The project envisions the vendor working with City staff to setup and support the WCM cloud environment that will enable the City to build custom websites using a more sophisticated software development system, the Drupal system. This more sophisticated and flexible solution will replace the City's current low-cost solution offered by our incumbent Web content management vendor, Vision Internet, a vendor procured through the Technology Store.</p>	07/01/2015 06/30/2023 REGULAR

specialties that may be required during the term of the approval. The services are very low in volume, typically averaging several hours a month and are also dependent on the patient mix at any given time.

**Scope Change:**

This is a modification to support ongoing services in multiple clinical practice areas at Laguna Honda Hospital. The scope of work is modified to reflect the current list of needed services, including: pathology, dermatology, nephrology, neurology, orthopedic surgery, plastic surgery services, radiology, rheumatology, ophthalmology and optometry, electrocardiogram (ECG) services, otolaryngology Head and Neck Surgery (OHNS) services, endocrinology, infectious diseases services, physiatry, cardiology, pulmonary, and podiatry.
