This Collective Bargaining Agreement (hereinafter Agreement) is entered into by the City and County of San Francisco (hereinafter City) acting through its designated representatives and the Service Employees International Union, Local 1021 (hereinafter Union).

ARTICLE I – REPRESENTATION

A. RECOGNITION

Classifications Currently Represented

1. The City acknowledges that the Union has been certified by the Municipal Employee Relations Panel or the Civil Service Commission as the recognized employee representative, pursuant to the provisions as set forth in the City's Employee Relations Ordinance, for the classifications listed in Attachment A and employees in these classifications who perform duties for the City and County of San Francisco. The provisions of this Agreement shall apply to said employees to the extent authorized by law as provided in Charter Section A8.409-1.

Placement of New Classifications

2. Any non-supervisory, new or amended classification or reclassification not claimed by another Union and related to SEIU-represented classes shall be automatically assigned to a bargaining unit represented by SEIU. The current practice as established by the Employee Relations Ordinance will continue for supervisory classes. The Union will be notified within seven (7) calendar days of any such assignments.
3. Whenever a new class is created by the Department of Human Resources which is the result of consolidation or splitting off of one or more former classes, and in those instances when the duties and responsibilities of the new class(es) are the same or similar to those of the former class(es), then the bargaining unit assignment and representation shall continue to be the same as for the former class(es) without notice and appeal procedures required by the CSC Rule and provisions of the San Francisco Administrative Code.
4. Should there be a dispute regarding appropriate unit assignment of any such classification(s), such dispute shall be resolved in accordance with the grievance and arbitration procedure.

Applicability of the Agreement to All Newly Recognized Classifications

5. The terms and provisions of this Agreement shall also be automatically applicable to any classifications for which the Union has become appropriately recognized during the term of this agreement. Such classifications shall also receive the appropriate differentials and premiums applicable to related classifications.
6. Issues related to classification descriptions shall be subject to the meet and confer process with final review by the Civil Service Commission. Issues related to the effects of classification decisions on hours, wages, terms and conditions of employment shall be subject to negotiations and interest arbitration.

Employee Relations Ordinance

7. During the term of this Agreement, the parties will meet and confer in good faith to reach mutual agreement, if practicable, upon the structure and number of the units and sub-units into which the classifications represented by the Union should be allocated, consistent with the factors set forth in San Francisco Administrative Code Sec. 16.210 (b) of the Employee Relations Ordinance. It is the parties' intent to complete this process within six (6) months after the effective date of this Agreement. It is also the parties' intent that this process will not result in a change in the recognized representative for any classification nor will it result in an increase in the number of bargaining units. In the event the parties agree to modify any units or sub-units, the parties shall jointly recommend this agreement to the Civil Service Commission. In the absence of an agreement, no recommendation regarding consolidation shall be issued. Unresolved disputes shall not be subject to the interest arbitration procedures of Charter Section A8.409, et seq.

B. INTENT

8. It is the intent of the parties signatory hereto that the provisions of this Agreement shall become binding upon adoption or acceptance by the City and ratification by the general memberships of the Unions of the Joint Council or upon a final decision rendered by an arbitration panel pursuant to the interest arbitration procedure under Charter Section A8.409.
9. Upon adoption, the provisions of this Agreement shall supersede and control over contrary or contradictory Charter provisions, ordinances, resolutions, rules or regulations of the City to the extent permissible by Charter Section A8.409.
10. In the event the parties reach a tentative agreement, the Employee Relations Director and the Union negotiating team shall present a full tentative agreement, signed by the Employee Relations Director and representatives of the Union negotiating team, to the City and the Union general membership for ratification within sixty (60) days of signing such full tentative agreement together with their recommendations.
11. Pursuant to the provisions of the Meyers-Milius-Brown Act, as amended, the City agrees to meet and confer with the Union in advance regarding any proposed changes in working conditions within the scope of representation.

C. MANAGEMENT RIGHTS

12. Except to the extent there is contained in this Agreement express and specific provision to the contrary, nothing herein shall be construed to restrict any legal city rights concerning direction of its work force, or consideration of the merits, necessity or organization of any service or activity provided by the City. The City shall also have the right to determine the mission of its constituent departments, officers, boards and commissions; set standards of services to be offered to the public; and exercise control and discretion over the city's organization and operations. The City may also relieve employees from duty due to lack of work or funds, and may determine the methods, means and personnel by which the City's operations are to be conducted.
13. However, the exercise of such rights does not preclude represented employees or the union from utilizing the grievance procedure to process grievances regarding the practical consequences of any such actions on wages, hours, benefits or other terms and conditions of employment.

D. NO WORK STOPPAGE

14. It is mutually agreed and understood that during the period this Agreement is in force and effect the Union will not authorize or engage in any strike, slowdown, or work stoppage. Represented employees are also bound by the above. The City agrees not to conduct a lockout against any of the employees covered by this agreement during the term of this Agreement.

E. OBJECTIVE OF THE PARTIES

15. It is agreed that the delivery of municipal services in the most efficient, effective and courteous manner is of paramount importance to the City and its employees. Such achievement is recognized to be a mutual obligation of the parties to this Agreement within their respective roles and responsibilities.
16. Recognizing the challenging fiscal realities facing San Francisco and the State of California, the parties agree that in order to preserve City services and employment, they must work cooperatively to identify operational efficiencies, explore additional sources of revenue, and, if necessary, reduce the size of the City workforce through attrition, retraining and reorganization. The parties further agree that it is in their mutual interest to avoid unnecessary reductions in direct public services and to prevent existing City employees from becoming jobless and therefore they mutually agree that they shall focus their efforts to maintain programs and public service jobs to the fullest extent possible.

F. UNION SECURITY

Application

17. Except as provided otherwise herein, and in accordance with applicable federal, state and local law, the provisions of this Section shall apply to all employees of the City in all classifications represented by SEIU Local, either jointly or individually, in representation units 22, 23, 24, 25, 26, and 27, when on paid status, except those mutually designated classifications and mutually designated individual on-call employees who are employed for less than 20 hours per week. The provisions of this Section shall not apply to individual employees of the City in representation units 22, 23, 24, 25, 26, and 27 who have been properly and finally determined to be management employees pursuant to Section 16.208 of the Employer-Employee Relations Ordinance.
18. When the Employee Relations Director receives a request from a department head to designate position(s) as management, the Employee Relations Director shall give the Union notice of such request. The Union shall have ten (10) working days within which to request a meeting to discuss the requested designation(s). Upon request of the Union, the Employee Relations Director and the Union shall meet to discuss the requested designation(s). In accordance with Section 16.208 of the Employee Relations Ordinance, the Employee Relations Director shall thereafter approve or disapprove the requested designation(s).
19. If the Union disagrees with such designation(s), the Union may submit the matter to an Administrative Law Judge for hearing and final determination as provided in the Employee Relations Ordinance. The Union and the City may jointly request that the assigned Administrative Law Judge have a labor relations background.

20. Designation(s) of position(s) by the Employee Relations Director as management, for which no challenge has been filed by the Union shall result in termination of agency shop fees if applicable. Challenges of designation(s) by the Union shall result in agency shop fees being placed in escrow until the disagreement is resolved by an Administrative Law Judge. Following final determination by the Administrative Law Judge, the fees shall be dispersed to either the employee or the Union depending on who prevails.

Agency Shop

21. For the term of this Agreement, all current and future employees of the City as described in paragraph 17 above except as set forth below, shall, as a condition of continued employment, become and remain a member of the Union or, in lieu thereof, shall pay a service fee to the Union. Such service fee payment shall not exceed the standard initiation fee, periodic dues and general assessments (hereinafter collectively termed membership fees) of the Union representing the employee's classification. The service fee payment shall be established annually by the Union, provided that such agency shop service fee will be used by the union only for the purposes of collective bargaining, contract administration and pursuing matters affecting wages, hours and other terms and conditions of employment.

Religious Exemption

22. If an employee in a classification covered by this Agreement sincerely holds religious beliefs that include conscientious objections to joining or financially supporting a labor organization, the employee shall not be required to pay the service fee. In lieu of paying the service fee, the employee shall pay a charitable contribution equal to the service fee to one of the three following charitable organizations: (1) United Way of the Bay Area, (2) Community Health Charities of California (San Francisco/East Bay Branch), or (3) Local Independent Charities. The charitable contribution shall be paid in the amounts and at the times the service fee would otherwise be paid if the employee were not exempt under this paragraph. The employee shall provide the City and the Union with an acknowledgement of receipt from the charitable organization or other satisfactory evidence that the charitable contribution has been paid.

Payroll Deductions

23. The Union shall provide the Employee Relations Director and the City Controller with a complete list of the City classifications subject to this section represented by each constituent union of the SEIU Joint Council and a current statement of membership fees. Such list of represented classifications and statement of membership fees shall be amended as necessary. The Controller may take up to 30 days to implement such changes. The Controller shall make required membership fee or service fee payroll deductions solely for the Union representing the employee's classification as designated on the list submitted by the Union. An employee may, on a voluntary basis, request a payroll deduction for Union membership in another SEIU Local Union, in addition to the service fee deduction.
24. Each pay period, the Controller shall make membership fee or service fee deductions, as appropriate, from the regular periodic payroll warrant of each City employee described in paragraph 17 above.
25. Service fees from nonmembers shall be collected by payroll deduction pursuant to Administrative Code Section 16.90. Failure to comply with this Section shall be grounds for

termination. The Union, at its option, may elect to waive its right to demand termination and instead utilize judicial process to compel payment.

26. Effective with the first complete pay period worked by an employee newly employed in a classification described paragraph 17 above and each pay period thereafter, the Controller shall make membership fee or service fee and initiation deductions, as appropriate, from the regular payroll warrant of each such employee.
27. Nine (9) working days following payday the Controller will promptly pay over to the appropriate Union all sums withheld for membership or service fees. The Controller shall also provide with each payment a list of employees paying service fees. All such lists shall contain the employee's name, employee number, classification, department number and the amount deducted. A list of all employees in represented classes shall be provided to the Union monthly.
28. Nothing in this Section shall be deemed to have altered the City's current obligation to make insurance program or political action deductions when requested by the employee.
29. The union shall be entitled to collect, through the payroll deduction method, membership dues, COPE deductions, and any special membership assessments, and through that system, may make changes as may be required, from time-to-time. The Union shall give the Controller appropriate written notice of any changes in existing deductions, or the establishment of new bases for deduction.
30. At the time of fingerprint processing, the City will provide new permanent and provisional employees in those units listed in Appendix "A" with a Union-provided packet of information regarding the Union and agency shop. The Union will provide this information in sealed envelopes, one of which will be distributed to each new employee. The City may advise such employees that the packet is being provided pursuant to a Memorandum of Understanding with the Union and the contents are neither known nor endorsed by the City.

Employees Exempt from Agency Shop

31. Employees covered by this Agreement not subject to the agency shop requirement set forth above and who have voluntarily joined the Union shall, for the administrative convenience of the parties, be permitted to revoke an authorization for the deduction of union dues during the month of January of any year only. Any request for such revocation shall be delivered in person to the Office of the Controller or may be sent by U.S. Mail to the Controller, Payroll/Personnel Services Division (PPSD), One South Van Ness Avenue, 8th Floor, San Francisco, CA 94103. The City shall deliver a copy of any revocation notice to the Union not later than March 1.

Financial Reporting

32. Annually, the Union will provide an explanation of the fee and sufficient financial information to enable the service fee payer to gauge the appropriateness of the fee. The Union will provide a reasonably prompt opportunity to challenge the amount of the fee before an impartial decision maker not chosen by the Union and will make provision for an escrow account to hold amounts reasonably in dispute while challenges are pending.

Indemnification

33. The Union agrees to indemnify and hold harmless the City for any loss or damage arising from the operation of this Agreement.

G. OFFICIAL REPRESENTATIVES AND STEWARDS

Official Representatives

34. The Union may select as many as one employee member of such organization from the appropriate unit represented by such organization, and one additional such employee member for each two-hundred and fifty (250) employees in such unit; or fraction thereof, in excess of two-hundred (200) employees in such unit, to attend, during regular duty or work hours without loss of compensation, meetings scheduled with the Civil Service Commission, the Department of Human Resources, the Director of Employee Relations, or designee, when such meetings have been scheduled for the purpose of city-wide Agreement meeting and conferring on all matters within the scope of representation affecting such appropriate unit, and to participate in the discussions, deliberations, and decisions at such meetings. The selection of such employee members, or substitutions or replacements therefore, and their attendance at meetings during their regular duty or work hours, shall be subject to the following:
35. a. The organization's duly authorized representative shall inform in writing the department head or officer under whom each selected employee member is employed that such employee has been selected.
36. b. No selected member shall leave the duty or work station, or assignment without specific approval of the employee's department head or other authorized management official.

42. The Union recognizes that it is the responsibility of the shop steward to assist in the resolution of grievances at the lowest possible level.

45. Except in emergency situations, an investigative, disciplinary or grievance meeting shall be rescheduled if a Shop Steward is denied release time.
46. Shop stewards shall not interfere with the work of any employee. A shop steward may interview an employee during the employee's regular work time in order to investigate or process a grievance or disciplinary appeal with the approval of the employee's supervisor, which shall not unreasonably be withheld.
47. Stewards shall be responsible for the performance of their work load, consistent with release time approved pursuant to rules established herein.

The parties agree that union access to work locations will not disrupt or interfere with a department's mission and services or involve any political activities.
56. Union representatives must identify themselves upon arrival at a City department. Union representatives may use Department meeting space with a reasonable amount of notice, subject to availability.
57. In work units where the work is of a confidential nature and in which the department requires it of other non-employees, the department may require that union representatives be escorted by a department representative when in areas where said confidential work is taking place.

Proceeds from sales made through the vending machines shall be deposited in a special fund under the direction and control of the Union and allocated exclusively for the benefit of employees' recreation and welfare.

K. CITY WIDE LABOR MANAGEMENT COMMITTEE

68. The City and the Union understand and agree that it is the objective of all parties to provide quality services to residents in a work environment that is safe for employees and in which employees' concerns about their terms and conditions are discussed and addressed. To promote these shared goals, the parties agree to establish a City-Wide Labor Management Committee for SEIU-represented employees (the "SEIU-City LMC"). This does not replace existing committees.
69. a. Membership: The SEIU-City LMC shall be composed of 12 core members; 6 appointed by the Union and 6 appointed by the City. Additional subject matter experts shall be permitted to attend meetings as necessary. Bargaining unit employees shall be released in advance of any meeting for reasonable caucus time and to attend the meeting, and employees shall not lose any wages or benefits for their attendance at the meeting.
70. b. Purpose: The purpose of the SEIU-City LMC is to identify, discuss, and address issues surrounding SEIU-represented employees' terms and conditions in a constructive manner. The SEIU-City LMC members will investigate concerns that are brought to their attention and attempt to make unanimous recommendations to address concerns. The City shall promptly implement those recommendations made by the SEIU-City LMC members as long as any such recommendations are consistent with the San Francisco Charter, Codes, Civil Service Rules, City policies, and provisions of this Agreement.
71. c. Meeting: The SEIU-City LMC shall meet on a monthly basis starting the month following ratification of this Agreement. The meetings shall normally be scheduled for the third Wednesday of each month, unless a different date in the month is mutually agreed upon by the City and the Union. No later than seven (7) calendar days prior to the scheduled meeting, the City and the Union shall provide each other with their proposed agenda items to be discussed at the meeting. Other items shall not be discussed absent mutual agreement. Meetings shall be rotated between the parties' office locations. The meetings shall be scheduled to last at least one (1) hour and in no event shall they last more than three (3) hours unless all members agree to extend the meeting.
72. d. Dispute Resolution: At all times the SEIU-City LMC shall try to resolve issues through unanimous consensus. In the event there is no consensus, either party may request in writing within two weeks after the last meeting at which the issue was discussed, that the issue be submitted to mediation. The Mediator shall be asked to meet only with the members of the SEIU-City LMC within fourteen (14) days or as soon as the Mediator is available at a location agreed to by the parties. The Mediator shall be empowered to listen to the

parties' respective positions and to make an oral recommendation to the members of the SEIU-City LMC at the conclusion of the mediation, or no later than one week after, unless the parties mutually agree to give the Mediator additional time. The decision issued by the Mediator shall be deemed advisory in nature. The members of the SEIU-City LMC may, by majority vote of all 12 core members of the SEIU-City LMC, recommend implementation of the Mediator's recommendation and the parties shall thereafter work together to make that implementation successful. If the Mediator's recommendation is not approved by a majority of the SEIU-City LMC members, that matter may be revisited by the SEIU-City LMC at a later date if mutually agreed to by the parties.

73. e. Mediator: A Mediator shall be requested from the State Mediation and Conciliation Service unless the parties mutually agree to a Mediator. No transcript or other recording of the mediation shall be made and the mediation shall be considered a part of the SEIU-City LMC process. Under no circumstances shall a Mediator be required to testify concerning the mediation. If there is a cost for the services of the Mediator, the parties shall jointly bear that expense.
74. f. Resolution: The parties agree that either party may file a grievance regarding any failure by the other party to fulfill any procedural obligation that arises under this provision. Grievances under this provision shall commence at Step IV. The parties agree to submit three (3) unresolved issues that are within the scope of representation as defined by the Meyers Milius Brown Act and do not fall within the grievance procedure to the Mayor for final determination two (2) times per fiscal year. The Union understands and agrees that the limitations referenced in the preceding sentence are cumulative across all City bargaining units represented by the Union, excepting the MTA Service Critical bargaining unit.
75. g. Nothing in this provision shall abridge or otherwise modify any right guaranteed by another provision of this agreement.

Discrimination Prohibited

76. The City and Union agree that no person employed or applying for employment shall in any way be discriminated against because of race, color, creed, religion, sex, national origin, physical handicap, physical disability, age, political affiliation or opinion, sexual orientation, gender identity, marital status, or other non-merit factors, nor shall a person be the subject of sexual harassment as prohibited by State or Federal law, or be subject to illegal harassment.

Reasonable Accommodation

78. The City reserves the right to take any action necessary to comply therewith.

Following a reasonable period of time after the employee has submitted the information required for a reasonable accommodation but not later than thirty days, the City shall provide a written response to the employee's request. The written response shall include an update on the status of the employee's request. When the City grants an accommodation, the City shall provide a written description of the accommodation to the employee. If no accommodation is granted, upon request the City shall provide a written reason for the denial to the employee. If no accommodation in the current assignment is possible, the Employer shall evaluate alternative job assignments for possible accommodation. While the employee's request for reasonable accommodation is pending, the Employer shall make every reasonable effort to provide a

modified work duty assignment pursuant to the provisions of VII. B. Return to Work, of this Agreement.

Complaints of Discrimination

83. Discrimination complaints will be treated in strict confidence by both the Union and the City.
84. Progressive disciplinary action shall be imposed by the City upon any employee found to have engaged in discriminatory conduct in violation of this section.

92. 6. A six (6) month probation will be required following promotion to a higher classification.
93. 7. When an employee's position changes by permanent transfer to the same class in another department, by disability transfer, reduction in force due to technical advances, automation or the installation of new equipment the employee shall serve three (3) months probation time.

99. Any employee who is returned to duty to a position in another department after layoff or displacement, and who has displaced an incumbent in such position, is entitled to an introductory meeting with the new department. The purpose of the meeting is to review the job duties and expectations for the new position and to provide the timeline and framework for training and orientation. After thirty (30) days, the employee is entitled to a review of his or her performance. If the employee is not meeting standards, the supervisor will meet with the employee and, upon request, the union representative, to identify ways for the employee to bring his or her performance to a satisfactory level.

C. CONTRACTING OUT OF WORK

100. Due to the size of the bargaining unit and the diversity of the classifications and employees within the unit, which enable the employees to perform various services in the diverse communities served by the City, the Mayor and the Union agree that, for the term of this Agreement, the Mayor shall instruct the City's Department Heads over whom he has budgetary authority that:
101. Department heads shall not initiate and the Mayor shall not approve requests to contract out any routine work currently performed by existing employees represented by the Union; and
102. Department heads shall not lay off current bargaining unit members or eliminate existing bargaining unit positions as a result of contracting out.
103. This instruction shall not in any way affect (i) existing contracts (which shall include proposed contracts funded with monies appropriated in the 1996-97 budget), (ii) renewals, amendments or extensions of those contracts, or (iii) new contracts either for services already contracted out or arising from the City's receipt of new and/or additional federal, state, or grant funds designated

for new or unique programs. However, such funds shall not include growth in general fund or enterprise revenues in force and effect at the time of the signing of this Agreement.

104. The Mayor agrees that it is not the intent of the City to use the contracting out process to avoid prevailing wages, compliance with MBE/WBE requirements, or payment of health or other benefits.
105. Notwithstanding any other provision of this section, the Mayor may propose pursuant to the City's standard procedures to contract out work currently performed by existing City employees (a) where external funding sources require the use of outside third parties to perform services; or (b) in emergency situations, as determined by the Mayor and upon a majority vote of the Board of Supervisors.
106. Should the Mayor determine that the restrictions contained in this section unduly interfere with a department's or the City's ability to provide appropriate services to the diverse communities within the City, the Mayor and the Union agree to meet in order to resolve the concerns. If the Mayor and the Union cannot mutually agree, the matter shall be submitted to an arbitrator, selected pursuant to the provisions of Article IV (Grievance Procedure) of this Agreement, who shall decide the issue of whether a proposal to contract out work may be initiated by the Mayor.
107. The City agrees that it will not assign work currently performed by SEIU-represented employees to any other bargaining unit.
108. The City agrees that only City employees are authorized to hire, fire, execute performance evaluations, and discipline SEIU-represented employees.

141. Possible alternatives to subcontracting;
142. Questions regarding current and intended levels of service;

In the event an employee elects to work a ten (10) hour day, for example, he/she shall begin earning overtime rates after ten (10) hours. Legal holidays shall count as time worked for the purpose of computing overtime.

Assignment of Overtime

391. When an overtime assignment must be made, the most senior qualified employees shall be given the first opportunity to volunteer for the overtime assignment. If there is an insufficient number of volunteers, assignment may begin with the least senior employees able to do the work.

392. Any employee working in excess of the regular or normal work day or week shall be compensated at the overtime rate of one-and-one-half times the base hourly rate which shall include a night differential if applicable.

393. Overtime compensation so earned shall be computed subject to all the provisions and conditions set forth herein.
394. Overtime shall be distributed on a voluntary, rotational basis. The rotation shall begin with the most senior qualified employee in the classification, in the department or in the facility and continue down through the seniority list which shall be provided to the Union upon request. Overtime shall be equalized among all volunteers on an annual basis. Each department shall provide its overtime records to the Union Steward upon request. Appointing Officers shall give as much notice as possible of available overtime to be worked.
395. Whenever possible, available overtime shall be posted a minimum of two (2) weeks in advance. This posting shall include the name of the first eligible employee to sign up for said overtime. The posting shall also include a cut-off date and time for signing up. Once the sign-up has been completed, the names of the employees who are to work the overtime shall be posted. In the event of an insufficient number of volunteers, employees shall be drafted to work the overtime by reverse seniority.
396. All contact attempts made for offering overtime shall be documented. Upon request, this information will be made available to the Union.
397. For the purposes of this provision, the evaluation of an employee's qualifications shall not be arbitrary.

