<tr>
<td>40301 - 18/19</td>
<td>AGENCY - CITY ADMIN</td>
<td>$1,500,000.00</td>
<td>Services will include as-needed rental and cleaning of portable restrooms for City use at City construction worksites and City-sponsored events. The number and type of portable restrooms will vary. The need for the equipment may last from a day to a month, or more. Portable restrooms would be delivered to the needed sites. Janitorial services are needed to keep the equipment clean and functioning. These services include cleaning the rented, portable restrooms and wash stations, replacement of soap and paper products, removal of waste from the holding tanks into a waste-receiving truck, and trucking the waste to a facility for proper disposal of the waste. The need for the services is unpredictable and depends on the number of worksites, users, and duration of the rental. For example, more portable restrooms would be required during summer months when more City constructions occur.</td>

Solano, Sonoma, and San Francisco. The CPUC approved the BayREN budget from 2018 through 2025 and authorized expansion into the commercial sector, covering small and medium businesses.

The Department of the Environment (the "Department") is the lead agency for this expansion, and is charged with conducting administration, marketing and implementation of the BayREN Commercial Program for all 9 counties.

The Department will administer the BayREN program within San Francisco. Working under the supervision of the Department, a contractor will be selected to provide administration, implementation and technical support for BayREN Commercial in the other eight Bay Area counties.

The contractor(s) will provide as-needed professional support for energy efficiency activities, which include Marketing, Education, and Outreach (M&O), Program Administration Services (issuing rebates), Technical Assistance, Quality Assurance (on engineering reports and data) and Quality Control (in-field project installation), as well as Evaluation, Measurement, & Verification (EM&V; meter data verification).

- **49081 - 18/19 HUMAN SERVICES**
  - **PSC No:** 49081
  - **PSC Amount:** $3,500,000.00
  - **Description of Work:** Provides comprehensive, quality, culturally-responsible State-mandated training to Child welfare workers, using Federal dollars, to increase child welfare workers knowledge and skills in the practice of public child welfare. These trainings increase the knowledge and skills of child welfare workers, thereby improving outcomes for children and families. Trainings cover complex case management and have both clinical and legal implications; providing child welfare workers updates on State laws, regulations and standards.

<td>GENERAL SERVICES - AGENCY - CITY ADMIN</td>
<td>$750,000.00</td>
<td>by way of calibrating, inspecting, cleaning, and maintaining system meters and related instruments. The primary objective of all calibration activities is to ensure meter-signal accuracy and consistency carries through from the field located secondary metering equipment, through all remote transmitting units and field programmable logic controllers, through the SPPUC Supervisory Control and Data Acquisition (SCADA) system, to the final remote operational display. The work often includes entering confined spaces to use special testing equipment to certify instrument accuracy. Work on each meter is documented and calibration certificates presented. Reports include site inventory, field notes, calibration notes and metering site inventory. As needed, the work will involve diagnosing problems, identifying failed instruments, and performing parts replacement.</td>
