43740 - 17/18	JUVENILE PROBATION	\$600,000.00	The Juvenile Probation Department (JPD) operates two 24-hour/7-day a week residential facilities for youth: Juvenile Hall and Log Cabin Ranch (located in La Honda CA). The Board of State & Community Corrections (BSCC) Title 15 minimum standards for juvenile facilities mandates physical education as a "required element" of the facility education program and on-grounds school. In order to comply with the State Education Code, applicable federal education statutes and regulations, JPD must ensure that it has a highly effective physical education program, in order to maximize the amount of time youth are out of their rooms and not confined to their beds. Per BSCC, Article 6, Programs and Activities, Section 1371, juvenile facilities must provide a daily supervised exercise, activity and recreation program, that includes "large muscle activity each day" as well as outdoor activity. The Welfare and Institutions Code (WIC), Division 2 requires that residential programs provide competency-based education services, training, and physical education, for wards of the Juvenile Court. To comply with all statutes and regulations regarding youth who are confined to juvenile detention facilities, JPD is seeking a supplier to develop and implement a safe, compliant, comprehensive and structured physical education, exercise, activity, and recreation program that includes evidence-based instructional strategies to respond to youth with different learning styles and abilities. 			The Port of San Francisco maintains a shoreside power system at Pier 27/29. The shoreside power connection allows cruise ships that come into port to be connected to the City's high voltage electrical grid. Cochran Marine is the sole contractor in North America who has provided complete turnkey installations of this system. The requested Personal Services Contract will provide annual testing and re-commissioning of the shoreside power equipment at Pier 27/29.	October 1, 2017	October 1, 2021	
48731 - 17/18	PUBLIC UTILITIES COMMISSION	\$10,906,297.00	<p>The San Francisco Public Utilities Commission ("SFPUC") currently uses two radio systems. The first system, operated by the Department of Emergency Management ("DEM"), is a Motorola 700/800 MHz standard public safety radio system. It is used by the City and County of San Francisco ("CCSF"), SFPUC's Wastewater Enterprise, Power Enterprise, Customer Service Bureau, as well as the City Distribution Division's Auxiliary Water Supply System personnel and Gatemmen. The second system is a low frequency radio system and is used by SFPUC's Water Enterprise. This system spans seven counties but offers incomplete system hardware, incomplete coverage, and lacks many features needed in today's utility business such as built-in portability. This system is at its end-of-life and must be replaced.</p> <p>After conducting an extensive Request for Proposals ("RFP") process, SFPUC has selected Motorola Solutions to replace its antiquated low frequency radio system.</p> <p>Motorola Solutions' proposal consists of three major elements: (A) Complete system design and installation services in the amount of \$5,160,225; (B) System network equipment including radio infrastructure, dispatch consoles, 540 handheld radios and 52 mobile radios for the life of the contract in the amount of \$3,960,906; and (C) Eight years of comprehensive system maintenance and repair with all system upgrades in the amount of \$1,785,166.</p> <p>SEIU 1021 COMMENTS: CCSF Technicians will be responsible for primary system monitoring, trouble shooting and fault-isolation using Motorola System Diagnostic Software and all dispatch of tier 1 CCSF technician on-site repairs and maintenance.</p>	December 1, 2017	February 28, 2027	REGULAR

43871 - 17/18	PUBLIC HEALTH	\$96,817,600.00	Contractor(s) will provide psychiatric care to adults and/or older adults, in a locked licensed facility, Skilled Nursing Facility (SNF) and/or Mental Health Rehabilitation Center (MHRC) within San Francisco Bay Area, and/or non-mandatory psychiatric respite services, with one-on-one support in an appropriate environment. Most admissions for psychiatric care will be San Francisco residents coming directly from acute psychiatric inpatient units. Referrals for respite services will primarily come from Psychiatric Emergency Services (PES), acute inpatient psychiatric units, community mental health/dual diagnosis treatment programs, the San Francisco Homeless Outreach Team (SF HOT) and intensive case management programs. The SNF will provide care to individuals with psychiatric problems, medical problems and behavior problems, individuals with neurobehavioral diagnosis with a primary diagnosis of dementia. Individuals also may be admitted with physical impairments requiring special needs that may include the use of a wheelchair, walker, or cane; they may also have vision and or hearing loss or speech impediments. The MHRC will provide care to individuals who have a psychiatric diagnosis with behaviors too severe to live independently or in an unlocked unstructured community program. Respite services will provide a place for people who are not yet accepting of the need to manage their mental health symptoms/issues in a more productive and healthy manner and who would benefit from a supervised setting to monitor medication changes after an inpatient stay.