Overtime for Non-"Z" Employees

1. *Overtime Pay or Compensatory Time*
398. Non "Z" designated employees and employees in Class 2450 Pharmacist who work or, who are suffered to work overtime shall be paid in salary unless the individual employee requests in writing compensatory time off in lieu of paid overtime. Compensatory time shall be earned at the rate of time and one-half (1-1/2).
2. *Maximum Accrual of Compensatory Time*
399. Employees occupying non "Z" designated positions may not accumulate a balance of compensatory time earned in excess of 240 hours calculated at the rate of time and one half (1-1/2). Those employees occupying positions designated as "L" shall not accumulate in excess of four hundred eighty (480) hours calculated at time and one-half.
3. *Use of Compensatory Time*
400. Non-"Z" and "L" designated employees shall be allowed to take any accrued compensatory time upon request to his/her supervisor. Requests for use of accrued compensatory time off shall not be unreasonably denied. At the employee's option, any accrued compensatory time off shall be paid at the end of the fiscal year. If the employee does not exercise such option, accrued compensatory time will be carried over to the next fiscal year.

4. *Pay out of compensatory time for non-"Z" and "L" class employees at termination of employment*

401. Any compensatory time earned but not used at the time of an employee's termination of employment shall be paid in cash.

Unused accrued compensatory time will be carried over to the next fiscal year.

Overtime for 2940 Protective Service Workers and 2944 Protective Services Supervisors

403. For employees occupying positions in 2940 Protective Service Workers and 2944 Protective Services Supervisors who have accrued one hundred fifty (150) hours or more of CTO, the department can mandate that the CTO time be scheduled and taken within the next six (6) months. Scheduling shall be by mutual agreement. Upon receipt of such notice of accrual of one hundred fifty (150) or more hours of CTO, the employee shall request days to take off as CTO within the next six (6) month period. The department shall not unreasonably deny a CTO request pursuant to this paragraph. CTO will be taken in full work-day blocks unless an alternative is mutually agreed upon.
404. Any employee covered by paragraph 403 who accrues more than two hundred forty (240) hours of compensatory time shall be paid for all hours over two hundred and forty on a quarterly basis.
405. Other classifications subject to this Agreement shall be added to this listing, and shall be entitled to the benefits of this provision if the Union can show that such classes are also subject to excessive accrual or problems utilizing compensatory time off. The City shall review all Z-symbol classifications periodically for conformity with FLSA.
406. If employees in classes 2940 Protective Service Workers and 2944 Protective Services Supervisors at the time of separation from employment have accrued compensatory time off, they shall be entitled to cash out up to eighty (80) hours of said CTO time upon their separation. A written notice of separation from employment is given by the employee to his/her supervisor not less than three (3) months prior to the date of separation, unless the employee and the supervisor mutually agree otherwise. If employees are denied a reasonable opportunity to use their comp time prior to their separation, and they have submitted a notice of separation as aforesaid, then the employee shall be entitled to the full cash-out of all accrued compensatory time off up to a maximum of two hundred and forty (240) hours.

Provided, if January 1, July 4, November 11 or December 25 falls on a Sunday, the Monday following is a holiday.

Floating Holidays

409. Employees shall receive floating holidays totaling thirty-two (32) hours off per fiscal year (prorated for eligible part-time employees) selected by the employee, subject to the approval of the Appointing Officer. Employees with twenty (20) or more years of City Service shall receive eight (8) additional floating holiday hours, for a total of forty (40) hours per fiscal year. Floating Holidays may be taken in hourly increments up to and including the number of hours contained in the employee's regular shift. Floating holidays received in one fiscal year but not used may be carried forward to the next succeeding fiscal year. The number of floating holidays carried forward to a succeeding fiscal year may not exceed the total number of floating holidays received in the previous fiscal year.
410. Notwithstanding the paragraphs above, any unused floating holidays accrued from July 1, 2010 through June 30, 2013 may be carried over to be used in Fiscal Years 2012-13, 2013-14 and 2014-15.
411. During Fiscal Years 2012-13, 2013-14 and 2014-15, floating holidays must be used before vacation days or hours are taken; provided however that this limitation (i.e., use of floating holidays before vacation) will not apply in cases in which use of the floating holiday will cause a loss of vacation due to the accrual maximums. Floating holidays are to be scheduled per mutual agreement, based on operational needs of the department.

Saturday Holidays

412. In the event a legal holiday falls on Saturday, the preceding Friday shall be observed as a holiday; provided, however, that except where the Governor declares that such preceding Friday shall be a legal holiday, each department head shall make provision for the staffing of public offices under his/her jurisdiction on such preceding Friday so that said public offices may serve the public as provided in San Francisco Administrative Code Section 16.4. Those employees who work on a Friday which is observed as a holiday in lieu of a holiday falling on Saturday shall be allowed a day off in lieu thereof as scheduled by mutual agreement with the appointing officer within one (1) calendar year of the date of the holiday.

Holiday Compensation for Time Worked

413. Employees required by their respective appointing officers to work on any of the above-specified or substitute holidays, excepting Fridays observed as holidays in lieu of holidays falling on Saturday, shall be paid extra compensation at the rate of time and one-half (1-1/2) the usual rate of pay for all regularly scheduled hours worked; provided, however, that at an employee's request and with the approval of the appointing officer, an employee may be granted compensatory time off in lieu of paid overtime at the rate of time and one-half (1 1/2).
414. Ten (10) and twelve (12) hour employees shall receive full holiday compensation for the regularly scheduled shift worked on a holiday.

415. No designated "Z" employee shall receive overtime pay for working on a holiday. All such overtime shall be compensated in the form of compensatory time accrued. Provided however that "Z" employees may, at the end of each fiscal year, choose to receive a cash payment in lieu of accrued compensatory time for each holiday worked during the fiscal year.

Holidays for Employees on Work Schedules Other Than Monday Thru Friday

416. Employees assigned to seven (7) day-operation departments or employees working a five (5) day workweek other than Monday through Friday shall be allowed another day off if a holiday falls on one of their regularly scheduled days off. Employees whose holidays are changed because of shift rotations shall be allowed another day off if a legal holiday falls on one of their days off.
417. Employees regularly scheduled to work on a holiday which falls on a Saturday or Sunday shall observe the holiday on the day it occurs, or if required to work shall receive holiday compensation for work on that day. Holiday compensation shall not be paid for work on the Friday preceding a Saturday holiday nor on the Monday following a Sunday holiday.
418. If the provisions of this section deprive an employee of the same number of holidays that an employee receives who works Monday through Friday, s/he shall be granted additional days off to equal such number of holidays. The designation of such days off shall be by mutual agreement of the employee and the appropriate supervisor with the approval of the appointing officer. In no event shall the provisions of this section result in such employee receiving more or less holidays than an employee on a Monday through Friday work schedule. Departments will use their best efforts to grant each employee qualifying for paid holidays at least one (1) of the following two (2) holidays off: Christmas Day and the following New Year's Day.
419. Such days off must be used in the current or next fiscal year after the day off has been earned.

Holiday Pay for Employees Laid Off

420. An employee who is laid off at the close of business the day before a holiday who has worked not less than five (5) previous consecutive workdays shall be paid for the holiday.

Employees Not Eligible for Holiday Compensation

421. Persons employed for holiday work only, or persons employed on a part-time work schedule which is less than twenty (20) hours in a biweekly pay period, or, except as provided in paragraph 466 (Benefits for Non-Permanent employees) of this Agreement, persons employed on an intermittent part-time work schedule (not regularly scheduled), or persons on leave without pay status both immediately preceding and immediately following the legal holiday shall not receive holiday pay.

Part-time Employees Eligible for Holidays

422. Part-time employees who regularly work a minimum of twenty (20) hours in a biweekly pay period shall be entitled to holidays on a proportionate basis.
423. Regular full-time employees are entitled to 8/80 or 1/10 time off when a holiday falls in a biweekly pay period, therefore, part-time employees, as defined in the immediately preceding paragraph, shall receive a holiday based upon the ratio of 1/10 of the total hours regularly worked in a biweekly pay period. Holiday time off shall be determined by calculating 1/10 of the hours worked by the part-time employee in the biweekly pay period immediately preceding

the pay period in which the holiday falls. The computation of holiday time off shall be rounded to the nearest hour.

424. The proportionate amount of holiday time off shall be taken in the same or next fiscal year in which the holiday was provided. Holiday time off shall be taken at a time mutually agreeable to the employee and the appointing officer.

Time Off for Voting

425. If an employee does not have sufficient time to vote outside of working hours, the employee may request so much time off as will allow time to vote, in accordance with the State Election Code.

G. SALARY STEP PLAN AND SALARY ADJUSTMENTS

Salary Step Plan

426. Appointments to positions in the City and County service shall be at the entrance rate established for the position except as otherwise provided herein.

1. Promotive Appointment in a Higher Class

427. An employee who is a permanent appointee following completion of the probationary period or an employee who has served six (6) months of continuous service, and who is appointed to a position in a higher classification, deemed to be promotive by the Department of Human Resources shall have his/her salary adjusted to a step in the promotive class as follows:
428. a. If the employee is receiving a salary in his/her present classification equal to or above the entrance step of the promotive class, the employee's salary in the promotive class shall be adjusted to two (2) steps to the closest step representing a 10% increase in the salary grade over the salary received in the lower class but not above the maximum of the salary range of the appropriate classification.
429. b. If the employee is receiving a salary in his/her present classification which is less than the entrance step of the salary range of the promotive classification, the employee shall receive a salary step in the promotive class which is closest to an adjustment of 10% above the salary received in the class from which promoted. The proper step shall be determined in the biweekly salary grade and shall not be above the maximum of the salary range of the promotive class.

2. Provisional to Promotive

430. Consistent with the Temporary Employees' Agreement attached hereto, a provisional appointee who accepts appointment to a promotive position from a regular eligible list shall have his/her salary in the promotive appointment based on the salary in his/her regular civil service next lowest rank position from which s/he gained promotive eligibility, except as herein provided.
431. If the following conditions are met, the salary in the promotive appointment shall be not less than the salary received under provisional appointment:
432. a. That the employee was serving under permanent provisional appointment for at least six (6) months immediately prior to accepting such regular promotive appointment.

- 433. b. That the employee received a salary above the entrance rate of the compensation schedule in the permanent limited tenure appointment.
- 434. c. That if the salary steps in the provisional class and the regular promotional class do not match, the employee shall be advanced to the salary step in the compensation schedule nearest that received in the provisional appointment.
- 435. d. Further increments in the compensation schedule in the regular promotive class shall be based on the date of permanent appointment to the regular promotional appointment.

4. Appointment Above Entrance Rate

- 437. Appointments may be made at any step in the salary grade under any one of the following conditions:
 - 438. a. A former permanent City employee, following resignation with service satisfactory, is being reappointed to a permanent position in his/her former classification.
 - 439. b. Loss of compensation would result if appointee accepts position at the normal step.
 - 440. c. A severe, easily demonstrated and documented recruiting and retention problem exists, such that all city appointments in the particular class should be above the normal step.
 - 441. d. The appointee possesses special experience, qualifications and/or skills which, in the Appointing Officer's opinion, warrants appointment above the entrance rate.
 - 442. e. If a new employee is hired above Step 1 under section (4)(c) above, all incumbents in the same classification shall be advanced to the same step at which the new employee is hired. In this case, the incumbents shall maintain their original anniversary date in the class for future step increases.

- 443. The Appointing Officer seeking such Appointment Above Entrance, through a designated sender, shall submit a written notice to a designated recipient for the Union.

5. Appointive Position

- 444. An employee whose position is affected by the provisions of II.D. Layoff of this Agreement and is thereupon appointed to another appointive position shall receive a salary in the second position

based upon the relationship of the duties and responsibilities and length of prior continuous service.

6. Reappointment Within Six Months

445. An employee who resigns and is subsequently reappointed to a position in the same classification within six (6) months of the effective date of resignation shall be reappointed to the same salary step that the employee received at the time of resignation.

Compensation Adjustments

1. Prior Fiscal Year Promotion

446. When an employee promoted to a higher classification during a prior fiscal year receives a lesser salary than if promoted in the same class and from the same salary step during the current fiscal year, his/her salary shall be adjusted on July 1 to the rate s/he would have received had s/he been promoted in the current fiscal year.

447. The salary and anniversary increment date shall be adjusted for any employee promoted from one class to a higher classification who would receive a lesser salary than an employee promoted at a later date to the same classification from the same salary step in the same base class from the promotional examination was held.

2. Salary Increase in Next Lower Rank Classification

448. When a classification that was formerly a next lower rank in a regular civil service promotional examination receives a salary schedule higher than the salary schedule of the classification to which it was formerly promotive, the rate of pay to an employee who was promoted from such lower class shall be equivalent to the salary s/he would have received had s/he remained in such lower class.

3. Flat Rate Converted to Salary Range

449. An employee serving in a class in the prior fiscal year at a flat rate which flat rate is changed to a compensation schedule number during the current fiscal year shall be paid on the effective date of such change the step in the current salary schedule closest to, but not below, the prior flat rate and shall retain the original anniversary date for future increments, when applicable.

4. Continuation of Salary Step Earned Under Temporary Appointment

450. When an employee is promoted under temporary appointment to a higher classification during a prior fiscal year and is continued in the same classification without a break in service in the current fiscal year, or is appointed to a permanent position in the same classification, such appointment shall be in accordance with the provisions of this Agreement, provided that the salary shall not be less than the same step in the salary schedule the employee received in the immediately prior temporary appointment.

5. Credit for Non Permanent Service

451. A non permanent employee who has completed six (6) months or more of non permanent employment within the immediately preceding one (1) year period before appointment to a permanent position in the same class shall be appointed at the next higher step in the one (1) year required service from the date of permanent appointment. These provisions

shall not apply to non permanent employees who are terminated for unsatisfactory services or resign their non permanent position.

453. An employee transferred from one department to another, but in the same classification, shall transfer at his/her current salary, and if s/he is not at the maximum salary for the class, further increments shall be allowed following the completion of the required service based upon the seniority increment anniversary date in the former department.

2. *Reemployment In an Intermediate Classification*

454. An employee who has completed the probationary period in a promotive appointment that is two or more steps higher in an occupational series than the permanent position from which promoted and who is subsequently laid off and returned to a position in an intermediate ranking classification shall receive a salary based upon actual permanent service in the higher classification, unless such salary is less than the employee would have been entitled to if promoted directly to the intermediate classification. Further increments shall be based upon the increment anniversary date that would have applied in the higher classification.

3. *Reemployment In a Formerly Held Classification*

455. An employee who has completed the probationary period in an entrance appointment who is laid off and is returned to a classification formerly held on a permanent basis shall receive a salary based upon the original appointment date in the classification to which the employee is returned. An employee who is returned to a classification not formerly held on a permanent basis shall receive a salary based upon actual permanent service in the classification from which laid off.

Salary Step Placement Resulting from Status Grant

456. Employees who are granted status in another class where the salary grade is higher than the current class shall be placed at the same salary step in the new class as the employee was at in the former class and maintain his/her anniversary date.

H. NON-PERMANENT EMPLOYEES

Testing of Non-Permanent Employees

457. The Union and the City shall meet upon the request of either party regarding classifications that have excessive numbers of non-permanent employees. If deemed by the parties to be useful, they may establish a joint committee for the purpose of reaching an agreement which shall be submitted to the Civil Service Commission for approval, if required by Charter. Nothing herein shall be construed, however, as the Union's agreement to proceed with rule of the list

appointments in a manner other than the process previously established between the Union and the Civil Service Commission under Rule 113.

458. Non-permanent employees with two years or more of continuous service in class and who: (a) are available for appointment from an eligible list, and (b) are displaced because of the appointment of another eligible, and (c) are not offered employment in a comparable position, shall receive severance pay as follows:

two to three years of service in class	one weeks of pay per year of service
four to nine years of service in class	two weeks of pay per year of service
ten or more years of service in class	three weeks of pay per year of service

Save-Our-Services Labor/Management Committee

459. Both the City and the Union recognize the need to:
- review the use of public/private partnerships;
 - review the use of personal services contracts; and
 - use “as-needed” and/or other non-permanent employees for operational purposes under certain circumstances, but desire to ensure such non-permanent appointment status is not used inappropriately.
460. In pursuit of this goal, the parties agree to the creation of an SOS Labor/Management Committee consisting of four (4) City representatives and four (4) representatives from SEIU, whose members shall be granted release time to take part in meetings of the Committee.
461. The Committee shall meet at least monthly, and shall work cooperatively to:
- a. identify and recommend processes for ending long-term provisional and as-needed employment;
 - b. review utilization patterns within departments;
 - c. identify departments that may be better staffed with a higher percentage of permanent positions;
 - d. review and make recommendations on the use of public/private partnerships; and
 - e. review and make recommendations on the use of personal services contracts with the goal to reduce personal service contracts.
 - f. Identify and address those departments whose use of Prop F and As-Needed employees may be inconsistent with Civil Service Rules.
462. The Committee shall complete its work no later than the expiration of this agreement, unless the parties mutually agree to a later date. The Committee shall submit quarterly reports to the Human Resources Director and the Union.

Flat Step Classifications

463. Effective July 1, 1996, represented classes which are currently at a flat biweekly rate shall be converted to the corresponding salary schedule for which the third step is closest to the current flat rate. Employees in prior flat rate represented classes shall be appointed to the step which recognizes the length of service in the classification. Employees with less than six months continuous service shall be appointed to step three. Employees with more than six months, but

less than eighteen months continuous service shall be appointed to step four. Employees with more than eighteen months continuous service in the same class shall be appointed to step five.

Part-Time Employees

464. A represented employee working less than full-time, who would not receive a salary increment adjustment otherwise, shall be granted a one-time step increase, not to exceed top step of class, when he or she completes 1040 hours of service in his or her classification.

Seniority

465. The first date of hire in a classification shall be used to break seniority ties of permanent employees in the same classification who have gained or shall have gained permanent status under ATP.

Benefits

466. Employees who have worked 1040 hours in any consecutive twelve (12) month period shall receive all benefits which are provided to permanent employees, including but not limited to retirement, premiums, vacation pay, sick pay, holiday pay and jury duty pay.

Health Benefits for As-Needed Employees

467. The City and the Union agree to continue the program to provide health benefits for SEIU-represented “As-Needed” employees. The City commits two million dollars (\$2,000,000) in each year of this Agreement to fund such benefits. In addition to the credit referenced in paragraph 383 on the Layoff Impact Premium, the Union has been credited for one half of the fund surplus in the first year of this MOU towards the second year. No credit for the fund surplus applies after the first year of this MOU.
468. Effective July 1, 2012, the As-Needed Health Benefits Committee will discuss the issue of federal health care reform mandated health exchanges and how they might impact health benefits for as-needed employees. The Committee will be made up of six (6) City and six (6) SEIU representatives, who will be granted release time in order to participate in Committee meetings. Individuals with expertise in this area may attend Committee meetings as appropriate. The Committee will meet at least twice monthly, and more frequently as may be mutually agreed.

Data

469. It is the intent of the parties to curtail and limit the use of long-term provisional employment. Accordingly, the parties will continue to make efforts to install and support procedures and policies designed to achieve that objective. Access to relevant data is essential to the Unions' involvement in this process. It is agreed, therefore, that the Department of Human Resources shall provide to the Union a monthly report on computer diskette. Two data sets shall be included on the diskette. The first will include employee name, class name and number and employment status, time in position, and total number of employees represented by the Union by department and classification. The second will list all represented classes containing any provisional employees. It will indicate the list adoption date if a list exists and one or two additional dates related to the list adoption process. The parties may mutually agree to add data fields that may be requested by the Unions that do not infringe upon privacy or violate law.

I. SENIORITY INCREMENTS

Entry at the First Step

1. Advancement Through Salary Steps

470. Except as otherwise provided herein, employees shall advance to the second step upon completion of one thousand forty (1,040) hours worked and to each successive step upon completion of the one (1) year required service.
471. Employees hired on or after July 1, 2012, shall advance to the second step and each successive step upon completion of the one (1) year required service.
472. Each year of satisfactory service normally shall make an employee eligible for consideration for salary advancement within the salary range of his/her classification, except where such employee is in a class for which there is a single rate of pay. If an employee's service is not deemed satisfactory, based on a written performance appraisal, the employee may not be eligible for consideration for salary advancement.
473. If an employee does not receive a performance appraisal within forty-five (45) days of his/her performance appraisal due date, and a written notice of intent to withhold the increase no later than fifteen (15) days before the step increase due date, and the employee is scheduled for a step increase, the appraisal for said year shall be considered satisfactory and any step increase due will be provided to the employee retroactively to his/her anniversary date. Denial of a step increase is subject to appeal through the expedited arbitration procedure of this Agreement.

Entry at Other Than the First Step

474. Employees who enter a classification at a rate of pay at other than the first step shall advance one step upon completion of the one (1) year required service. Further increments shall accrue following completion of the required service at this step and at each successive step.

Conversion from Salary Set by Charter Section 8.400

475. Employees with at least six months continuous service in their current classification, shall be eligible to receive annual salary step increments based on their length of service in their current classification. After six months of continuous service, employees at step one shall be eligible to advance to the second step in the salary grade. Thereafter, they shall receive subsequent salary increments on the anniversary dates of the first increment until they reach the fifth step. Non-permanent employees who receive a salary step increment and thereafter become permanent, shall receive subsequent salary increments on the anniversary date of the first increment until they reach the fifth step.

Date Increment Due

476. Increments shall accrue and become due and payable on the next day following completion of required service as an employee in the class.

Lay-Off

477. An employee who (1) is "laid off" from a permanent appointment, (2) is immediately and continuously employed in another classification with the City, either permanent or temporary, and (3) is thereafter re-employed in his/her permanent position without a break in service, shall, for the purposes of determining salary increments, receive credit for time served while laid off from his/her permanent appointment.

J. HEALTH PLAN

Health and Dental Benefits

478. Maintenance of Benefits: The current benefits level shall be maintained for the duration of this agreement.
479. Effective July 1, 2014 through December 31, 2014, the City shall be obligated to contribute the same monthly amount towards employee health benefits as it did on June 30, 2014, and shall continue to make contributions at that level until December 31, 2014. To the extent the City does not, for any reason, make timely contributions set forth above, then it shall hold the affected employees harmless for any additional contributions up to the negotiated amount for said period of delay.

Health Coverage Effective January 1, 2015

480. Effective January 1, 2015, the contribution model for employee health insurance premiums will be based on the City's contribution of a percentage of those premiums and the employee's payment of the balance (Percentage-Based Contribution Model), as described below:
- 1) Employee Only:
481. For medically single employees (Employee Only) who enroll in any health plan offered through the Health Service System (HSS), the City shall contribute one hundred percent (100%) of the total health insurance premium.
- 2) Employee Plus One:
482. For employees with one dependent who elect to enroll in any health plan offered through HSS, the City shall contribute ninety-six percent (96%) of the total health insurance premium, provided however, that the City's contribution shall be capped at ninety-six percent (96%) of the Employee Plus One premium of the second-highest-cost plan.
- 3) Employee Plus Two or More:
483. For employees with two or more dependents who elect to enroll in any health plan offered through HSS, the City shall contribute eighty-three percent (83%) of the total health insurance premium, provided however, that the City's contribution shall be capped at eighty-three percent (83%) of the Employee Plus Two or More premium of the second-highest-cost plan.
- 4) Contribution Cap
484. In the event HSS eliminates access to the current highest cost plan for active employees, the City contribution under this agreement for the remaining two plans shall not be affected.

