C. MANAGEMENT RIGHTS

- 4. Except as otherwise specifically provided in this Agreement, in accordance with applicable state law, nothing herein shall be construed to restrict any legal City rights concerning direction of its work force, or consideration of the merits, necessity, or organization of any service or activity provided by the City.

ARTICLE I - REPRESENTATION

5. The City shall also have the right to determine the mission of its constituent departments, officers, boards and commissions; set standards of services to be offered to the public, and exercise control and discretion over the City's organization and operations. The City may also relieve city employees from duty due to lack of work or funds, and may determine the methods, means and personnel by which the City's operations are to be conducted.
6. The exercise of these rights shall not be subject to the grievance procedure.
7. However, the exercise of such rights does not preclude employees from utilizing the grievance procedure to process grievances regarding the practical consequence of any such actions on wages, hours, benefits or other terms and conditions of employment.

D. UNION/CITY RELATIONS COMMITTEE

8. The parties hereby agree to establish a Union/City Relations Committee. The Committee shall consist of up to three (3) bargaining unit members appointed by the Union in addition to union staff and up to three (3) members appointed by the City. 11. During the term of this Agreement (FY 2012-2013 & FY 2013-2014), a subcommittee shall be established between the Department and the Union and shall meet by no later than September 30, 2012, to further discuss matters within the scope of representation at Animal Care & Control. E. GRIEVANCE PROCEDURES

13. The following procedures are adopted by the Parties to provide for the orderly and efficient disposition of grievances and are the sole and exclusive procedures for resolving grievances as defined herein.
14. A grievance is defined as an allegation by an employee, a group of employees or the Union that the City has violated, misapplied or misinterpreted a term or condition of employment provided in this Agreement.

ARTICLE I - REPRESENTATION

A grievance does not include the following:

15. 1. Performance evaluations, provided however, that employees shall be entitled to submit written rebuttals to unfavorable performance evaluations. Said rebuttal shall be attached to the performance evaluation and placed in the employee's official personnel file.
16. 2. Written reprimands, provided however, that employees shall be entitled to append a written rebuttal to any written reprimand. The appended rebuttal shall be included in the employee's official personnel file. Employees are required to submit written rebuttals within twenty (20) calendar days from the date of the reprimand.

Grievance Description

17. The Union and the City agree that the following guidelines will be used in the submission of grievances:
18. a. The grievances shall state the specific article(s), section(s) and paragraph(s) of this Agreement which the Union believes has been violated;
19. b. The grievances shall state the remedy or solution being sought by the Grievant or Union.

Time Limits

20. The time limits set forth herein may be extended by agreement of the parties. Any such extension must be confirmed in writing. For purposes of calculation of time a "day" is defined as a "working day," any Monday through Friday, excluding legal holidays granted by the City and County of San Francisco.

Steps of the Procedure: Non-discipline

21. Except for grievances involving multiple employees or discipline, all grievances must be initiated at Step 1 of the grievance procedure.
22. A grievance affecting more than one employee shall be filed with the appointing officer or designee. Grievances affecting more than one department shall be filed with the Employee Relations Division. In the event the City disagrees with the level at which the grievance is filed it may submit the matter to the Step it believes is appropriate for consideration of the dispute.
23. The grievant may have a Union representative present at all steps of the grievance procedure.
24. Step 1: An employee shall discuss the grievance informally with his/her immediate supervisor as soon as possible but in no case later than thirty (30) days from the date of the occurrence of the act or the date the grievant might reasonably have been expected to have learned of the alleged violation being grieved.

ARTICLE I - REPRESENTATION

25. If the grievance is not resolved within seven (7) days after contact with the immediate supervisor, the grievant will submit the grievance in writing to the immediate supervisor on a mutually agreeable grievance form. The grievance will set forth the name of the employee, the facts of the grievance, the terms and conditions of employment claimed to have been violated, misapplied or misinterpreted, and the remedy or solution being sought by the grievant. For grievances involving more than one employee, the Union will identify the names of all affected grievants as soon as reasonably possible, but no later than submission to Step 4.
26. The immediate supervisor shall respond in writing within ten (10) days following receipt of the written grievance.
27. Step 2: A grievant dissatisfied with the immediate supervisor's response at Step 1 may appeal to the intermediate supervisor, in writing, within ten (10) days of receipt of the Step 1 answer. The intermediate supervisor may convene a meeting or respond in writing within twenty (20) days of receipt of the grievance. If a meeting is held the intermediate supervisor shall respond in writing within twenty (20) days.
28. Step 3: A grievant dissatisfied with the intermediate supervisor's response at Step 2 may appeal to the Appointing Officer or designee, in writing, within fifteen (15) days of receipt of the Step 2 answer. The Appointing Officer or designee may convene a meeting within twenty (20) days with the grievant and/or the grievant's Union representative. The Appointing Officer or designee shall respond in writing within twenty (20) days of the hearing or receipt of the grievance, whichever is later.
29. Step 4: If the Union is dissatisfied with the Appointing Officer's response at Step 3, it may appeal to the Director, Employee Relations, in writing, within twenty (20) days of receipt of the Step 3 answer. The Director may convene a grievance meeting within twenty (20) days with Union; the grievant may attend the meeting if s/he so desires. The Director shall respond to the grievance in writing within twenty (20) days of the meeting or, if none is held, within twenty (20) days of receipt of the appeal.
30. Arbitration: If the Union is dissatisfied with the Step 4 answer it may invoke arbitration by notifying the Director of Employee Relations in writing, within twenty (20) days of the 4th Step decision. However, in order to proceed to arbitration, the City and the Union shall initiate the selection of an arbitrator and schedule the arbitration dates within 30 calendar days of the Union's receipt of the Director of Employee Relations denial of the grievance.

Selection of the Arbitrator

31. The parties shall establish a list of seven (7) arbitrators to serve as the permanent panel to hear grievances arising under the terms of this Agreement. In the event the parties cannot agree on the panel within thirty (30) days following the effective date of this Agreement, either party may obtain a panel through the appointment process of the American Arbitration Association. Provided however that an arbitrator may be removed from the panel by mutual consent at any time. Replacements, in the absence of mutual agreement, shall be made by American Arbitration Association appointment.

ARTICLE I - REPRESENTATION

32. When a matter is appealed to arbitration the parties shall first attempt to mutually agree on an arbitrator. In the event no agreement is reached within seven (7) days the arbitrator shall be selected from the permanent panel by utilizing a strike off procedure.

Discipline/Discharge Grievances

33. Permanent employees or employees who have served the equivalent of the probationary period may grieve (appeal) temporary reduction in pay, suspensions, disciplinary demotions or discharges.
34. If an employee has previously been disciplined regarding problems of abuse of sick leave or tardiness, in lieu of unpaid suspension, the Appointing Officer or his/her designee, may at his/her option, impose a temporary reduction in pay by reducing an employee's pay by 5% or to the next lower pay step, for subsequent attendance discipline. The duration of such pay reduction shall depend on the seriousness of the offense (e.g., one (1) day suspension equates approximately to four (4) weeks of reduced pay).

Expedited Termination Grievances

35. Termination grievances will be filed directly at Step Three (Employee Relations Division).
36. The parties agree to use their best efforts to schedule arbitration hearings for termination grievances within ninety (90) calendar days of the appeal to arbitration.
37. The parties will agree in advance on an arbitrator or panel of arbitrators to hear all termination grievances.

Steps of the Procedure: Disciplinary Grievances

38. Step 1. The grievant and/or the union shall submit in writing to the Appointing Officer or designee a grievance appealing the disciplinary action within fifteen (15) days of the mailing date of the written notice. The grievance shall set forth the basis of the appeal. The Appointing Officer or designee shall respond within twenty (20) days following receipt of the appeal.
39. Step 2. The union may appeal the Appointing Officer's decision to the Director of Employee Relations in writing within ten (10) days. The Director may convene a grievance meeting within twenty (20) days with the grievant and the grievant's union. The Director shall respond to the grievance in writing within twenty (20) days of the meeting or if none is held within twenty (20) of receipt of the appeal.
40. If the decision of the Director, ERD, is unsatisfactory only the Union may file a written appeal to arbitration with the ERD no later than fifteen (15) days following issuance of the final City decision.

Selection of the Arbitrator

41. Selection of an arbitrator shall be as in paragraphs 31 and 32 above.

ARTICLE I - REPRESENTATION

Authority of the Arbitrator

42. The arbitrator shall have no authority to add to, ignore, modify or amend the terms of this Agreement.

Fees and Expenses of Arbitrator

43. The fees and expenses of the Arbitration shall be shared equally by the parties including the cost of the arbitrator, court reporter and transcript, if ordered.

Hearing Dates and Date of Award

44. Hearings shall be scheduled within forty (40) days of selection of an arbitrator. Awards shall be due within forty (40) days following the receipt of closing arguments. As a condition of appointment to the permanent panel arbitrators shall be advised of this requirement and shall certify their willingness to abide by these time limits.
45. Any claim for monetary relief shall not extend more than thirty (30) days prior to the filing of a grievance, unless considerations of equity or bad faith justify a greater entitlement.
46. In the event a grievance is not filed or appealed in a timely manner it shall be dismissed. Failure of the City to timely reply to a grievance shall authorize appeal to the next grievance step.

F. OFFICIAL REPRESENTATIVES AND STEWARDS

Official Representatives

47. The Union may select up to the number of employees as specified in the Employee Relations Ordinance for purposes of meeting and conferring with the City on matters within the scope of representation. If a situation should arise where the Union believes that more than a total of five (5) employee members should be present at such meetings, and the City disagrees, the Union shall take the matter up with the Employee Relations Director and the parties shall attempt to reach agreement as to how many employees shall be authorized to participate in said meetings.
48. The organization's duly authorized representative shall inform in writing the department head or officer under whom each selected employee member is employed that such employee has been selected.
49. No selected employee member shall leave the duty or workstation, or assignment without specific approval of appropriate Employer representative.

