					<p>prototype would be used by San Francisco Sheriff Department in a non-production environment for the duration of the subscription (12 months) in order to confirm that Vendor's JMS will meet the jail management system needs of San Francisco Sheriff Department. The scope, assumptions, and costs presented in this SOW represent Vendor proprietary experience and knowledge.</p> <p>A. Project Scope Vendor will work with San Francisco Sheriff Department to install Offender360 JMS and all technology components associated with the software in a non-production San Francisco Sheriff Department environment on their server hardware. Vendor will conduct a series of training workshops with San Francisco Sheriff Department Information Technology Staff to enable San Francisco Sheriff Department To make configuration changes to the standard JMS Booking module and develop a non-production prototype that meets the specific business requirements of San Francisco Sheriff Department for the booking process. Vendor will include in the services a 12 month subscription of the Offender360 JMS software to allow San Francisco Sheriff Department users to test the application in a non-production environment for up to 12 months. The result of this project will provide a prototype that will enable San Francisco Sheriff Department to validate and confirm that Offender360 will meet the jail management system needs of San Francisco Sheriff Department.</p>			

**TOTAL AMOUNT \$40,200,000**