5) Average Contribution Amount

485. For purposes of this agreement, to ensure that all employees enrolled in health insurance through the City's HSS are making premium contributions under the Percentage-Based Contribution Model, it is agreed that, to the extent the City's health insurance premium contribution under the Percentage-Based Contribution Model is less than the "average contribution," as established under Charter section A8.428(b), then, for the life of this agreement, expiring June 30, 2017, in addition to the City's contribution, payments toward the balance of the health insurance premium under the Percentage-Based Contribution Model shall be deemed to apply to the annual "average contribution." The parties intend that the City's contribution toward employee health insurance premiums will not exceed the amount established under the Percentage-Based Contribution Model. The parties intend that, for the life of this agreement, expiring June 30, 2017, the City's contribution toward employee health insurance premiums will not exceed the amount established under the Percentage-Based Contribution Model.

Joint Commitment to Raise Quality and Lower Costs

486. The City and SEIU Local 1021 shall, no later than 120 days following the execution of this agreement, form and jointly petition HSS to participate in a joint labor-management committee to do the following, including but not limited to:
487. Promote the following policy priorities:
- i. Healthcare cost and quality transparency
 - ii. Prevention of anti-competitive practices
 - iii. Fair hospital pricing and payment reform
 - iv. Health and wellness for employees
 - v. Supporting development of a common public purchasers' position on health care transparency and accountability
488. The Committee shall meet quarterly to provide opportunities for review and discussion of HSS contracting strategies, HSS studies and reports, and ideas for expanded vendor reporting and accountability, and to review, discuss and advance strategies to reduce excess health care cost growth.
489. The Committee shall be comprised of four (4) Union appointees and four (4) City appointees (two (2) of which may be HSS appointees). The City shall provide the Union members of the Committee, including witnesses to testify before the Committee, with fully-paid release time to participate in Committee meetings and caucuses.

Dental: Fiscal Year 2011-2012 and Thereafter

490. Notwithstanding paragraph 493, employees who enroll in the Delta Dental PPO Plan shall pay the following premiums for the respective coverage levels: \$5/month for employee-only, \$10/month for employee + 1 dependent, or \$15/month for employee + 2 or more dependents.
491. Consistent with the terms of ordinances which are adopted by the Board of Supervisors and pursuant to Charter Section 12.202, the City shall propose changes to the Health Services eligibility criteria to provide for the enrollment of provisional, regularly scheduled employees upon appointment.

492. Subject to Charter requirements and in accordance with its meet and confer obligations under the Meyers Miliias Brown Act, the City agrees to meet with SEIU and other affected unions in the event a Charter amendment is proposed which would require or permit the City to provide employees with health insurance coverage through CalPERS.
493. Dental: The City shall continue to contribute a monthly amount per represented employee sufficient to continue the family dental coverage specified in the Memorandum of Agreement signed and dated March 31, 1992.

K. LONG TERM DISABILITY INSURANCE

494. The City shall provide to employees with six months continuous service a Long Term Disability (LTD) plan that provides, after a one hundred eighty (180) day elimination period, sixty percent (60%) salary (subject to integration) up to age sixty-five. Employees who receive payments under the LTD plan shall not be eligible to continue receiving payments under the City's Catastrophic Illness Program.

L. BENEFITS WHILE ON UNPAID LEAVE OF ABSENCE

495. The City will cease payment of any and all contributions for employee health and dental benefits for those employees who remain on unpaid status in excess of twelve (12) continuous weeks, with the exception of approved sick leave, workers' compensation leave, family care leave, or mandatory administrative leave. Following expiration of the employee's family care leave, the employee may request personal leave due to hardship (pursuant to the procedures of the Department of Human Resources). Paid benefits shall continue during this approved personal leave. In addition, the City will continue payment of all regular contributions for employee health and dental benefits for an employee on a holdover list during the time period that the employee verifies that the employee does not have alternative health care coverage. The verification process shall be established by the Department of Human Resources and the Union.
496. It is not the intent of the City to schedule any employee less than twenty (20) hours per week for the purpose of avoiding the payment of benefits.

M. RETIREMENT

1. Proposition C

497. A. The parties recognize the requirement under Charter Section A8.409-9 to negotiate cost-sharing provisions that produce comparable savings and costs to the City and County as are produced through the Charter's SFERS employee contribution rate adjustment formulae. The parties intend this Section to effectuate the cost sharing provisions of San Francisco Charter Section A8.409-9. The parties further acknowledge that: (i) the annual SFERS employer contribution rate is determined by the SFERS actuary and approved by the SFERS Board for each fiscal year; and (ii) the annual employer contribution rate for SFERS for FY 2012-13 is 20.71%.
498. B. The parties agree that, when the applicable SFERS annual employer contribution rate is more than 12.00%, bargaining unit members in CalPERS shall make the mandatory statutory employee contribution described in paragraph 503 plus an additional mandatory contribution to effectuate San Francisco Charter Section A8.409-9 (the "Prop. C Contribution"). The Prop. C Contribution is determined, as set forth in the chart below,

based on the employee contribution rate which corresponds to the SFERS annual employer contribution rate for that fiscal year. For example, for FY 2012-2013, based on the employer contribution rate of 20.71%, the Prop. C Contribution will be 2.5% of covered compensation for miscellaneous safety bargaining unit members in CalPERS earning at the annual rate of less than \$100,000, and 3% of covered compensation for such bargaining unit members earning at the annual rate of \$100,000 or more.

Employer Contribution Rate for Comparable SFERS Employees	Additional Employee Contribution/Reduction for Misc. Safety < \$100K	Additional Employee Contribution/Reduction for Misc. Safety > \$100K

8.51% - 10.0%	(1.0%)	(1.5%)
10.01% - 11.0%	(0.5%)	(0.5%)

32.51% - 35.0%	4.0%	4.5%
35.01% +	4.0%	5.0%

499. C. The Prop. C Contribution:

- (i) will be paid by the City to CalPERS, effectuated via a pre-tax reduction in salary pursuant to Internal Revenue Code Section 414(h)(2);
- (ii) will not be included in the gross income of the bargaining unit members for certain tax reporting purposes, that is, for federal, state, or local income tax withholding, unless and until distributed either through a pension benefit or a lump sum payment;
- (iii) will be included in the gross income of the bargaining unit members for FICA taxes when they are made;
- (iv) will be reported to CalPERS as City contributions to be applied against the City's CalPERS reserve, and will not be applied to the bargaining unit member's individual CalPERS account;
- (v) will be included in the bargaining unit member's compensation as reported to CalPERS and the affected bargaining unit members shall not be entitled to receive

any of the contributions described above directly instead of having them paid by the City to CalPERS; and

- (vi) will be considered as part of the bargaining unit member's compensation for the purpose of computing straight-time earnings, compensation for overtime worked, premium pay, and retirement benefits, and shall be taken into account in determining the level of any other benefit which is a function of, or a percentage of, salary.

500. D. In the event that the Prop. C Contribution is zero, i.e. the annual SFERS employer contribution rate is between 11-12%, Section C above will not apply. In the event that the Prop. C Contribution is a negative number, i.e. the annual SFERS employer contribution rate is less than 11%, Section C above will not apply and the Prop. C Contribution will be treated as a City pick up of the bargaining unit members' mandatory CalPERS retirement contribution under paragraph 503 to the extent of the Prop. C Contribution.

501. E. Any City pickup of an employee's mandatory retirement contribution shall not be considered as a part of an employee's compensation for the purpose of computing straight-time earnings, compensation for overtime worked, premium pay, or retirement benefits; nor shall such contributions be taken into account in determining the level of any other benefit which is a function of our percentage of salary. The City reserves the right to take said contributions into account for the purpose of salary comparisons with other employers.

502. F. Notwithstanding the above paragraphs, in the event that a change in state law causes the implementation, during the term of this Agreement, of an increase in the employee contribution to CalPERS for employees covered by this Agreement, either party may elect to reopen this Agreement to address the impact of the change in state law. This reopener shall be subject to the impasse resolution procedures and criteria set forth in Charter Section A8.409-4.

2. Employee payment of employee contribution to CalPERS

503. For the duration of this agreement, members of the bargaining unit in CalPERS shall pay the employee share of mandatory retirement contributions effectuated via a pre-tax reduction in salary. These mandatory retirement contributions:

- (i) will be paid by the City to CalPERS, effectuated via a pre-tax reduction in salary pursuant to Internal Revenue Code Section 414(h)(2);
- (ii) will not be included in the gross income of the bargaining unit members for certain tax reporting purposes, that is, for federal, state, or local income tax withholding, unless and until distributed either through a pension benefit or a lump sum payment;
- (iii) will be considered as part of the bargaining unit member's compensation for the purpose of computing straight-time earnings, compensation for overtime worked, premium pay, and retirement benefits, and shall be taken into account in determining the level of any other benefit which is a function of, or a percentage of, salary; and
- (iv) the affected bargaining unit members shall not be entitled to receive any of the contributions described above directly instead of having them paid to CalPERS.

Retirement Restoration

504. For employees who retire prior to July 1, 2013 and whose final compensation for retirement purposes was impacted by the wage reduction in Fiscal Years 2010-2011 or 2011-2012 described in Article III.A. of the parties' 2010-2012 Agreement, the City will make available restoration pay in a lump sum equivalent to the pensionable value of the wage reduction described in Article III.A. of the parties' 2010-2012 Agreement for the period used by the applicable retirement system to determine the employee's final compensation for retirement purposes (Final Compensation Period).
505. Should employees who retire prior to July 1, 2013 wish to receive retirement restoration, they must, at least thirty (30) days prior to the last date of employment, agree to re-designate any floating holidays they have taken during the Final Compensation Period in excess of four (or five, depending on the number of years of City Service, as described in paragraph 409) to vacation days upon retirement. This re-designation shall not apply to floating holidays carried over from a prior fiscal year. Once they have taken four (or five, depending on the number of years of City Service, as described in paragraph 409) floating holidays during the Final Compensation Period, such employees will not be eligible to take any floating holidays during the last thirty (30) days of their employment except for floating holidays accrued before July 1st of the fiscal year in question.

Temporary Employees

506. Effective 5/1/95 retirement benefits will be provided to temporary employees who have worked at least 1040 hours.

Retirement Buy Back

507. It is the intent of the City that the Retirement System shall continue to authorize the pre-tax buyback of pension credits by qualified members.

Retirement Board

Benefit Processing Time

508. The Retirement Board shall process and pay retirement claims, except in cases beyond the Board's control, in the following manner:

BENEFIT

PROCESSING TIME

509. Initial monthly retirement allowance.
- Initial payment shall begin within sixty (60) days after the first of the month following the date of retirement provided that the appropriate forms of the Retirement System have been submitted.
510. Withdrawal of Contributions. A refund of contributions will be paid within six (6) weeks following submission of the appropriate forms of the retirement System.

512. The Retirement System agrees to hold a meeting each Fall, following their annual audit, to review their portfolio with interested unions. The Retirement System will request the unions to submit questions in advance of such meeting to set an appropriate agenda.

Retirement Reopener

513. Consistent with provisions of Charter Section A8.409, this Agreement shall be reopened if the Charter is amended to enable the City and the Union to negotiate and arbitrate retirement benefits.

Release Time for Pre-Retirement Planning Seminars

514. Subject to development, availability and scheduling by SFERS and PERS, employees shall be allowed not more than one (1) day during the life of this MOU to attend a pre-retirement planning seminar sponsored by SFERS or PERS.
515. Employees must provide at least two (2) weeks advance notice of their desire to attend a retirement planning seminar to the appropriate supervisor. An employee shall be released from work to attend the seminar unless staffing requirements or other Departmental operational necessities require the employee's attendance at work on the day such seminar is scheduled. Release time shall not be unreasonably withheld.
516. All such seminars must be located within the Bay Area.
517. This section shall not be subject to the grievance procedure.

Safety Retirement for Certain Classifications

518. During the term of this Agreement, if the voters amend Charter Section A8.506-2 to delete the “no net increase in cost” requirement in that section, the City agrees to meet and confer with the Union over a mutually satisfactory contract amendment with PERS to effect safety retirement improvements for eligible classes. As set forth in Charter Section A8.409-5, the parties acknowledge that this paragraph is not subject to Charter Section A8.409’s impasse resolution procedures.
519. The parties agree to meet and confer regarding possible implementation of the PERS 3% at 55 retirement benefit for eligible employees covered by this Agreement. The City will request sufficient data from PERS to determine the cost of implementing this benefit in a manner consistent with the requirements of the City Charter and PERS. Upon receipt of such data, the parties will meet and confer, and the meet and confer process shall conclude within six (6) months. It is understood and agreed that the meet and confer process will be conducted in conjunction with other labor organizations representing employees eligible under the Charter for this benefit improvement. The parties acknowledge that this paragraph is not subject to Charter Section A8.409’s impasse resolution procedures.

N. CHILD CARE & VOLUNTEER/PARENTAL RELEASE TIME

520. The Child Care Study Committee shall continue plans and efforts to open an affordable, accessible and high quality child care for City workers on the grounds of San Francisco General Hospital (SFGH), or nearby, as soon as possible given space and financial limitations. The child care center at SFGH shall be designed into any future significant construction at SFGH if a suitable site is not located and child care center is not established by the time of planning for such construction.

Volunteer/Parental Release Time

521. Represented employees shall be granted paid release time to attend parent teacher conferences of two (2) hours per semester.
522. In addition, an employee who is a parent or who has child rearing responsibilities (including domestic partners but excluding paid child care workers) of one or more children in kindergarten or grades 1 to 12 shall be granted unpaid release time of up to forty (40) hours each fiscal year, not exceeding eight (8) hours in any calendar month of the fiscal year, to participate in the activities of the school of any child of the employee, providing the employee, prior to taking the time off, gives reasonable notice of the planned absence. The employee may use vacation, floating holiday hours, or compensatory time off during the planned absence.

O. DCAP PROGRAM

523. The City shall continue to provide a DCAP program to Union members. The Union and the City shall negotiate any beneficial changes to the program or any changes that may be necessary due to tax rule changes.

P. MUNICIPAL RAILWAY PASSES

524. The City agrees to attempt to obtain Municipal Railway passes from the Municipal Transportation Agency to be supplied to department heads. Department heads who have employees who are required to move from one City location to another during normal working hours shall be entitled to obtain sufficient Municipal Railway passes to distribute to employees as needed. It is understood that these passes are to be used by employees only during normal working hours and while on City business.

Q. PAYROLL PROCEDURES

Overtime & Holiday Pay

525. The City agrees to take necessary action in the annual budget process and through the supplemental appropriation process, if necessary, to assure that the departmental overtime accounts will have sufficient funds to pay overtime and holiday pay to those assigned to work such overtime and holidays throughout the fiscal year.
526. The Controller agrees to process and distribute all holiday and overtime payments with the regular pay warrants for the period in which the overtime was earned.

Recovery of Overpayment

527. Should recovery of overpayment of salary or wages be necessary, the Controller's PPSD will make every attempt to minimize the hardship for the employee.

528. The schedule of recovery of any overpayment shall be made by mutual agreement between the City and the employee. In the absence of a mutual agreement, the City may recover no more than 20% of the total amount in any one biweekly payment.
529. In correcting all employee underpayment or nonpayment problems, the following timelines will be used to correct the most significant problems first:
1. No Payment on Pay Day for the Pay Period
530. Highest priority, full payment to be issued as quickly as possible, within four (4) hours if PPSD or departmental payroll division is notified before noon on payday or before noon on any subsequent day. If PPSD or departmental payroll division is notified after noon but before 4 p.m., the payment will be issued no later than noon on the following day.
2. Payment on Pay Day is 10% or More Short of Total Due for Pay Period
531. Second priority, correcting payment to be issued as quickly as possible, but no later than three (3) working days of report to payroll.
3. Payment on Pay Day is Less than 10% Short of Total Due for Pay Period
532. Third priority, correcting payment to be issued as quickly as possible, with a goal of within ten (10) working days of report to payroll.

Additional Payroll Procedures

533. Upon the request of the Union, the Director of the Controller's PPSD or (designee) agrees to meet with the Union to discuss matters related to the City's payroll procedures, including but not limited to, the creation of a fund for reimbursement of short payments, issuance of overtime, holiday, vacation, or final payments. Departmental representatives will be invited to participate if the Director of PPSD (or designee) deems it appropriate.

Maintenance and Charges

534. Charges and deductions for all maintenance, such as housing, meals, laundry, etc., furnished to and accepted by employees shall be made on time rolls and payrolls in accordance with the schedule of maintenance charges fixed and determined in the current Annual Salary Ordinance. Such charges will be fixed at their current rates for the term of this agreement.
535. No charge shall be made for meals furnished to cooks, bakers, dieticians, lunchroom helpers and other kitchen workers while on duty.

R. JURY DUTY

536. An employee shall be excused from work on a work day on which he/she performs jury service, providing he/she gives prior notification to his/her supervisor. During such excused absence, an employee shall be paid up to an amount of the difference between jury fees and his/her regular shift earnings.

Swing and Night Shift Employees

537. An employee who takes jury duty leave shall not be required to work a swing or night shift on the day(s) of the leave and shall be paid up to an amount of the difference between jury fees and his/her regular shift earnings.
538. Witness leave shall be paid as currently provided in the Civil Service rules.

S. VACATION

Vacation and Days Off Scheduling

539. Subject to the approval of the Appointing Officer, vacation periods and days off shall be scheduled by mutual agreement of the employee and his/her supervisor. In the event of a conflict where two or more employees desire the same vacation period or days off, the supervisor shall grant the preference of the more senior employee, after taking into account the needs of the service.

Holiday during Vacation

540. If a holiday occurs during an employee's vacation and the employee would as a matter of law have been entitled to said day as a regular day off, such holiday shall not be considered a day of vacation chargeable to the employee's vacation allowance.

Vacation when Employment Ceases

541. An employee with one year or more of service who ceases to be employed by the city and county and who has neither received nor waived his current annual vacation allowance shall receive a pro-rate payment for all service performed since January 1 of the calendar year in which he ceases to be employed, together with an amount equivalent to any accumulated vacation allowances due him.

Annual Vacations of Employees

542. Every person employed in the city and county service shall be allowed a vacation with pay annually, as long as he continues in his employment, as follows:
1. After one years' continuous service, 10 working days.
 2. After five years' continuous service, 15 working days.
 3. After fifteen years' continuous service, 20 working days.
543. Employees may elect not to take their entire vacation in any one year and in such event may accumulate the days allowable and not taken for use at some future time, provided, however, that no employee may accumulate unused vacation allowance in excess of 400 hours regardless of length of service.
544. In computing vacation pay, no employee shall be considered to work more than five days each week. Vacation pay for employees working less than a five day week shall be computed proportionately.
545. Vacation pay shall include all premiums, differentials, etc that an employee earns during the regular work year.

Authorization of Transfer of Vacation Credits

546. Employees of the City and County of San Francisco may individually transfer their vested vacation allowance credits to another individual employee of the City and County of San Francisco who has been determined to be catastrophically ill by the employee's head of department, in accord with the definition of catastrophic illness to be provided by the Health Commission, and who has exhausted her or his vacation allowance, sick leave and compensatory time off, provided that such transfer may be made only in compliance with the terms and conditions established by the Board of Supervisors.

T. STATE UNEMPLOYMENT AND DISABILITY INSURANCE

547. Upon certification by the Union that one or more representation units covered by this MOU desires to be enrolled in the State Disability Insurance Program, the Department of Human Resources shall immediately take any and all necessary action to enroll such representation units and all employees therein. The Union shall certify to the Employee Relations Director which representation units desire to be enrolled for SDI no later than forty-five (45) days prior to SDI's quarterly enrollment dates and the Board shall take necessary action to enroll such employees in time for the next SDI enrollment date.
548. Once an employee or classification is enrolled in the State Disability Insurance Program, these benefits shall continue for the employee or classification regardless of any reassignment or reclassification which may occur.
549. An employee entitled to SDI shall receive in addition thereto such portion of his/her accumulated sick leave with pay as will equal, but not exceed, the regular biweekly "take home" earnings of the employee, excluding optional deductions. Such supplementary payments shall continue for the duration of the employee's illness or disability or until sick leave with pay credited to the employee is exhausted, whichever occurs first.
550. At an employee's option, an employee's accrued vacation, holiday, and compensatory time off can also be integrated with SDI payments in the same manner as sick leave.
551. During the term of the agreement, all classifications added to the SEIU bargaining unit, where other members of the bargaining unit are covered by State Disability Insurance, shall automatically be covered by SDI.
552. The City agrees to continue participating in the State Unemployment Insurance Program as long as applicable laws so require.

U. FAIR LABOR STANDARDS ACT

553. To the extent that the Agreement fails to afford employees the overtime or compensatory time off benefits to which they are entitled under the Fair Labor Standards Act, the Agreement is amended to authorize and direct all City departments to ensure that their employees receive, at a minimum, such Fair Labor Standards Act benefits.

V. EMPLOYEE ASSISTANCE PROGRAM

554. The City shall budget one hundred twenty five thousand dollars (\$125,000) in fiscal year 2000-2001 and in each successive year of this agreement to continue a city-wide Employee Assistance Program to be administered by the Department of Public Health.
555. The Joint Employee Assistance Program Advisory Committee's purpose shall be to advise the Employee Assistance Program on matters concerning services provided by the program. This committee shall include participation by recognized employee organizations.

W. DIRECT DEPOSIT OF PAYMENTS

556. The City shall continue to provide the electronic deposit of payments. At the request of an employee, the City shall continue the electronic transfer at no cost to the employee to the financial institution of the employee's choice so that funds are available on payday.
557. Effective on a date to be established by the Controller, but not sooner than September 1, 2014, the City shall implement a Citywide "Paperless Pay" Policy. This policy will apply to all City employees, regardless of start date.
558. Under the policy, all employees shall be able to access their pay advices electronically on a password protected site, and print them in a confidential manner, using City Internet, computers and printers. Such use of City equipment shall be free of charge to employees, is expressly authorized under this section of the Agreement, and shall not be considered "inappropriate use" under any City policy. Pay advices shall also be available to employees on a password protected site that is accessible from home or other non-worksites computers, and that allows the employees to print the pay advices. Employees shall receive assistance to print hard copies of their pay advices through their payroll offices upon request. Upon implementation of the policy, other than for employees described in the preceding sentence, paper pay advices will no longer be available through Citywide central payroll distribution.
559. In addition to payroll information already provided, the pay advices shall reflect usage and balance (broken out for vacation, sick leave, etc.) the employee's hours of compensatory time, overtime, and premiums earned during the relevant payroll period. The City shall maintain electronic pay advices and/or wage statements for at least seven (7) years.
560. Under the policy, all employees (regardless of start date) will have two options for receiving pay: direct deposit or pay card. Employees not signing up for either option will be defaulted into pay cards.
561. Every employee shall possess the right to do the following with any frequency and without incurring any cost to the employee:
1. Change the account into which the direct deposit is made;
 2. Switch from the direct deposit option to the pay card option, or vice versa; and
 3. Obtain a new pay card the first time the employee's pay card is lost, stolen or misplaced.
562. The City assures that the pay card shall be FDIC insured. The City further assures that in the event of an alleged overpayment by the City to the employee, the City shall not unilaterally reverse a payment to the direct deposit account or pay card.