52. The Union recognizes that it is the responsibility of the steward to assist in the resolution of grievances at the lowest possible level.
53. Upon notification of a designated management person, stewards or designated officers of the Union subject to management approval which shall not be unreasonably withheld, shall be granted reasonable release time to investigate and process grievances and appeals. Stewards shall advise their supervisors of the area or work location where they will be investigating or processing grievances. The Union will attempt to insure that steward release time will be equitably distributed.
54. Stewards shall be responsible for the performance of their workload, consistent with release time approved pursuant to rules established herein.
55. In emergency situations, where immediate disciplinary action is taken because of an alleged violation of law or a City departmental rule (intoxication, theft, etc.) the steward shall not unreasonably be denied the right to leave his/her post or duty.
56. Stewards shall not interfere with the work of any employee. It shall not constitute interference with the work of an employee for a steward, in the course of investigating or processing a grievance, or a disciplinary action, to interview an employee during the employee's duty time.
57. Stewards shall orient new employees on matters concerning employee rights under the provisions of the Agreement.

G. UNION ACCESS

58. The Union shall have reasonable access to all work locations to verify that the terms and conditions of this Agreement are being carried out and for the purpose of conferring with employees, provided that access shall be subject to such rules and regulations immediately below, as well as to such rules and regulations as may be agreed to by the department and the union. Union access to work locations will not disrupt or interfere with a department's mission and services or involve any political activities.
59. ARTICLE I - REPRESENTATION

J. EMPLOYEE REASSIGNMENTS

Such reduced work week shall not be less than twenty (20) hours per week. Pay, vacation, holidays and sick pay shall be reduced in accordance with such reduced work week.

6. Voluntary Time Off Program ("VTOP")

208. The mandatory furlough provisions of CSC Rule 120 shall not apply to covered employees.
209. a. General Provisions. Upon receipt of a projected deficit notice from the Controller, an appointing officer shall attempt to determine, to the extent feasible and with due consideration for the time constraints which may exist for eliminating the projected deficit, the interest of employees within the appointing officer's jurisdiction in taking unpaid personal time off on a voluntary basis.
210. The appointing officer shall have full discretion to approve or deny requests for voluntary time off based on the operational needs of the department and any court decrees or orders pertinent thereto. The decision of the appointing

ARTICLE III – PAY, HOURS AND BENEFITS

b. Restrictions on Use of Paid Time Off while on Voluntary Time Off.

211. (1) All voluntary unpaid time off granted pursuant to this section shall be without pay.
212. (2) Employees granted voluntary unpaid time off are precluded from using sick leave with pay credits, vacation credits, compensatory time off credits, floating holidays, training days or any other form of pay for the time period involved.
213. c. Duration and Revocation of Voluntary Unpaid Time Off. Approved voluntary time off taken pursuant to this section may not be changed by the appointing officer without the employee's consent.

7. Animal Care and Control Graveyard Shift

214. The Department of Animal Care & Control agrees to allow employees assigned to work the graveyard shift to waive their one-hour lunch break with prior supervisor approval based on operational need which will result in a one hour reduction in the length of their work shift. At any time, the Department may re-evaluate the feasibility of the work schedules and determine whether it is appropriate to allow employees who work the graveyard shift to waive their one-hour lunch break. In such event the employee would work the full number of work hours assigned.

G. COMPENSATION FOR VARIOUS WORK SCHEDULES

1. Normal Work Schedules

215. Compensation fixed herein on a per diem basis are for a normal eight hour work day; and on a bi-weekly basis for a bi-weekly period of service consisting of normal work schedules.

2. Part-Time Work Schedules

216. Salaries for part-time services shall be calculated upon the compensation for normal work schedules proportionate to the hours actually worked.

3. No Available Work

217. Employees shall receive no compensation when properly notified (2-hour notice) that work applicable to the classification is not available because of inclement weather conditions, shortage of supplies, traffic conditions, or other unusual circumstances. Employees who are not properly notified and report to work and are informed no work applicable to the classification is available shall be paid for a minimum of two hours. Employees who have been designated by their department as emergency personnel must report to work as scheduled unless otherwise notified by the Appointing Officer of designee.
218. Employees who begin their shifts and are subsequently relieved of duty due to the above reasons shall be paid a minimum of three hours, and for hours actually worked beyond two hours, computed to the nearest one-quarter hour.

H. OVERTIME COMPENSATION

219. The Appointing Officer may require employees to work longer than the regular workday or the regular workweek. Any time worked under proper authorization or suffered to be worked by an employee, exclusive of part-time employees, in excess of actual paid work on a regular workday or workweek shall be treated as follows:

Non-“Z” Designated Classifications

220. Employees in classifications designated as Non-“Z” are compensated for overtime subject to the following:

221. a. For employees working a regular eight (8) hour workday, overtime at one-and-one-half times the base hourly rate (which may include a night differential if applicable) for actual hours worked in excess of eight (8) hours in a day or for hours worked in excess of forty (40) hours in a week; provided that employees working in classifications that are designated as having a regular workday of less than eight (8) hours or a regular workweek of less than forty (40) hours shall not be entitled to overtime compensation for work performed in excess of said specified regular hours until they exceed eight (8) hours per day and forty (40) hours per week;

222. b. For employees working a flexible work schedule as described in section F.2. above, overtime at one-and-one-half times the base hourly rate (which may include a night differential if applicable) for actual hours worked in excess of forty (40) hours in a week;

223. c. For employees working an alternate work schedule as described in section F.3. above, overtime at one-and-one-half times the base hourly rate (which may include a night differential if applicable) for hours worked in excess of the normal workday as set forth in an alternate work schedule or for actual hours worked in excess of forty (40) hours in a week. Overtime for employees working a 9/80 schedule is based on the FLSA workweek designated in such a schedule.

224. Those employees subject to the provisions of the Fair Labor Standards Act who are required or suffered to work overtime shall be paid in salary unless the employee and the Appointing Officer mutually agree that in lieu of paid overtime, the employee shall be compensated with compensatory time off. Compensatory time shall be earned at the rate of time and one half. Employees occupying non-“Z” designated positions shall not accumulate a balance of compensatory time earned in excess of 240 hours calculated at the rate of time and one half. An employee who is appointed to a position in another department shall have his or her entire compensatory time balances paid out at the rate of the underlying classification prior to appointment. An employee who is appointed to a position in a higher, non-Z or L designated classification shall have his or her entire compensatory time balances paid out at the rate of the lower classification prior to promotion.

225. Overtime shall be calculated and paid on the basis of the total number of straight-time hours actually worked in a day and week. (For purposes of this calculation fixed holidays, jury duty and military leave shall be counted as hours worked). Overtime compensation so earned shall be computed subject to all the provisions and conditions set forth herein.

ARTICLE III – PAY, HOURS AND BENEFITS

“Z” Designated Classifications

226. Employees in classifications designated as “Z” shall not be paid for overtime worked but may be granted compensatory time off at time and one half for actual hours worked in excess of forty (40) hours in a week.
227. When an appointing officer receives notice from an employee, designated as a “Z” employee for FLSA purposes, that the employee will resign, the appointing officer, or designee, will use his/her best efforts to accommodate that employee’s request to exhaust any unused compensatory time.
228. For purposes of calculation of overtime, fixed holidays will be considered actual hours worked.

Compensatory Time

229. Employees may carry forward up to two hundred forty (240) hours of earned but unused compensatory time into the next fiscal year.

I. FAIR LABOR STANDARDS ACT

230. To the extent that the Agreement fails to afford employees the overtime or compensatory time off benefits to which they are entitled under the Fair Labor Standards Act, the Agreement is amended to authorize and direct all City Departments to ensure that their employees receive, at a minimum, such Fair Labor Standards Act Benefits.

J. HOLIDAYS

231. Except when normal operations require, or in an emergency, employees shall not be required to work on the following days hereby declared to be holidays for such employees:

January 1 (New Year's Day)
the third Monday in January (Martin Luther King, Jr.'s Birthday)
the third Monday in February (President's Day)
the last Monday in May (Memorial Day)
July 4 (Independence Day)
the first Monday in September (Labor Day)
the second Monday in October (Columbus Day)
November 11 (Veteran's Day)
Thanksgiving Day
the day after Thanksgiving
December 25 (Christmas Day)

232. In addition, included shall be any day declared to be a holiday by proclamation of the Mayor after such day has heretofore been declared a holiday by the Governor of the State of California or the President of the United States.
233. Provided further, if January 1, July 4, November 11 or December 25 falls on a Sunday, the Monday following is a holiday.

