. SAVINGS CLAUSE

Notwithstanding any existing substance abuse prevention programs, if any provision of an existing department policy, rule, regulation, or resolution is inconsistent with or in conflict with any provision of this policy, this policy shall take precedence. Should any part of this policy be determined contrary to law, such invalidation of that part or portion of this policy will not invalidate the remaining parts or portions. In the event of such determination, the parties agree to immediately meet and negotiate new provision(s) in conformity with the requirements of the applicable law and the intent of the parties hereto. Otherwise, this policy may be modified by mutual consent of the parties. Such amendment(s) shall be reduced to writing.

4. COVERED CLASSIFICATIONS

All classifications listed in Article I.A of this Memorandum of Understanding shall be subject to post-accident reasonable suspicion testing.

5. SUBSTANCES TO BE TESTED

f. The City shall test, at its own expense, for alcohol and/or the following drugs:

- (1.) Amphetamines
- (2.) Barbiturates
- (3.) Benzodiazepines
- (4.) Cocaine
- (5.) Methadone
- (6.) Opiates
- (7.) PCP
- (8.) THC (Cannabis)

g. Prescribed Drugs or Medications.

The City recognizes that Covered Employees may at times have to ingest prescribed drugs or medications. If a Covered Employee takes any drug or medication that a treating physician, pharmacist, or health care professional has informed the employee (orally or on the medication bottle) will interfere with job performance, including driving restrictions or restrictions on the use of Equipment, the employee is required to immediately notify the designated Department representative of those restrictions before performing his/her job functions.

- a. Upon receipt of a signed release from the Covered Employee's licensed healthcare provider, the department representative may consult with Covered Employee's healthcare provider to confirm specific job duties that the employee can perform while on prescribed medication. If the employee's healthcare provider is not readily available, or none is given, the department representative may consult with any City-licensed healthcare provider before making a final determination whether the employee may perform his/her job functions. However, if an employee, at the time of notification, brings in a medical note from the healthcare provider who prescribed the medication clearing the employee to work, then the City shall not restrict that employee from performing his or her job functions.
- b. If a Covered Employee is temporarily unable to perform his or her job because of any potential side effects caused by prescribed medication, the employee shall be reassigned to perform a temporary modified duty assignment consistent with the employee's medical restrictions without loss of pay until either the employee is off the prescribed medication or is cleared by a licensed healthcare provider. on said medication and/or has not been cleared by a licensed healthcare provider to return to work without restrictions, the City may extend the temporary modified duty assignment for a period not to exceed thirty (30) working days, provided that the healthcare provider certifies that the employee is reasonably anticipated to be able to be able to return to work without restrictions after that thirty (30) day period. Employees who are unable to return to work under this provision shall be referred to the Department's human resources representative designated to engage with employees regarding possible reasonable accommodation under state and federal disability laws.

6. TESTING

I. Reasonable Suspicion Testing

- a. Reasonable suspicion to test a Covered Employee will exist when contemporaneous, articulable and specific observations concerning the symptoms or manifestations of impairment can be made. These observations shall be documented on the Reasonable Suspicion Report Form attached to this Appendix as Exhibit B. At least three (3) indicia of drug or alcohol impairment must exist, in two (2) separate categories, as listed on the Reasonable Suspicion Report Form. In the alternative, the employer representatives must confirm direct evidence of drug or alcohol impairment as listed on the Reasonable Suspicion Report Form.
- b. Any individual or employee may report another employee who may appear to that individual or employee to be under the influence of alcohol or drugs. Upon receiving a report of possible alcohol or drug use or impairment in the workplace, two (2) trained supervisory employer representatives will independently verify the basis for the suspicion and request testing in person. The first employer representative shall verify and document the employee's appearance and behavior and, if appropriate, recommend testing to the second employer representative. The second employer representative shall verify the contemporaneous basis for the suspicion. If reasonable suspicion to test a Covered Employee arises between 11:00 p.m. and 7:00 a.m., or at a location outside the geographic boundaries of the City and County of San Francisco (excluding San Francisco International Airport), and where a second trained supervisory employer representative cannot reasonably get to the location within thirty (30) minutes, then the second employer representative shall not be required to verify the basis for the suspicion in person, but instead shall verify by telephone or email. After completing the verification, and consulting with the first employer representative, the second employer representative has final authority to require that the Covered Employee be tested.
- c. If the City requires an employee under reasonable suspicion to be tested, then the employee may ask for representation. Representation may include, but is not limited to, union representatives and shop stewards. If the employee requests representation, the City shall allow a reasonable amount of time from the time the employee is notified that he or she will be tested (up to a maximum of one hour) for the employee to obtain

representation. Such request shall not delay the administration of the tests for more than one hour from the time the employee is notified that he or she will be tested.