563. Prior to implementing the “Paperless Pay Policy,” the City will give all employee organizations a minimum of 30-days’ advance notice. Prior to implementation of the policy, the City shall notify employees regarding the policy, including how to access and print their pay advices at work or elsewhere. Training shall be available for employees who need additional assistance.
564. The City will work with the vendor to evaluate options to provide no-cost ATMs available at large worksites and remote worksites.

X. LEGAL SERVICES PROGRAM

565. The City agrees to administer payroll deductions for employees who volunteer to participate in a pre-paid legal services program to be selected by the Union. The pre-paid legal services program selected by the Union shall be reviewed by the City for compliance with applicable local laws and procedures.

Y. APPOINTMENT PROCESSING

566. Newly appointed employees shall be provided paid release time to complete post-hire, appointment processing.

Z. PAID SICK LEAVE ORDINANCE

567. Should the Civil Service Commission amend the Civil Service Rules to allow eligible employees covered by this Agreement to access their sick leave with pay credits after three continuous months of regularly scheduled paid service instead of requiring six continuous months of such service, San Francisco Administrative Code Chapter 12W Paid Sick Leave Ordinance shall be deemed expressly waived in its entirety by the Union, and said amended provision shall apply to covered employees.

AA. LIFE INSURANCE

568. Upon becoming eligible to participate in the Health Service System under San Francisco Administrative Code Section 16.700, the City shall provide term life insurance in the amount of \$50,000 for all employees covered by this agreement.

ARTICLE IV – GRIEVANCE PROCEDURE & PERSONNEL FILES

A. GRIEVANCE PROCEDURE

Definition

569. A Grievance shall be defined as any dispute which involves the interpretation or application of, or compliance with this Agreement, discipline or discharge.

Grievance Description

570. The Union and the City agree that the following guidelines will be used in the submission of grievances:
571. a. The basis and date of the grievance as known at the time of submission;
572. b. The section(s) of the contract which the Union believes has been violated;
573. c. The remedy or solution being sought by the Grievant.

Procedure

574. The management representative named in the Steps of this grievance procedure may appoint a designated representative to act on his/her behalf with the accompanying authority to settle the grievance at the appropriate grievance step.
575. Only the Union shall have the right on behalf of a disciplined or discharged employee to grieve the discipline or discharge action.
576. Grievances related to a suspension of an employee may be submitted initially at Step II of this procedure within fifteen (15) calendar days of the date of final notice of disciplinary action.
577. Grievances related to a termination of an employee must be submitted initially at Step II or III of this procedure within fifteen (15) calendar days of the final notice of termination.

Monetary Relief

578. Except for grievances based on alleged violations of Article III.D. (Out of Class Work, Acting Assignment), in no event shall a grievance include a claim for money relief for more than a thirty (30) working day period prior to the initiation of the grievance. For grievances based on alleged violations of Article III.D. (Out of Class Work, Acting Assignment), in no event shall a grievance include a claim for money relief for more than a forty-five (45) working day period prior to the initiation of the claim as described in paragraph 332. In the event that the parties agree to settle a grievance through a formal settlement agreement containing a back pay provision or in the event that an arbitrator makes an award pursuant to this MOU's grievance procedure that includes back pay, the City will issue a payment in the appropriate amount within 90 days from the date the settlement agreement is fully executed or, in the case of an arbitration award, within 90 days from either: (a) the date of receipt of an arbitration award that sets forth a specific dollar amount of back pay; or (b) the date the parties verify and agree on the specific back pay calculation. If the City does not meet this 90-day deadline, the grievant(s) shall be entitled to interest at the rate of 5% per year beginning on the 91st day until the date the payment is issued. In the event that either party moves to judicially challenge the arbitration award, the ninety (90) day deadline shall apply upon the resolution of such challenge, assuming the

resolution to the judicial challenge is final and contains a specific dollar amount as discussed above.

Time Limits

579. The parties have agreed upon this grievance procedure in order to ensure the swift resolution of all grievances. It is critical to the process that each step is followed within the applicable timelines. Steps are skipped only with the express, prior approval of the other party, except as outlined in paragraphs 579 - 582.
580. All time limits referred to in this section are binding on each party.
581. A time limit may be extended by the Union and the Management Official responsible for the decision making at the particular step of the process by agreement entered into prior to the expiration of the time limit. This agreement must be confirmed in writing by the party initiating the extension request. Failure by the Union to follow the time limits, unless mutually extended, shall cause the grievance to be withdrawn. Failure of the City to follow the time limits shall serve to move the grievance to the next step.
582. Any deadline date under this procedure that falls on a Saturday, Sunday or Holiday shall be continued to the next business day.

Steps of the Grievance Procedure

Informal Discussion with Immediate Supervisor

583. An employee having a grievance may first discuss it with the employee's immediate supervisor, or the next level in management, to try to work out a satisfactory solution in an informal manner. The employee may have a representative at this discussion.

Step I Immediate Supervisor

584. If a solution to the grievance, satisfactory to the employee and the immediate supervisor is not accomplished by informal discussion, the Union may pursue the grievance further.
585. The Union shall submit a written statement of the grievance to the immediate supervisor within fifteen (15) calendar days of the facts or event giving rise to the grievance, or within fifteen (15) calendar days from such time as the employee or Union should have known of the occurrence thereof. In cases alleging sexual harassment, the time limit during which to file a grievance shall be four (4) months.
586. The immediate supervisor will make every effort to arrive at a prompt resolution by investigating the issue. He/she shall respond in writing within five (5) calendar days.

Step II Department Head/Designee

587. If the grievance is not satisfactorily resolved in Step I, the written grievance shall be advanced, containing a specific description of the basis for the claim and the resolution desired, and submitted to the department head or his/her designee within fifteen (15) calendar days of receipt of the Step I response. The parties shall meet within fifteen (15) calendar days, unless a mutually agreed upon alternative is established. The department head/designee shall, within fifteen (15) calendar days of receipt of the written grievance, or within ten (10) calendar days of

the date the meeting is held, whichever comes later, respond in writing to the grievant and the Union, specifying his/her reason(s) for concurring with or denying the grievance.

Step III Director, Employee Relations/Designee

588. If the decision of the department head/designee is unsatisfactory, the Union may, within fifteen (15) calendar days after receipt of the Department's decision, submit the grievance in writing to the Employee Relations Director.
589. The Director or designee shall have fifteen (15) calendar days after receipt of the written grievance in which to review and seek resolution of the grievance and respond in writing.
590. Subject to applicable law, the Director of Employee Relations shall have authority to settle grievances at this step.

Step IV Final and Binding Arbitration (except termination grievances)

591. Should there be no satisfactory resolution at Step III, the Union has the right to submit and advance the grievance to final and binding arbitration within thirty (30) calendar days of receipt of the Step III response. The parties shall utilize a standing panel for arbitrator selection. To select an arbitrator from the standing panel, the parties shall strike arbitrators alternately from the standing panel until one arbitrator remains to hear each particular case. The party who strikes first will alternate between the parties; however, the first party to strike will be determined by lot, coin flip or other comparable method. The parties acknowledge that in a particular case they retain the right to be able to mutually agree to select an arbitrator who may or may not be on the standing panel.
592. The parties will utilize a standing arbitration panel of 7 arbitrators ("Standing Panel"), plus two alternates. To form this Standing Panel, the parties will simultaneously exchange a list of 9 proposed arbitrators. From the two lists, those arbitrators who appear on both lists shall be selected. To complete the Standing Panel, the parties will strike the names remaining on the two lists until the Standing Panel is completed. The first alternate will be the last name struck and the second alternate will be the second to the last name struck. The party to strike first will be determined by lot, coin flip or other comparable method.
593. If an arbitrator is no longer available or willing to serve on the Standing Panel due to death, retirement, incapacity, or other reason personal to the arbitrator, the position becomes vacant and the first alternate will replace that arbitrator. The second alternate will replace any other arbitrator whose position becomes vacant prior to the annual process described in paragraph 597(c) below. If there are additional vacancies, those vacancies will be filled annually pursuant to the method described in 597(c) below.
594. Every January, the parties will fill any vacancies as follows:
595. (a) Any arbitrator on the Standing Panel (other than an alternate) who has not been selected for any case in the preceding calendar year will be removed from the Standing Panel and the position will become vacant.

596. (b) Any arbitrator on the Standing Panel or serving as an alternate who is no longer able or willing to serve due to death, retirement, incapacity, or other reason personal to the arbitrator, will be removed and the position will become vacant.
597. (c) Any vacancies described in 595(a) and/or 596(b) above, will be filled as follows: each January, the parties will simultaneously exchange a list containing the names of additional proposed arbitrators equal to the number of vacancies that exist, including vacant alternates. From the two lists, arbitrators who appear on both lists shall be selected as Standing Panel members. If the number of names on both lists is greater than the number of vacancies on the Standing Panel, then the assignment to the Standing Panel will be determined by alternate striking of such names until the Standing Panel is filled. The last name(s) stricken will become the alternates according to the method described in Paragraph 592 above. If additional vacancies remain, the parties will alternately strike the names remaining on the two lists until the Standing Panel is completed. The party to strike first will alternate between the parties each year. Any vacant alternate position(s) will be filled according to the striking method described in paragraph 592. An arbitrator cannot serve on the Standing Panel and as an alternate at the same time.
598. (d) When filling any vacant positions as set forth in Paragraph 597(c), the parties will simultaneously exchange the lists by January 31, and will complete the selection process no later than February 15. (If either the January 31 or the February 15 date falls on a weekend or holiday, the deadline for the submission of names will be the next business day.) Any party that fails to exchange a list of arbitrators, or to engage in the selection process by the dates set forth above, will be deemed to have waived its right to submit a list of arbitrators under this provision.
599. Except when a statement of facts mutually agreeable to the Union and City is submitted to the arbitrator, it shall be the duty of the arbitrator to hear and consider facts submitted by the parties.
600. The City and the Union must commence selecting the arbitrator and scheduling the arbitration within thirty (30) calendar days of ERD's receipt of the Union's arbitration request. The parties agree to recommend to the selected arbitrator that the hearing be scheduled within ninety (90) calendar days of his/her selection. Should the designated arbitrator be unable to comply with this requirement, the parties shall by mutual agreement commence contacting other arbitrators on the panel, beginning with the last struck, until an arbitrator is selected who will meet such requirement.
601. The arbitrator shall have no authority to add to, subtract from, or modify the terms of this Agreement.
602. The parties shall encourage the arbitrator to make his/her awards within forty-five (45) calendar days following the receipt of closing arguments or briefs. The decision of the arbitrator shall be final and binding on all parties.
603. Each party shall bear its own expenses in connection therewith. All fees and expenses of the arbitrator and court reporter and report, if any, shall be borne and paid in full and shared equally by the parties. Transcript costs shall be paid separately by the party requesting the transcript. If parties mutually request, and the arbitrator agrees, a court reporter may not be required.

604. Individuals who may have direct knowledge of the circumstances relating to the grievance may be present at the request of either party at the hearing. In the case of employees of the City, they shall be compensated at an appropriate rate of pay for time spent.

Step IV Final and Binding Arbitration (termination grievances only)

605. The parties agree to use their best efforts to arbitrate grievances appealing the termination of employment within ninety (90) days of the Union's written request to arbitrate.

Termination Grievances

606. 1. This provision regarding termination grievances is adopted on a trial basis only. It shall sunset on the last day of this Agreement, and shall not be renewed except by mutual agreement. If the provision is not renewed, termination grievances shall be processed in the same fashion as other grievances under this Agreement.
607. 2. The parties shall commence arbitration of a grievance challenging the termination of employment within ninety (90) days of the request for arbitration, unless it is not possible under the circumstances. To that end, the parties agree to process termination grievances as follows:
608. a. Initial filing of grievances
- i. Termination grievances will be filed directly at Step II or, at the Union's option, at Step III (Director of Employee Relations or designee). In either case, the initial filing will be due not later than fifteen (15) days of the effective date of termination.
609. ii. The City's response, whether at Step II or at Step III, will be due not later than fifteen (15) days of the Union's filing. The Union's submission to arbitration from a Step III response will be due no later than fifteen (15) days from its receipt of the City's response. Upon notice from the Union, failure of the City to follow the time limits shall serve to move the grievance to the next Step.
610. b. Arbitration
- In the first year of this Agreement, the City and the Union shall select a standing panel of arbitrators to hear termination grievances. The panel shall be established in the following fashion: Within fifteen (15) days of the effective date of this Agreement, each party shall submit to the other the names of five (5) arbitrators. Within seven (7) days thereafter, the parties, beginning by lot, shall alternately strike names from the list until six (6) names remain. The six remaining persons shall constitute the standing termination arbitration panel for the first year of the Agreement.
611. c. Termination cases submitted to arbitration by the Union shall be heard at the next prescheduled termination hearing date that is at least sixty (60) but not more than ninety (90) days after the submission to arbitration.

612. d. The parties agree to preschedule each arbitrator for one set of two (2) dates each calendar year. These two (2) dates shall be scheduled to provide continuity for hearings that require more than one (1) day. The parties will attempt to schedule dates so that there will be hearing dates available at least every other month. At the end of the first year of the program, the parties will meet to discuss the utilization of scheduled dates and whether the number of dates should be changed.
613. The order in which the parties will solicit dates from the arbitrators will be based on the arbitrator's last name, in alphabetical order. If an arbitrator is not able to provide any dates in the specific month the parties have requested, the parties will solicit dates from the next arbitrator in order.
614. If the arbitrator requests a court reporter, or by prior agreement of the parties, a court reporter will be utilized. In these circumstances, the costs will be shared by the parties and the reporter must agree to submit the hearing transcript to the parties and the arbitrator within five (5) business days of the close of the hearing. If only one party requests a court reporter, that party shall pay all associated costs. Closing briefs, if permitted by the arbitrator, will be due to the arbitrator within fifteen (15) calendar days of the close of the hearing, or receipt of transcripts, when mutually requested or required by the arbitrator, whichever is later. Either party may choose to make a closing oral argument in lieu of a written brief. By the parties' mutual agreement, or as determined by the arbitrator, the arbitrator may issue a bench decision on the record, stating the arbitrator's award and the reasons therefore. Any written decision from the arbitrator will be due within thirty (30) calendar days of the receipt of the parties' briefs or the close of oral arguments, whichever is later.
615. e. Annually, on a date to be determined by the parties after consultation, either party may exercise the right to strike the name of one arbitrator from the panel. The party which nominated that person shall have the right to appoint a replacement.
616. f. If an arbitrator withdraws from the panel, the party who originally proposed him/her shall nominate two (2) more arbitrators and allow the other party to strike one (1) name.
617. g. Neither party may propose for inclusion on the arbitration panel the name of an arbitrator who has been peremptorily stricken by the other party in that same year; provided, however, that in any subsequent year after the exercise of such a strike, either party may resubmit the name of that arbitrator for inclusion.

Expedited Arbitration

618. Suspensions up to and including fifteen (15) days and written warnings shall be processed through an expedited arbitration proceeding. By mutual written agreement entered into, before or during Step III of the grievance procedure, the parties may submit other grievances to this expedited arbitration process. At least one day each month will be used for these grievances. The expedited arbitration shall be before an arbitrator to be mutually selected by the parties who shall serve until the parties mutually agree to remove him/her or for twelve (12) months, whichever comes first. Alternatively, at the time of the selection of the arbitrator, either party may request a list of seven (7) appropriately experienced arbitrators from the American

Arbitration Association from which the arbitrator will be selected by the method of striking names. The parties shall not use briefs. Every effort shall be made to have bench decisions followed up by written decisions. These decisions will be final and binding, and shall not be used in any other cases except those of the grievant involved. Transcription by a certified court reporter shall be taken but shall be transcribed only at the direction of the arbitrator.

619. Each party shall bear its own expenses in connection therewith. All fees and expenses of the arbitrator and court reporter and report, if any, shall be borne and paid in full and shared equally by the parties.
620. In the event that an expedited arbitration hearing is canceled resulting in a cancellation fee, the party initiating the request or causing the cancellation shall bear the full cost of the cancellation fee, unless a mutually agreed upon alternative is established.

Rights of Individuals

621. An employee may not be disciplined or discharged without just cause and without written notice of the intended action. The City agrees to follow the principles of progressive discipline.
622. Employees who are released or disciplined during their initial probationary period or during any probationary period established by this Agreement, may appeal the release or discipline provided that the grounds for the grievance or appeal shall be limited to a claimed violation of the provisions of Article II.A. (Discrimination Prohibited or Reasonable Accommodation). In such an appeal the employee shall bear the burden of proof with respect to the claimed violation.
623. Employees covered by this agreement with temporary status shall be subject to termination or dismissal for just cause only, and the rights described in these sections of the Agreement, including the right to expedited or regular arbitration, in the appropriate case, upon their completion of six (6) months of service.

Skelly Rights

624. An employee subject to suspension or discharge, shall be entitled, prior to the imposition of that discipline or discharge, to a hearing and to the following:
625. a. A notice of the proposed action; and
 b. The reasons for the proposed discipline; and
 c. A copy of the charges and the materials upon which the action is based; and
 d. The right to respond, either orally or in writing, to the authority initially imposing the discipline.
626. The Skelly meeting shall be presided over by a management representative who is not the employee's immediate supervisor unless the Department provides the opportunity for the employee to seek administrative review of the Skelly Officer's recommendation prior to the Appointing Officer taking final disciplinary action.

B. PERSONNEL FILES

627. Only one (1) official personnel file shall be maintained on any single employee. The official file shall be located in the Department's personnel office unless another location is designated and

the employee notified in writing. Each employee shall have the right to review the contents of his/her official personnel file upon request. Nothing may be removed from the file by the employee but copies of the contents shall be provided to the employee at his/her request. Copies in excess of 100 pages shall be at a charge of 10 cents per page.

628. With the written permission of the employee, a representative of the Union may review the employee's personnel file when in the presence of a departmental representative and obtain copies of the contents upon request. Copies in excess of 100 pages shall be at a charge of 10 cents per page.
629. An employee shall have the opportunity to review, sign and date any and all material to be included in the file except routine matters chronicling job and pay charges. The employee may also attach a response to such materials within thirty (30) days of receipt. All material in the file must be signed and dated by the author. The City may transmit documents to the employee at the employee's last known address by means of U.S. mail or hand-delivery, except disciplinary notification, which must be sent by certified mail when the employee is on leave.
630. With the approval of his/her appointing officer or designees, the employee may include material relevant to his/her performance of assigned duties in the file.
631. No action to impose discipline against an employee shall be initiated more than thirty (30) days from the date the employer knows of the conduct after diligent and timely investigation except for conduct which would constitute the commission of a crime. Initiation of discipline for the purposes of this provision is the date of the charging letter or notice. The discipline imposed may take into account conduct which is documented in the employee's personnel file or was the subject of a prior disciplinary action.
632. Except for the specific disciplinary matters provided below, materials relating to disciplinary actions in the employee's personnel file which have been in the file three (3) years or more shall not be used. At the request of the employee, materials relating to disciplinary actions which are three (3) or more years old shall be removed, provided there has been no reoccurrence of the conduct on which the discipline was based. The performance evaluations are excluded from this provision.
633. Materials relating to disciplinary actions for misappropriation of public funds or property; misuse or destruction of public property; the use or being under the influence of drugs or alcohol at work; acts which would constitute a felony; acts which present an immediate danger to the public health and safety; or acts of harassment or discrimination based on protected status which have been in the employee's personnel file for five (5) years or more shall not be used. At the request of the employee, material relating to such disciplinary actions which are five (5) or more years old shall be removed, provided there has been no recurrence of the conduct on which the discipline was based.
634. Notwithstanding the above, if an employee believes his or her personnel file contains a personnel evaluation that negatively references employee's authorized and proper use of leave under the Family and Medical Leave Act (FMLA) or the California Family Rights Act (CFRA), the employee should notify his or her Department's Personnel Officer and/or Equal Employment

Opportunity Officer, who shall review the matter and ensure any reference to such use of FMLA or CFRA leave is removed from the evaluation.

Performance Information

635. Negative information regarding any individual employee's performance shall not be publicly displayed, except as may otherwise be required by law or court order. In no way does this section preclude the city from publicly recognizing positive employee performance.

ARTICLE V - TRAINING

A. CAREER OPPORTUNITIES

636. As described below, the City will establish a Career Opportunities Program to offer employees career advancement opportunities including educational courses and programs of study, including certification and licensure. This program does not limit any other education leave to which an employee may be entitled.

B TUITION REIMBURSEMENT

637. The City agrees to allocate one hundred twenty thousand dollars (\$120,000) per each year of this agreement to the Tuition Reimbursement Program for the exclusive use of classifications represented hereunder. Employees in said classifications may not receive more than five hundred dollars (\$500) per fiscal year from this special allocation. Employees in classifications 2574 Clinical Psychologist and 2575 Research Psychologist may receive up to fifteen hundred dollars (\$1,500) per fiscal year.
638. If any portion of said allocation remains unexpended on June 30th of any fiscal year it shall be carried over to the next fiscal year.
639. The Union shall be sent a quarterly report of the persons who have applied for tuition reimbursements, purpose of reimbursement, and monies allocated.
640. Eligibility. Any regularly scheduled full-time or part-time employee within the City service who has served a minimum of one (1) year of continuous service in any class immediately prior to receipt of application may apply for tuition reimbursement. Such reimbursement shall be for training courses pertaining to the duties of a higher classification or for the purpose of improving performance in the present classification when such courses are offered by an accredited educational institution.
641. Expenses. The City will reimburse each eligible employee up to \$500 annually for tuition, books, supplies, and other fees for such course if attendance has been approved in advance. The City will attempt to make such payment promptly upon the employee's submission of proof of satisfactory completion of the course with a passing grade. If the course is not graded, or is not a credited course, an official transcript or other official document shall be deemed evidence of satisfactory completion.
642. Pre-Approval. Application for reimbursement shall be prepared through the Online Tuition Reimbursement System provided by the Department of Human Resources. Courses require pre-approval by the Appointing Officer (or designee) and the Human Resources Department, neither of which shall be unreasonably denied. Such application for tuition reimbursement shall be made prior to the date of enrollment in the course and, if approved by the Appointing Officer (or designee) and the Human Resources Department in the Online Tuition Reimbursement System, reimbursement shall be subject to successful completion of the course. No reimbursement shall be made if the employee is eligible to receive reimbursement for said tuition under a Federal or State Veterans benefit program from other public funds.
643. Should an employee not have access to the technology necessary for an on-line process, the General Tuition Reimbursement Form will be available through departmental human resources

staff, and human resources staff will facilitate the reimbursement process during employee worktime.