ARTICLE III – PAY, HOURS AND BENEFITS

234. The City shall accommodate religious belief or observance of employees as required by law.
235. Employees are granted four floating holidays to be taken on days selected by the employee subject to prior scheduling approval of the appointing officer. Employees (both full-time and part-time) must complete six (6) months continuous service to establish initial eligibility for the floating holidays. Employees hired on an as-needed, part-time, intermittent or seasonal basis shall not receive the additional floating holidays. Floating holidays received in one (1) fiscal year but not used may be carried forward to the next succeeding fiscal year. The number of floating holidays carried forward to a succeeding fiscal year may not exceed the total number of floating holidays received in the previous fiscal year, and at no time shall employees be able to accumulate more than six (6) floating holidays. No compensation of any kind shall be earned or granted for floating holidays not taken.
236. Notwithstanding the paragraphs above, any unused floating holidays accrued from July 1, 2010 through June 30, 2013, may be carried over to be used in Fiscal Years 2012-13, 2013-14 and 2014-15.
237. During Fiscal Years 2012-13, 2013-14 and 2014-15, floating holidays must be used before vacation days or hours are taken; provided however that this limitation (i.e., use of floating holidays before vacation) will not apply in cases in which use of the floating holiday will cause a loss of vacation due to the accrual maximums. Floating holidays are to be scheduled per mutual agreement, based on operational needs of the department.
238. Employees who have established initial eligibility for floating holidays and subsequently separate from City employment, may at the sole discretion of the appointing authority, be granted those floating holiday(s) to which the separating employee was eligible and had not yet taken off.
239. For those employees assigned to a work week of Monday through Friday, and in the event a legal holiday falls on Saturday, the preceding Friday shall be observed as a holiday; provided, however, that except where the Governor declares that such preceding Friday shall be a legal holiday, each department head shall make provision for the staffing of public offices under his/her jurisdiction on such preceding Friday so that said public offices may serve the public as provided in Section 7.702 of the Charter. Those employees who work on a Friday which is observed as a holiday in lieu of a holiday falling on Saturday shall be allowed a day off in lieu thereof as scheduled by the appointing officer in the current fiscal year. The City shall provide one week's advance notice to employees scheduled to work on the observed holiday, except in cases of unforeseen operational needs.
1. In-Lieu Holidays
240. Requests for in-lieu holidays shall be made to the appropriate management representative prior to or no later than thirty (30) days after the holiday is earned and must be taken within the fiscal year.

ARTICLE III – PAY, HOURS AND BENEFITS

241. In-lieu days will be assigned by the appointing officer or designee if not scheduled in accordance with the procedures described herein

242. An in-lieu holiday can be carried over into the next fiscal year only with the written approval of the appointing officer.

2. Holiday Compensation for Time Worked

243. Employees required by their respective Appointing Officers to work on any of the above-specified or substitute holidays excepting Fridays observed as holidays in lieu of holidays falling on Saturday, shall be paid extra compensation of one (1) additional day's pay at time and one-half (1-1/2) the usual rate in the amount of twelve (12) hours' pay for eight (8) hours worked or a proportionate amount if less than eight (8) hours worked; provided, however, that at an employee's request and with the approval of the appointing officer, an employee may be granted compensatory time off in lieu of paid overtime.

244. Executive, administrative and professional employees designated with the "Z" symbol and who the City believes are exempt under the provisions of the Fair Labor Standards Act shall not receive extra compensation for holiday work but may be granted time off equivalent to the time worked at the rate of one-and-one half (1 1/2) times for work on the holiday.

3. Holidays for Employees on Work Schedules Other Than Monday Through Friday

245. a. Employees assigned to seven (7) day-operation departments or employees working a five (5) day work week other than Monday through Friday shall be allowed another day off if a holiday falls on one of their regularly scheduled days off.

246. b. Employees whose holidays are changed because of shift rotations shall be allowed another day off if a legal holiday falls on one of their days off.

247. c. Employees required to work on a holiday which falls on a Saturday or Sunday shall receive holiday compensation for work on that day. Holiday compensation shall not then be additionally paid for work on the Friday preceding a Saturday holiday, nor on the Monday following a Sunday holiday.

248. d. Sections b. and c. above shall apply to part-time employees on a pro-rata basis.

249. If the provisions of this section deprive an employee of the same number of holidays that an employee receives who works Monday through Friday, s/he shall be granted additional days off to equal such number of holidays. The designation of such days off shall be by mutual agreement of the employee and the appropriate employer representative. Such days off must be taken within the fiscal year. In no event shall the provisions of this section result in such employee receiving more or less holidays than an employee on a Monday through Friday work schedule.

ARTICLE III – PAY, HOURS AND BENEFITS

250. Departments will use their best efforts to grant each employee qualifying for paid holidays at least one (1) of the following two (2) holidays off: Christmas Day and the following New Year's Day.

4. Holiday Pay for Employees Laid Off

251. An employee who is laid off at the close of business the day before a holiday who has worked not less than five (5) previous consecutive workdays shall be paid for the holiday at their normal rate of compensation.

5. Employees Not Eligible for Holiday Compensation

252. Persons employed for holiday work only, or persons employed on a part-time work schedule which is less than twenty (20) hours in a bi-weekly pay period, or persons employed on an intermittent part-time work schedule (not regularly scheduled), or persons employed on as-needed, seasonal or project basis for less than six (6) months continuous service, or persons on leave without pay status both immediately preceding and immediately following the legal holiday shall not receive holiday pay.

6. Part-time Employees Eligible for Holidays

253. Part-time employees who regularly work a minimum of twenty (20) hours in a bi-weekly pay period shall be entitled to holiday pay on a proportionate basis.

254. Regular full-time employees are entitled to 8/80 or 1/10 time off when a holiday falls in a bi-weekly pay period, therefore, part-time employees, as defined in the immediately preceding paragraph, shall receive a holiday based upon the ratio of 1/10 of the total hours regularly worked in a bi-weekly pay period. Holiday time off shall be determined by calculating 1/10 of the hours worked by the part-time employee in the bi-weekly pay period immediately preceding the pay period in which the holiday falls. The computation of holiday time off shall be rounded to the nearest hour.

255. The proportionate amount of holiday time off shall be taken in the same fiscal year in which the holiday falls. Holiday time off shall be taken at a time mutually agreeable to the employee and the appropriate employer representative.

K. VACATION

256. Vacations will be administered pursuant to the Administrative Code, Article II, Sections 16.10 through 16.16 (dated 12/94).

L. HEALTH AND WELFARE AND DENTAL INSURANCE

Employee Health Care

257. The level of the City's contribution to employee health benefits will be set in accordance with the requirements of Charter Sections A8.423 and A8.428.

a. Health Coverage Effective January 1, 2014 Through December 31, 2014

1) Medically Single (Employee Only)

ARTICLE III – PAY, HOURS AND BENEFITS

258. Effective January 1, 2014 through December 31, 2014, for “medically single employees” (Employee Only) enrolled in any plan other than the highest cost plan, the City shall contribute ninety percent (90%) of the “medically single employee” (Employee Only) premium for the plan in which the employee is enrolled; provided, however, that the City’s premium contribution will not fall below the lesser of: (a) the “average contribution” as determined by the Health Service Board pursuant to Charter Sections A8.423 and A8.428(b)(2); or (b), if the premium is less than the “average contribution,” one hundred percent (100%) of the premium.

259. For the period January 1, 2014 through December 31, 2014 only, for “medically single employees” (Employee Only) who elect to enroll in the highest cost plan, the City shall contribute ninety percent (90%) of the premium for the second highest cost plan, plus fifty percent (50%) of the difference between: (a) ninety percent (90%) of the premium for the second highest cost plan, and (b) one hundred percent (100%) of the premium for the highest cost plan.

2) Dependent Health Care Pick-Up.

260. Effective January 1, 2014 through December 31, 2014, for Dependent Coverage (Employee Plus One; Employee Plus Two More), the City will also contribute a maximum of \$225 per month towards each employee's dependent health coverage for the life of the agreement. However, in the event that the cost of dependent care exceeds \$225 per month, the City will adjust its pick-up level up to 75% of the cost of Kaiser’s dependent health care medical premium charged to the employee plus two or more dependents category.

b. Health Coverage Effective January 1, 2015

261. Effective January 1, 2015, the contribution model for employee health insurance premiums will be based on the City’s contribution of a percentage of those premiums and the employee’s payment of the balance (Percentage-Based Contribution Model), as described below:

1) Employee Only:

262. For medically single employees (Employee Only) who enroll in any health plan offered through the Health Services System, the City shall contribute ninety-three percent (93%) of the total health insurance premium, provided however, that the City’s contribution shall be capped at ninety-three percent (93%) of the Employee Only premium of the second-highest-cost plan.

2) Employee Plus One:

263. For employees with one dependent who elect to enroll in any health plan offered through the Health Services System, the City shall contribute ninety-three percent (93%) of the total health insurance premium, provided however, that the City’s contribution shall be capped

ARTICLE III – PAY, HOURS AND BENEFITS

at ninety-three percent (93%) of the Employee Plus One premium of the second-highest-cost plan.

3) Employee Plus Two or More:

264. For employees with two or more dependents who elect to enroll in any health plan offered through the Health Services System, the City shall contribute eighty-three percent (83%) of the total health insurance premium, provided however, that the City's contribution shall be capped at eighty-three percent (83%) of the Employee Plus Two or More premium of the second-highest-cost plan.

4) Contribution Cap

265. In the event HSS eliminates access to the current highest cost plan for active employees, the City contribution under this agreement for the remaining two plans shall not be affected.

5) Average Contribution Amount

266. For purposes of this agreement, and any resulting agreements under paragraph 272, to ensure that all employees enrolled in health insurance through the City's Health Services System (HSS) are making premium contributions under the Percentage-Based Contribution Model, and therefore have a stake in controlling the long term growth in health insurance costs, it is agreed that, to the extent the City's health insurance premium contribution under the Percentage-Based Contribution Model is less than the "average contribution," as established under Charter section A8.428(b), then, in addition to the City's contribution, payments toward the balance of the health insurance premium under the Percentage-Based Contribution Model shall be deemed to apply to the annual "average contribution." The parties intend that the City's contribution toward employee health insurance premiums will not exceed the amount established under the Percentage-Based Contribution Model.

c. Agreement Not to Renegotiate Contributions in 2014

267. The terms described in paragraphs 266 through 271 above will be effective in calendar year 2015, and the parties agree not to seek to modify this agreement through the term of any MOU entered into prior to, or in the spring of, 2014.

d. Other Terms Negotiable

268. While the parties have agreed in paragraph 272 not to negotiate any changes to the Percentage-Based Contribution Model, the parties are free to make economic proposals to address any alleged impact of the health contribution levels described above or other health related issues not involving the percentage-based contribution model (e.g. wellness and transparency).

e. Other Agreements

ARTICLE III – PAY, HOURS AND BENEFITS

269. Should the City and any recognized bargaining unit reach a voluntarily bargained agreement that results in City contributions to health insurance premiums exceeding those provided by the Percentage-Based Contribution Model, the City agrees to offer the entire alternate model to the Union as a substitute.