- d. Department representative(s) shall document the incident. If a Covered Employee Refuses to Submit to testing, then the City shall treat the refusal as a positive test, and shall take appropriate disciplinary action pursuant to the attached discipline matrix.

II. Post-Accident Testing

- a. The City may require a Covered Employee who caused, or may have caused, an Accident, based on information known at the time of the Accident, to submit to drug and/or alcohol testing.
- b. Following an Accident, all Covered Employees subject to testing shall remain readily available for testing. A Covered Employee may be deemed to have refused to submit to substance abuse testing if he or she fails to remain readily available, including failing to notify a supervisor (or designee) of the Accident location, or leaving the scene of the Accident prior to submitting to testing.
- c. Nothing in this section shall delay medical attention for the injured following an Accident or prohibit an employee from leaving the scene of an Accident for the period necessary to obtain assistance in responding to the Accident or to obtain necessary emergency medical care.
- d. If the City requires a Covered Employee to be tested post-Accident, then the employee may ask for representation. Representation may include, but is not limited to, union representatives and shop stewards. If the employee requests representation, the City shall allow a reasonable amount of time from the time the employee is notified that he or she will be tested (a maximum of one hour) for the employee to obtain representation provided that the union representative meet the employee at the Accident site, work location or testing center as determined by the City. Such request shall not delay the administration of the tests for more than one hour from the time the employee is notified that he or she will be tested.

7. TESTING PROCEDURES

I. Collection Site

- a. If there is a trained Collector available on site, the City may conduct “on-site” tests (alcohol breathalyzer testing and oral fluid testing). If any of those tests are “Non-Negative,” a confirmation test will be performed. The on-site tests may enable the Covered Employee and the City to know immediately whether that employee has been cleared for work.

- b. If a trained Collector is not available on-site, the staff of a collection facility under contract to the City, or the City's drug testing contractor shall collect oral fluid samples from Covered Employees to test for prohibited drugs.
 - (1.) A Covered Employee presenting herself/himself at the approved drug collection site must have a minimum of one piece of government-issued photo identification and may not leave the collection site for any reason – unless authorized by the collection agency – until (s)he has fully completed all collection procedures. Failure to follow all collection procedures will result in the employee classified as a “Refusal to Submit.”
- c. Covered Employees who Refuse to Test may be subject to disciplinary action, up to and including termination, pursuant to Exhibit A.
- d. Alcohol and drug testing procedures.
 - (1.) Alcohol Testing Procedure. Tests for alcohol concentration on Covered Employees will be conducted with a National Highway Traffic Safety Administration (NHTSA)-approved evidential breath testing device (EBT) operated by a trained breath alcohol technician (BAT). Alcohol tests shall be by breathalyzer using the handheld Alco-Sensor IV Portable Breath Alcohol Analyzer device, or any other U.S. Department of Transportation (DOT) approved breath analyzer device.
 - (2.) Drug Testing Procedure. Tests for drugs shall be by oral fluid collection. The oral fluid specimens shall be collected under direct visual supervision of a Collector and in accordance with the testing device manufacturer’s recommended procedures for collection. Screening results may be provided by the Collector or by a laboratory. Confirmation tests shall be conducted at a laboratory.
 - (3.) The Covered Employee being tested must cooperate fully with the testing procedures.
 - (4.) A chain of possession form must be completed by the Collector, hospital, laboratory and/or clinic personnel during the specimen collection and attached to and mailed with the specimens.
- e. After being tested for drugs, the Covered Employee may be barred from returning to work until the department is advised of the final testing result by the MRO. During that period, the Covered Employee will be assigned to work that is not safety-sensitive or placed on paid administrative leave for so long as the Covered Employee is eligible for such leave under the terms of the applicable provision of the City’s Administrative Code. The test shall be deemed a negative test if the MRO has not advised of the final testing result by the time the Covered

Employee's paid leave has expired under the terms of the applicable provision of the City's Administrative Code.