644. Repayment. If an employee resigns from the City within two (2) years following completion of the training course, the amount of the tuition reimbursement shall be repaid by the employee to the City by cash payment or out of the employee's last pay warrant or, if applicable, retirement earnings.

C. INSERVICE TRAINING

645. The City agrees to institute inservice training for represented employees by mutual agreement. Training may include, but is not limited to, instruction that will qualify for required CE credits, certificate and license requirements as required for continued employment in the employee's current classification. Required attendance shall be considered a duty assignment for purposes of payment of salary.

D. EDUCATIONAL LEAVE

760. Sick leave with pay credits shall be used and deducted at the minimum rate in units of one one-quarter (1/4) hour for those employees whose credits are calculated in hours.
5. *Conversion of Sick Leave with Pay Credits from Days to Hours*
761. Sick leave with pay credit balances shall be converted from days to hours based on the equivalent number of hours in such employee's sick leave with pay credit balances. The equivalent number of hours shall be based on the employee's authorized normal daily work schedule.
6. *Employees Injured by Battery and/or Assault (To be referred to as Battery in this Section)*
762. Sick leave under this section shall not be charged against earned sick leave with pay credits.

763. Approved sick leave under this section shall be paid retroactive to the first day of injury.

Sick Leave without Pay

764. Sick leave without pay may be approved for employees for the period of the illness provided that requests for prolonged leave shall be renewed every six (6) months and provided further that such leave shall not be extended beyond a period of one (1) continuous year unless a designated physician advises that there is a reasonable probability that the employee will be able to return to employment.

1. Prohibition Against Employment While on Sick Leave Without Pay

765. Employees are prohibited from working in any other employment when on sick leave without pay unless, after considering the medical reason for the sick leave without pay, the appointing officer grants permission for the employee to engage in outside employment.

Compulsory Sick Leave

766. An appointing officer or designee who has reason to believe that an employee is not medically or physically competent to perform assigned duties, and if allowed to continue in employment or return from leave may represent a risk to co-workers, the public and the employee, may require the employee to present a medical report from a physician designated by the Human Resources Director certifying the employee's medical or physical competency to perform the required duties.
767. The appointing authority shall notify the employee in writing of the specific incidents or behavior that is considered to cause risk to co-workers, the public or the employee.
768. If the employee refuses to obtain such physician's certificate or if as a result of a medical evaluation, the employee is found not to be medically or physically competent, the appointing officer or designee may place the employee on compulsory sick leave and shall immediately report such action to the Human Resources Director. If the examining physician determines that the employee is not medically or physically competent and recommends the imposition of sick leave, the physician shall specify the duration of such leave.
769. At the request of the employee, the appointing authority or designee at the level of Departmental Manager shall meet with the employee - and if the employee requests, a representative of the Union - prior to the imposition of a compulsory leave. The employee shall be informed of his/her right to have a representative present.
770. Written notice of the imposition of compulsory leave shall be sent to the employee prior to the effective date of the leave.

Appeal of Imposition of Compulsory Sick Leave Following Re-examination

771. An employee placed on compulsory sick leave may appeal the imposition of compulsory sick leave to the Human Resources Director within fifteen (15) calendar days of the effective date of the leave. The Human Resources Director shall appoint a medical specialist not in the City and County service who practices in the City and County of San Francisco, to conduct an evaluation and to report the findings. This evaluation shall be

conducted at the cost of the City and County. The decision of the medical specialist shall be final and no further appeal shall be allowed. If the medical specialist confirms the compulsory sick leave, the specialist shall specify the duration of the leave.

772. An employee may remain on compulsory sick leave until such time as the employee is found to be competent to return to duty by a physician designated by the Human Resources Director. The compulsory sick leave may be abridged with the approval of the physician designated by the Human Resources Director.

Disability Leave

773. An employee who is absent because of disability leave and who is receiving disability indemnity payments may request, by submitting a signed option statement to the employee's department following the release from disability leave, that the amount of disability indemnity payment be supplemented with salary to be charged against the employee's supplemental disability credits so as to equal the full salary the employee would have earned for the regular work schedule. The regular work schedule shall be that schedule in effect at the commencement of the disability leave.
774. Supplemental disability credits shall be an account separate from, but equivalent to, the employee's accumulated unused sick leave with pay credit balance except that the supplemental disability credit account shall be adjusted as provided below.
775. Failure to exercise the option to supplement disability indemnity payments within 90 calendar days following release from disability leave will preclude later requests.
776. Supplemental disability credits shall be used at the minimum rate in units of one hour.
777. The employee's department shall submit separate timerolls to reflect this action only after the Retirement System certifies the amount of disability indemnity payment, if any, for the period.
778. Salary may be paid on regular timerolls and charged against the unused sick leave with pay credit balance during any period prior to the commencement of the determination of eligibility for disability indemnity payment without requiring a signed option by the employee.
779. When an employee has used sick leave with pay credits and the Retirement System subsequently determines that the employee was entitled to disability indemnity payment for the period of absence, provision shall be made for adjusting the employee's sick leave with pay credit balance and for reimbursing the appropriate City fund for the amount of sick leave with pay credits charged and paid.
780. An employee who uses supplemental disability credits to supplement disability indemnity payments shall, while on disability leave, earn supplemental disability credits at the same rate as sick leave with pay credits.
781. Upon return to duty, an employee who has used supplemental disability credits shall earn sick leave with pay credits at the normal rate and shall earn supplemental disability credits at twice the rate that sick leave with pay credits are earned until such time as the total hours of supplemental disability credits used are regained.

782. Should an employee suffer a recurrence or a new injury before all supplemental disability credits are regained, the supplemental disability credit balance shall be that balance existing at the beginning of the pay period in which the recurrence or new injury occurs and shall be adjusted for the amount of supplemental disability credits subsequently earned and sick leave with pay credits subsequently used.

Use of Sick Leave with Pay Credits to Supplement State Disability Insurance

783. Sick leave with pay credits shall be used to supplement State Disability Insurance (SDI) at the minimum rate in units of one hour.
784. Vacation, CTO, or other paid time as well as SDI payments to an employee who qualifies and who has accumulated and is eligible to use sick leave with pay credits shall be supplemented with sick leave with pay credits so that the total of SDI and sick leave with pay calculated in units of one-hour provides up to, but does not exceed, the regular take home salary the employee would have received (excluding voluntary or optional deductions) for the normal work schedule excluding overtime.
785. An employee who wishes not to supplement, or who wishes to supplement with compensatory time, vacation or floating holidays must submit a written request to the appointing officer or designee within seven calendar days following the first date of absence.
786. Employees who are supplementing SDI earn sick leave with pay credits at the normal rate only for those hours of sick leave with pay credits used.

797. Leave for permanent appointees may be approved for the duration of such service.

Family Care Leave

798. Permanent employees who have one or more years of continuous service in any status may be granted up to one year of unpaid family care leave for the following reasons:
799. 1) The birth of a biological child of the employee;
800. 2) The assumption by the employee of parenting or child rearing responsibilities. Family care leave does not apply to an employee who temporarily cares for a child for compensation, such as a paid child care worker;
801. 3) The serious illness or health condition of a family member of the employee, the employee's spouse or domestic partner, a parent of the employee or the employee's spouse or domestic partner, the biological or adoptive child of the employee, or a child for whom the employee has parenting or child rearing responsibilities; or
802. 4) The mental or physical impairment of a family member of the employee, the employee's spouse or domestic partner, a parent of the employee or the employee's spouse or domestic partner, the biological or adoptive child of the employee, or a child for whom the employee has parenting or child rearing responsibilities, which impairment renders that person incapable of self-care.
803. Family care leave is unpaid leave. At the employee's request, and when approved, family care leave shall be granted in addition to accumulated compensatory time off, vacation time, floating holiday time or sick leave as specified under Sick Leave - Illness or Medical Appointment of Child.
804. Paragraphs 798 through 803 above shall apply to non-permanent employees.

805. An employee who is summoned for witness or jury duty shall be entitled to leave with pay less the amount of juror or witness fee paid for the period required for such service). An employee who is summoned to serve as a witness in cases which involve outside employment or personal business affairs shall be placed on leave without pay unless vacation leave or compensatory time is requested.
806. Paid witness or jury duty leave shall be only from an employee's scheduled duty time and shall not include hours outside of scheduled hours of work or on days off. But employees shall not be expected to work on any shift on days they have served as a witness or on a jury.

B. RETURN TO WORK

811. The City will make a good faith effort to return an employee whose request for reasonable accommodation is pending, or an employee who is pregnant or who has sustained an injury or illness and whose doctors certify that he or she is temporarily unable to perform specified aspects of his or her regular job duties to temporary modified duty within the employee's medical restrictions. Duties of the modified assignment may differ from the employee's regular job duties and/or from job duties regularly assigned to employees in the injured employee's class. Where appropriate modified duty is not available within the employee's classification, on the employee's regular shift (including regular days off), and in the employee's department, the employee may be temporarily assigned pursuant to this section to work in another classification, on a different shift (including different days off), and/or in another department. The City will make a good faith effort to avoid assigning the employee to work on a different shift or different days off, and will appropriately train the employee for the new assignment. After a period of three (3) months, the parties shall evaluate the modified duty assignment in conjunction with the employee's medical restrictions. It is understood that modified duty assignments are temporary only.
812. An employee who is absent because of an occupational or non-occupational disability and who is receiving Temporary Disability, Vocational Rehabilitation Maintenance Allowance, State Disability Insurance, may request that the amount of disability indemnity payment be supplemented with salary to be charged against the employee's accumulated unused sick leave with pay credit balance at the time of disability, compensatory time off, or vacation, so as to equal the normal salary the employee would have earned for the regular work schedule.
813. An employee who wishes not to supplement, or who wishes to supplement with compensatory time or vacation, must submit a written request to the Appointing Officer or designee within seven (7) calendar days following the first date of absence. Written requests made subsequent to this time shall be effective at the start of the payroll period following the request. Disability indemnity payments will be automatically supplemented with sick pay credits (if the employee has sick pay credits and is eligible to use them) to provide up to the employee's normal salary unless the employee makes an alternative election as provided in this section.
814. Salary may be paid on regular time-rolls and charged against the employee's sick leave with pay, vacation, or compensatory time credit balance during any period prior to the determination of eligibility for disability indemnity payment without requiring a signed option by the employee.
815. Sick leave with pay, vacation or compensatory time credits shall be used to supplement disability indemnity pay at the minimum rate of one (1) hour units.

816. Notwithstanding any other provision of this Agreement, the supplemental disability income credit program shall continue in effect during the term of this Agreement, except that the employee's pay shall be supplemented under the program up to the employee's approximate net pay rather than gross pay.

C. FAMILY MEDICAL LEAVE

817. The parties acknowledge the obligation of the City to enforce the rules and regulations set forth in the Family Medical Leave Act and the California Family Rights Act.

ARTICLE VIII– SCOPE

A. FINALITY OF AGREEMENT

818. This Agreement sets forth the full and entire understanding of the parties regarding the matters herein. This agreement may be modified, but only in writing, upon the mutual consent of the parties.
819. In the event management seeks to institute a change in methods or operations within the scope of representation under state law or the charter which it believes is not covered by this Agreement, the parties shall begin to meet and confer as required by state law within fifteen (15) working days from the date receipted written notice is received by the Union at the affected Union's executive offices. Said notice shall state the proposed change, an explanation of the reason(s) for said change, as well as the effect on represented employees that would result.
820. Management, except in the event of an emergency as defined by state law, shall advise the union of the date of the intended implementation of such proposed change, which shall be no sooner than forty (40) working days from the date receipted written notice is received by the Union.
821. In the event the parties do not reach agreement thereon, the union may grieve and take to expedited arbitration such disagreements as it may have. The authority of the arbitrator is to determine:
822. 1. Whether the city's proposed change(s) violate the terms of this agreement and, if so, what shall be the remedy;
823. 2. To determine whether there are negative practical consequences of any such proposed changes on wages, hours benefits or other terms and conditions of employment as to which the parties have not agreed and, if so, how such consequences shall be dealt with. The arbitrator, in making that determination, has no authority to negate the change of methods or operations.
824. 3. The Employee Relations Ordinance in the Administrative Code shall not apply to the application of this section.
825. 4. Failure by either party to engage in meeting and conferring in accordance with this provision will result in forfeiture of such party's rights under this section.
826. 5. Nothing in this agreement shall have application to changes of Civil Service rules excluded from bargaining pursuant to Charter Section A8.409-3 except as they may affect compensation.

B. SAVINGS CLAUSE

827. Should any part hereof or any provisions herein be declared invalid by a court of competent jurisdiction, such invalidation of such part or portion of this Agreement shall not invalidate the remaining portions hereof and the remaining portions hereof shall remain in full force and effect for the duration of the Agreement.

C. HOLD HARMLESS

828. The Union shall assume the defense of, indemnify and hold the City harmless from any and all claims, demands, suits, or any other action arising from agency shop provisions herein, or from complying with any demand for termination hereunder.

D. DURATION OF AGREEMENT

829. This Agreement shall be effective July 1, 2014 and shall remain in full force and effect through June 30, 2019.
830. This Agreement shall remain in full force and effect through that date and from year to year thereafter unless either party serves written notice on the other at least sixty (60) days prior to June 30, 2019 or June 30th of any subsequent year of its desire to open the Agreement for the purpose of meeting and conferring on proposed changes.
831. The effective date of those provisions herein that have been determined by the arbitration board established pursuant to Charter Section A8.409.4 shall be the date that the board issues its decision.

D. Floating Holidays

Unless otherwise agreed to in writing between the employee or Union and the supervisor, floating holidays shall be requested by employees on or before March 1 of each fiscal year. If the employee does not request his/her floating holiday by March 1, the Department will unilaterally schedule the floating holiday. The Department will notify the employee of such an assignment of a holiday one (1) week prior to the day assigned.

SECTION 12. VACATION SCHEDULING POLICY

- A. Except as provided in paragraph B of this Section, vacations shall be scheduled by mutual agreement of the employee and the Department. In the event of a conflict between granting a similar request of two or more employees, the matter shall be decided in favor of the employee having the longest service in a classification and shift at the facility.
- B. In the event vacation scheduling pursuant to paragraph A hereof is impractical, the following procedure will apply. Prior to January 1st of any year, any employee may submit up to three (3) choices of a preferred vacation period. The Department shall approve such choices on the basis of employee seniority within his/her classification and shift at the facility and shall post a list of scheduled vacations within thirty (30) days. Any employee who fails to submit a choice or any new employee who misses the sign-up period shall schedule vacation by mutual agreement with the Department, provided that such scheduling shall not supersede a vacation scheduled by prior submission.
- C. The Department has the right to limit the number of employees on vacation at any one time consistent with the needs of the service.

SECTION 13. HEALTH AND SAFETY

Policy:

All employee reports of unsafe working conditions will be investigated promptly and without prejudice.

A. Health and Safety Committee

1. Purpose

2. Membership

The Safety Committee of Laguna Honda Hospital and San Francisco General Hospital will include a total of six (6) employee representatives. The Safety Committees of Community Health Programs and Mental Health Programs may include three (3) employee representatives each elected at large.

3. Release Time

Employee Representatives shall receive paid release time from regular duties for Safety Committee meetings and Committee-approved activities. Time off for representation should not unduly interfere with the performance of duties or with the work flow requirements of the department.

B. Employees Who Become Ill or Injured on the Job

1. Employees who become ill on the job shall report to their immediate supervisor.
2. An employee who is injured on the job shall, in all cases, immediately report to the direct supervisor who shall act in accordance with established departmental and City policies, which shall include an investigation of the incident and completion of the Employer's report of Industrial Accident/Illness. An employee may utilize his/her designated personal physician in accordance with the requirements of State law.
3. When an employee cannot be transported to an appropriate emergency station, a health practitioner will be called to the location of the injury and there determine the disposition of the case.
4. An injured employee will be given a copy of the injury report upon request.

C. Contagious Diseases

1. Some employees may be exposed to infectious and communicable diseases in the normal course of work. The Department has recommended policies and procedures designed to protect employees and patients, which include Infection Precautions, required and recommended immunizations, skin testing for tuberculosis, gammaglobulin prophylaxis for infectious hepatitis exposures, titers for Rubella (blood test), and medical examinations.
2. All known affected employees shall be contacted personally by the Department. A copy of such notice will be sent to the Union upon the employee's request. The Department will complete all workers' compensation forms in a timely manner.

3. The employer and the employee shall follow established infection control procedures.
 4. The employer agrees to make AIDS education and sensitivity training part of the orientation and annual training. Representatives of the Union will consult with the employer in establishing the curriculum of this program.
 5. The Department will arrange a meeting between Union Representatives and the individuals responsible for the training in handling medical wastes so the Union can review the training curriculum.
 6. The Department shall provide all medical personnel and health care providers with training in health and safety, including but not limited to, training on safety devices, protection against infectious diseases, handling of hazardous materials, chemical spills and use of personal protective equipment. All training will be properly documented.
- D. The Department shall provide new 2736 Porters with a special in-service training on the handling of infectious waste. The content of this training shall be developed by the Health and Safety Committees. The content of the training shall be approved by the Department's Infection Control Committee.
- E. The Health Department Personnel Office shall make good faith efforts to assist an employee who is denied access to an EAP Stress Reduction Program offered at the worksites due to limitations on the number of program participants to be provided with a Stress Reduction Program within three months, except in emergency situations. Individuals needing stress reduction counseling can request this counseling at any time from the EAP.
- F. The Department will solicit input and feedback from the employees designated by the Union who use lifting equipment at SFGH and LHH. This information will be submitted to the Product Evaluation Committee prior to the purchasing of such equipment.

SECTION 14. DURATION

This Agreement will remain in effect through June 30, 2017 and run concurrent with the Citywide collective bargaining agreement unless extended by mutual agreement.

**Departmental Supplementary Agreement
Between San Francisco International Airport
And Service Employees International Union
Local 1021**

July 1, 2014 – June 30, 2017

REPRESENTATION

Employee Representatives

The Airport Chapter of Local 1021 will limit the appointment of official representatives as defined in the City-wide Collective Bargaining Agreement [Kagel Award] Article I.G. Official Representatives. For any section with fifty (50) SEIU-represented employees or less, only one individual from any single work unit at SFIA will be designated as the official representative. For those sections with more than fifty (50) SEIU-represented employees, one (1) representative from each shift may be designated as official representatives. Alternates within the same work unit may be designated. Alternates may only be granted release time when the primary representative is unavailable.

The Union must notify the Airport Human Resources Office of the names of employees for whom they are requesting official release time along with pertinent dates, times and locations. All requests must be submitted at least three (3) business days in advance of the requested date.

Bulletin Boards/Union Access/General Information

The Airport will make space available on glass-enclosed bulletin boards in Custodial, Communications, Airfield Operations and Police Bureau sections for SEIU to post materials. For those areas that may be under lock and key, the Union must submit the materials to a designated Airport representative for posting. This material must comply with the City's standards for materials posted on public bulletin boards.

Notification of New Employees

The City shall supply the Union with a list of new employees within forty-five (45) days of their employment. The list will contain the names, classifications and work unit of each new employee. The City shall also supply the Union with a list of resignations, retirements, transfers and promotions within forty-five (45) days after their occurrence.

Promotional Jobs Hotlines

The San Francisco International Airport will establish a "Jobs" telephone hotline for the sole purpose of providing current City & County of San Francisco employees with employment or promotional job information at San Francisco International Airport.

WORK SCHEDULES

Assignment of Work

1. Shift Bidding

Bargaining Unit employees assigned sections within 24-hour shift shall be entitled to select their work shift on the basis of seniority consistent with the practices historically in effect at each work unit at the time of the implementation of this Agreement. If a work unit does not have an established bidding interval, employees at that work unit shall, after the effective date of this Agreement, be entitled to bid on not less than an annual basis.

The parties recognize that the Airport presently has designated certain special assignments that require unique skills or abilities. Those assignments are as follows:

Airport Police Bureau

Class 9209 Airport Police Service Aides

- 2- Purchasing/Inventory
- 2 - Lost & Found
- 1 - MIS Support

Custodial

Class 2708 Custodian

- 1 - Exhibitions

Airfield

Class 9212 Airport Safety Officer

- 3 - Training

Class 9220 Airport Operations Supervisor

- 1 - Training

Communications

Class 9203 Airport Senior Communications Dispatcher

- 2 - Training
- 1 - Administrative Assistant

In filling these specialty assignment positions, the senior bidder shall be assigned unless management shall reasonably determine that the senior employee does not possess the published qualifications, knowledge, skills and abilities required by the assignment. A candidate whose bid for a special assignment position is not accepted shall be entitled to meet with the decision making supervisor to discuss the reasons why he or she was not chosen.

If, on and after the effective date of this Agreement, management determines that it wishes to establish additional special assignment positions, it shall give written notice to the Union of that intent and, upon demand, shall meet and confer with the Union with regard to any such proposal.

2. Shift Trades

Employees involved in a shift trade will be deemed to waive their right to overtime pursuant to the City-wide Memorandum of Understanding, Article III.E. Overtime Compensation.

TRAINING

Education and Career Development

1. Field Training Officer

The Airport and the Union shall designate a committee consisting of four (4) members representing management and four (4) members appointed by the Union to develop a proposal for a Field Training Officer within the Airport Communications and Police Bureau Section, and the Airport Operations Section.

PAY, HOURS & BENEFITS

Overtime

The Union and Airport Management shall mutually agree on the development and implementation of shift trade policy and overtime procedures including the distribution of overtime consistent with the operational needs of that department or particular unit.

LEAVES OF ABSENCE

Leaves of Absences – Submission of Leave Request

Except for vacation leave, witness or jury duty leave, compulsory sick leave or disability leave, an employee requesting leave for more than forty (40) hours shall submit a request in writing to the Appointing Officer or designee on an official Request for Leave form.

If the Leave is pre-scheduled, the Request for Leave Form must be submitted prior to the first day of the leave. If a leave is unscheduled, the Request for Leave form will be sent to the employee at his or her last known address by both regular and certified mail. The employee is responsible for ensuring that the Airport Human Resources Office has his or her current address on file. This form must be returned within ten (10) days of its postmark.

HEALTH AND SAFETY

Hazardous Materials

The Airport will make available the Material Safety Data Sheets for all janitorial cleaning chemicals at each of the Custodial Divisional Offices and lunchroom within each terminal. The Union may make an appointment to inspect these documents on a bi-annual basis. Airport Management is also willing to meet to discuss any concerns regarding these documents.

Health and Safety

The Union will not file or advance any future grievances pertaining to staffing or overtime under Article VI.A., Health and Safety, of the City-wide MOU.

EMPLOYMENT CONDITIONS

Equipment and Uniforms

1. Safety Clothing/7 Point Stars

Not later than 15 days after the effective date of this Agreement, the Airport and the Union shall commence meeting and conferring for the purpose of reaching agreement upon the design and distinguishing characteristics of an appropriate safety vest or belt to be worn by the Police Service Aides at the Airport. The parties shall consider, and include within their final Agreement, of whatever nature the following factors: (a) the necessity of distinguish the Police Service Aides employees from non-police traffic control employees at the Airport; (b) the fact that the vest or belt must clearly identify the wearer as a member of a law enforcement agency; (c) and that the fit and material of the vest or belt be light weight and non-restrictive as feasible, consistent with its purpose.