Dental Coverage

270. The City shall provide dental coverage through the term of this agreement.
271. Employees who enroll in the Delta Dental PPO Plan shall pay the following premiums for the respective coverage levels: \$5/month for employee-only, \$10/month for employee + 1 dependent, or \$15/month for employee + 2 or more dependents.
272. The City shall provide annual audiometric examinations in accordance with the City's Hearing Conservation Program.
273. **CONTRIBUTIONS WHILE ON UNPAID LEAVE.** As set forth in Administrative Code section 16.701(b), covered employees who are not in active service for more than twelve (12) weeks, shall be required to pay the Health Service System for the full premium cost of membership in the Health Service System, unless the employee shall be on sick leave, workers' compensation, mandatory administrative leave, approved personal leave following family care leave, disciplinary suspensions or on a layoff holdover list where the employee verifies they have no alternative coverage.

M. STATE DISABILITY INSURANCE (SDI)

274. Employees in the bargaining unit(s) covered by this agreement shall be enrolled in the State Disability Insurance Program. The cost of SDI will be paid by the employee through payroll deduction at a rate established by the State of California Employment Development Department.

N. RETIREMENT

275. The parties acknowledge that the San Francisco Charter establishes the levels, terms and conditions of retirement benefits for members of the San Francisco Employees Retirement System (SFERS). The fact that the MOU does not specify that a certain item of compensation is excluded from retirement benefits should not be construed to mean that the item is included by the Retirement Board when calculating retirement benefits.
276. Effective July 1, 2012, all represented employees agree to pay their own employee retirement contribution.

1. Proposition C Employee Cost-Sharing

277. The parties recognize the requirement under Charter Section A8.409-9 to negotiate cost-sharing provisions that produce comparable savings and costs to the City and County as are produced through the Charter's SFERS employee contribution rate adjustment formulae. The parties intend this Section to effectuate the cost sharing provisions of San Francisco Charter Section A8.409-9. The parties further acknowledge that: (i) the annual

ARTICLE III – PAY, HOURS AND BENEFITS

SFERS employer contribution rate is determined by the SFERS actuary and approved by the SFERS Board for each fiscal year; and (ii) the annual employer contribution rate for SFERS for FY 2012-13 is 20.71%.

278. The parties agree that, when the applicable SFERS annual employer contribution rate is more than 12.00%, bargaining unit members in CalPERS shall make the mandatory statutory employee contribution described in paragraph 283 plus an additional mandatory contribution to effectuate San Francisco Charter Section A8.409-9 (the "Prop. C Contribution"). The Prop. C Contribution is determined, as set forth in the chart below, based on the employee contribution rate which corresponds to the SFERS annual employer contribution rate for that fiscal year. For example, for FY 2012-2013, based on the employer contribution rate of 20.71%, the Prop. C Contribution will be 2.5% of covered compensation for miscellaneous safety bargaining unit members in CalPERS earning at the annual rate of less than \$100,000, and 3% of covered compensation for such bargaining unit members earning at the annual rate of \$100,000 or more.

279. The Prop. C Contribution:

- (i) will be paid by the City to CalPERS, effectuated via a pre-tax reduction in salary pursuant to Internal Revenue Code Section 414(h)(2);

ARTICLE III – PAY, HOURS AND BENEFITS

- (ii) will not be included in the gross income of the bargaining unit members for certain tax reporting purposes, that is, for federal, state, or local income tax withholding, unless and until distributed either through a pension benefit or a lump sum payment;
 - (iii) will be included in the gross income of the bargaining unit members for FICA taxes when they are made;
 - (iv) will be reported to CalPERS as City contributions to be applied against the City's CalPERS reserve, and will not be applied to the bargaining unit member's individual CalPERS account;
 - (v) will be included in the bargaining unit member's compensation as reported to CalPERS and the affected bargaining unit members shall not be entitled to receive any of the contributions described above directly instead of having them paid by the City to CalPERS; and
 - (vi) will be considered as part of the bargaining unit member's compensation for the purpose of computing straight-time earnings, compensation for overtime worked, premium pay, and retirement benefits, and shall be taken into account in determining the level of any other benefit which is a function of, or a percentage of, salary.
280. In the event that the Prop. C Contribution is zero, i.e. the annual SFERS employer contribution rate is between 11-12%, section C above will not apply. In the event that the Prop. C Contribution is a negative number, i.e. the annual SFERS employer contribution rate is less than 11%, Section C above will not apply and the Prop. C Contribution will be treated as a City pick up of the bargaining unit members' mandatory CalPERS retirement contribution under paragraph 283 to the extent of the Prop. C Contribution.
281. Any City pickup of an employee's mandatory retirement contribution shall not be considered as a part of an employee's compensation for the purpose of computing straight-time earnings, compensation for overtime worked, premium pay, or retirement benefits; nor shall such contributions be taken into account in determining the level of any other benefit which is a function of our percentage of salary. The City reserves the right to take said contributions into account for the purpose of salary comparisons with other employers.
282. Notwithstanding the above paragraphs, in the event that a change in state law causes the implementation, during the term of this Agreement, of an increase in the employee contribution to CalPERS for employees covered by this Agreement, either party may elect to reopen this Agreement to address the impact of the change in state law. This reopener shall be subject to the impasse resolution procedures and criteria set forth in Charter Section A8.409-4.

2. Employee payment of employee contribution to CalPERS

ARTICLE III – PAY, HOURS AND BENEFITS

283. For the duration of this agreement, members of the bargaining unit in CalPERS shall pay the employee share of mandatory retirement contributions effectuated via a pre-tax reduction in salary. These mandatory retirement contributions:
- (i) will be paid by the City to CalPERS, effectuated via a pre-tax reduction in salary pursuant to Internal Revenue Code Section 414(h)(2);
 - (ii) will not be included in the gross income of the bargaining unit members for certain tax reporting purposes, that is, for federal, state, or local income tax withholding, unless and until distributed either through a pension benefit or a lump sum payment;
 - (iii) will be considered as part of the bargaining unit member's compensation for the purpose of computing straight-time earnings, compensation for overtime worked, premium pay, and retirement benefits, and shall be taken into account in determining the level of any other benefit which is a function of, or a percentage of, salary; and
 - (iv) the affected bargaining unit members shall not be entitled to receive any of the contributions described above directly instead of having them paid to CalPERS.

Retirement Reopener

284. At the written request of the Union, the City agrees to meet and confer with the Union over a mutually satisfactory contract amendment with PERS to effect safety retirement improvements. As set forth in Charter Section A8.409-2 any contract amendment shall be cost neutral. As set forth in Charter Sections A8.409.-5 and A8.506-2, the parties acknowledge that any disputes remaining after meet and confer on a PERS contract amendment are not subject to the impasse resolution procedures in Charter Section A8.409.

Retirement Seminar Release Time

285. Subject to development, availability and scheduling by SFERS and PERS, employees shall be allowed not more than one day during the life of this CBA to attend a pre-retirement planning seminar sponsored by SFERS or PERS. All such seminars must be located within the Bay Area.
286. Employees must provide at least two weeks advance notice of their desire to attend a retirement planning seminar to the appropriate supervisor. An employee shall be released from work to attend the seminar unless staffing requirements or other Department exigencies require the employee's attendance at work on the day or days such seminar is scheduled. Release time shall not be unreasonably withheld.
287. This section shall not be subject to the grievance procedure.

ARTICLE III – PAY, HOURS AND BENEFITS

O. LIFE INSURANCE

288. The City shall provide \$50,000 term life insurance for each permanent employee in the unit.

P. LONG TERM DISABILITY INSURANCE

289. The City, at its own cost, shall provide to employees a Long Term Disability (LTD) benefit that provides, after a one hundred and eighty (180) day elimination period, sixty percent salary (60%) (subject to integration) up to age sixty-five (65). Employees who are receiving or who are eligible to receive LTD shall be eligible to participate in the City's Catastrophic Illness Program only to the extent allowed for in the ordinance governing such program.

Q. RETURN TO WORK PROGRAMS

290. The City shall establish a Return-To-Work Program which shall provide for modified work assignments for employees who have sustained an occupational injury or illness to enable these employees to return to work as soon as possible consistent with their medical restrictions, as determined by licensed physician in accordance with Workers' Compensation laws and regulations.

291. The City recognizes that departments may have varying hours of public service, occupational standards or requirements for employees and other unique or specialized requirements. In order to provide for these unique elements, departments may create departmental Return-to-Work Programs.

292. Departmental Return-to-Work Programs shall conform to the standards of the Citywide Return-to-Work Program, but shall supplement the Citywide Program with procedures to account for the department's unique requirements.

When an employee, in good faith, believes that a hazardous or unsafe condition exists, and that continuing to work under such conditions poses risks beyond those normally associated with the nature of the job, the employee shall so notify the Department's Safety Committee and/or Safety Officer. If the Department agrees the assignment is hazardous or unsafe, the employee shall be reassigned, if possible, until the hazard is eliminated. If there is no concurrence, the matter may be submitted to the Grievance Procedure at Step 3 for final resolution. The employee's assignment shall be continued until the dispute is resolved. APPENDIX A – DEPARTMENTAL MOU PROVISIONS FOR RECREATION AND PARK DEPARTMENT

(Governing Class 3320 Animal Keepers assigned to the San Francisco Zoo)

Introduction

The achievement of the Zoo's mission and goals is the mutual obligation of all employees within their respective roles and responsibilities. It is recognized that, within these respective roles and responsibilities, the public requires high standards of both Zoo Management (“Management”) and Animal Keeper (“Keeper”) performance and the continual development and implementation of modern, progressive, and effective work practices.

