			hybrid and trolley coaches with battery electric coaches, i) options available to use the existing overhead power distribution infrastructure, j) details needed to successfully submit the California Air Resources Board's (CARB) Zero Emission Bus (ZEB) Rollout Plan.			
46090 - 18/19	PUBLIC UTILITIES COMMISSION	\$6,300,000.00	<p>During the wet weather season (October 15th to April 15th), the contractor is responsible for providing sites for the beneficial use of biosolids.</p> <p>The contractor works with ranchers and farmers to use biosolids as a fertilizer. The contractor secures all necessary permitting required for the use of biosolids as a fertilizer. Fees for permitting are paid by the contractor. The contractor manages the agronomic application of biosolids so that nitrogen added to fields does not exceed crop uptake needs. When sufficient biosolids have been added to a field to meet its nitrogen needs, the contractor moves the application operation to a new field. When moving to a new field, the contractor is responsible for coordinating with the trucking contractor for the transportation of biosolids to the new location. The contractor is responsible for the spreading and discing (incorporation) of the biosolids on each field. Coordination with the ranchers, farmers, and the trucking contractor is the responsibility of the contractor.</p> <p>The contractor also secures agreements with landfills for the use of biosolids as an alternative daily cover or for disposal in the case where they cannot be reused. The contractor is responsible for coordinating between the trucking contractor and the landfill.</p> <p>The contractor secures agreements with a facility which can store biosolids until they can be used in certain counties which do not permit biosolids use during the wet weather season (October 15-April 15).</p>	June 1, 2019	May 30, 2024	REGULAR
40201 - 18/19	RECREATION AND PARK COMMISSION	\$5,000,000.00	Conduct pre-construction and construction management services for Recreation and Park Department bond projects. Potential Scope of Services includes constructability review, cost-estimating, project scheduling, testing services and construction management.	June 14, 2019	January 14, 2024	REGULAR

TOTAL AMOUNT \$27,600,000