Airport Employee Transit Pilot Program

The San Francisco International Airport will implement a pilot program to encourage employees to use mass transportation to commute to and from SFIA work locations. Under the Airport Employee Transit Pilot Program, the SFIA is authorized to provide incentives consistent with Internal Revenue Code 132(a)(5) for the purpose stated above. This pilot program will be evaluated 12 months after implementation to determine whether it shall be continued. The Union waives all meet-and-confer on this pilot program. This program is not subject to the grievance procedure.

POLICY CONCERNING SUBSTANCE ABUSE

I. General Policy Applicable to Airport Commission Employees

- A. Employees are required to notify the Airport Human Resources Department in writing of any criminal drug statute conviction for a violation occurring in the workplace no later than five (5) days following such conviction. Failure to make this notification may result in disciplinary action, up to and including discharge.
- B. It is also the Airport's policy that the use of controlled substances and alcohol by any employee while on the job is prohibited and provides the same penalties for violation as set forth above. The definition of "use" is not limited to actual consumption of controlled substances and alcohol (or any other means of introducing such drugs or alcohol into one's system) while on the job; "use" also is defined to include evidence of the presence at the levels indicated in Appendix A, of controlled substances or alcohol in an employee's system while on the job, irrespective of when the substance may have been consumed by the employee or otherwise introduced into the employee's system. In the case of alcohol, use is further defined later in this document.
- C. In certain circumstances, alcohol and drug addictions may be considered illnesses. If an employee suspects that he or she has an alcohol or drug problem, help is readily available to the employee and his/her family if the employee self-identifies as outlined in D. below before commencement of an investigation or disciplinary process. Employees coming forward under these circumstances will not be disciplined absent other issues (e.g. using drugs while on duty). Information on professional and self-help programs for intervention when a substance abuse problem is suspected is available from the City's Employee Assistance Program ("EAP") and the Airport Human Resources Department.
- D. Under conditions described below, the Airport will assist employees who identify themselves to the Airport as having a drug and/or alcohol problem and demonstrate their willingness to seek and accept professional help for their addiction.
 - 1. Such assistance might include granting the employee a leave of absence, if such leave is determined to be necessary by substance abuse professionals, to obtain treatment for or help with the problem.
 - 2. An employee who self-identifies and fulfills his or her obligations for rehabilitation as recommended by an Airport-authorized Substance Abuse Professional ("SAP") may be subject to return-to-duty and follow-up testing as described in Section IV.E.
 - 3. The employee must self-identify to an Airport supervisor prior to being approached by Airport managerial personnel with reasonable suspicion

that the employee has a substance abuse problem causing unacceptable on-duty behavior or prior to being asked to submit to a drug or alcohol test. Self-identifying after notification of a drug or alcohol test will not relieve the employee of the requirement to take a test, nor will it be cause to prevent the implementation of disciplinary action on the basis of the results of the test or refusal to be tested. Likewise, an employee's self-identification following any conduct which constitutes a violation of this policy will not prevent disciplinary action.

4. The Airport has designated the Airport Human Resources Director as the contact person responsible for answering questions about this Policy and programs to assist employees.

- E The Airport retains all rights under the Civil Service Commission Rules and/or the Collective Bargaining Agreement if applicable to place employees on compulsory sick leave for on-the-job behavior that jeopardizes the safety of themselves or others.

II. Policy of Testing for Reasonable Suspicion

- A. The Airport may test with reasonable suspicion for the presence of alcohol and or controlled or illegal drugs at levels set forth in Appendix A, for the following classifications:

9202 Airport Communications Dispatcher
9203 Senior Airport Communications Dispatcher
9204 Airport Communications Supervisor
9212 Airport Safety Officer
9220 Airport Operations Supervisor
1929 Parts Storekeeper

- B. The Airport may test all employees under the reasonable suspicion for the presence of alcohol.
- C. Purpose - The purpose of reasonable suspicion testing is to provide management with a method of identifying employees who may pose a danger to themselves and others in their performance of their job duties because of their use of drugs or alcohol, or both. Employees may be at work in a condition that raises concern regarding their safety. A supervisor must make a decision as to whether reasonable suspicion exists to conclude that substance abuse may be causing the behavior. The supervisor making this determination will be trained in the facts, circumstances, physical evidence, physical signs and symptoms, or patterns of performance and/or behavior that are associated with use.

- D. Reasonable suspicion testing will be administered when a supervisor who has received training as set forth in II.C. above observes covered employee behavior indicating possible drug use or alcohol misuse.
1. The supervisor must observe and describe specific behavioral, performance, or contemporaneous physical indicators of probable drug use or alcohol misuse. Upon making such observation, the supervisor will determine whether he or she believes the employee to be using drugs or misusing alcohol and order the employee to undergo testing as appropriate.
 2. The supervisor will obtain the opinion of a second trained supervisor, if circumstances permit. If both supervisors agree that reasonable suspicion exists, the employee will be escorted to the collection site by a supervisor and will be provided transportation home after testing is completed. The employee may, at his or her request, instead of being tested, be evaluated by a medical physician at SFO Medical Services, if a physician is available. However, such an examination may involve diagnostic tests, including the drawing of blood or urine. If a physician is unavailable, the employee shall submit to the required test.
 3. An employee who is tested for reasonable suspicion where the results are not available immediately will be placed on administrative leave without pay pending receipt of the test results. If the employee passes the test(s), all lost pay shall be restored to him or her, unless there was conduct which may supply an independent basis for disciplinary action.
 4. Testing will cover the substances listed in Section III.F.1. below.
- E. Procedures for reasonable-suspicion testing are described in Sections III.F. and G. below.
- F. Employees employed in "safety sensitive" positions as described in Section III.A., who test positive may be subject to return-to-duty and follow-up testing as described in Section III.H.

III. Policy Applicable to Safety-Sensitive Employees

A. The Airport has determined that the following classifications are subject to this section:

9202 Airport Communications Dispatcher
9203 Senior Airport Communications Dispatcher
9212 Airport Safety Officer
9220 Airport Operations Supervisor
1929 Parts Storekeeper

The Parties hereby acknowledge and recognizing that to the extent that federal law mandates that more stringent standards or procedures apply to Airport employees, those standards and procedures shall supersede those set forth herein. The Airport shall advise the Union of its determination that higher standards must apply, and will meet and confer with the Union regarding any impact of such a determination on matters within the scope of bargaining. Nothing herein shall constitute a waiver of the Union's right to challenge any Airport determination that higher standards must apply through available judicial processes.

- B. No employee may perform a safety-sensitive function when that employee has a prohibited drug, or an alcohol concentration of 0.02 or more, in his or her system. Employees who are covered by this section currently include all persons in the following job classifications:

9202	Airport Communications Dispatcher
9203	Senior Airport Communications Dispatcher
9212	Airport Safety Officer
9220	Airport Operations Supervisor
1929	Parts Storekeeper

- C. An employee in a safety-sensitive position may not consume alcohol for at least eight hours following an accident or until the employee undergoes a post-accident alcohol test, whichever occurs first.
- D. Possessing or consuming alcohol while on Airport property is also a violation of this Policy, with the following exceptions:
1. Consumption, possession, sale or purchase of alcohol in certain approved restaurant, cocktail, conference or recreational facilities of the Airport when employees are not on working time and or not in uniform; and
 2. Possession of alcohol in sealed containers in an employee's private vehicle on Airport property or while being transported in compliance with applicable legal requirements.
- E. The Airport recognizes that confidentiality of information obtained in the drug and alcohol testing process is a critical concern to all employees who have been or will be tested. The Airport will handle test results and employee information in a confidential manner. All participants in the collection, testing and reporting process will be informed of their responsibility to protect the employee's privacy and testing program confidentiality. Testing records and results will be released only to the limited designated personnel authorized to receive such information.

- F. All employees performing safety-sensitive functions, as provided in III.A. above, shall be subject to urine drug testing and alcohol testing by an evidential breath testing (EBT) device, for reasonable suspicion (see G. below), following an accident (see H. below), on a random and unannounced basis, and prior to return to duty and on a follow-up basis after rehabilitation (see I. below).
1. Drugs to be tested for include marijuana, cocaine, opiates, phencyclidine (PCP), and amphetamines. Alcohol concentration is measured by EBT.
 2. If an employee in a safety-sensitive position refuses to take a required drug or alcohol test, tests positive for any of the above-listed drugs, or shows an alcohol concentration of 0.04 or greater, such employee shall be immediately relieved of his or her safety-sensitive functions, shall be referred to the Medical Review Officer ("MRO"), and may be subject to discipline based on the facts of the case, up to and including discharge.
 3. If an employee tests positive for alcohol with an alcohol concentration of at least 0.02 but less than 0.04, that employee shall immediately be removed from service; said employee shall be counseled, and shall be advised to seek professional help in the event he/she may have a substance abuse problem. More than one instance of showing an alcohol concentration in this range will subject an employee to more serious disciplinary action. If an employee is seen drinking alcohol while on duty, the employee may be subject to serious discipline, up to and including discharge for the first offense.
 4. If an employee adulterates a specimen for drug or alcohol testing or otherwise falsifies or attempts to falsify the testing process or results, such employee will be subject to severe discipline.
- G. "Reasonable suspicion" testing as used in this policy means a drug or alcohol test required when a supervisor or manager reasonably suspects an employee of using a prohibited drug or alcohol while on the job, and when a second trained supervisor or manager, if one is available, agrees that reasonable suspicion exists.
- H. "Post-accident" testing as used in this policy means a drug or alcohol test required in the event of an occurrence (accident), in which an individual dies, or any nonfatal accident involving an Airport vehicle in which an individual is injured and immediately receives medical treatment away from the scene, or in which one or more vehicles involved sustains disabling damage as a result of the occurrence and must be towed away. A post-accident drug test will be administered to an employee or employees when an accident, as defined above, has occurred and the employee performed a safety-sensitive function that either contributed to the accident or cannot be completely discounted as a contributing factor in the accident. An employee will be subject to alcohol testing in a post-accident

situation only when the employee's conduct causes a supervisor or manager reasonably to suspect that the employee may be under the influence of alcohol.

- I.. "Return-to-duty" testing as used in this policy means a drug or alcohol test required when the Airport allows an employee who did not pass a drug or alcohol test to return to work or when an employee has self-identified before any testing is required and has successfully completed an appropriate rehabilitation program. The SAP must determine that the employee may return to duty. Employees returning to duty as described in this paragraph may be given unannounced "follow-up" drug or alcohol tests, or both, if recommended by the SAP. Such follow-up tests shall not exceed a two year period, unless special circumstances prompt the SAP to recommend an extension of this period.

IV. Drug and Alcohol Testing Procedures

SFIA/SEIU drug testing procedures shall be based on Department of Transportation (DOT) standards. The procedures set forth below were established as of July 2000 and are for general informational purposes. To the extent these procedures have been modified by more current DOT standards, DOT standards shall supersede those set forth here.

A. Pre-Employment Testing

1. Purpose - The purpose of pre-employment testing is to identify applicants who have consumed a prohibited drug in the recent past. This behavior has the potential to impact the workplace and may present an unacceptable safety risk to the employee, coworkers, passengers, and the general public. The Airport will not hire an applicant who tests positive in a pre-employment drug test.
2. Coverage – Applicants, except current City employees, seeking the following positions will be required to submit to urine drug testing as part of the selection process:
 - a. Candidates applying for the following positions are subject to pre-employment drug testing:

9202 Airport Communications Dispatcher
9203 Airport Senior Communications Dispatcher
9204 Airport Communications Supervisor
9212 Airport Safety Officer
9220 Airport Operations Supervisor
1929 Parts Storekeeper
 - b. Applicants, except current City employees, for classifications whose incumbents must obtain security clearances because of their

access to areas secured by U.S. Customs will also be subject to pre-employment testing. Such classes currently include:

2708	Custodian
2716	Custodial Assistant Supervisor
2718	Custodial Supervisor I
2719	Janitorial Services Assistant Supervisor
7268	Window Cleaner Supervisor
7392	Window Cleaner

- c. Applicants who test positive, or who decline to be tested, will not be further considered.
3. Pre-employment drug testing shall be administered only after the candidate has been given and has accepted a conditional job offer. The conditional offer shall specify that a final offer shall be conditioned upon, among other things, negative drug test results.
4. Collection and testing procedures for pre-employment drug testing will be the same as for other types of testing as described in paragraph F, as applicable to the circumstances, except that the individual will not be escorted to or from the collection site.

B. Random Testing

1. The Airport will administer random drug tests to employees in classifications listed in Section III.A. of the Policy Concerning Substance Abuse. Random drug tests will be conducted without advance notice during employees' normal working hours.
 - a. All employees will be placed in a random testing pool, from which random selection shall be made. The Human Resources Director or his/her designed representative shall notify said employees in as confidential manner as reasonably possible.
 - b. The random numbers or other identifiers assigned to all employees who have been selected for random testing shall be immediately returned to the pool, so that everyone has an equal chance of being selected for the next round of testing.
2. The Airport will annually require at least 25% of the covered employees to undergo drug testing, except that the Airport Director may revise the testing rate after reviewing data concerning the rate of positive tests in the previous calendar year. Random testing will be conducted throughout any given year at a relatively steady rate, although the days of the week and the times when testing is conducted will vary.

C. **Reasonable Suspicion Testing** All employees shall be subject to reasonable-suspicion testing in classifications set forth in Section II.A. and B.

D. **Post-Accident Testing**

1. **Purpose** - The purpose of post-accident drug testing is to determine whether substance abuse has been a causative factor in an accident in which an individual dies or is injured or disabling damage occurs to one or more vehicles involved. Although the first concern is the health of any accident victim(s), post-accident drug and alcohol tests must be performed as soon as possible after the accident and after it is determined that the employee's performance cannot be ruled out as a contributing factor.
2. Post-accident drug tests must be administered whenever a safety-sensitive employee is involved in an occurrence (accident) with an Airport vehicle in which an individual dies. Testing is also required when in an occurrence an individual suffers bodily injury and immediately receives medical treatment away from the scene of the accident, or in which the Airport vehicle or another vehicle involved incurs disabling damage and is transported away from the scene by a tow truck or other vehicle. In such nonfatal accidents, the Airport will test a covered employee on duty in the vehicle if the employee has been cited or if the Airport Human Resources Director or his/her designated representative determines the employee's performance could have contributed to the accident.
 - a. In the event of an accident described in 1. above, urine specimens must be collected, not later than eight (8) hours after the accident, from every employee who performed a safety sensitive function that either contributed to the accident or cannot be conclusively ruled out as a contributing factor to the accident. Ordinarily, specimens will be collected as soon as possible after the accident, allowing for treatment of any injuries first.
 - b. Alcohol testing will be conducted only when the employee's conduct, besides the mere fact of being involved in an accident, causes a supervisor or manager reasonably to suspect the employee may be under the influence of alcohol. An alcohol test should be administered within two (2) hours of the accident, and must be administered within eight (8) hours of the accident.
 - c. The decision to administer post-accident drug and alcohol tests will be made by an Airport supervisor.
 - d. Supervisors will explain the reason for the tests to each employee to be tested and will escort employees to the collection site.

- e. Employees involved in occurrences as defined in paragraph D.2. above must remain available for testing following the accident and should be paid for this time. The supervisor shall inform the employee(s) when he or she may leave. If an employee leaves the scene without authorization or is otherwise unavailable for testing, the employee shall be considered to have refused the test and shall be subject to appropriate discipline.
3. If reasonable suspicion (see b. above) is also found in post-accident situations, the employee will be transported home and placed on administrative leave without pay until test results are received. The employee will be reinstated and any lost pay will be restored should the test results be negative.

E. Return-To-Duty and Follow-Up Testing

1. Purpose - The purpose of return-to-duty testing is to provide assurance that the employee is presently free of alcohol and/or any prohibited drugs and is able to return to work without undue concern about continued substance abuse. The purpose of follow-up testing, which will be specified by the Airport's SAP according to the circumstances of each case, is to ensure that an employee's recovery from substance abuse is continuing so that the possibility of accidents and injuries is minimized.
2. Any employee who refuses to take or does not pass a required drug or alcohol test, and is not discharged, may not perform a safety sensitive function until he or she passes a drug or alcohol test, or both, and the SAP has determined that the employee may return to duty. The leave and pay status of any such employee before return to duty will depend upon the circumstances.
3. Employees who are subject to follow-up testing must undergo unannounced testing if such testing is recommended for the SAP. The duration and frequency of their tests will also be determined by the SAP, but may not exceed 2 years unless circumstances arise which cause the SAP to recommend an extension. The terms and conditions of any return to work situation will depend upon individual facts.
4. Employees subject to follow-up testing will at all times remain in the random testing pool so that such employees may be required to undergo random testing in addition to follow-up testing.

F. Procedures Common to Pre-Employment, Reasonable Suspicion, Post-Accident, Random, Return-to-Duty, and Follow-up Drug Testing

1. When an employee must be tested for reasonable suspicion or following an accident, he or she will be escorted by a supervisor to the collection site. Upon arrival at the collection site, the employee will be required to follow the instructions of collection site personnel. In other situations, the employees will not be escorted.
 - a. The employee will be required to complete a urine custody and control form, the purpose of which is to ensure proper identification, handling, and confidentiality of the specimen.
 - b. The employee will provide a urine specimen in a private enclosure according to instructions of collection site personnel.
 - (1) The employee will be provided with a securely wrapped single-use collection cup or specimen bottle, to be opened in front of the employee.
 - (2) The employee will be required to provide a specimen of not less than 45 milliliters (ml.) of urine.
 - (3) The collection site person will pour the urine into two specimen bottles (if a collection cup is used) or pour off urine in excess of 30 ml. from the specimen bottle used for collection into another specimen bottle. This process will result in a split sample consisting of the primary specimen of 30 ml. of urine and the split specimen of at least 15 ml. of urine.
 - c. The specimens will be sealed and labeled by collection site personnel. The employee will observe the sealing and initial the labeling. The specimens will be transported to a laboratory approved by the Department of Health and Human Services ("DHHS") for actual testing.
 - d. If the employee is unable to provide at least 45 ml. of urine, the collection site person will instruct him or her to drink not more than 24 ounces of fluids during a period of up to two hours. The employee will then be directed to provide another specimen, and if he/she provides 45 ml. of urine, the first specimen shall be discarded. If the employee fails to provide 45 ml. of urine, the specimen shall be discarded and the employee referred to the MRO, who shall refer the employee for medical evaluation to determine whether the individual's inability to provide an adequate specimen is genuine or constitutes a refusal to submit to a drug test. Applicants who do not provide 45 ml. of urine after this procedure shall not be considered further in the selection process.

- e. Employees will be escorted or directed to report back to their work sites or vehicles, as the case may be. If an employee is being tested for reasonable suspicion, the Airport will arrange for transportation to the employee's residence.
- 2. In certain limited circumstances, the specimen collection will be monitored.
 - a. If there is reason to believe that an individual has adulterated the specimen or otherwise compromised the collection process, that individual will be asked to provide a specimen under the direct observation of a same-gender collection site person. The following circumstances may result in a request that an individual provide a specimen under direct observation:
 - (1) The employee has presented a urine specimen that falls outside the normal temperature range (90.5-99.8F) and declines to provide a measurement of oral body temperature by sterile thermometer or shows an oral temperature that varies more than 1C/1.8F from the temperature of the specimen.
 - (2) The last urine specimen provided by the employee (the most recent test) was determined by the laboratory to have a specific gravity of less than 1.003 and a creatinine concentration below .2 g/L.
 - (3) The collection site person observes conduct clearly and unequivocally indicating an attempt to adulterate the specimen (for example, substituting urine in plain view or presenting a specimen containing blue dye).
 - b. If the employee refuses to cooperate with the collection process, the collection site person will inform the Airport Human Resources Director or his/her designated representative and shall fully document the non-cooperation on the urine custody and control form. Failure to cooperate may result in disciplinary action, up to and including discharge. In the case of pre-employment testing, any failure to cooperate by an applicant shall disqualify him or her for further consideration in the selection process.
- 3. The laboratory will perform screening of the specimens using a technique known as immunoassay. All positive results will be confirmed using a second technique known as gas chromatography/mass spectrometry.

4. All test results will be reported by the laboratory to the Airport's MRO, who is a licensed physician with knowledge of substance abuse disorders, in a manner designed to ensure confidentiality of the information. Only specimens confirmed positive by gas chromatography/mass spectrometry will be reported as positive by the laboratory to the MRO.
5. The MRO, after appropriate review, will report test results to the Human Resources Director or his/ her designated representative.
 - a. In the event of a positive test result, the MRO shall give the individual an opportunity to discuss the test result with him or her before reporting the result as positive to the Airport.
 - b. The employee shall be given twenty-four (24) hours to respond to the MRO's attempt to contact him or her; failure to respond within that time will cause the MRO to request that the Airport's Human Resources Director or his/her designated representative contact the employee and direct him or her to contact the MRO immediately.
 - c. The MRO shall examine any alternative medical explanations offered by the individual to explain any positive test result.
 - d. If the MRO determines that there is a legitimate explanation for a positive test result, the MRO shall report that result to the Airport as negative.
 - e. The MRO shall verify a result as positive to the Airport without direct contact with the tested employee when:
 - (1) The employee expressly declines the opportunity to discuss the test; or
 - (2) The Human Resources Director has directed the employee to contact the MRO and more than two (2) days have passed without such contact occurring.
 - f. The MRO shall notify each employee who has a confirmed positive test that he or she has seventy-two (72) hours in which to request a test of the split specimen.
6. When the MRO reports a positive result for an employee and depending on the facts of the case, the employee may be subject to disciplinary action, up to and including discharge
7. All test results will remain strictly confidential, whether maintained by the laboratory, the MRO, or the Airport.

- a. Individual test results may be released to a third party only if the tested individual signs a specific written authorization to release the results to an identified person or if proper legal authority compels such release.
 - b. The MRO will report results only to the Human Resources Director or his/her designated representative.
 - c. The MRO will provide to the individual his or her tests result upon request by the individual.
 - d. The Human Resources Director or his/her designated representative will share this information only on absolute need-to-know basis. Those receiving this information will be informed of its confidentiality.
8. An employee (or applicant) who does not pass a drug test administered under the Policy Concerning Substance Abuse may request that the split urine sample be tested by submitting a written request to the MRO within seventy-two (72) hours of notification by the MRO to the employee of his or her right to request another test. The MRO will then direct, in writing, the laboratory to provide the split sample to another DHHS-certified laboratory for analysis.
- a. If testing of the split sample fails to reconfirm the presence of the drug(s) or drug metabolite(s) found in the primary specimen, the MRO shall cancel the test. The MRO shall also cancel the test if the split specimen is unavailable, inadequate for testing, or untestable. The MRO shall declare that the employee has passed the test in any circumstance where a second test is not possible through no fault of the employee or that test fails to confirm the presence of any prohibited substance(s).
 - b. The employee who has not contacted the MRO within the seventy-two (72) -hour period may present to the MRO information documenting circumstances, such as serious illness or injury that unavoidably prevented the employee's timely request for testing of the split sample. If the MRO determines the employee's information adequately explains his or her failure to contact the MRO, the MRO shall then direct the testing of the split sample be performed.
9. An employee who refuses to take a required drug test will be presumed to have tested positive, and shall be subject to appropriate disciplinary action, based upon the facts of the case, up to and including discharge.