Management, in the best interest of zoo operations, reserves the right to organize and reorganize the work of the Zoo, to assign personnel qualified to effectively carry out such assignments, to establish and modify days off, and to make alternate arrangements when necessary. Animal Keepers shall be responsible for the duties of their Section and Primary Work Area (“PWA”) if applicable. Management shall develop standards and organize the work within Sections.

Animal Keeper assignments will be organized into five-day Primary Work Areas and two-day relief assignments whenever operationally feasible. The current Primary Work Areas are listed in Attachment 1. It is understood that Primary Work Areas provide continuity and consistency for Animal Keepers and animal care. Animal Keepers assigned to PWAs shall have the right to those assignments, unless the PWA is reorganized. In keeping with Article II, Section G., paragraphs 87 through 89 of the 2003-2005 Memorandum of Understanding Between the City and County of San Francisco and Teamsters, Local 856 (“MOU”) representing Civil Service Animal Keepers, Management agrees to meet and confer in good faith and endeavor to reach agreement on Civil Service Keeper workloads.

It is understood that PWAs will need to evolve as the Zoo continues to rebuild and to pursue its mission and goals. The Zoo reserves the right to assign Animal Keepers as needed for training purposes, special projects, address performance issues, or to meet unforeseen circumstances.

Management recognizes and values the abilities and qualifications of its internal workforce and will afford internal candidates the first chance to bid for job opportunities as they arise. Specific circumstances regarding bidding for positions are described in the rules that follow. Management will assign work and fill vacancies based on abilities and qualifications. Management is committed to filling vacancies (as described in Section 12 herein) that are respectful of Zoo-wide seniority (as defined in Section 7 herein), responsive to Animal Keepers' career development interests, and that best match skills and abilities to position requirements. In the great majority of cases, superior seniority equates to superior experience. Therefore, in most cases, the Keeper with the greatest seniority will be selected for vacant Keeper positions to which they apply. In some instances, special requirements may make that unfeasible. Internal job postings that require special skills will include an explanation for those requirements. Managers will consider all relevant factors to ensure responsible hiring decisions that build an effective and motivated workforce and advance the mission of the Zoo.

Management recognizes, supports, and values Animal Keepers' ongoing commitment to continuing to develop and improve their expertise throughout their tenure. In appreciation of this, Management will offer Keepers the opportunity to select days off and vacation time in order of Zoo-wide seniority among the Section's Keepers. Zoo-wide seniority is understood to mean time worked as an Animal Keeper at the San Francisco Zoo as defined in Section 7 herein.

The parties acknowledge that Civil Service class 3320 Animal Keepers are employees of the City and County of San Francisco, employed under the appointing authority of the Director of the Department of Recreation and Park. Management recognizes and will apply the City and County of San Francisco Charter, Administrative Code, Civil Service Rules, and any other regulations that govern Civil Service Employees.

In the interest of providing support and guidance to Curators and Animal Keepers as they implement the provisions of this Departmental Policy, the Labor Management Committee ("LMC") will be revived. The LMC will consist of an equal number of Animal Keepers and Animal Management Representatives as well as the Director of Human Resources. The LMC will meet regularly to review matters connected with the implementation of this Departmental Policy and will provide interpretation and guidance in order to facilitate smooth and consistent application of the work rules. The LMC will also seek to resolve any disputes that might arise. In the interest of fostering collaboration and continuing to improve our work environment, the LMC may consider other issues by mutual agreement.

The following provisions of Appendix A shall apply to Animal Keepers employed by the City and County of San Francisco's Recreation and Park Department.

Section 1. Objective of the Zoo

The San Francisco Zoo's Mission Statement represents the purpose of the Zoo. The achievement of this mission and goals is recognized to be the mutual obligation of the parties within their respective roles and responsibilities.

Section 2. Pay Warrants

Management agrees that the time rolls for Civil Service Animal Keepers will be submitted on a timely basis to the City's Payroll-Personnel Services Division of the Controller's Office.

Section 3. List of Unit Employees

Upon written request to the Personnel Director of the Recreation and Park Department, and no more often than quarterly, the Department shall furnish the Union with the names and dates of hire of all Civil Service class 3320 Animal Keepers.

Section 4. Chain Of Command

Management has the authority to delineate the chain of command for all employees. Management's authority to delineate the chain of command is not grievable.

Section 5. Safety

The Zoo will implement and maintain an Injury and Illness Prevention Program as required under SB 198. Under this program, a Safety Committee shall exist on which at least one member shall be an Animal Keeper. Training shall be provided to each Animal Keeper and all Animal Keepers will be responsible for knowing and complying with the safety procedures of the Zoo.

Section 6. Training and Professional Development

6.1 Management shall ensure training for Animal Keepers in the performance of their assigned duties. No Animal Keeper shall be assigned to a work area without the appropriate training.

6.2 All Animal Keepers are expected to keep current their training in all areas of their Section.

6.3 Factors used by Management in selecting Keepers for training and professional development will include, but are not limited to, the Zoo's needs, the Keeper's need for training, and the Keeper's interests.

6.4 Management has the right to make the final decision on the training needs of the Zoo, and to select the Animal Keepers who receive professional development, and to release Keepers on official time for professional development.

6.5 Animal Keepers may be permitted, when practicable, to engage in professional development in the form of work related seminars, meetings, events, training sessions, and classes.

Section 7. Seniority

Citywide and Departmental seniority for City and County employees shall be defined pursuant to Civil Service Rules 121 and 102.26, respectively.

In accordance with Civil Service Rule 102.26.4., Departmental seniority for Civil Service Animal Keepers for shift and work assignments, vacation or holiday schedule, is determined by the Zoo and shall be defined as the total length of continuous permanent service as a class 3320 Animal Keeper at the Zoo. Leaves of absence shall not constitute a break in service. Temporary or CETA (Comprehensive Training and Employment Act) appointments in Class 3320 shall not be used to determine seniority. Civil Service employees who are temporarily appointed to another position at the Zoo and later return to their position of Animal Keeper shall regain their original seniority.

In any departmental bidding process within the Zoo where seniority is a factor and City and County of San Francisco employees are in competition with Zoological Society employees, Civil Service Animal Keepers' seniority, as defined above plus length of service as a temporary Animal Keeper (including CETA time), will be included in the definition of seniority.

Section 8. Days off

Within each Section, and in order of Zoo-wide seniority, Animal Keepers will choose among available days off. If, as a result of this process, new opportunities for days off are created, other Animal Keepers, also in order of Zoo-wide seniority will have the opportunity to select newly available days off. This process will continue until all available days off have been selected.

If an Animal Keeper's request for an available day or days off is denied, management will notify the Animal Keeper in writing why the request cannot be met. This notice will be provided within 7 days of the request.

In case of job sharing, days off for the 2 participating Animal Keepers will be determined separately based on each Animal Keeper's Zoo-wide seniority.

If an Animal Keeper is likely to be away from work for more than 30 days, their days off will be temporarily made available to the other Keepers in the Section in order of their Zoo-wide seniority. Any opportunities for a change of days-off that are then realized as a result of this change will be made available to the other Keepers in the Section in order of Zoo-wide seniority.

Animal Keepers can temporarily make available one or all of their days off to other Keepers in the Section by Zoo-wide seniority. These day(s)-off can be reclaimed by the Keeper with notice of no less than 2 pay periods.

Management agrees not to unduly restrict availability of weekend days off and will seek to maximize opportunities for days off as long as effective coverage is ensured and budget requirements are met. Effective coverage shall be defined as 1 Keeper assigned to each work area*. Both Management and the Union recognize that there will occasionally be instances where Keepers will have to work short staffed. It is understood that Management will need to redesign work areas as the Zoo changes and grows.

**During the period of November 16, 2002 through February 16, 2003 there was a trial period during which Zoo Management attempted to provide additional access to paid leave and access to Saturdays and Sundays off by agreeing to scheduling only 1 Keeper per work area per day. This was monitored on an ongoing basis. At the end of that period, Zoo Management continued the pilot and continues to monitor it on an on-going basis. Going forward, the LMC will evaluate and submit a non-binding recommendation to Zoo Management regarding the feasibility of continuing the policy on a Section-by-Section basis.*

Section 9. Vacation and Other Paid Leave

Within each Section, and in order of Zoo-wide seniority, Animal Keepers will choose paid leave during an annual sign-up process that will begin the first week of each December. During the sign-up, only one Keeper will be allowed to take paid leave each day unless the immediate supervisor authorizes time-off for additional Keeper(s). All paid leave requested after the annual sign-up will be granted on a first come first served basis with only one Keeper allowed to take paid leave each day unless the immediate supervisor authorizes time-off for additional Keeper(s). Animal Keepers may request to take paid leave on days when another Keeper is already scheduled to be off. If the request is made 30 or more days in advance of the date(s) needed, the

immediate supervisor will notify the Keeper as soon as possible, but no later than 25 days from the date(s) requested whether the paid leave will be granted.

For requests that are made within 30 days of the desired day(s) off, the immediate supervisor will grant or deny the request within a mutually agreed upon time frame. Determination of whether paid leave is granted or not is based on maintaining the minimum number of Animal Keepers needed to staff the Section's PWAs. Any Keeper who wishes to cancel any scheduled paid leave may do so with at least 30 days' notice. Any cancellation with less than 30 days' notice requires the approval of the immediate supervisor.

Section 10. Alternate Work Schedules

Each Section may elect by a two-thirds majority of Animal Keepers assigned to the Section to establish an alternative work schedule. Managers will approve alternate work schedules provided that such alternate schedule will allow for adequate staff coverage, adequate supervision, is within the authorized budget, and meets the Zoo's public service needs.