II. Laboratory

- a. Drug tests shall be conducted by laboratories licensed and approved by SAMSHA which comply with the American Occupational Medical Association (AOMA) ethical standards. Upon advance notice, the parties retain the right to inspect the laboratory to determine conformity with the standards described in this policy. The laboratory will only test for drugs identified in this policy. The City shall bear the cost of all required testing unless otherwise specified herein.
- b. Tests for all controlled substances, except alcohol, shall be by oral fluid testing and shall consist of two procedures, a screen test and, if that is positive, a confirmation test.
- c. To be considered positive for reporting by the laboratory to the City, both samples must be tested separately in separate batches and must also show positive results on the confirmatory test.
- d. In the event of a positive test, the testing laboratory will perform an automatic confirmation test on the original specimen at no cost to the Covered Employee. In addition, the testing laboratory shall preserve a sufficient specimen to permit an independent re-testing at the Covered Employee's request and expense. The same, or any other, approved laboratory may conduct re-tests. The laboratory shall endeavor to notify the designated MRO of positive drug, alcohol, or adulterant tests results within five (5) working days after receipt of the specimen.

III. Medical Review Officer (MRO)

- a. All positive drug, or Substituted, Adulterated, positive-Diluted Specimen, or Invalid Drug Test, as defined herein, will be reported to a Medical Review Officer (MRO). The MRO shall review the test results, and any disclosure made by the Covered Employee, and shall attempt to interview the individual to determine if there is any physiological or medical reason why the result should not be deemed positive. If no extenuating reasons exist, the MRO shall designate the test positive.
- b. When the laboratory reports a confirmed positive, Adulterated, Substituted, positive-Diluted, or Invalid test, it is the responsibility of the MRO to: (a) make good faith efforts to contact the employee and inform him or her of the positive, Adulterated, Substituted, positive-Diluted, or Invalid test result; (b) afford the employee an opportunity to discuss the test results with the MRO; (c) review the employee's medical history, including any medical records and biomedical information provided by the Covered Employee, or his treating physician, to the MRO; and (d) determine whether there is a legitimate medical explanation for the result, including legally prescribed medication. Employees shall identify all prescribed medication(s) that they have taken. If the Covered Employee fails

to respond to the MRO within three (3) days, the MRO may deem the Covered Employee's result as a positive result.

- c. The MRO has the authority to verify a positive or Refusal To Test without interviewing the employee in cases where the employee refuses to cooperate, including but not limited to: (a) the employee refused to discuss the test result; or (b) the City directed the employee to contact the MRO, and the employee did not make contact with the MRO within seventy-two (72) hours. In all cases, previously planned leaves may extend this time. The MRO's review of the test results will normally take no more than three (3) to five (5) days from the time the Covered Employee is tested.
- d. If the testing procedures confirm a positive result, as described above, the Covered Employee and the Substance Abuse Prevention Coordinator (SAPC) for the City and departmental HR staff or designee will be notified of the results in writing by the MRO, including the specific quantities. The results of a positive drug test shall not be released until the results are confirmed by the MRO. The Covered Employee may contact the SAPC, or the MRO, to request a drug or adulterant retest within seventy-two (72) hours from notice of a positive test result by the MRO. The requesting party will pay costs of re-tests in advance.
- e. A drug test result that is positive and is a Diluted Specimen will be treated as positive. All drug test results that are determined to be negative and are Diluted Specimens will require that the employee take an immediate retest. If the retest yields a second negative Diluted Specimens result, the test will be treated as a normal negative test, except in the case of subsection (f).
- f. If the final test is confirmed negative, then the Employee shall be made whole, including the cost of the actual laboratory re-testing, if any. Any employee who is subsequently determined to be subject of a false positive shall be made whole for any lost wages and benefits, and shall have their record expunged.
- g. The City shall assure that all specimens confirmed positive will be retained and placed in properly secured long-term frozen storage for a minimum of one (1) year, and be made available for retest as part of any administrative proceedings.
- h. All information from a covered employee's drug and/or alcohol test is confidential for purposes other than determining whether this policy has been violated or pursuing disciplinary action based upon a violation of this policy. Disclosure of test results to any other person, agency, or organization is prohibited unless written authorization is obtained from the Covered Employee or as required by law.

