31841 - 18/19 - MODIFICATIONS	September 21, 2020	GENERAL SERVICES AGENCY - CITY ADMIN -- ADM	\$75,000	\$167,000	The Digital Services Division promotes the development of new digital services to help meet the needs of all who use City and County of San Francisco (CCSF) on line services. Digital Services relies on user research as a fundamental means of understanding each customer's story and needs, which informs the design of accessible and intuitive on line services. Vendor will create and coordinate a User Testing Program to help CCSF departments bring public input into the design of City services. Vendor will recruit, engage and compensate residents for user testing. Target users will include residents who are low income, English as Second Language speakers, seniors, and people with disabilities. Through this program, Digital Services will conduct user testing by testing its web products on members of these groups and use research results to make its products more accessible by members of these groups. Vendor will assess the program at regular intervals.	03/15/2019	07/01/2021	REGULAR