Alternate work schedules for Civil Service employees shall be pursuant to the City's policy governing alternate work schedules and MOU Article III.F., paragraph 205.

Section 11. New/Modified Sections and Primary Work Areas

When a new Section is created or Sections are combined, assignments will normally be organized into five-day Primary Work Areas and two-day relief assignments in accordance with the provisions of this agreement.

Assignments to new or modified Sections will be offered in the following order:

1. to any regular full-time Animal Keeper who has lost all his/her animals to the new or modified work area;
2. then to any regular full-time Animal Keeper who has lost some of his/her animals. If more than one Keeper falls into this category and is interested, the position will go to the Keeper with the most Zoo-wide seniority.

The assignment will then be posted Zoo-wide to all Animal Keepers and be offered to Keepers in the following order:

1. regular full-time Keepers in any Section. If more than one Keeper falls into this category and is interested, the position will go to the Keeper with the most Zoo-wide seniority;
2. qualified, temporary Animal Keepers;
3. qualified, regular part-time Animal Keepers
4. and finally, if necessary, to qualified individuals not currently working as Animal Keepers at the S.F. Zoo.

Section 12. Vacancies

Vacancies will be posted Zoo-wide and will be filled in the following order:

1. To any regular full-time Animal Keeper currently in the Section in which the vacancy occurs. If more than one Keeper falls into this category and is interested, the position will go to the Keeper with the most Zoo-wide seniority.
2. Then to any regular full-time Animal Keeper regardless of their Section. If more than one Keeper falls into this category and is interested, the position will go to the Keeper with the most Zoo-wide seniority.
3. After which, qualified, temporary Animal Keepers
4. And then qualified, regular part-time Animal Keepers
5. And finally, if necessary, to qualified individuals not currently working as Animal Keepers at the S.F. Zoo.

In some instances, special requirements may make the above process unfeasible. If so, the posting for the position will include an explanation for those special requirements. Managers will consider all relevant factors to ensure responsible hiring decisions that build an effective and motivated workforce and advance the mission of the Zoo.

Side Letter A. Extension of Alternate Work Schedule

Zoo Management allowed interested Sections to continue on an alternate work schedule for the period of October 27, 2002 through November 16, 2002 in order to determine the feasibility of regularly extending the alternative schedule past Daylight Savings Time.

Side Letter B. Animal Keepers' Right to Primary Work Areas

Management reserves the right to organize and reorganize work, assign personnel qualified to effectively carry out such assignments, to establish and modify days off, and to make alternate arrangements when necessary.

The parties agree that only Animal Keepers will be able to bid for animal keeping positions in accordance with the process outlined in Appendix A. Only Animal Keepers will have primary work areas. Other animal care staff, including Senior Keepers, will be assigned animal care work as necessary.

The animals and exhibits currently referred to as Area 5 and assigned to a Senior Keeper will remain part of their regular assignments until a need for change in the section's operation presents itself (for example, the opening of Africa!). At that time the animals and exhibits will be assigned to a PWA and made available to Animal Keepers within the respective section in alignment with process outlined in Appendix A. Before eliminating an existing PWA, either as a result of reorganization or reduction in animals/exhibits, the animals/exhibits in area 5 would be reassigned to a PWA(s) for assignment in accordance with Appendix A.

APPENDIX B

- b. Any employee, regardless of how his/her position is funded, who has been convicted of any drug/alcohol-related crime that occurred while on City business or in City facilities, must notify his/her department head or designee within five (5) days after such conviction. 4. COVERED CLASSIFICATIONS

All employees shall be subject to post-Accident testing under this Agreement. All employees who perform Safety-Sensitive Functions, as defined in this Policy, shall be subject to reasonable suspicion testing.

5. SUBSTANCES TO BE TESTED

- a. The City shall test, at its own expense, for alcohol and/or the following drugs:

- (1.) Amphetamines
- (2.) Barbiturates
- (3.) Benzodiazepines
- (4.) Cocaine
- (5.) Methadone
- (6.) Opiates
- (7.) PCP
- (8.) THC (Cannabis)

- b. Prescribed Drugs or Medications.

The City recognizes that Covered Employees may at times have to ingest prescribed drugs or medications. If a Covered Employee takes any drug or medication that a treating physician, pharmacist, or health care professional has informed the employee (orally or on the medication bottle) will interfere with job performance, including driving restrictions or restrictions on the use of Equipment, the employee is required to immediately notify the designated Department representative of those restrictions before performing his/her job functions.

- (1) Upon receipt of a signed release from the Covered Employee’s licensed healthcare provider, the department representative may consult with Covered Employee’s healthcare provider to confirm specific job duties that the employee can perform while on prescribed medication. If the employee’s healthcare provider is not readily available, or none is given, the department representative may consult with any City-licensed healthcare provider before making a final determination whether the employee may perform his/her job functions. However, if an employee, at the time of notification, brings in a medical note from the healthcare provider who prescribed the medication clearing the employee to work, then the City shall not restrict that employee from performing his or her job functions.
- (2) If a Covered Employee is temporarily unable to perform his or her job because of any potential side effects caused by prescribed medication, the employee shall be

APPENDIX B

reassigned to perform a temporary modified duty assignment consistent with the employee's medical restrictions without loss of pay until either the employee is off the prescribed medication or is cleared by a licensed healthcare provider. This temporary modified duty reassignment shall last for a period of no more than thirty (30) working days. If, after thirty (30) working days, the employee is still on said medication and/or has not been cleared by a licensed healthcare provider to return to work without restrictions, the City may extend the temporary modified duty assignment for a period not to exceed thirty (30) working days, provided that the healthcare provider certifies that the employee is reasonably anticipated to be able to return to work without restrictions after that thirty (30) day period. Employees who are unable to return to work under this provision shall be referred to the Department's human resources representative designated to engage with employees regarding possible reasonable accommodation under state and federal disability laws.

6. TESTING

I. Reasonable Suspicion Testing

- a. Reasonable suspicion to test a Covered Employee will exist when contemporaneous, articulable and specific observations concerning the symptoms or manifestations of impairment can be made. These observations shall be documented on the Reasonable Suspicion Report Form attached to this Appendix as Exhibit B. At least three (3) indicia of drug or alcohol impairment must exist, in two (2) separate categories, as listed on the Reasonable Suspicion Report Form. In the alternative, the employer representatives must confirm direct evidence of drug or alcohol impairment as listed on the Reasonable Suspicion Report Form.
- b. Any individual or employee may report another employee who may appear to that individual or employee to be under the influence of alcohol or drugs. Upon receiving a report of possible alcohol or drug use or impairment in the workplace, two (2) trained supervisory employer representatives will independently verify the basis for the suspicion and request testing in person. The first employer representative shall verify and document the employee's appearance and behavior and, if appropriate, recommend testing to the second employer representative. The second employer representative shall verify the contemporaneous basis for the suspicion. If reasonable suspicion to test a Covered Employee arises between 11:00 p.m. and 7:00 a.m., or at a location outside the geographic boundaries of the City and County of San Francisco (excluding San Francisco International Airport), and where a second trained supervisory employer representative cannot reasonably get to the location within thirty (30) minutes, then the second employer representative shall not be required to verify the basis for the suspicion in person, but instead shall verify by telephone or email. After completing the verification, and consulting with the first employer representative, the second employer representative has final authority to require that the Covered Employee be tested.
- c. If the City requires an employee under reasonable suspicion to be tested, then the employee may ask for representation. Representation may include, but is not limited to,

APPENDIX B

union representatives and shop stewards. If the employee requests representation, the City shall allow a reasonable amount of time from the time the employee is notified that he or she will be tested (up to a maximum of one hour) for the employee to obtain representation. Such request shall not delay the administration of the tests for more than one hour from the time the employee is notified that he or she will be tested.

- d. Department representative(s) shall document the incident. If a Covered Employee Refuses to Submit to testing, then the City shall treat the refusal as a positive test, and shall take appropriate disciplinary action pursuant to the attached discipline matrix.

II. Post-Accident Testing

- a. The City may require a Covered Employee who caused, or may have caused, an Accident, based on information known at the time of the Accident, to submit to drug and/or alcohol testing.
- b. Following an Accident, all Covered Employees subject to testing shall remain readily available for testing. A Covered Employee may be deemed to have refused to submit to substance abuse testing if he or she fails to remain readily available, including failing to notify a supervisor (or designee) of the Accident location, or leaving the scene of the Accident prior to submitting to testing.
- c. Nothing in this section shall delay medical attention for the injured following an Accident or prohibit an employee from leaving the scene of an Accident for the period necessary to obtain assistance in responding to the Accident or to obtain necessary emergency medical care.
- d. If the City requires a Covered Employee to be tested post-Accident, then the employee may ask for representation. Representation may include, but is not limited to, union representatives and shop stewards. If the employee requests representation, the City shall allow a reasonable amount of time from the time the employee is notified that he or she will be tested (a maximum of one hour) for the employee to obtain representation provided that the union representative meet the employee at the Accident site, work location or testing center as determined by the City. Such request shall not delay the administration of the tests for more than one hour from the time the employee is notified that he or she will be tested.
- e. As soon as reasonably possible after the occurrence of an Accident, the supervisor or other City representative at the Accident scene shall make best efforts to contact the Department of Human Resources (DHR) or designee, and DHR or designee shall then make best efforts to telephone the union(s) first designated representative on file with DHR representing the Covered Employee(s) involved in the Accident. If the first designated representative does not answer, DHR or designee shall leave a voice mail message notifying the union of the Accident and telephone the union(s) second designated representative on file with DHR. For purposes of this paragraph, a designated representative shall be any union officer or employee whose telephone number is on file with DHR for the purpose of Accident review. The union may change the designated

APPENDIX B

representative, in writing, as necessary from time to time, but it is the sole responsibility of the union to ensure that a current telephone number (with voice mail capability) for two designated representatives are on file with DHR.