10. An employee who does not pass, or who refuses, a required drug test and is not discharged shall be referred to the Airport's SAP for evaluation. The SAP shall be a licensed physician who has knowledge of substance abuse disorders and their treatment.

G. Alcohol Testing Procedures

1. Alcohol testing will be accomplished by means of an evidential breath testing device (EBT) approved by the National Highway Traffic Safety Administration and listed on its Conforming Products List. The EBT measures an employee's alcohol concentration in exhaled breath.
2. Alcohol testing will take place at a testing site or facility and will be conducted by persons qualified as Breath Alcohol Technicians.
 - a. Employees and applicants to be tested will either report or be escorted to the testing site for testing. The test will be administered by a properly trained Breath Alcohol Technician (BAT).
 - b. The BAT shall be trained to proficiency in the EBT he or she is using and in the alcohol procedures specified in this Policy.
 - c. The alcohol test shall be conducted in a manner that provides the employee with privacy to the greatest extent applicable.
 - d. The EBT must be secured with no unauthorized access at any time. Only one test will be conducted at a time, and the BAT may not leave the testing site while the preparations for testing or the test itself is in progress.
3. Testing process
 - a. The individual to be tested must present to the BAT positive photo identification (such as a driver's license or Airport identification card).
 - b. The employee or applicant and the BAT must complete, date and sign a form indicating that the employee or applicant is present and providing a breath specimen. A copy of the completed form will be provided to the tested individual.
 - c. The BAT will initially conduct a screening test.

- (1) The BAT will open an individually sealed, disposable mouthpiece in view of the employee or applicant and attach it to the EBT.
 - (2) The BAT will instruct the employee to blow forcefully into the mouthpiece for at least six seconds or until an adequate amount of breath has been obtained. The BAT will then show the employee the test result displayed on the EBT or on the printed result.
 - (3) If the result of the screening test is an alcohol concentration less than 0.02, no further testing is required and the test result will be considered as negative.
 - (4) If the test result shows an alcohol concentration of 0.02 or greater, a confirmation test will be performed.
- d. The confirmation test must be conducted at least 15 minutes, but not more than 20 minutes, after the completion of the screening test.
- (1) During the interval between tests, the employee may not eat, drink, or put any substance into his/her mouth. The employee will also be instructed not to attempt to belch. (However, the test will be conducted even if the employee disregards the instructions.)
 - (2) The confirmation test is conducted using the same procedures as the screening test, with a new mouthpiece.
 - (3) If results of the screening and confirmation tests differ, the confirmation test result is deemed to be the final result.
 - (4) If the result displayed on the EBT is not the same as that on the printed form, the test will be canceled, and the EBT removed from service.
- e. Following completion of the testing, the BAT will sign and date the form, and the employee will sign and date the certification statement. The BAT will attach the alcohol test result printout directly onto the alcohol collection form with tamper-proof tape (unless the results are printed directly on the form).
- f. In the event of an incomplete test, the BAT must begin a new test using a new alcohol testing form with a new sequential test number.

- g. Refusal by an employee to complete and sign the alcohol testing form, to provide an adequate amount of breath, or otherwise to cooperate with the directions of the BAT will be deemed a refusal to be tested, will result in a presumed positive test, and may subject the employee, depending on the facts of the case, to disciplinary action, up to and including possible discharge. Refusal by an applicant to do any of these things will result in rejection from employment.
 - (1) If the employee fails to provide an adequate amount of breath, he or she shall be immediately referred to a physician, who shall determine the employee's medical ability to provide an adequate amount of breath.
 - (2) If the physician determines that there is no valid medical reason for the inadequate breath, the employee's failure will be considered a refusal to take the test.
- h. If a screening or confirmatory test cannot be completed, the BAT must, if practicable, begin a new test using a new alcohol testing form with a new sequential test number.

4. Test Accuracy

- a. The above procedures must be followed rigorously for each test.
- b. Alcohol tests will be considered invalid when one or more of the following occur:
 - (1) The external calibration check of the EBT produces a result outside the allowed tolerance levels.
 - (2) A device other than an NHTSA-approved EBT is used.
 - (3) The BAT does not wait 15 minutes between the screening and confirmatory tests.
 - (4) The alcohol test form with the attached EBT printout is not completed correctly. Employee and BAT signatures, or relevant BAT remarks, should be included.
 - (5) The EBT fails to print the confirmation results, the sequential test number on the EBT is not the same as the number on the printout, or the alcohol concentration displayed on the EBT is different from what is printed out.

5 Consequences of Positive Result

- a. Any safety-sensitive employee whose confirmation test shows an alcohol concentration of 0.02 or greater shall be removed from service and will be advised to go to the Employee Assistance Program or to seek other appropriate treatment in the event he or she may have a substance abuse problem. A second such incident will result in disciplinary action. If a safety-sensitive employee's test results are 0.04 or greater, the employee will be immediately removed from service, escorted home, and referred for an evaluation by the MRO or SAP. Depending on the facts of the case, that employee may also be subject to appropriate discipline. In addition, the MRO or SAP must approve of the employee's participation in a rehabilitation program, if appropriate, if the employee is permitted to return to work.
 - (1.) The MRO or SAP shall determine, among other things, the employee's fitness for duty, whether and what rehabilitation programs may be appropriate, the period of time the employee should be subject to follow-up alcohol testing after return to duty as discussed elsewhere, and whether follow-up drug testing should also be included.
 - (2.) Assessment by the MRO or SAP shall be scheduled as soon as is feasible. The employee shall not be permitted to work in the interim.
 - (3.) Assessment by the MRO or SAP shall not affect the Airport's right to discipline, including discipline an employee including discharge if circumstances warrant, for being under the influence of alcohol.
- b. If a non-safety sensitive employee's confirmation test is less than 0.04, the employee will be allowed to return to work, barring other extenuating circumstances. If a non-safety sensitive employee's confirmation test is 0.04 or greater, that employee will be advised to seek treatment in the event he or she may have a substance abuse problem. The employee may be counseled or disciplined, depending upon the test result level and upon the circumstances and behavior of the employee. The employee shall be relieved of duty for the remainder of the shift and escorted home a second such incident may result in more severe action.

If a non-safety sensitive employee's confirmation test is 0.08 or higher that employee shall in addition to the above, be referred to the MRO or SAP.

V. Employee Self-Identification

- A. Employees having substance abuse problems may self-refer to the Airport's Employee Assistance Program through an Airport supervisor or through the Human Resources Department, or may otherwise self-identify and seek rehabilitation for a chemical dependency problem without penalty. The Airport encourages employees having substance abuse problems to self-identify, and will assist in coordinating treatment, including authorizing applicable periods of leave for the employee to be treated. (Each case, however, will be evaluated on its own facts.) Self-referral or self-identification after notification of a required drug or alcohol test will not relieve the employee of the requirement to take a test, nor will it prevent the administration of disciplinary action on the basis of the test results or a refusal to be tested.

The Library will actively seek additional space and funds so that such lounges can be provided. Should a space currently in use as a staff lounge be needed for some other purpose, including renovation, the Library will meet and discuss alternatives with the affected staff with the intent of preserving a staff lounge area for that facility.

Section 9. Volunteers

In addition to the language that exists in the current Collective Bargaining Agreement between SEIU and the City, the Library agrees to the following language: The Union shall be given a

HEALTH CARE REFORM

Letter of Agreement In Support of National Health Care Reform

The Union and the Employer agree to write and sign a joint letter in support of national health reform. The letter will be based upon the following ideas and set of principles.

Skyrocketing health care costs threaten the living standards of workers and the financial stability of state and local governments.

The parties recognize that the problem cannot be solved through collective bargaining alone. Health care costs cannot be adequately controlled on a plan-by-plan, employer-by-employer, or even on a state-by-state basis. Rather, a national framework for a health care system that works in partnership with the states is required to solve the three related problems of cost, quality, and access.

National health care reforms should recognize the best of local and state initiatives, including health care reforms that improve access, maximize delivery of cost-effective preventive care, and establish medical care payment programs designed to reduce overall medical costs. The parties recognize that cooperation between labor and management will increase their effectiveness in achieving changes in state and federal policy that both support.

Universal Coverage: Health system reform must guarantee health care as a right, not a privilege, with universal coverage and access for all people who live in California and in the United States, regardless of culture, class, ethnicity, and sexual orientation.

Role of Public Health Departments and Public Sector Providers: Public health departments provide essential population-focused health promotion and disease prevention services that are not typically included as part of individual health care benefits through insurance coverage. Examples of these services include disease control, health education, public health nursing services, disaster planning, emergency medical services and environmental protection services. These services must be recognized and adequately funded in any health reform plan.

Even under the most comprehensive national plan, public sector providers will be essential to any health care delivery system. This is for at least three reasons: First, the public sector must always be ready to respond to health care crises, such as the HIV epidemic. Second, the public sector must be available to provide services to those who do not have access to other providers. Finally, there will always be individuals whose circumstances have not been planned for in the comprehensive health care plan, and services need to be available to them through the public sector. It is absolutely essential to provide access for persons who are not able to receive appropriate health care service in other ways through the preservation of a strong and well-financed institutional safety net.

Comprehensive Benefits: There must be a guaranteed broad-based benefit package that emphasizes coordinated preventive and primary care services for individuals. Covered services must include disease prevention and health promotion programs which will assist in long-term cost containment. The plan should also include specified programs currently provided by public health departments, including mental health, family planning, long-term care, and substance abuse services.

Cost Containment: Health reform must include a package of cost containment measures to control operating and capital expenses because excess costs ultimately limit access to services. These measures should be based on appropriate regulatory provisions and should cover all components of the health system, without creating barriers to appropriate care. Appropriate cost controls include evaluations of technology and procedures, utilization of the most appropriate procedures at the most appropriate level of care, resource planning for distribution of capital and medical technology, and global budgeting.

Financing: Health reform must recognize that individuals in society ultimately will pay for the financing of any health system. The health system should be financed through a combination of progressive financing mechanisms that reflect ability to pay.

Quality Assurance: There must be mechanisms and safeguards to ensure effective and efficient organization of services and high quality care. Mechanisms should include a process of appeal to ensure that patient rights are respected. Quality assurance should also address the cultural competence of care and assess whether culturally and linguistically appropriate services are being delivered.

Development of Health Workforce: Comprehensive health system reform must include support for the education and training of health care workers to ensure: (1) adequate financing; (2) appropriate supply and distribution of workers, geographically and across specialties; (3) affirmative action to reach to goal of appropriate representation of all cultural and ethnic minorities in the health care workforce; and (4) culturally competent care through multicultural education and training of all providers.

Ongoing Planning and Evaluation with Consumers, Communities and Providers: To ensure accountability to providers and consumer communities and the protection and promotion of consumer rights, there must be mechanisms to ensure ongoing planning and evaluation of the system. These mechanisms include consumer satisfaction surveys, community-based needs assessment, measures of quality of care, technology assessment, and diverse representation on all advisory committees

Handling of HIV+ and Hepatitis C+ Claims

1. The City Attorney and the Director of the Workers' Compensation Division of the Department of Human Resources agree that in the normal course of events, they can properly manage workers' compensation claims involving HIV and Hepatitis C using a pseudonym.
2. The Deputy City Attorney assigned to the matter and the claims adjuster assigned to the matter may disclose the true identity of the applicant to the Managing Attorney of the City Attorney's Office and to the Director of DHR's Workers' Compensation Division for limited purposes, only if disclosure of applicant's identity is necessary to resolve an issue relating to payment or provision of benefits including the form, amount and duration of benefits. In such an event, the city will give unrepresented applicants or represented applicants' counsel notice of such disclosure in a timely manner.
3. In addition, the applicant's name, address and social security number shall be disclosed only as necessary to and between the parties described in paragraph 2, above, and to the treating physicians, medical and other experts and any agents of these parties requiring the information to provide the services requested.
4. The City employees described in paragraph 2, above, will maintain files involving HIV and Hepatitis C in confidence in accordance with all applicable laws.
5. Applicant may designate a trustee for purposes of payments.
6. Unless required to do so by Court order or any applicable laws, the City shall not disclose applicant's HIV positive or Hepatitis C status in the subpoena or discovery process unless the disclosure is provided in a strictly confidential manner. In such an event, the City will give unrepresented applicants or represented applicants' counsel notice of such disclosure within forty-eight (48) hours.
7. The Union understands that the City Attorney has the sole authority under the Charter to represent the City in all Workers' Compensation administrative law and court proceedings. Similarly, the Director of DHR's Workers' Compensation Division has exclusive authority over workers' compensation claims handling procedures. Applicants shall provide the City with signed releases for all medical and other records which may lead to the discovery of admissible evidence.
8. An applicant can waive any and all of the above confidentiality provisions.

- B. Upon the Civil Service Commission's approval of the Interpreter classification series, the parties will meet to discuss the functions and rate of pay for the Interpreter classes.

PEC-CCSF PSC/JOC/Construction/Maintenance Contracts Committee

Joint Letter of Understanding of Labor Management Committee

During labor negotiations in 2010, the City and the member unions of the Public Employees' Committee (PEC) established a citywide joint labor-management committee, the PEC-CCSF PSC/JOC/Construction/Maintenance Contracts Committee ("Committee"). The memorandum of understanding between the PEC member unions and the City specifically charged the Committee with:

- a) reviewing areas of General Fund and Enterprise PSCs and other city contracts, including construction/maintenance contracts, affecting members with the goal of ensuring appropriate use of Civil Service classifications;
- b) exploring establishing workload forecasting by city departments; and
- c) reviewing PSC processes, form(s) and tracking of PSCs, and RFP notice requirements and recommending improvements.

The Committee's mission statement, adopted on May 13, 2011, affirmed that the City and the PEC are dedicated both to the long-term, responsible stewardship of the limited resources entrusted to the City and County of San Francisco and to the delivery of high-quality services to its residents.

The Committee sought to review and improve the process for providing analysis and oversight of Personal Services Contracts ("PSCs"), Job Order Contract ("JOCs"), and Construction/Maintenance Contracts, and to ensure that the PSC process is transparent and complies with civil service and good government principles.

Further, the Committee sought to empower, support, and encourage employees to expand their training, knowledge, and skills, to meet the changing service and technological needs of the City.

The work of the PEC-CCSF PSC Committee was vital in increasing awareness of the extent of City outsourcing through PSCs, and resulted in an increased understanding that outsourcing can be reduced through effective utilization of City resources already in place, including employees and departments. The Committee recognizes the importance of knowledge transfer for effective utilization of City employees, and to reduce overall project and ongoing maintenance costs, and the value of workload forecasting for effective planning for City staffing needs.

The following are joint accomplishments and recommendations by the Committee, pursuant to memoranda of understanding that established this special joint citywide labor-management Committee.

1. Accountability and Transparency in Personal Services Contracting – Establishment of PSC Database

- 1.a) As a result of the work of the Committee, the PSC process has been made more transparent, resulting in the creation of a PSC database, which will enhance internal efficiency, create greater accountability, and shall allow all interested parties to access data that has historically been unavailable electronically. The PSC database will enable tracking and monitoring of Personal Services Contracts submitted to and approved by the Civil Service Commission, and all City unions shall be able to access data, and produce and generate reports from the database.

1.b.) Effective July 1, 2012, all departments submitting requests for approvals of PSCs shall utilize and enter all information into the PSC database regarding their request for a PSC.

1.c) Accountability in Financial Reporting of City Expenditures on PSCs

In FY2012-13, the City will initiate and develop a timeline within three (3) months, and the City will make its best efforts to complete the project by July 1, 2013, which will provide publicly accessible and reportable information specifying for each approved Personal Services Contract:

- a) the amount of the approved contract(s)
- b) the name(s) of the contractor(s) and subcontractor(s)
- c) the duration of the contract(s)
- d) the amount encumbered by the City each year for each contract
- e) the amount expended by the City each year for each contract

1.d) DHR will meet with a subcommittee of PEC representatives, and with Department of Technology representative(s) to recommend the creation and implementation of additional fields to be added to the PSC database to monitor and track progress in implementing knowledge transfer.

The City will continue to meet and discuss the design, production, development, and implementation date of this second phase of the PSC database with PEC representatives, which shall be incorporated into the existing PSC database.

2. Clarification of the PSC Factors Considered by the Civil Service Commission

The Committee shares the understanding of City policy, being that where there is a merit system, services provided to the public are delivered by public employees hired through the merit system. The Committee agrees that the following definitions clarify the factors which departments may use as the basis for requesting approval of a PSC by the Civil Service Commission, and jointly agrees to present these recommended clarifications to the Civil Service Commission. The Committee will jointly draft, agree to, and then submit a memorandum to the Civil Service Commission clarifying the intent and understandings reached with regard to the agreed-upon factors. The recommendations on the factors are not intended to limit or extend the Civil Service Commission's authority over Personal Services Contracts.

Factor # 1: Immediately needed services; services needed to address emergencies or unanticipated situations.

Factor # 2: Short-term or capital projects defined by the Local 21/PUC Capital Improvement Program,¹ requiring diverse skills, expertise and/or knowledge.

Factor # 3: Services required on an as-needed, intermittent, or periodic basis (e.g., peaks in workload).

Factor # 4: Regulatory or legal requirements, or requirements or mandates of funding source(s) which limit or preclude use of Civil Service Employees.

¹ Appendix C, 1.3 of Local 21 MOU

Factor # 5: Services that require resources that the City lacks (e.g., office space, facilities or equipment with an operator).

Factor # 6: Circumstances where it is an apparent² or demonstrated conflict of interest (e.g., independent appraisals, audits, inspections, third party reviews and evaluations).

Factor # 7: Cases where future funding is otherwise uncertain such that the establishment of new civil service positions, classes or programs is not feasible.

2.a) A Frequently Asked Questions (FAQ) will be developed jointly by the PEC and the City to help clarify these Factors, in conjunction with the work being done in 1.d).

3. **Knowledge Transfer**

The Committee has reached an understanding of the importance of Knowledge Transfer to:

- Strengthen internal City capacity to provide services sustainably to residents of San Francisco;
- Build on the City's capacity to effectively utilize its most valuable resource - City employees;
- Strengthen recruitment and retention of City employees.

Accordingly:

3.a. **City agrees to adopt and disseminate the advancement of knowledge transfer as City policy.**

"Departments are encouraged to seek to empower, support, and encourage employees to expand their training, knowledge, and skills to meet the changing service and technological needs of the City."

3.b. **Implementation of Citywide Policy on Knowledge Transfer**

3.b.1) With regard to Personal Services Contracts involving specialized skills, knowledge, or expertise, communication - including from the Department of Human Resources to departments, in the FAQ, pop-up information in the PSC database, and in departmental training(s) involving PSCs - will include the following:

- 1) The need for "specialized skills/ expertise" not possessed by Civil Service classifications is intended to be temporary and not ongoing.
- 2) Departments are encouraged to empower, support, and encourage employees to expand their training, knowledge, and skills to meet the changing service and technological needs of the City.

3.b.2) Departments requesting approval of Personal Services Contracts involving specialized skills, knowledge, or expertise - As part of the Knowledge Transfer policy, when submitting requests for approval of Personal Services Contracts involving specialized skills, knowledge, or expertise, departments shall provide information to the Civil Service Commission and PEC unions, including through the PSC database, responding to:

- What specific support will the Department provide, such as providing knowledge transfer of current staff, to help build internal capacity to do this work? If none, explain why not or the limitations.
- Is there a plan to transition this work back to the City? If so, please explain. If

² Using the "reasonable person" standard.

not, explain why not.

Departments are encouraged to use creative and innovative methods to promote knowledge transfer, including the use of interdepartmental work orders and train-the-trainer approaches to enhance capacity of City employees.

3.b.3) Departments receiving approval of Personal Services Contracts involving specialized skills, knowledge, or expertise - As part of the Knowledge Transfer policy, after Civil Service Commission approval of PSCs involving specialized skills, knowledge, or expertise, departments shall report on a quarterly basis, responding to:

- What specific support did the Department provide, such as providing knowledge transfer of current staff, to help build internal capacity to do this work? If none, explain why not or the limitations.

DHR's Workforce Development Division will review quarterly and analyze departmental commitments and progress on knowledge transfer in connection with an approved PSC related to "3.b.2)" and "3.b.3)" above, and report findings to the Civil Service Commission.

4. Workload Forecasting

The parties recognize that workload forecasting is an effective planning tool to forecast staffing needs. The parties recognize that changes in workload may be driven by different factors, including changes in budgets or proposals for new capital projects, new information systems, or new government services.

The benefits for the City of San Francisco are significant, including:

- Increased capacity to proactively respond to changing demands for services.
- Improve the shared understanding of managers about upcoming work and upcoming changes in staffing levels, particularly for project-driven workloads such as capital projects and IT projects.
- Support proactive steps to achieve a better balance between workload and staffing to avoid layoffs or outsourcing of work.

4.a. PSCs – When requesting approval of PSCs, departments will provide information responding to the following questions:

- What efforts has the department made to obtain these services through available resources with the City, including through use of interdepartmental work orders?
- If this is an ongoing need for service,
 - Has the Department requested additional staff to meet this ongoing requirement for service? If so, what is the status of that request?
 - If not, is the Department willing to hire additional staff to create the capacity to do this work?

4.b. During the two-year budget process, departments will provide a workload forecast of staffing levels for 24 months, which will include:

- Projecting the number of FTE's required to do work;

- Forecasting how the changes in workload would change the number of full-time equivalent employees (FTE's) needed to deliver the work;
- Projecting budgetary changes from the previous year for contractors/consultants required for temporary specialized services, and contractors/consultants required to meet temporary peak workload situations

AS-NEEDED BARGAINING UNIT MEMBERS

Effective as of the term of the MOU, the parties agree as follows:

A. Job Experience Crediting:

1. Effective July 1, 2014, the City shall implement a pilot Job Experience Crediting program to be in effect for 3 years, sunseting June 30, 2017, unless the parties mutually agree to extend the program.
2. Job Experience Crediting, as described below, shall apply to classifications in which at least fifteen percent (15%) of the total base (i.e., pay code WKP) hours worked in the classification in the twelve (12) months ending three (3) months prior to the anticipated job posting date were performed by Temporary Exempt, Category 16 employees.
3. The parties further agree that any classification may be subject to the pilot Job Experience Crediting Program by good faith mutual agreement of both parties.
4. The Department of Human Resources shall establish and administer Classification Based Examinations ("CBT") and direct the design and administration of Position-Based Examinations ("PBT") using a Job Experience Crediting approach that acknowledges applicant work experience(s) related to the target job classification, based on the following criteria:
 1. Recency of the relevant work experience;
 2. Relevancy of the experience to the classification for which the exam is being offered;
 3. Time served in the position where the relevant experience was obtained; and
 4. Verification of satisfactory performance associated with the relevant work experience.
5. The purpose of the Job Experience Crediting approach is to assign experience points based on the factors listed in 1 through 4, above. A two (2) part examination/selection process for the identified classifications will be administered, as follows:
 - a. All interested applicants, as part of the initial application process, will be asked to identify their relevant, recent, work experience(s), and time served in the position where the relevant experience was obtained. Verification of satisfactory performance associated with the relevant work experience may be required with the submission of the application.
 - b. Review of minimum qualifications (MQs) of all applicants. Only those applicants who meet, or exceed, the MQs will be invited to participate in Part 1 of the process: the qualifying examination.
 - c. Applicants who are successful in the qualifying examination will continue to Part 2: the job experience assessment.

