39224 13/14 - MODIFICATIONS	August 21, 2017	PUBLIC LIBRARY -- LIB	\$85,000	\$165,000	Library seeks a contractor to provide an authority control service, an automated editing software solution to ensure that accurate, current bibliographic authority records are applied consistently throughout the Library's online catalog system. Authority records are the names of subjects, authors, composers, illustrators, film-makers and actors, etc. that are part of catalog records for library materials sought. Library staff will specify to Contractor how to handle the data, including which changes to make automatically and which to report back to us as exceptions. The Contractor will then run the records through the authority control software database, making automatic changes as specified and printing reports to provide accurate and current bibliographic authority records for the Library's online catalog system. The Contractor will also maintain a record of authority records used by the Library and send files containing updated authority records when changes occur.	09/30/2018	04/30/2022	REGULAR