7. TESTING PROCEDURES

I. Collection Site

- a. If there is a trained Collector available on site, the City may conduct “on-site” tests (alcohol breathalyzer testing and oral fluid testing). If any of those tests are “Non-Negative,” a confirmation test will be performed. The on-site tests may enable the Covered Employee and the City to know immediately whether that employee has been cleared for work.
- b. If a trained Collector is not available on-site, the staff of a collection facility under contract to the City, or the City's drug testing contractor shall collect oral fluid samples from Covered Employees to test for prohibited drugs.
 - (1.) A Covered Employee presenting herself/himself at the approved drug collection site must have a minimum of one piece of government-issued photo identification and may not leave the collection site for any reason – unless authorized by the collection agency – until (s)he has fully completed all collection procedures. Failure to follow all collection procedures will result in the employee classified as a “Refusal to Submit.”
- c. Covered Employees who Refuse to Test may be subject to disciplinary action, up to and including termination, pursuant to Exhibit A.
- d. Alcohol and drug testing procedures.
 - (1.) Alcohol Testing Procedure. Tests for alcohol concentration on Covered Employees will be conducted with a National Highway Traffic Safety Administration (NHTSA)-approved evidential breath testing device (EBT) operated by a trained breath alcohol technician (BAT). Alcohol tests shall be by breathalyzer using the handheld Alco-Sensor IV Portable Breath Alcohol Analyzer device, or any other U.S. Department of Transportation (DOT) approved breath analyzer device.
 - (2.) Drug Testing Procedure. Tests for drugs shall be by oral fluid collection. The oral fluid specimens shall be collected under direct visual supervision of a Collector and in accordance with the testing device manufacturer’s recommended procedures for collection. Screening results may be provided by the Collector or by a laboratory. Confirmation tests shall be conducted at a laboratory.
 - (3.) The Covered Employee being tested must cooperate fully with the testing procedures.

APPENDIX B

- (4.) A chain of possession form must be completed by the Collector, hospital, laboratory and/or clinic personnel during the specimen collection and attached to and mailed with the specimens.
- e. After being tested for drugs, the Covered Employee may be barred from returning to work until the department is advised of the final testing result by the MRO. During that period, the Covered Employee will be assigned to work that is not safety-sensitive or placed on paid administrative leave for so long as the Covered Employee is eligible for such leave under the terms of the applicable provision of the City's Administrative Code. The test shall be deemed a negative test if the MRO has not advised of the final testing result by the time the Covered Employee's paid leave has expired under the terms of the applicable provision of the City's Administrative Code.

II. Laboratory

- a. Drug tests shall be conducted by laboratories licensed and approved by SAMSHA which comply with the American Occupational Medical Association (AOMA) ethical standards. Upon advance notice, the parties retain the right to inspect the laboratory to determine conformity with the standards described in this policy. The laboratory will only test for drugs identified in this policy. The City shall bear the cost of all required testing unless otherwise specified herein.
- b. Tests for all controlled substances, except alcohol, shall be by oral fluid testing and shall consist of two procedures, a screen test and, if that is positive, a confirmation test.
- c. To be considered positive for reporting by the laboratory to the City, both samples must be tested separately in separate batches and must also show positive results on the confirmatory test.
- d. In the event of a positive test, the testing laboratory will perform an automatic confirmation test on the original specimen at no cost to the Covered Employee. In addition, the testing laboratory shall preserve a sufficient specimen to permit an independent re-testing at the Covered Employee's request and expense. The same, or any other, approved laboratory may conduct re-tests. The laboratory shall endeavor to notify the designated MRO of positive drug, alcohol, or adulterant tests results within five (5) working days after receipt of the specimen.

III. Medical Review Officer (MRO)

- a. All positive drug, or Substituted, Adulterated, positive-Diluted Specimen, or Invalid Drug Test, as defined herein, will be reported to a Medical Review Officer (MRO). The MRO shall review the test results, and any disclosure made by the Covered Employee, and shall attempt to interview the individual to determine if there is any physiological or medical reason why the result should not be deemed positive. If no extenuating reasons exist, the MRO shall designate the test positive.

APPENDIX B

- b. When the laboratory reports a confirmed positive, Adulterated, Substituted, positive-Diluted, or Invalid test, it is the responsibility of the MRO to: (a) make good faith efforts to contact the employee and inform him or her of the positive, Adulterated, Substituted, positive-Diluted, or Invalid test result; (b) afford the employee an opportunity to discuss the test results with the MRO; (c) review the employee's medical history, including any medical records and biomedical information provided by the Covered Employee, or his treating physician, to the MRO; and (d) determine whether there is a legitimate medical explanation for the result, including legally prescribed medication. Employees shall identify all prescribed medication(s) that they have taken. If the Covered Employee fails to respond to the MRO within three (3) days, the MRO may deem the Covered Employee's result as a positive result.
- c. The MRO has the authority to verify a positive or Refusal To Test without interviewing the employee in cases where the employee refuses to cooperate, including but not limited to: (a) the employee refused to discuss the test result; or (b) the City directed the employee to contact the MRO, and the employee did not make contact with the MRO within seventy-two (72) hours. In all cases, previously planned leaves may extend this time. The MRO's review of the test results will normally take no more than three (3) to five (5) days from the time the Covered Employee is tested.
- d. If the testing procedures confirm a positive result, as described above, the Covered Employee and the Substance Abuse Prevention Coordinator (SAPC) for the City and departmental HR staff or designee will be notified of the results in writing by the MRO, including the specific quantities. The results of a positive drug test shall not be released until the results are confirmed by the MRO. The Covered Employee may contact the SAPC, or the MRO, to request a drug or adulterant retest within seventy-two (72) hours from notice of a positive test result by the MRO. The requesting party will pay costs of retests in advance.
- e. A drug test result that is positive and is a Diluted Specimen will be treated as positive. All drug test results that are determined to be negative and are Diluted Specimens will require that the employee take an immediate retest. If the retest yields a second negative Diluted Specimens result, the test will be treated as a normal negative test, except in the case of subsection (f).
- f. If the final test is confirmed negative, then the Employee shall be made whole, including the cost of the actual laboratory re-testing, if any. Any employee who is subsequently determined to be subject of a false positive shall be made whole for any lost wages and benefits, and shall have their record expunged.
- g. The City shall assure that all specimens confirmed positive will be retained and placed in properly secured long-term frozen storage for a minimum of one (1) year, and be made available for retest as part of any administrative proceedings.
- h. All information from a covered employee's drug and/or alcohol test is confidential for purposes other than determining whether this policy has been violated or pursuing

APPENDIX B

disciplinary action based upon a violation of this policy. Disclosure of test results to any other person, agency, or organization is prohibited unless written authorization is obtained from the Covered Employee or as required by law.

8. RESULTS

a. Substance Abuse Prevention and Detection Threshold Levels.

For post-Accident or reasonable suspicion testing where the Covered Employee was operating a commercial motor vehicle, any test revealing a blood/alcohol level equal to or greater than 0.04 percent, or the established California State standard for commercial motor vehicle operations, shall be deemed positive. For all other post-Accident or reasonable suspicion testing, any test revealing a blood/alcohol level equal to, or greater than, 0.08 percent, or the established California State standard for non-commercial motor vehicle operations, shall be deemed positive. Any test revealing controlled substance confirmation level as shown in the chart below shall be deemed a positive test.

b. The City reserves the right to discipline in accordance with the chart set forth in Exhibit A for abuse of prescribed and over-the-counter drugs or medications, pursuant to the testing procedures described above, as determined by the MRO.

9. CONSEQUENCES OF POSITIVE TEST RESULTS

For post-Accident or reasonable suspicion, a Covered Employee shall be immediately removed from performing his or her job or, in the alternative, may be temporarily reassigned to work that is not safety-sensitive if such work is available. The Covered Employee shall be subject to disciplinary action, and shall meet with the SAPC, as set forth in Exhibit A, and section 10 below, if the Covered Employee:

1. Is confirmed to have tested positive for alcohol or drugs;
2. Refuses to Submit to testing; or
3. Has submitted a specimen that the testing laboratory report is an Adulterated or Substituted Specimen.

APPENDIX B

- a. If the Union disagrees with the proposed disciplinary action, it may use the grievance procedure as set forth in the parties' MOU, provided, however, that such a grievance must be initiated at the Employee Relations Director step, unless the parties otherwise mutually agree.
- b. All proposed disciplinary actions imposed because of a positive drug/alcohol test(s) shall be administered pursuant to the disciplinary matrix set forth in Exhibit A. Subject to good cause, the City may impose discipline for conduct in addition to the discipline for a positive drug/alcohol test. The positive test may be a factor in determining good cause for such additional discipline.
- c. In the event the City proposes disciplinary action, the notice of the proposed discipline shall contain copies of all laboratory reports and any other supporting documentation upon which the City is relying to support the proposed discipline.

10. RETURN TO DUTY

The SAPC will meet with a Covered Employee who has tested positive for alcohol and/or drugs. The SAPC will discuss what course of action may be appropriate, if any, and assistance from which the employee may benefit, if any, and will communicate a proposed return-to-work plan, if necessary, to the employee and department. The SAPC may recommend that the Covered Employee voluntarily enter into an appropriate rehabilitation program administered by the Covered Employee's health insurance carrier prior to returning to work. The Covered Employee may not return to work until the SAPC certifies that he or she has a negative test prior to returning to work. In the event that the SAPC does not schedule a return-to-work test before the Covered Employee's return-to-work date, the SAPC shall arrange for the Covered Employee to take a return-to-work test within three (3) working days of the Covered Employee notifying the SAPC in writing of a request to take a return-to-work test. If a Covered Employee fails a return-to-work test, he or she shall be placed on unpaid leave until testing negative but shall not be subject to any additional discipline due to a non-negative return-to-work test. The SAPC will provide a written release to the appropriate department or division certifying the employee's right to return to work.