8. RESULTS

- a. Substance Abuse Prevention and Detection Threshold Levels.
For post-Accident or reasonable suspicion testing where the Covered Employee was operating a commercial motor vehicle, any test revealing a blood/alcohol level equal to or

greater than 0.04 percent, or the established California State standard for commercial motor vehicle operations, shall be deemed positive. For all other post-Accident or reasonable suspicion testing, any test revealing a blood/alcohol level equal to, or greater than, 0.08 percent, or the established California State standard for non-commercial motor vehicle operations, shall be deemed positive. Any test revealing controlled substance confirmation level as shown in the chart below shall be deemed a positive test.

- b. The City reserves the right to discipline in accordance with the chart set forth in Exhibit A for abuse of prescribed and over-the-counter drugs or medications, pursuant to the testing procedures described above, as determined by the MRO.

9. CONSEQUENCES OF POSITIVE TEST RESULTS

For post-Accident or reasonable suspicion, a Covered Employee shall be immediately removed from performing his or her job or, in the alternative, may be temporarily reassigned to work that is not safety-sensitive if such work is available. The Covered Employee shall be subject to disciplinary action, and shall meet with the SAPC, as set forth in Exhibit A, and section 10 below, if the Covered Employee:

4. Is confirmed to have tested positive for alcohol or drugs;
 5. Refuses to Submit to testing; or
 6. Has submitted a specimen that the testing laboratory report is an Adulterated or Substituted Specimen.
- a. If the Union disagrees with the proposed disciplinary action, it may use the grievance procedure as set forth in the MOU, provided, however, that such a grievance must be initiated at the Employee Relations Director step, unless the parties otherwise mutually agree.

- b. All proposed disciplinary actions imposed because of a positive drug/alcohol test(s) shall be administered pursuant to the disciplinary matrix set forth in Exhibit A. Subject to good cause, the City may impose discipline for conduct in addition to the discipline for a positive drug/alcohol test. The positive test may be a factor in determining good cause for such additional discipline.
- c. In the event the City proposes disciplinary action, the notice of the proposed discipline shall contain copies of all laboratory reports and any other supporting documentation upon which the City is relying to support the proposed discipline.

10. RETURN TO DUTY

The SAPC will meet with a Covered Employee who has tested positive for alcohol and/or drugs. The SAPC will discuss what course of action may be appropriate, if any, and assistance from which the employee may benefit, if any, and will communicate a proposed return-to-work plan, if necessary, to the employee and department. The SAPC may recommend that the Covered Employee voluntarily enter into an appropriate rehabilitation program administered by the Covered Employee's health insurance carrier prior to returning to work. The Covered Employee may not return to work until the SAPC certifies that he or she has a negative test prior to returning to work. In the event that the SAPC does not schedule a return-to-work test before the Covered Employee's return-to-work date, the SAPC shall arrange for the Covered Employee to take a return-to-work test within three (3) working days of the Covered Employee notifying the SAPC in writing of a request to take a return-to-work test. If a Covered Employee fails a return-to-work test, he or she shall be placed on unpaid leave until testing negative but shall not be subject to any additional discipline due to a non-negative return-to-work test. The SAPC will provide a written release to the appropriate department or division certifying the employee's right to return to work.

11. TRAINING

The City or its designated vendor shall provide training on this policy to first-line, working supervisors and up to the Deputy Director level as needed. In addition, all Covered Employees shall be provided with a summary description of the SAPP notifying them of their right to union representation in the event that they are required to be tested.

12. LABOR-MANAGEMENT MEETING

To ensure the success of this Policy, the City shall meet with any union covered by this policy that seeks to meet to address any implementation issues regarding this policy, as follows: between June 1st and June 30th, any Union, covered under this Policy, may request to meet, and said meeting shall be scheduled to occur by July 31st.

13. ADOPTION PERIOD