6. Final ranking on the eligible list will be based on a combination of passing score on the qualifying examination and job experience points credited to eligible applicants.
7. The City agrees to review the pilot Job Experience Crediting program design plan with the Labor Management As-Needed Adherence Committee prior to implementation.
8. The City shall cooperate with requests by the Union on behalf of current non-permanent employees for data that helps establish their eligibility for the Job Experience Crediting Program.
9. The parties shall jointly seek Civil Service Commission approval to expand the Commission's policy to allow temporary exempt (Category 16) employees who are reachable under the certification rule to be selected for permanent appointment without participating in additional selection processes.

B. Limitations and Remedies:

1. Under this paragraph and without affecting examination eligibility for past employment, for hours worked on or after July 1, 2012, City use of TEX 16 ("As-Needed") employees in SEIU represented classifications will be limited to operational necessity where permanent full or part-time status is not feasible or readily available (e.g., seasonal work, sporadic work, filling in for leaves or absences, vacations, emergency overtime, disasters, or classifications which are intended for training purposes only, and as otherwise provided by Civil Service Rule 102.23.6). The City may not use As-Needed (Charter Section 10.104.16) employees to avoid hiring employees in permanent status or to circumvent the denial of departmental requests to fill vacancies. Employment conditions prior to the term of this Agreement will not be sufficient standing alone to constitute a violation of this limitation, but may be admitted as evidence.
2. Violations of this side letter can be appealed through the grievance and arbitration procedure under Article IV of the MOU, and Arbitrator Robert Hirsch, or another mutually agreed upon arbitrator, shall serve as the Arbitrator. The arbitrator's factual findings will be binding on the parties. For violations of this side letter, the arbitrator may order the City to implement appropriate affirmative remedies, including monetary relief. The arbitrator may not order relief that is inconsistent with, or interferes with, the authority reserved by the Charter to the Mayor, the Board of Supervisors, the Civil Service Commission, Retirement System, or Health Services System. This limitation includes any order affecting matters within the exclusive jurisdiction of the Civil Service Commission's establishment and administration of the civil service merit system on matters that are excluded from bargaining under Charter Section A8.409-3. Under this paragraph, an arbitrator may make an advisory recommendation to the Mayor or Civil Service Commission on matters that are beyond the scope of an arbitrator's authority.

Regarding the two pending grievances asserting violations of the Side Letter (ERD Reference Nos. 00-13-2718 and 00-14-2737), the parties agree to submit the unresolved grievable issues to mediation with Arbitrator Robert Hirsch on or after November 1, 2014 during meetings of the Labor Management As-Needed Adherence Committee. If the parties are unable to resolve the issues through mediation by December 20, 2014, unless otherwise agreed to by the parties, the parties will submit the two grievances listed above, under Article IV of the MOU and in accordance with the Side Letter, to be heard by Arbitrator Robert Hirsch no later than March 1,

2015, unless otherwise agreed to by the parties, or another arbitrator if Arbitrator Hirsch declines. With respect to these two grievances, the City reserves all rights under the Meyers Milius Brown Act and with Charter section A8.409, et seq. regarding substantive arbitrability and remedy.

Notwithstanding the foregoing reservation of rights in the immediately preceding sentence, the City agrees to submit to arbitration the issue of whether the City complied with Paragraph B.1, on page 191 of the July 1, 2012 – June 30, 2014 CBA between the City and the Union.

3. Information to Enforce As-Needed Work Limitations and Remedies:

The Union acknowledges that the City will rely on data readily available through its eMerge PeopleSoft system and will fulfill Union requests for information primarily using data available through this system. To the extent practical, the City will provide the data in searchable and sortable format(s).

Consistent with the preceding paragraph, on a quarterly basis, the City will provide the Union the following information in electronic searchable format with data going back as far as is available, and in no event further back than August 2012:

- a. A listing of names, classifications and departments of all TEX/As-Needed employees (including Public Service Aides and Public Service Trainees) employed in the SEIU Local 1021 bargaining unit as of the date of the report;
- b. The number of hours each TEX/As-Needed employee (including Public Service Aides and Public Service Trainees) in the SEIU Local 1021 bargaining unit have worked as of that month in the current fiscal year, and the total number of hours that employee has worked as of that month in the previous 12 months;
- c. Specification of whether each of the TEX/As-Needed employees (including Public Service Aides and Public Service Trainees) currently employed in the bargaining unit is designated as Category 16 or 17 under the Charter;
 - i. If the TEX/As-Needed employee is Category 16, the Departmental justification for the use of the category. Upon request by the Union, the City will provide more detailed information, e.g., explanation of “backfill” or “seasonal” justifications;
 - ii. If the TEX/As-Needed employee is Category 17, to the extent available in the eMerge system, the name and classification of the employee for whom they are backfilling;
- d. “Request to fill” position forms the Department submits requesting new PCS positions.

All reports will be provided via a secure file transfer protocol (FTP) transmission.

C. Labor Management As-Needed Adherence Committee

1. The existing Labor Management As-Needed Adherence Committee will continue in effect. The purpose of the Committee shall be to ensure compliance with this Side Letter, including the obligations to reduce inappropriate use of As-Needed employees. The Committee shall be tasked with identifying job classifications where there appears to be inappropriate use of As-Needed employees, and request timely corrective action. The Committee may issue quarterly reports to the Mayor, and appropriate Departments to remedy inappropriate use of As-Needed employees.
2. The Committee shall be comprised of six (6) Union appointees and six (6) management appointees. The City shall provide the Union members of the Committee, including witnesses called to testify before the Committee, with fully-paid release time to participate in Committee meetings and caucuses. The Committee will make a good faith effort to resolve disputes to avoid the necessity of the Union filing grievances alleging violations of this Article.

D. Public Service Aides/Trainees

1. Within 120 days of the effective date of this Agreement, the Department of Human Resources commits to survey City departments, who employ incumbents in the 9900 classification series, to obtain updated job descriptions (task statements) for positions allocated to the 9900 series. Copies of the surveys shall be provided to the Labor Management As-Needed Adherence Committee. Based on the survey, DHR will conduct an audit to confirm whether the duties assigned to the surveyed position(s) are consistent with the intent of the 9900 classification series. Generally work assignments consistent with the classification series include but are not limited to:
 - participating in job-related work experience opportunities,
 - performing functions and assuming responsibilities, as assigned, as training for employment in the designated target position(s), and as preparation for the target classification examinations;
 - attending remedial and/or technical education classes related to duty assignment.
2. Audit findings will be presented in a formal audit report and will be made available to the Labor Management As-Needed Adherence Committee.

PARK PATROL SHIFT BID PILOT PROGRAM

To ensure the safety of the parks and facilities used daily by the public, and to meet the challenges of providing coverage for over 200 such areas with 3400 acres in a 40+ square mile area, shift schedules must be carefully managed and assigned. There is a need for staffing 24/7/365, and there is a limited number of staff to accomplish this.

Given the above needs and limited staffing, the appointing officer or designee will develop and assign shifts, using the criteria set forth below:

1. Ensuring the safety of the park visitors and users;
2. Ensuring the safety of staff;
3. Enhancing the ability and experience of Park Patrol Officers;
4. Ensuring the proper mix of experience and training on each shift; and
5. Consider individual needs of staff (employee leave scheduling, etc.).

Shift Bidding Process:

Once shifts are developed and assigned by the Department, the remaining shifts will be open to the bidding process. A minimum of seventy percent (70%) of the developed shifts will be held open for bidding, going down to fifty percent (50%) when hiring in flux for training and rotation for new hires. This pilot program will be in effect for 3 years, sunsetting June 30, 2017, unless the parties mutually agree to extend the program. Prior to the sunset of the program, the Department will determine the effectiveness of the program, as well as the interest of the Park Patrol Officers in continuing the bidding process.

Criteria for Bidding:

1. Only Civil Service class 8208 Park Patrol Officers who have passed SFRPD probation may bid;
2. Bidding will be done by seniority in position;
3. The least senior employees in inverse order will be assigned to any shifts in which no successful bids have been placed;
4. No Park Patrol Officer may stay on the same shift for longer than 24 months;
5. All shift bids are subject to the approval of the Appointing Officer, or designee, and may be adjusted to ensure an appropriate skill/experience mix, and compliance with applicable laws; and
6. The final approved shift assignments shall be posted in two conspicuous places in Park Patrol headquarters.

In the event a Park Patrol Officer must be moved from his/her current shift to another shift, the Department will attempt to utilize the above criteria, however, once a Park Patrol Officer has moved to a new shift, the Officer will not be allowed to re-bid until the next scheduled shift-bidding process begins.

The Department will offer shift bids two times per year, with the first shift bid beginning in early January, and the second shift bid beginning in July of each calendar year.

DEPARTMENT OF EMERGENCY MANAGEMENT (DEM) LUNCH PERIOD

For classifications 8238 Public Safety Communications Dispatcher and 8239 Public Safety Communications Supervisor, employees will be required to work 8 hours within 8.25 hours or 10 hours within 10.25 hours. As an example, a typical 8.25-hour day shift schedule would typically be as follows:

- 6:45 am start;
- Paid line-up time will routinely occur within the first 15 minutes of the shift;
- A 60-minute lunch period, consisting of 45 minutes paid, of which 30 minutes shall be encumbered, and 15 minutes unpaid and unencumbered. The Department shall have the discretion to determine whether the first half or the second half of the lunch period is paid and encumbered, and shall notify the employee which half of the lunch will be encumbered prior to the start of the 60-minute lunch period; and
- A 3:00 pm end-shift time.
- Rest breaks per MOU

For purposes of this side letter, paid and encumbered time means if an employee leaves the premises during the lunch period, the employee must be able to return within 15 minutes if called back to work during the encumbered portion of the lunch break. Thus, the Department can call an employee on paid and encumbered time back to work before the Department is required to bring in another employee on mandatory overtime, however, the Department shall first seek employees to work voluntary overtime.

Any DEM general orders or department memoranda dated on or before June 30, 2014 that are inconsistent with this side letter are superseded by this side letter to the extent of the inconsistency, and such general orders or department memoranda may be updated to be consistent with this side letter without any further meet-and-confer.

PROPOSED EMPLOYEE TRANSIT CREDITS

Key Details as of April 28, 2014
San Francisco International Airport

1. If an Airport Commission employee wishes to receive funds for authorized transit, airporter bus, or organized vanpool commute expenses, they must (1) establish a transit benefits payroll deduction account, currently managed by WageWorks at the following url: (<http://www.wageworks4me.com/ccsf/>) and choose a transit or vanpool provider to receive funds approximately 60 days before the start of the month an employee would receive benefits; (2) relinquish their Airport parking facility access card, hang tag, or parking authorization to Parking Management by the start of the month for which transit credits would be provided; and (3) after the end of each calendar month during which an employee expects to receive City transit credits, record the following data for the subject month: days worked, commutes for which transit or vanpool transportation was used, transit or vanpool operator(s) used and the employee's normal home transit stop.
2. In order to have sufficient funds in their account to use transit or vanpool transportation for the first month, employees will need to commence payroll deduction the previous month.
3. By the end of each month of payroll deduction, WageWorks will bill the City for authorized transit or vanpool deductions by each enrolled employee in that month. The City will credit up to \$130 per month back to WageWorks. Future payroll deductions will be reduced in the amount of the credit. If an employee's transit or vanpool deductions total less than \$130 in a month, the City would credit the actual amount.
4. To allow for family emergencies, enrolled employees could park in SFO public garages up to three days per month. If they buy a book of 5 employee tickets the rate is discounted to \$13 per day. Employees would be reimbursed in full anytime during the month, once per month for up to 3 days of public parking, at the offices of garage operator New South Parking. Draft guidelines have been established by Parking Management.
5. Employees would be able to opt in or out of the Transit Credit Program on a quarterly basis. If an employee chooses to leave the program and receive full-time parking privileges once again, with sufficient prior notice a new parking card, hang tag, or parking authorization would be issued, and the employee would be removed from the list of employees eligible for the WageWorks transit credit. If an employee can document a residential move of more than 0.2 mile, the employee could opt in or out at the start of the month closest to the move.
6. If approved, the Transit Credit Program would take effect as soon as possible in FY 14-15.
7. In the event of a BART closure of a day or more, the Airport would endeavor to operate free parking shuttle buses between SFO, the Caltrain station in Millbrae, and the San Francisco Bay Ferry terminal in South San Francisco. This service was implemented during two BART strikes in 2013. Samtrans service may also be available.

WELLNESS

The City proposes the following to address the convenience and accessibility issues raised in the union proposal to provide employees use of sick leave for wellness activities:

- In consultation with the Executive Officer of the Civil Service Commission, the City will issue a clarification to departments and employees as to appropriate use of sick leave, which includes care and consultation with medical providers including, but not limited to, biometric screenings, flu shots and other preventive care and assessments.
- The Health Service System (HSS) will explore piloting shorter on-site workout classes to make it easier for employees to exercise during lunch breaks (more on this in response below).
- The City will issue a policy encouraging departments to allow adjusted work schedules, where operationally feasible, to facilitate the ability of employees to participate in exercise programs in conjunction with the workday. These arrangements could include allowing later or earlier starting and ending times, or longer lunches, with adjustments to start or end times to make up time. The policy will also include a reminder that floating holidays, vacation, and compensatory time off are available for these purposes as well.
- As part of the Citywide wellness program, HSS is planning a voluntary confidential employee Health Risk Assessment (HRA) survey regarding the baseline health of our employee population. This is a critical first step in engaging employees in wellness, and ensuring that program activities are appropriately targeted.
- The City is willing to explore expansion of existing tuition reimbursement programs to contribute towards the purchase of “fitness activity trackers” (e.g., Jawbone or FitBit) as a pilot program. In such event, the City would attempt to negotiate group discounts from these companies.

In response to the proposal to provide employees free use of Recreation and Park Department (RPD) exercise programs and facilities, the City proposes that the parties instead explore the expansion of the on-site wellness offerings by HSS. Potential ideas include:

- Conduct an employee survey to identify the most-desired programs, and best times and locations to offer them;
- Alter current class offerings to 30 or 45 minutes in length, to make them more accessible to employees on lunch break;
- Based on survey results, work with HSS and RPD to explore having RPD staff provide programming either on-site, or where needed, with fee waivers at specific RPD facilities;
- HSS is also actively engaging with area counties to explore collaboration on health and wellness issues.

DEPARTMENT OF PUBLIC HEALTH – ENVIRONMENT OF CARE PROGRAM

This letter is to confirm additional agreement reached between the City and County of San Francisco, the Department of Public Health, and SEIU 1021.

The Department of Public Health will add two (2) additional positions to the existing eight (8) positions in the Environment of Care Program (formerly referred to as the “Lift team” or the “Safe Patient Handling and Movement Program”) at San Francisco General Hospital.

EMPLOYEE PLUS ONE AND EMPLOYEE PLUS TWO OR MORE – OUTSIDE OF HEALTH COVERAGE AREAS

The City agrees to make good faith efforts, including amending the Annual Salary Ordinance (ASO) if necessary, so that, for employees permanently assigned by the City to work in areas outside of Health Service System (HSS) health coverage areas for Kaiser and Blue Shield, the City shall contribute the amounts set forth in the ASO on a pre-tax basis.

APPENDIX A: UNION ACCESS TO NEW EMPLOYEES PROGRAM

I. Purpose

The purpose of this agreement is to memorialize the rights and obligations of the City and the Union in accordance with CA Government Code Sections 3555-3559, through the creation of a single, City-wide Union Access to New Employees Program applicable to all City Agencies and all City Employee Unions.

II. Notice and Access

- A.** The City shall provide the Union written notice of, and access to, new employee orientations (hereinafter NEOs) as set forth below. It is the City's policy that NEOs are mandatory for all newly-hired employees. It is the City's intent that NEOs take place as promptly as possible after the first day of employment. Within thirty (30) calendar days of the start of employment, newly-hired employees will be scheduled to attend the next available NEO. NEOs shall be scheduled during an employee's regularly scheduled, paid time. In the event that a newly-hired employee's regular schedule is outside of a scheduled NEO, the Department may make a one-time adjustment to the employee's work schedule in order to accommodate this requirement.

In the event an employee does not attend the NEO that the employee was scheduled to attend, said employee will be automatically enrolled to attend the next available NEO. If the employee does not attend the subsequently scheduled NEO, the Union NEO Coordinator may contact the Departmental NEO coordinator to arrange a meeting with the employee pursuant to Section F., below.

- B.** Application: New employees include, but are not limited to, newly-hired employees whose positions are permanent, temporary, full-time, part-time, per diem, seasonal, provisional, or as-needed.

C. Notice

1. **Single Point of Contact:** The Union agrees to provide the City with a single point of contact (hereinafter, Union NEO Coordinator) and the City agrees to provide the Union with a single point of contact for each Department (hereinafter, Departmental NEO Coordinator), which will be updated by the City and the Union on an as-needed basis.
2. **Notice of Schedule:** For any NEO that takes place on a regular, recurring schedule, the sponsoring Department shall be responsible for providing annual notice to the Union. For NEOs that are not offered on a regular, recurring schedule, the sponsoring Department shall provide no less than ten (10) business days' notice. Said notices shall be provided by email, to the Union NEO Coordinator. This requirement shall apply to all NEOs in which City personnel provide newly-hired employees with information regarding employment status, rights, benefits, duties, responsibilities, or any other employment-related matters.

3. Notice of Enrollment: Notice shall include a list of new employees represented by the Union scheduled to attend the NEO. If practical, the City agrees to provide additional identifying information including, but not limited to, classification and department. Six months from enactment, in the event the City is unable to provide classification and department information in the Notice of Enrollment, the Union can reopen this Agreement for the sole purpose of meeting and conferring over the identifying information provided in this Section II.C.3 Notice of Enrollment. Said meeting and conferring shall not be subject to the impasse procedures in Government Code Section 3557. The Department sponsoring the NEO shall provide the foregoing information no less than five (5) business days prior to the NEO taking place. The Department will make best efforts to notify the Union NEO Coordinator of any last-minute changes. Onboarding of individual employees for administrative purposes is excluded from this notice requirement.
- D. Citywide and Departmental NEOs: New employees in those Departments identified in Attachment A shall attend a citywide NEO, sponsored by the Department of Human Resources. This citywide NEO shall take place at minimum on a monthly basis. Departments identified in Attachment B will conduct respective Departmental NEOs. At the City's discretion, Departments may be added to or removed from either Attachment A or Attachment B. For the citywide NEO, DHR will adhere to the Department notice requirements in Section C., above. The City will provide the Union with thirty (30) calendar days' notice prior to moving a Department from Attachment A to B, or vice versa. Every City Department shall be listed on either Attachment A or Attachment B.
- E. Access and Presentation: At all NEOs, the Union shall be afforded thirty (30) minutes to meet with represented new employees who are present, unless the Union's Memorandum of Understanding (MOU) provides for more than thirty (30) minutes. The right of the Union to meet with newly-hired employees is limited to only those employees whose classifications fall within the Union's bargaining unit. The City shall ensure privacy for the Union's orientation, and it shall take place without City representatives present. This requirement can be met by providing either a private room or a portion of a room with sufficient distance from other activities in the room to limit disruption. The Department responsible for scheduling the NEO shall be responsible for including Union presentations on the agenda. The Union's presentation shall occur prior to any meal break, and will not be conducted during a scheduled break time. One (1) of the Union's representatives may be a Union member designated by the Union. Such member(s) shall be released to attend under the terms and conditions specified in the MOU. If not otherwise provided for in the MOU, the Union may request release of a Union-designated member to attend the NEO. Release time shall not be unreasonably withheld. Said request shall be made to the Employee Relations Division no less than three (3) business days in advance of the scheduled NEO. The Union agrees to limit its presentation to only those matters stated in Section H., below.
- F. Alternate Procedures: In the event the Union identifies one or more new employees who did not attend the Union's presentation as described in Section E., above, the Union may contact the Departmental NEO coordinator to schedule a mutually-agreeable fifteen (15) minute time slot for the Union to meet privately with the new employee(s). If the number of such identified employees is five (5) or more at a particular location, the Union NEO Coordinator and Departmental NEO Coordinator will work together to schedule a mutually agreeable thirty (30)

minute time slot for the private meeting. One (1) of the Union's representatives may be a Union member designated by the Union, and such member shall be released to attend under the terms and conditions specified in the MOU. If not otherwise provided for in the MOU, the Union may request release of a Union-designated member as provided for in Section E., above. This alternate procedure shall also apply to any employee who has promoted or transferred into the bargaining unit.

1. The Union NEO Coordinator shall coordinate with the new employee(s) referenced in the preceding paragraph and the Departmental NEO Coordinator to schedule a fifteen (15) minute meeting during normally scheduled hours, which shall not be during employee's break or meal period, for the Union representative(s) to meet privately with, and provide materials and information to, the new employee(s). City representatives shall not be present during said meeting. The Union agrees to limit its presentation to only those matters stated in Section H., below.
2. In the event the proposed time cannot be accommodated, the Union NEO Coordinator and the Departmental NEO Coordinator shall work together to find a mutually agreeable time within ten (10) business days of the Union's request.
3. Department of Elections: Any new employee of the Department of Elections who is classified as Temporary Exempt (Category 16), whose duration of appointment is one (1) pay period or less, and works on an as-needed work schedule will receive written materials provided by the Union in lieu of attending a Citywide or Departmental NEO, a private meeting with the Union as provided for in Section F., above, or a Periodic Union Orientation as provided for in Section G., below.

G. Process for Periodic Union Orientations: By mutual agreement, the Union NEO Coordinator and the Departmental NEO Coordinator may schedule periodic thirty (30) minute Union orientations. Periodic Union orientations may be scheduled on an every-other-month, quarterly, or other basis.

The following Departments shall maintain existing Union orientation arrangements: Department of Emergency Management; Sheriff's Department; and Police Department.

The 311 Customer Service Call Center shall maintain existing practice with respect to Union access to 311 Customer Service Agent Training.

H. Union Orientation Presentations: The Union agrees to limit its presentation to a general introduction to its organization, history, by-laws, and benefits of membership. The Union agrees not to engage in campaigning on behalf of an individual running for public elected office and ballot measures during the NEO, or other topics that would be considered beyond general discussion on the benefits of Union membership.

III. Data Provisions

Subject to the limitations contained in CA Government Code Section 3558, the City shall provide the Union with all required information on newly-hired employees to the extent it is made available to the City. In addition, within ten (10) business days of the conclusion of each NEO, the

City agrees to provide the Union with a stand-alone report containing a list of employees, including classification code and division, who were scheduled to, but did not attend each NEO.

IV. Hold Harmless

The Union agrees to hold the City harmless for any disputes that arise between the Union and any new employee over application of this Agreement.