11. TRAINING

The City or its designated vendor shall provide training on this policy to first-line, working supervisors and up to the Deputy Director level as needed. In addition, all Covered Employees shall be provided with a summary description of the SAPP notifying them of their right to union representation in the event that they are required to be tested.

12. ADOPTION PERIOD

This Policy shall go into effect on June 30, 2014.

13. JOINT CITY/UNION COMMITTEE

APPENDIX B

The parties agree to work cooperatively to ensure the success of this policy. As such, a Joint City/Union Committee shall be established with two (2) members from the City and two (2) members from each Union, except that no Union shall be required to participate. The Committee shall meet on an annual basis and, in addition, on an as-needed basis to address any implementation issues and review available data concerning the implementation of this policy.

14. SAVINGS CLAUSE

Notwithstanding any existing substance abuse prevention programs, if any provision of an existing department policy, rule, regulation, or resolution is inconsistent with or in conflict with any provision of this policy, this policy shall take precedence. Should any part of this policy be determined contrary to law, such invalidation of that part of this policy will not invalidate the remaining parts. If operational barriers arise that make implementation of any part of this policy impossible or impracticable, such operational barriers will not invalidate the remaining parts of this policy. In the event of a determination that a part of the policy is contrary to law or if operational barriers arise, the parties agree, with the intent of the parties hereto, to immediately meet and negotiate new provision(s) in conformity with the requirements of the applicable law, or which will remove the operational barrier. Should the parties fail to agree on a resolution, the matter will be submitted to binding arbitration using the factors set forth in Charter section A8.409-4(d), and, as appropriate, Charter section 8A.104(n). Otherwise, this policy may only be modified by mutual consent of the parties. Such amendment(s) shall be reduced to writing.

APPENDIX C – UNION ACCESS TO NEW EMPLOYEES PROGRAM

I. Purpose

The purpose of this agreement is to memorialize the rights and obligations of the City and the Union in accordance with CA Government Code Sections 3555-3559, through the creation of a single, City-wide Union Access to New Employees Program applicable to all City Agencies and all City Employee Unions.

II. Notice and Access

- A.** The City shall provide the Union written notice of, and access to, new employee orientations (hereinafter NEOs) as set forth below. It is the City's policy that NEOs are mandatory for all newly-hired employees. It is the City's intent that NEOs take place as promptly as possible after the first day of employment. Within thirty (30) calendar days of the start of employment, newly-hired employees will be scheduled to attend the next available NEO. NEOs shall be scheduled during an employee's regularly scheduled, paid time. In the event that a newly-hired employee's regular schedule is outside of a scheduled NEO, the Department may make a one-time adjustment to the employee's work schedule in order to accommodate this requirement.

In the event an employee does not attend the NEO that the employee was scheduled to attend, said employee will be automatically enrolled to attend the next available NEO. If the employee does not attend the subsequently scheduled NEO, the Union NEO Coordinator may contact the Departmental NEO coordinator to arrange a meeting with the employee pursuant to Section F., below.

- B.** Application: New employees include, but are not limited to, newly-hired employees whose positions are permanent, temporary, full-time, part-time, per diem, seasonal, provisional, or as-needed.

C. Notice

1. **Single Point of Contact:** The Union agrees to provide the City with a single point of contact (hereinafter, Union NEO Coordinator) and the City agrees to provide the Union with a single point of contact for each Department (hereinafter, Departmental NEO Coordinator), which will be updated by the City and the Union on an as-needed basis.
2. **Notice of Schedule:** For any NEO that takes place on a regular, recurring schedule, the sponsoring Department shall be responsible for providing annual notice to the Union. For NEOs that are not offered on a regular, recurring schedule, the sponsoring Department shall provide no less than ten (10) business days' notice. Said notices shall be provided by email, to the Union NEO Coordinator. This requirement shall apply to all NEOs in which City personnel

APPENDIX C

provide newly-hired employees with information regarding employment status, rights, benefits, duties, responsibilities, or any other employment-related matters.

3. Notice of Enrollment: Notice shall include a list of new employees represented by the Union scheduled to attend the NEO. If practical, the City agrees to provide additional identifying information including, but not limited to, classification and department. Six months from enactment, in the event the City is unable to provide classification and department information in the Notice of Enrollment, the Union can reopen this Agreement for the sole purpose of meeting and conferring over the identifying information provided in this Section II.C.3 Notice of Enrollment. Said meeting and conferring shall not be subject to the impasse procedures in Government Code Section 3557. The Department sponsoring the NEO shall provide the foregoing information no less than five (5) business days prior to the NEO taking place. The Department will make best efforts to notify the Union NEO Coordinator of any last-minute changes. Onboarding of individual employees for administrative purposes is excluded from this notice requirement.

- D.** Citywide and Departmental NEOs: New employees in those Departments identified in Attachment A shall attend a citywide NEO, sponsored by the Department of Human Resources. This citywide NEO shall take place at minimum on a monthly basis. Departments identified in Attachment B will conduct respective Departmental NEOs. At the City's discretion, Departments may be added to or removed from either Attachment A or Attachment B. For the citywide NEO, DHR will adhere to the Department notice requirements in Section C., above. The City will provide the Union with thirty (30) calendar days' notice prior to moving a Department from Attachment A to B, or vice versa. Every City Department shall be listed on either Attachment A or Attachment B.
- E.** Access and Presentation: At all NEOs, the Union shall be afforded thirty (30) minutes to meet with represented new employees who are present, unless the Union's Memorandum of Understanding (MOU) provides for more than thirty (30) minutes. The right of the Union to meet with newly-hired employees is limited to only those employees whose classifications fall within the Union's bargaining unit. The City shall ensure privacy for the Union's orientation, and it shall take place without City representatives present. This requirement can be met by providing either a private room or a portion of a room with sufficient distance from other activities in the room to limit disruption. The Department responsible for scheduling the NEO shall be responsible for including Union presentations on the agenda. The Union's presentation shall occur prior to any meal break, and will not be conducted during a scheduled break time. One (1) of the Union's representatives may be a Union member designated by the Union. Such member(s) shall be released to attend under the terms and conditions specified in the MOU. If not otherwise provided for in the MOU, the Union may request release of a Union-designated member to attend the NEO. Release time shall not be unreasonably withheld. Said request shall be made to the Employee Relations Division no less than three (3) business days in advance of the scheduled NEO. The Union agrees to limit its presentation to only those matters stated in Section H., below.

APPENDIX C

F. Alternate Procedures: In the event the Union identifies one or more new employees who did not attend the Union's presentation as described in Section E., above, the Union may contact the Departmental NEO coordinator to schedule a mutually-agreeable fifteen (15) minute time slot for the Union to meet privately with the new employee(s). If the number of such identified employees is five (5) or more at a particular location, the Union NEO Coordinator and Departmental NEO Coordinator will work together to schedule a mutually agreeable thirty (30) minute time slot for the private meeting. One (1) of the Union's representatives may be a Union member designated by the Union, and such member shall be released to attend under the terms and conditions specified in the MOU. If not otherwise provided for in the MOU, the Union may request release of a Union-designated member as provided for in Section E., above. This alternate procedure shall also apply to any employee who has promoted or transferred into the bargaining unit.

1. The Union NEO Coordinator shall coordinate with the new employee(s) referenced in the preceding paragraph and the Departmental NEO Coordinator to schedule a fifteen (15) minute meeting during normally scheduled hours, which shall not be during employee's break or meal period, for the Union representative(s) to meet privately with, and provide materials and information to, the new employee(s). City representatives shall not be present during said meeting. The Union agrees to limit its presentation to only those matters stated in Section H., below.
2. In the event the proposed time cannot be accommodated, the Union NEO Coordinator and the Departmental NEO Coordinator shall work together to find a mutually agreeable time within ten (10) business days of the Union's request.
3. Department of Elections: Any new employee of the Department of Elections who is classified as Temporary Exempt (Category 16), whose duration of appointment is one (1) pay period or less, and works on an as-needed work schedule will receive written materials provided by the Union in lieu of attending a Citywide or Departmental NEO, a private meeting with the Union as provided for in Section F., above, or a Periodic Union Orientation as provided for in Section G., below.

G. Process for Periodic Union Orientations: By mutual agreement, the Union NEO Coordinator and the Departmental NEO Coordinator may schedule periodic thirty (30) minute Union orientations. Periodic Union orientations may be scheduled on an every-other-month, quarterly, or other basis.

The following Departments shall maintain existing Union orientation arrangements: Department of Emergency Management; Sheriff's Department; and Police Department.

The 311 Customer Service Call Center shall maintain existing practice with respect to Union access to 311 Customer Service Agent Training.

H. Union Orientation Presentations: The Union agrees to limit its presentation to a general introduction to its organization, history, by-laws, and benefits of membership. The Union

APPENDIX C

agrees not to engage in campaigning on behalf of an individual running for public elected office and ballot measures during the NEO, or other topics that would be considered beyond general discussion on the benefits of Union membership.

III. Data Provisions

Subject to the limitations contained in CA Government Code Section 3558, the City shall provide the Union with all required information on newly-hired employees to the extent it is made available to the City. In addition, within ten (10) business days of the conclusion of each NEO, the City agrees to provide the Union with a stand-alone report containing a list of employees, including classification code and division, who were scheduled to, but did not attend each NEO.

IV. Hold Harmless

The Union agrees to hold the City harmless for any disputes that arise between the Union and any new employee over application of this Agreement.
